

SENATE BILL No. 1234

August 15, 2012, Introduced by Senator BOOHER and referred to the Committee on Education.

A bill to amend 1979 PA 94, entitled
"The state school aid act of 1979,"
by amending section 6 (MCL 388.1606), as amended by 2012 PA 201.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 6. (1) "Center program" means a program operated by a
2 district or by an intermediate district for special education
3 pupils from several districts in programs for pupils with autism
4 spectrum disorder, pupils with severe cognitive impairment, pupils
5 with moderate cognitive impairment, pupils with severe multiple
6 impairments, pupils with hearing impairment, pupils with visual
7 impairment, and pupils with physical impairment or other health
8 impairment. Programs for pupils with emotional impairment housed in
9 buildings that do not serve regular education pupils also qualify.

1 Unless otherwise approved by the department, a center program
2 either shall serve all constituent districts within an intermediate
3 district or shall serve several districts with less than 50% of the
4 pupils residing in the operating district. In addition, special
5 education center program pupils placed part-time in noncenter
6 programs to comply with the least restrictive environment
7 provisions of section 612 of part B of the individuals with
8 disabilities education act, 20 USC 1412, may be considered center
9 program pupils for pupil accounting purposes for the time scheduled
10 in either a center program or a noncenter program.

11 (2) "District and high school graduation rate" means the
12 annual completion and pupil dropout rate that is calculated by the
13 center pursuant to nationally recognized standards.

14 (3) "District and high school graduation report" means a
15 report of the number of pupils, excluding adult participants, in
16 the district for the immediately preceding school year, adjusted
17 for those pupils who have transferred into or out of the district
18 or high school, who leave high school with a diploma or other
19 credential of equal status.

20 (4) "Membership", except as otherwise provided in this
21 article, means for a district, a public school academy, the
22 education achievement system, or an intermediate district the sum
23 of the product of .90 times the number of full-time equated pupils
24 in grades K to 12 actually enrolled and in regular daily attendance
25 on the pupil membership count day for the current school year, plus
26 the product of .10 times the final audited count from the
27 supplemental count day for the immediately preceding school year. A

1 district's, public school academy's, or intermediate district's
2 membership shall be adjusted as provided under section 25 for
3 pupils who enroll in the district, public school academy, or
4 intermediate district after the pupil membership count day. All
5 pupil counts used in this subsection are as determined by the
6 department and calculated by adding the number of pupils registered
7 for attendance plus pupils received by transfer and minus pupils
8 lost as defined by rules promulgated by the superintendent, and as
9 corrected by a subsequent department audit. For the purposes of
10 this section and section 6a, for a school of excellence that is a
11 cyber school, as defined in section 551 of the revised school code,
12 MCL 380.551, and is in compliance with section 553a of the revised
13 school code, MCL 380.553a, or for the education achievement system,
14 a pupil's participation in the cyber school's educational program
15 or in an online educational program of the education achievement
16 system or of an achievement school is considered regular daily
17 attendance. The amount of the foundation allowance for a pupil in
18 membership is determined under section 20. In making the
19 calculation of membership, all of the following, as applicable,
20 apply to determining the membership of a district, a public school
21 academy, the education achievement system, or an intermediate
22 district:

23 (a) Except as otherwise provided in this subsection, and
24 pursuant to subsection (6), a pupil shall be counted in membership
25 in the pupil's educating district or districts. An individual pupil
26 shall not be counted for more than a total of 1.0 full-time equated
27 membership.

1 (b) If a pupil is educated in a district other than the
2 pupil's district of residence, if the pupil is not being educated
3 as part of a cooperative education program, if the pupil's district
4 of residence does not give the educating district its approval to
5 count the pupil in membership in the educating district, and if the
6 pupil is not covered by an exception specified in subsection (6) to
7 the requirement that the educating district must have the approval
8 of the pupil's district of residence to count the pupil in
9 membership, the pupil shall not be counted in membership in any
10 district.

11 (c) A special education pupil educated by the intermediate
12 district shall be counted in membership in the intermediate
13 district.

