Pastor Velma Jean Overman of Christ Temple City of Refuge of Inkster offered the following invocation: Father, we thank You today for the opportunity to stand before You. We thank You that You have looked after each and every one of us, including our families and our loved ones.

We thank You for the opportunity, Lord God, that the people here have to serve the great state of Michigan. We ask in the mighty name of Jesus that they would serve in love and generosity; that they would reach across the aisle, Lord God, to work together for the betterment of the state. We thank You that our government will lead the way in this country and that they will be able to see who You are by the love that we share for one another. No longer will we consider it OK for those who are underserved to be left behind, but we will understand that we all are a great gift that You have given one another, that we will work together in love and in unity for life to be fair to all.

I thank You for this as I pray, that we will understand the responsibility and the accountability we have to one another and to You. Let us serve in love and in excellence in the state of Michigan.

In Jesus' name I pray. Amen.

The President, Lieutenant Governor Gilchrist, led the members of the Senate in recital of the *Pledge of Allegiance*.

Resolutions

Senator McBroom offered the following resolution:

Senate Resolution No. 38.

A resolution to urge the U.S. Fish and Wildlife Service to remove the Michigan gray wolf from the federal endangered and threatened species list.

Whereas, Gray wolves in Michigan have been protected from harm under the federal Endangered Species Act since 1974 when it was determined that gray wolves needed the special protection provided by the act to aid their recovery; and

Whereas, The recovery plan prepared under the federal Endangered Species Act called for a combined population of 100 wolves in Michigan and Wisconsin for five consecutive years for delisting to occur. For removal from the state endangered species list, a viable population was defined as 200 animals for five consecutive years; and

Whereas, Federal protection of the gray wolf is no longer necessary. Gray wolves have made a remarkable recovery, and the combined Michigan and Wisconsin population has far exceeded 100 wolves with numbers currently being more than 1,000 wolves. Michigan’s population has exceeded 200 animals for more than a decade and has held steady between 600 and 700 wolves for several years now. Michigan’s current gray wolf population is at least 662 wolves. Delisting is long overdue as Michigan’s wolf population has met all federal recovery goals for delisting, even during short times of state management in Michigan, Minnesota, and Wisconsin, both in terms of number of wolves and the stability of those numbers; and

Whereas, Going forward, Michigan is well prepared to manage gray wolves in the best interest of its residents. Michigan has developed a sound management plan that is reviewed periodically by the Michigan Wolf Management Advisory Council. The plan was developed during roundtable discussions by a wide range of stakeholder interests including some 20 agencies and organizations that represented the diversity of Michigan interests in wolves. These interests included environmental and ecological interests, hunting and trapping interests, livestock-producer interests, public-safety interests, tourism and resource-development interests, tribes, and wolf protection interests. Using this plan and advice from the advisory council, the Department of Natural Resources can continue to maintain a viable gray wolf population while allowing for more flexibility when conflicts between wolves and other species arise; and

Whereas, The gray wolf is an apex predator with no natural enemies. Without management, its population could reach numbers that will be detrimental to other species. Delisting is necessary so that state management may be initiated; now, therefore, be it

Resolved by the Senate, That we urge the U.S. Fish and Wildlife Service to remove the gray wolf from the federal endangered and threatened species list in Michigan; and be it further

Resolved, That copies of this resolution be transmitted to the Director of the U.S. Fish and Wildlife Service and the members of the Michigan congressional delegation.

Pending the order that, under rule 3.204, the resolution be referred to the Committee on Government Operations, Senator MacGregor moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the resolution,

Senator MacGregor moved that the resolution be referred to the Committee on Natural Resources.

The motion prevailed

Senators Bullock, Daley, LaSata, Outman, VanderWall and Zorn were named co-sponsors of the resolution.

House Concurrent Resolution No. 3.

A concurrent resolution to call on the Michigan Veterans' Facility Authority to ensure plans for the new state veterans homes include designated smoking areas.

Whereas, The state of Michigan has committed to the process of updating its system of veterans homes to create a sustainable and responsive network of homes that meets the long-term care and aging needs of all Michigan veterans. One of the first steps in this process is replacing the outdated Grand Rapids Home for Veterans with a new and improved facility and building a new home in Macomb County; and

Whereas, The proposed architectural drawings for the new homes in Grand Rapids and Macomb County do not include designated smoking areas. Michigan's two current veterans homes provide smoking areas; and

Whereas, Many veterans are smokers. According to the Centers for Disease Control and Prevention (CDC), three out of every ten veterans use tobacco products, primarily smoking tobacco. In Michigan, that means around 175,000 veterans may be smokers at the time the new Grand Rapids Home for Veterans is scheduled to open; and

Whereas, Smoking was a regular part of military life and encouraged by our Armed Forces. For decades, the C-rations issued to the members of the military in the field included cigarettes. Many veterans entered military service nonsmokers but left a regular smoker; and

Whereas, The 2016 Michigan Veterans Workgroup envisioned a network of regional veterans homes that ensures every veteran gets the right care and is a destination for all veterans in that region. This legislative body shares that vision, and it was an important consideration in the Legislature's approval of \$42 million in funding for the construction of two new veterans homes, including the new Grand Rapids Home for Veterans; and

Whereas, New veterans homes will fail to meet the vision of serving all veterans without the inclusion of designated smoking areas. Veterans will not feel welcome or comfortable at a home that does not accommodate smoking and travelling long distances to homes with smoking areas would defeat the goal of easily accessible regional care. A lack of smoking areas will create a barrier to nearly a third of Michigan veterans receiving the care they have earned and deserve through service to our country; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we call on the Michigan Veterans' Facility Authority to ensure plans for the new state veterans homes include enclosed, climate-controlled designated smoking areas attached to buildings; and be it further

Resolved, That copies of this resolution be transmitted to the members of the Michigan Veterans' Facility Authority Board of Directors.

The House of Representatives has adopted the concurrent resolution.

Pending the order that, under rule 3.204, the concurrent resolution be referred to the Committee on Government Operations,

Senator MacGregor moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the concurrent resolution,

Senator MacGregor moved that the concurrent resolution be referred to the Committee on Families, Seniors and Veterans.

The motion prevailed

Senators Barrett, Bizon, Bullock and VanderWall were named co-sponsors of the concurrent resolution.
