Appropriated from:		
Special revenue funds:		
Michigan natural resources trust fund .....		102,098,400
State general fund/general purpose .....	\$	0

PART 2

PROVISIONS CONCERNING APPROPRIATIONS

**GENERAL SECTIONS**

Sec. 201. In accordance with the provisions of section 30 of article IX of the state constitution of 1963, total state spending from state resources in this appropriation act for the fiscal year ending September 30, 2011 is \$102,098,400.00. State appropriations paid to local units of government are \$39,793,400.00 as follows:

Acquisition grants-in-aid .....	\$	18,950,800
Development grants-in-aid.....		20,842,600
Total payments to locals .....	\$	<u>39,793,400</u>

Sec. 202. The appropriations authorized under this act are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

**DEPARTMENT OF NATURAL RESOURCES**

Sec. 301. The department of natural resources shall enter into agreements with local units of government for the purpose of administering the grants identified in part 1. Among other provisions, the agreements shall require that grant recipients agree to dedicate to public outdoor recreation uses in perpetuity the land acquired or developed; to replace lands converted or lost to other than public outdoor recreation use; and, for parcels acquired that are over 5 acres in size, to provide the state with a nonparticipating 1/6 minimum royalty interest in any acquired minerals that are retained by the grant recipient. The agreements shall also provide that the full payments of grants can be made only after proof of acquisition, or proof of completion of the development project, is submitted by the grant recipient and all costs are verified by the department of natural resources. This requirement may be waived by the department of natural resources.

Sec. 302. Any unobligated balance in a Michigan natural resources trust fund appropriation made under part 1 shall not revert to the Michigan natural resources trust fund at the close of the fiscal year, but shall continue until the purpose for which it was appropriated is completed for a period not to exceed 3 fiscal years. The unexpended balance of any Michigan natural resources trust fund appropriation made in part 1 remaining after the purpose for which it was appropriated is completed shall revert to the Michigan natural resources trust fund and be made available for appropriation.

Enacting section 1. Section 876 of 2010 PA 191 is repealed.

This act is ordered to take immediate effect.
