The People of the State of Michigan enact:

# 691.1407 Immunity from tort liability; intentional torts; immunity of judge, legislator, official, and guardian ad litem. [M.S.A. 3.996(107)]

- Sec. 7. (1) Except as otherwise provided in this act, a governmental agency is immune from tort liability if the governmental agency is engaged in the exercise or discharge of a governmental function. Except as otherwise provided in this act, this act does not modify or restrict the immunity of the state from tort liability as it existed before July 1, 1965, which immunity is affirmed.
- (2) Except as otherwise provided in this section, and without regard to the discretionary or ministerial nature of the conduct in question, each officer and employee of a governmental agency, each volunteer acting on behalf of a governmental agency, and each member of a board, council, commission, or statutorily created task force of a governmental agency is immune from tort liability for an injury to a person or damage to property caused by the officer, employee, or member while in the course of employment or service or caused by the volunteer while acting on behalf of a governmental agency if all of the following are met:
- (a) The officer, employee, member, or volunteer is acting or reasonably believes he or she is acting within the scope of his or her authority.
- (b) The governmental agency is engaged in the exercise or discharge of a governmental function.
- (c) The officer's, employee's, member's, or volunteer's conduct does not amount to gross negligence that is the proximate cause of the injury or damage. As used in this subdivision, "gross negligence" means conduct so reckless as to demonstrate a substantial lack of concern for whether an injury results.
- (3) Subsection (2) does not alter the law of intentional torts as it existed before July 7, 1986.
- (4) Except as provided in section 7a, this act does not grant immunity to a governmental agency or an employee or agent of a governmental agency with respect to providing medical care or treatment to a patient, except medical care or treatment provided to a patient in a hospital owned or operated by the department of community health or a hospital owned or operated by the department of corrections.