14 (d) A pupil placed by a court or state agency in an on-grounds
15 program of a juvenile detention facility, a child caring
16 institution, or a mental health institution, or a pupil funded
17 under section 53a, shall be counted in membership in the district
18 or intermediate district approved by the department to operate the
19 program.

20 (e) A pupil enrolled in the Michigan schools for the deaf and
21 blind shall be counted in membership in the pupil's intermediate
22 district of residence.

23 (f) A pupil enrolled in a career and technical education
24 program supported by a millage levied over an area larger than a
25 single district or in an area vocational-technical education
26 program established pursuant to section 690 of the revised school
27 code, MCL 380.690, shall be counted only in the pupil's district of

1 residence.

2 (g) A pupil enrolled in a public school academy shall be
3 counted in membership in the public school academy.

4 (h) A pupil enrolled in an achievement school shall be counted
5 in membership in the education achievement system.

6 (i) For a new district or public school academy beginning its
7 operation after December 31, 1994, or for the education achievement
8 system or an achievement school, membership for the first 2 full or
9 partial fiscal years of operation shall be determined as follows:

10 (i) If operations begin before the pupil membership count day
11 for the fiscal year, membership is the average number of full-time
12 equated pupils in grades K to 12 actually enrolled and in regular
13 daily attendance on the pupil membership count day for the current
14 school year and on the supplemental count day for the current
15 school year, as determined by the department and calculated by
16 adding the number of pupils registered for attendance on the pupil
17 membership count day plus pupils received by transfer and minus
18 pupils lost as defined by rules promulgated by the superintendent,
19 and as corrected by a subsequent department audit, plus the final
20 audited count from the supplemental count day for the current
21 school year, and dividing that sum by 2.

22 (ii) If operations begin after the pupil membership count day
23 for the fiscal year and not later than the supplemental count day
24 for the fiscal year, membership is the final audited count of the
25 number of full-time equated pupils in grades K to 12 actually
26 enrolled and in regular daily attendance on the supplemental count
27 day for the current school year.

1 (j) If a district is the authorizing body for a public school
2 academy, then, in the first school year in which pupils are counted
3 in membership on the pupil membership count day in the public
4 school academy, the determination of the district's membership
5 shall exclude from the district's pupil count for the immediately
6 preceding supplemental count day any pupils who are counted in the
7 public school academy on that first pupil membership count day who
8 were also counted in the district on the immediately preceding
9 supplemental count day.

10 (k) In a district, a public school academy, the education
11 achievement system, or an intermediate district operating an
12 extended school year program approved by the superintendent, a
13 pupil enrolled, but not scheduled to be in regular daily attendance
14 on a pupil membership count day, shall be counted.

15 (l) ~~Pupils to~~ **TO** be counted in membership, ~~shall be not less~~
16 ~~than 5 years of age on December 1 and~~ **A PUPIL SHALL MEET THE**
17 **MINIMUM AGE REQUIREMENT TO BE ELIGIBLE TO ATTEND SCHOOL UNDER**
18 **SECTION 1147 OF THE REVISED SCHOOL CODE, MCL 380.1147, OR SHALL BE**
19 **ENROLLED UNDER SUBSECTION (3) OF THAT SECTION, AND SHALL BE** less
20 than 20 years of age on September 1 of the school year except as
21 follows:

22 (i) A special education pupil who is enrolled and receiving
23 instruction in a special education program or service approved by
24 the department, who does not have a high school diploma, and who is
25 less than 26 years of age as of September 1 of the current school
26 year shall be counted in membership.

27 (ii) A pupil who is determined by the department to meet all of

1 the following may be counted in membership:

2 (A) Is enrolled in a public school academy or an alternative
3 education high school diploma program, that is primarily focused on
4 educating homeless pupils and that is located in a city with a
5 population of more than 500,000.

6 (B) Had dropped out of school for more than 1 year and has re-
7 entered school.

8 (C) Is less than 22 years of age as of September 1 of the
9 current school year.

