Specialized services	3,939,500
Total payments to local units of government	\$ 1,185,055,400

#### Appropriations subject to §§ 18.1101 to 18.1594.

Sec. 202. The appropriations authorized under this act are subject to the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594.

#### Definitions.

Sec. 203. As used in this act:

- (a) "CTF" means comprehensive transportation fund.
- (b) "Department" means the department of transportation.
- (c) "DOT" means the United States department of transportation.
- (d) "DOT-FHWA" means DOT, federal highway administration.
- (e) "DOT-FRA" means DOT, federal railroad administration.
- (f) "DOT-FRA, rail passenger/HSGT" means DOT, federal railroad administration, high-speed ground transportation.
  - (g) "EDF" means economic development fund.
  - (h) "FTE" means full-time equated.
  - (i) "IDT" means intradepartmental transfer.
  - (j) "MTF" means Michigan transportation fund.
  - (k) "RIF" means recreation improvement fund.
  - (l) "SAF" means state aeronautics fund.
  - (m) "STF" means state trunkline fund.

#### Billing by department of civil service.

Sec. 204. The department of civil service shall bill departments and agencies at the end of the first fiscal quarter for the 1% charge authorized by section 5 of article XI of the state constitution of 1963. Payments shall be made for the total amount of the billing by the end of the second fiscal quarter.

#### Hiring freeze; exceptions.

Sec. 205. (1) A hiring freeze is imposed on the state classified civil service. State departments and agencies are prohibited from hiring any new full-time state classified civil service employees and prohibited from filling any vacant state classified civil service positions. This hiring freeze does not apply to internal transfers of classified employees from 1 position to another within a department.

(2) The state budget director shall grant exceptions to this hiring freeze when the state budget director believes that the hiring freeze will result in rendering a state department or agency unable to deliver basic services, causes loss of revenue to the state, would result in the inability of the state to receive federal funds, or would necessitate additional expenditures that exceed any savings from maintaining a vacancy. The state budget director shall report by the thirtieth of each month to the chairpersons of the senate and house of representatives standing committees on appropriations the number of exceptions to the hiring freeze approved during the previous month and the reasons to justify the exception.

#### Contingency funds; availability for expenditure.

Sec. 206. (1) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$100,000,000.00 for federal contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

- (2) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$40,000,000.00 for state restricted contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.
- (3) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$1,000,000.00 for local contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.
- (4) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$1,000,000.00 for private contingency funds. These funds are not available for expenditure until they have been transferred to another line item in this act pursuant to section 393(2) of the management and budget act, 1984 PA 431, MCL 18.1393.

#### Privatization; project plan.

Sec. 207. At least 90 days before beginning any effort to privatize, the department shall submit a complete project plan to the appropriate senate and house of representatives appropriations subcommittees and the senate and house fiscal agencies. The plan shall include the criteria under which the privatization initiative will be evaluated. The evaluation shall be completed and submitted to the appropriate senate and house of representatives appropriations subcommittees and the senate and house fiscal agencies within 30 months. As used in this section, "privatize" or "privatization" means the transfer of state highway maintenance functions or activities currently performed by department forces, or by boards of county road commissioners, county boards of commissioners, or local units of government under contract with the department, to private contractors.

## Transmission of reports via electronic transmission; use of internet or intranet.

Sec. 208. Unless otherwise specified, the department shall use the internet to fulfill the reporting requirements of this act. This may include transmission of reports via electronic

mail to the recipients identified for each reporting requirement or it may include placement of reports on an internet or intranet site. Quarterly, the department shall provide to the senate and house appropriations subcommittees, the state budget office, and the senate and house fiscal agencies an electronic and paper copy listing of the reports submitted during the most recent 3-month period along with the internet or intranet site of each report, if any.

#### Purchase of foreign goods or services.

Sec. 209. Funds appropriated in part 1 shall not be used for the purchase of foreign goods or services, or both, if competitively priced and of comparable quality American goods or services, or both, are available.

## Businesses in deprived and depressed communities; contracts to provide services and supplies.

Sec. 210. The director of each department receiving appropriations in part 1 shall take all reasonable steps to ensure businesses in deprived and depressed communities compete for and perform contracts to provide services or supplies, or both. Each director shall strongly encourage firms with which the department contracts to subcontract with certified businesses in depressed and deprived communities for services, supplies, or both.

#### Receipt and retention of reports.

Sec. 211. The departments and state agencies receiving appropriations under this act shall receive and retain copies of all reports funded from appropriations in part 1. These departments and state agencies shall follow federal and state guidelines for short-term and long-term retention of these reports and records.

#### **DEPARTMENTAL SECTIONS**

#### Issuance of permits; fees; toll change; public hearings.

Sec. 301. (1) The department may establish a fee schedule and collect fees sufficient to cover the costs to issue the permits that the department is authorized by law to issue upon request, and for which fees are not otherwise stipulated by law.

(2) A bridge authority shall hold 3 public hearings on a change in any toll charged by the authority at least 30 days before the toll change will become effective. Two of the hearings shall be held within 5 miles of the bridge over which the bridge authority has jurisdiction. One hearing shall be held in Lansing.

#### Official transportation map; distribution.

Sec. 302. The department shall prepare an official transportation map that shall be distributed without charge. Each legislator shall receive a quantity of maps as determined by the legislative council. However, each senator shall receive 3 times the number of maps of each representative.

#### Money received by city, village, and county road commission; report.

Sec. 303. On request, the department shall provide to a legislator, in writing, a report on the amount of money to be received by each city and village and the county road commission of each county, that is included in whole or in part within the legislator's legislative district.

