Sec. 265a. (1) Appropriations to public universities in
section 236 for operations are based on the distribution formula
described in subsection (5), and for fiscal years 2019-2020, 2020-
2021, and 2021-2022, 2022-2023, and 2023-2024 for performance

(3) The state budget director shall report to the house and senate appropriations subcommittees on higher education and the house and senate fiscal agencies by October 15, 2021 regarding any performance operations funding amounts that are
not paid to a public university because it did not comply with 1 or

(4) Performance funding amounts described in section 236 are
distributed based on the following formula:

(a) Proportional to each university's share of total
operations funding appropriated in fiscal year 2010-2011, 50%.
(b) Based on weighted undergraduate completions in critical
skills areas, 11.1%.
(c) Based on research and development expenditures, for
universities classified in Carnegie classifications as doctoral
universities: moderate research activity, doctoral universities:
higher research activity, or doctoral universities: highest
research activity only, 5.6%.
(d) Based on 6-year graduation rate, total degree completions,
and institutional support as a percentage of core expenditures, and
the percentage of students receiving Pell grants, scored against

(b) A public university's FYES average, which is the average of the total number of resident undergraduate and graduate fiscal year equated students (FYES) for the 3 prior fiscal years for the public university.

(c) The FYES funding figure, which is obtained by dividing the figure determined under subdivision (a) by the sum of all public universities' FYES averages.

(d) The Carnegie Tier 1 distribution amount, which is equal to $100,000,000.00 divided by the number of public universities within the tier. As used in this section, "Carnegie Tier 1" means those public universities classified by the Carnegie classifications as doctoral universities, very high research activity.

(e) The Carnegie Tier 2 distribution amount, which is equal to $35,000,000.00 divided by the number of public universities within the tier. As used in this section, "Carnegie Tier 2" means those
public universities classified by the Carnegie classifications as
doctoral universities, high research activity.

(f) The northern regional hold harmless amount, which is equal
to the amount of funding needed for a public university located in
the Upper Peninsula to reach its fiscal year 2020-2021 operations
appropriation level not including any North American Indian tuition
waiver reimbursement.

(5) The operations funding amounts described in subsection
(4)(a) and (d) are distributed as follows:

(a) For fiscal year 2021-2022:

subsection (4)(c) and dividing by 3.

(ii) Subject to subparagraph (iv), 66.7% of the amount described

under subparagraphs (i) to (iii) is capped at 110% of its operation
funding in fiscal year 2020-2021, not including any North American
Indian tuition waiver reimbursement, and any amounts that would
otherwise be distributed to public universities in excess of this
cap must instead be pooled together and redistributed as follows:

(A) A northern regional hold harmless amount, as described in
subsection (4)(f), is redistributed to each qualifying public
university.

(B) The remainder, if any, is redistributed to public
universities that remain under the cap, each of which receives a
share determined by using an iterative process under which the
share redistributed to the university is determined by multiplying
the university's FYES average described in subsection (4)(b) by a
fraction, the numerator of which is the remainder of the total
amount pooled for redistribution and the denominator of which is
the sum of all public universities' FYES averages that are under
the cap.

(b) For fiscal year 2022-2023:

(i) Subject to subparagraph (iv), 66.7% of the amount described

(A) A northern regional hold harmless amount, as described in subsection (4)(f), is redistributed to each qualifying public university.

(B) The remainder, if any, is redistributed to public universities that remain under the cap, each of which receives a share determined by using an iterative process under which the share redistributed to the university is determined by multiplying the university's FYES average described in subsection (4)(b) by a fraction, the numerator of which is the remainder of the total amount pooled for redistribution and the denominator of which is the sum of all public universities' FYES averages that are under the cap.

(c) For fiscal year 2023-2024:

(i) Subject to subparagraph (iii), 100% of the amount described in subsection (4)(a) is distributed to each public university in an amount determined by multiplying its FYES average described in subsection (4)(b) by the FYES funding figure described in subsection (4)(c).

(6) As used in this section, "Carnegie classification" means the basic classification of the university according to the most recent version of the Carnegie classification of institutions of higher education, published by the Carnegie Foundation for the Advancement of Teaching.

(7) It is the intent of the legislature to allocate more funding based on an updated set of performance metrics in future years. Updated metrics will be based on the outcome of joint hearings between the house and senate appropriations subcommittees on higher education and community colleges intended to be held in the fall of 2019.
Sec. 265b. (1) Appropriations to public universities in section 236 for the fiscal year ending September 30, 2021-2022 for operations funding shall be reduced by 10% pursuant to the procedures described in subdivision (a) for a public university that fails to submit certification to the state budget director, the house and senate appropriations subcommittees on higher education, and the house and senate fiscal agencies by October 1, 2020-2021 that the university complies with sections 274c and 274d and that it complies with all of the requirements described in subdivisions (b) to (i), as follows:

(a) If a university fails to submit certification, the state budget director shall withhold 10% of that university's annual operations funding until the university submits certification. against employees, and a summary of the general outcomes of the reports and investigations. A member of the governing board may request to review a title IX investigation report involving a complaint against an employee, and the university shall provide the report in a manner it considers appropriate. The university shall protect the complainant's anonymity, and the report shall not contain specific identifying information.

(i) If allegations against an employee are made in more than 1 title IX complaint that resulted in the university finding that no misconduct occurred, the university requires that the title IX officer promptly notify the president or chancellor and a member of the university's governing board in writing and take all appropriate steps to ensure that the matter is being investigated thoroughly, including hiring an outside investigator for future cases involving that employee. A third-party title IX investigation under this subdivision does not prohibit the university from simultaneously conducting its own title IX investigation through its own title IX coordinator.

(2) Each public university that receives an appropriation in section 236 shall also certify that its president or chancellor and a member of its governing board has reviewed all title IX reports involving the alleged sexual misconduct of an employee of the university, and shall send the certification to the house and senate appropriations subcommittees on higher education, the house and senate fiscal agencies, and the state budget director by October 1, 2020–2021.