10 (m) An individual who has obtained a high school diploma shall
11 not be counted in membership. An individual who has obtained a
12 general educational development (G.E.D.) certificate shall not be
13 counted in membership unless the individual is a pupil with a
14 disability as defined in R 340.1702 of the Michigan administrative
15 code. An individual participating in a job training program funded
16 under former section 107a or a jobs program funded under former
17 section 107b, administered by the Michigan strategic fund, or
18 participating in any successor of either of those 2 programs, shall
19 not be counted in membership.

20 (n) If a pupil counted in membership in a public school
21 academy or the education achievement system is also educated by a
22 district or intermediate district as part of a cooperative
23 education program, the pupil shall be counted in membership only in
24 the public school academy or the education achievement system
25 unless a written agreement signed by all parties designates the
26 party or parties in which the pupil shall be counted in membership,
27 and the instructional time scheduled for the pupil in the district

1 or intermediate district shall be included in the full-time equated
2 membership determination under subdivision (q). However, for pupils
3 receiving instruction in both a public school academy or the
4 education achievement system and in a district or intermediate
5 district but not as a part of a cooperative education program, the
6 following apply:

7 (i) If the public school academy or the education achievement
8 system provides instruction for at least 1/2 of the class hours
9 specified in subdivision (q), the public school academy or the
10 education achievement system shall receive as its prorated share of
11 the full-time equated membership for each of those pupils an amount
12 equal to 1 times the product of the hours of instruction the public
13 school academy or the education achievement system provides divided
14 by the number of hours specified in subdivision (q) for full-time
15 equivalency, and the remainder of the full-time membership for each
16 of those pupils shall be allocated to the district or intermediate
17 district providing the remainder of the hours of instruction.

18 (ii) If the public school academy or the education achievement
19 system provides instruction for less than 1/2 of the class hours
20 specified in subdivision (q), the district or intermediate district
21 providing the remainder of the hours of instruction shall receive
22 as its prorated share of the full-time equated membership for each
23 of those pupils an amount equal to 1 times the product of the hours
24 of instruction the district or intermediate district provides
25 divided by the number of hours specified in subdivision (q) for
26 full-time equivalency, and the remainder of the full-time
27 membership for each of those pupils shall be allocated to the

1 public school academy or the education achievement system.

2 (o) An individual less than 16 years of age as of September 1
3 of the current school year who is being educated in an alternative
4 education program shall not be counted in membership if there are
5 also adult education participants being educated in the same
6 program or classroom.

7 (p) The department shall give a uniform interpretation of
8 full-time and part-time memberships.

9 (q) The number of class hours used to calculate full-time
10 equated memberships shall be consistent with section 101(3). In
11 determining full-time equated memberships for pupils who are
12 enrolled in a postsecondary institution, a pupil shall not be
13 considered to be less than a full-time equated pupil solely because
14 of the effect of his or her postsecondary enrollment, including
15 necessary travel time, on the number of class hours provided by the
16 district to the pupil.

17 (r) Beginning in 2012-2013, full-time equated memberships for
18 pupils in kindergarten shall be determined by dividing the number
19 of instructional hours scheduled and provided per year per
20 kindergarten pupil by the same number used for determining full-
21 time equated memberships for pupils in grades 1 to 12. However, to
22 the extent allowable under federal law, for a district or public
23 school academy that provides evidence satisfactory to the
24 department that it used federal Title I money in the 2 immediately
25 preceding school fiscal years to fund full-time kindergarten, full-
26 time equated memberships for pupils in kindergarten shall be
27 determined by dividing the number of class hours scheduled and

1 provided per year per kindergarten pupil by a number equal to 1/2
2 the number used for determining full-time equated memberships for
3 pupils in grades 1 to 12. Not later than December 1, 2012, the
4 department shall seek a clarification from the federal department
5 of education as to whether this is an allowable use of federal
6 Title I money. The change in the counting of full-time equated
7 memberships for pupils in kindergarten that takes effect in 2012-
8 2013 is not a mandate. Not later than the fifth Wednesday after the
9 pupil membership count day, each district or public school academy
10 and the education achievement system shall report to the department
11 and the center the number of instructional hours scheduled per
12 kindergarten pupil for 2012-2013. If the number of instructional
13 hours scheduled per kindergarten pupil is not equal for all
14 kindergarten pupils in the district, the district or public school
15 academy and the education achievement system shall report the
16 number of kindergarten pupils who were scheduled to receive each of
17 the different numbers of instructional hours scheduled.

18 (s) For a district, a public school academy, or the education
19 achievement system that has pupils enrolled in a grade level that
20 was not offered by the district, the public school academy, or the
21 education achievement system in the immediately preceding school
22 year, the number of pupils enrolled in that grade level to be
23 counted in membership is the average of the number of those pupils
24 enrolled and in regular daily attendance on the pupil membership
25 count day and the supplemental count day of the current school
26 year, as determined by the department. Membership shall be
27 calculated by adding the number of pupils registered for attendance

1 in that grade level on the pupil membership count day plus pupils
2 received by transfer and minus pupils lost as defined by rules
3 promulgated by the superintendent, and as corrected by subsequent
4 department audit, plus the final audited count from the
5 supplemental count day for the current school year, and dividing
6 that sum by 2.

7 (t) A pupil enrolled in a cooperative education program may be
8 counted in membership in the pupil's district of residence with the
9 written approval of all parties to the cooperative agreement.

10 (u) If, as a result of a disciplinary action, a district
11 determines through the district's alternative or disciplinary
12 education program that the best instructional placement for a pupil
13 is in the pupil's home or otherwise apart from the general school
14 population, if that placement is authorized in writing by the
15 district superintendent and district alternative or disciplinary
16 education supervisor, and if the district provides appropriate
17 instruction as described in this subdivision to the pupil at the
18 pupil's home or otherwise apart from the general school population,
19 the district may count the pupil in membership on a pro rata basis,
20 with the proration based on the number of hours of instruction the
21 district actually provides to the pupil divided by the number of
22 hours specified in subdivision (q) for full-time equivalency. For
23 the purposes of this subdivision, a district shall be considered to
24 be providing appropriate instruction if all of the following are
25 met:

26 (i) The district provides at least 2 nonconsecutive hours of
27 instruction per week to the pupil at the pupil's home or otherwise

1 apart from the general school population under the supervision of a
2 certificated teacher.

3 (ii) The district provides instructional materials, resources,
4 and supplies, except computers, that are comparable to those
5 otherwise provided in the district's alternative education program.

6 (iii) Course content is comparable to that in the district's
7 alternative education program.

8 (iv) Credit earned is awarded to the pupil and placed on the
9 pupil's transcript.

10 (v) A pupil enrolled in an alternative or disciplinary
11 education program described in section 25 shall be counted in
12 membership in the district, the public school academy, or the
13 education achievement system that is educating the pupil.

14 (w) If a pupil was enrolled in a public school academy on the
15 pupil membership count day, if the public school academy's contract
16 with its authorizing body is revoked or the public school academy
17 otherwise ceases to operate, and if the pupil enrolls in a district
18 or the education achievement system within 45 days after the pupil
19 membership count day, the department shall adjust the district's or
20 the education achievement system's pupil count for the pupil
21 membership count day to include the pupil in the count.

22 (x) For a public school academy that has been in operation for
23 at least 2 years and that suspended operations for at least 1
24 semester and is resuming operations, membership is the sum of the
25 product of .90 times the number of full-time equated pupils in
26 grades K to 12 actually enrolled and in regular daily attendance on
27 the first pupil membership count day or supplemental count day,

1 whichever is first, occurring after operations resume, plus the
2 product of .10 times the final audited count from the most recent
3 pupil membership count day or supplemental count day that occurred
4 before suspending operations, as determined by the superintendent.

5 (y) If a district's membership for a particular fiscal year,
6 as otherwise calculated under this subsection, would be less than
7 1,550 pupils and the district has 4.5 or fewer pupils per square
8 mile, as determined by the department, and, beginning in 2007-2008,
9 if the district does not receive funding under section 22d(2), the
10 district's membership shall be considered to be the membership
11 figure calculated under this subdivision. If a district educates
12 and counts in its membership pupils in grades 9 to 12 who reside in
13 a contiguous district that does not operate grades 9 to 12 and if 1
14 or both of the affected districts request the department to use the
15 determination allowed under this sentence, the department shall
16 include the square mileage of both districts in determining the
17 number of pupils per square mile for each of the districts for the
18 purposes of this subdivision. The membership figure calculated
19 under this subdivision is the greater of the following:

20 (i) The average of the district's membership for the 3-fiscal-
21 year period ending with that fiscal year, calculated by adding the
22 district's actual membership for each of those 3 fiscal years, as
23 otherwise calculated under this subsection, and dividing the sum of
24 those 3 membership figures by 3.

25 (ii) The district's actual membership for that fiscal year as
26 otherwise calculated under this subsection.

27 (z) If a public school academy that is not in its first or

1 second year of operation closes at the end of a school year and
2 does not reopen for the next school year, the department shall
3 adjust the membership count of the district or the education
4 achievement system in which a former pupil of the public school
5 academy enrolls and is in regular daily attendance for the next
6 school year to ensure that the district or the education
7 achievement system receives the same amount of membership aid for
8 the pupil as if the pupil were counted in the district or the
9 education achievement system on the supplemental count day of the
10 preceding school year.

11 (aa) Full-time equated memberships for special education
12 pupils who are not enrolled in kindergarten but are enrolled in a
13 classroom program under R 340.1754 of the Michigan administrative
14 code shall be determined by dividing the number of class hours
15 scheduled and provided per year by 450. Full-time equated
16 memberships for special education pupils who are not enrolled in
17 kindergarten but are receiving early childhood special education
18 services under R 340.1755 of the Michigan administrative code shall
19 be determined by dividing the number of hours of service scheduled
20 and provided per year per pupil by 180.

21 (bb) A pupil of a district that begins its school year after
22 Labor day who is enrolled in an intermediate district program that
23 begins before Labor day shall not be considered to be less than a
24 full-time pupil solely due to instructional time scheduled but not
25 attended by the pupil before Labor day.

26 (cc) For the first year in which a pupil is counted in
27 membership on the pupil membership count day in a middle college

1 program, the membership is the average of the full-time equated
2 membership on the pupil membership count day and on the
3 supplemental count day for the current school year, as determined
4 by the department. If a pupil was counted by the operating district
5 on the immediately preceding supplemental count day, the pupil
6 shall be excluded from the district's immediately preceding
7 supplemental count for purposes of determining the district's
8 membership.

9 (dd) A district, a public school academy, or the education
10 achievement system that educates a pupil who attends a United
11 States Olympic education center may count the pupil in membership
12 regardless of whether or not the pupil is a resident of this state.

13 (ee) A pupil enrolled in a district other than the pupil's
14 district of residence pursuant to section 1148(2) of the revised
15 school code, MCL 380.1148, shall be counted in the educating
16 district or the education achievement system.

17 (5) "Public school academy" means that term as defined in the
18 revised school code.

19 (6) "Pupil" means a person in membership in a public school. A
20 district must have the approval of the pupil's district of
21 residence to count the pupil in membership, except approval by the
22 pupil's district of residence is not required for any of the
23 following:

24 (a) A nonpublic part-time pupil enrolled in grades 1 to 12 in
25 accordance with section 166b.

26 (b) A pupil receiving 1/2 or less of his or her instruction in
27 a district other than the pupil's district of residence.

1 (c) A pupil enrolled in a public school academy or the
2 education achievement system.

3 (d) A pupil enrolled in a district other than the pupil's
4 district of residence under an intermediate district schools of
5 choice pilot program as described in section 91a or former section
6 91 if the intermediate district and its constituent districts have
7 been exempted from section 105.

8 (e) A pupil enrolled in a district other than the pupil's
9 district of residence if the pupil is enrolled in accordance with
10 section 105 or 105c.

11 (f) A pupil who has made an official written complaint or
12 whose parent or legal guardian has made an official written
13 complaint to law enforcement officials and to school officials of
14 the pupil's district of residence that the pupil has been the
15 victim of a criminal sexual assault or other serious assault, if
16 the official complaint either indicates that the assault occurred
17 at school or that the assault was committed by 1 or more other
18 pupils enrolled in the school the pupil would otherwise attend in
19 the district of residence or by an employee of the district of
20 residence. A person who intentionally makes a false report of a
21 crime to law enforcement officials for the purposes of this
22 subdivision is subject to section 411a of the Michigan penal code,
23 1931 PA 328, MCL 750.411a, which provides criminal penalties for
24 that conduct. As used in this subdivision:

25 (i) "At school" means in a classroom, elsewhere on school
26 premises, on a school bus or other school-related vehicle, or at a
27 school-sponsored activity or event whether or not it is held on

1 school premises.

2 (ii) "Serious assault" means an act that constitutes a felony
3 violation of chapter XI of the Michigan penal code, 1931 PA 328,
4 MCL 750.81 to ~~750.90g~~, **750.90h**, or that constitutes an assault and
5 infliction of serious or aggravated injury under section 81a of the
6 Michigan penal code, 1931 PA 328, MCL 750.81a.

7 (g) A pupil whose district of residence changed after the
8 pupil membership count day and before the supplemental count day
9 and who continues to be enrolled on the supplemental count day as a
10 nonresident in the district in which he or she was enrolled as a
11 resident on the pupil membership count day of the same school year.

12 (h) A pupil enrolled in an alternative education program
13 operated by a district other than his or her district of residence
14 who meets 1 or more of the following:

15 (i) The pupil has been suspended or expelled from his or her
16 district of residence for any reason, including, but not limited
17 to, a suspension or expulsion under section 1310, 1311, or 1311a of
18 the revised school code, MCL 380.1310, 380.1311, and 380.1311a.

19 (ii) The pupil had previously dropped out of school.

20 (iii) The pupil is pregnant or is a parent.

21 (iv) The pupil has been referred to the program by a court.

22 (v) The pupil is enrolled in an alternative or disciplinary
23 education program described in section 25.

24 (i) A pupil enrolled in the Michigan virtual school, for the
25 pupil's enrollment in the Michigan virtual school.

26 (j) A pupil who is the child of a person who works at the
27 district or who is the child of a person who worked at the district

1 as of the time the pupil first enrolled in the district but who no
2 longer works at the district due to a workforce reduction. As used
3 in this subdivision, "child" includes an adopted child, stepchild,
4 or legal ward.

5 (k) An expelled pupil who has been denied reinstatement by the
6 expelling district and is reinstated by another school board under
7 section 1311 or 1311a of the revised school code, MCL 380.1311 and
8 380.1311a.

9 (l) A pupil enrolled in a district other than the pupil's
10 district of residence in a middle college program if the pupil's
11 district of residence and the enrolling district are both
12 constituent districts of the same intermediate district.

13 (m) A pupil enrolled in a district other than the pupil's
14 district of residence who attends a United States Olympic education
15 center.

16 (n) A pupil enrolled in a district other than the pupil's
17 district of residence pursuant to section 1148(2) of the revised
18 school code, MCL 380.1148.

19 (o) A pupil who enrolls in a district other than the pupil's
20 district of residence as a result of the pupil's school not making
21 adequate yearly progress under the no child left behind act of
22 2001, Public Law 107-110.

23 (p) A pupil enrolled in a district other than the pupil's
24 district of residence as a qualifying pupil under section 22h(2).

25 However, if a district educates pupils who reside in another
26 district and if the primary instructional site for those pupils is
27 established by the educating district after 2009-2010 and is

1 located within the boundaries of that other district, the educating
2 district must have the approval of that other district to count
3 those pupils in membership.

4 (7) "Pupil membership count day" of a district or intermediate
5 district means:

6 (a) Except as provided in subdivision (b), the first Wednesday
7 in October each school year or, for a district or building in which
8 school is not in session on that Wednesday due to conditions not
9 within the control of school authorities, with the approval of the
10 superintendent, the immediately following day on which school is in
11 session in the district or building.

12 (b) For a district or intermediate district maintaining school
13 during the entire school year, the following days:

14 (i) Fourth Wednesday in July.

15 (ii) First Wednesday in October.

16 (iii) Second Wednesday in February.

17 (iv) Fourth Wednesday in April.

18 (8) "Pupils in grades K to 12 actually enrolled and in regular
19 daily attendance" means pupils in grades K to 12 in attendance and
20 receiving instruction in all classes for which they are enrolled on
21 the pupil membership count day or the supplemental count day, as
22 applicable. Except as otherwise provided in this subsection, a
23 pupil who is absent from any of the classes in which the pupil is
24 enrolled on the pupil membership count day or supplemental count
25 day and who does not attend each of those classes during the 10
26 consecutive school days immediately following the pupil membership
27 count day or supplemental count day, except for a pupil who has

1 been excused by the district, shall not be counted as 1.0 full-time
2 equated membership. A pupil who is excused from attendance on the
3 pupil membership count day or supplemental count day and who fails
4 to attend each of the classes in which the pupil is enrolled within
5 30 calendar days after the pupil membership count day or
6 supplemental count day shall not be counted as 1.0 full-time
7 equated membership. In addition, a pupil who was enrolled and in
8 attendance in a district, an intermediate district, a public school
9 academy, or the education achievement system before the pupil
10 membership count day or supplemental count day of a particular year
11 but was expelled or suspended on the pupil membership count day or
12 supplemental count day shall only be counted as 1.0 full-time
13 equated membership if the pupil resumed attendance in the district,
14 intermediate district, public school academy, or education
15 achievement system within 45 days after the pupil membership count
16 day or supplemental count day of that particular year. Pupils not
17 counted as 1.0 full-time equated membership due to an absence from
18 a class shall be counted as a prorated membership for the classes
19 the pupil attended. For purposes of this subsection, "class" means
20 a period of time in 1 day when pupils and a certificated teacher or
21 legally qualified substitute teacher are together and instruction
22 is taking place.

23 (9) "Rule" means a rule promulgated pursuant to the
24 administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to
25 24.328.

26 (10) "The revised school code" means 1976 PA 451, MCL 380.1 to
27 380.1852.

1 (11) "School district of the first class", "first class school
2 district", and "district of the first class" mean a district that
3 had at least 60,000 pupils in membership for the immediately
4 preceding fiscal year.

5 (12) "School fiscal year" means a fiscal year that commences
6 July 1 and continues through June 30.

7 (13) "State board" means the state board of education.

8 (14) "Superintendent", unless the context clearly refers to a
9 district or intermediate district superintendent, means the
10 superintendent of public instruction described in section 3 of
11 article VIII of the state constitution of 1963.

12 (15) "Supplemental count day" means the day on which the
13 supplemental pupil count is conducted under section 6a.

14 (16) "Tuition pupil" means a pupil of school age attending
15 school in a district other than the pupil's district of residence
16 for whom tuition may be charged. Tuition pupil does not include a
17 pupil who is a special education pupil or a pupil described in
18 subsection (6)(c) to (o). A pupil's district of residence shall not
19 require a high school tuition pupil, as provided under section 111,
20 to attend another school district after the pupil has been assigned
21 to a school district.

22 (17) "State school aid fund" means the state school aid fund
23 established in section 11 of article IX of the state constitution
24 of 1963.

25 (18) "Taxable value" means the taxable value of property as
26 determined under section 27a of the general property tax act, 1893
27 PA 206, MCL 211.27a.

1 (19) "Textbook" means a book, electronic book, or other
2 instructional print or electronic resource that is selected and
3 approved by the governing board of a district or, for an
4 achievement school, by the chancellor of the achievement authority
5 and that contains a presentation of principles of a subject, or
6 that is a literary work relevant to the study of a subject required
7 for the use of classroom pupils, or another type of course material
8 that forms the basis of classroom instruction.

9 (20) "Total state aid" or "total state school aid" means the
10 total combined amount of all funds due to a district, intermediate
11 district, or other entity under all of the provisions of this
12 article.