#### Bid documentation; confidentiality; disclosure.

Sec. 304. If, as a requirement of bidding on a highway project, the department requires a contractor to submit financial or proprietary documentation as to how the bid was calculated, that bid documentation shall be kept confidential and shall not be disclosed other than to a department representative without the contractor's written consent. The department may disclose the bid documentation if necessary to address or defend a claim by a contractor.

#### Passenger transportation properties; space occupied by tenants.

Sec. 305. The department may permit space on public passenger transportation properties to be occupied by public or private tenants on a competitive market rate basis. The department may require that revenue from the tenants be placed in an account to be used to pay the costs to maintain and improve the property.

#### Audit.

Sec. 306. From the funds appropriated in part 1, the auditor general shall conduct an audit of charges to transportation funds by state departments. The auditor general shall prepare a detailed report, with recommendations and conclusions, including a list of services charged to transportation funds, the appropriateness of those charges, and the cost allocation methodologies used in determining the level of funding, and provide the report, upon request, to any member of the senate and house of representatives and to the senate and house fiscal agencies by March 1, 2002.

#### Highway construction projects; rolling 5-year plan.

Sec. 307. Before February 1 of each year, the department will provide to the legislature, the state budget office, and the house and senate fiscal agencies its rolling 5-year plan listing by county or by county road commission all highway construction projects for the fiscal year and all expected projects for the ensuing fiscal years.

## Construction and maintenance of state highways and local roads and streets; compliance with contract requirements.

Sec. 308. The department and local road agencies that receive appropriations under this act shall pursue compliance with contract specifications for construction and maintenance of state highways and local roads and streets. Work shall not be accepted and paid for until it complies with contract requirements. Contractors with unsatisfactory performance ratings shall be restricted from future bidding through the prequalification process established by the department or a local road agency. The department, county road commissions, and cities and villages shall report to the house of representatives and senate appropriations subcommittees on transportation on their respective activities under this section.

## Construction projects; reduced administrative costs; maximum funding.

Sec. 309. The department shall continue its efforts to reduce administrative costs and provide the maximum funding possible for construction projects.

#### Transportation commission meetings; agenda; minutes.

Sec. 310. The department shall provide in a timely manner copies of the agenda and approved minutes of monthly transportation commission meetings to the members of the house and senate appropriations subcommittees on transportation, the house and senate fiscal agencies, and the state budget director.

#### Federal advance construct program; use of funds; prohibition.

Sec. 311. The department shall not use funds appropriated under part 1 on behalf of a local governmental unit to pay the amount required for that local governmental unit to participate in the federal advance construct program.

# Carrying forward unencumbered and unexpended balance in state trunkline fund; appropriation for federal aid road and bridge programs.

Sec. 312. At the close of the fiscal year ending September 30, 2002, any unencumbered and unexpended balance in the state trunkline fund shall remain in the state trunkline fund and shall carry forward and be appropriated for federal aid road and bridge programs for projects contained in the annual state transportation program.

#### State infrastructure bank program.

Sec. 313. (1) From funds appropriated in part 1, the department may increase a state infrastructure bank program and grant or loan funds in accordance with regulations of the state infrastructure bank program of the United States department of transportation. The state infrastructure bank is to be administered by the department for the purpose of providing a revolving, self-sustaining resource for financing transportation infrastructure projects.

(2) In addition to funds provided in subsection (1), money received by the state as federal grants, repayment of state infrastructure bank loans, or other reimbursement or revenue received by the state as a result of projects funded by the program and interest earned on that money shall be deposited in the revolving state infrastructure bank fund and shall be available for transportation infrastructure projects. At the close of the fiscal year, any funds remaining in the state infrastructure bank fund shall remain in the fund and be carried forward into the succeeding fiscal year.

#### Activities of internal auditor; report.

Sec. 314. The department shall provide a report prepared by the department's internal auditor on the activities of the internal auditor for the prior fiscal year. This report shall include a listing of each audit or investigation performed by the internal auditor pursuant to sections 486(4) and 487 of the management and budget act, 1984 PA 431, MCL 18.1486 and 18.1487. The report shall identify the proportion of time spent on each of the statutory responsibilities listed in sections 485(4), 486(4), and 487 of the management and budget act, 1984 PA 431, MCL 18.1485, 18.1486, and 18.1487, and the time spent on all other activities performed in the internal audit function. The report shall be due biennially beginning on May 1, 2001, and shall be submitted to the governor, auditor general, the senate and house of representatives appropriations committees, the senate and house fiscal agencies, and the director.

#### Standard English units of weight and measure; adoption.

Sec. 315. The department shall expeditiously pursue the adoption of standard English units of weight and measure on all road and bridge construction, maintenance, and improvement projects.

#### State transportation commission members; per diem payments.

Sec. 317. Funds appropriated in section 104 for state transportation commission per diem payments shall provide daily per diem payments of \$100.00 to each of the 6 appointed members of the state transportation commission for all scheduled state transportation commission meetings.

#### Women- and minority-owned businesses.

Sec. 318. The department shall continue its program to increase the use of women- and minority-owned businesses in state and local road construction projects. This program shall comprise, at a minimum, outreach and education efforts to inform women- and minority-owned firms of department competitive bidding processes and requirements, and an assessment of the availability of surety for women- and minority-owned businesses. The department shall report by March 31, 2002, to the house of representatives and senate appropriations subcommittees on transportation and the house and senate fiscal agencies of its progress in complying with this section.

#### Maintenance of rest area; signs; telephone number to be reported.

Sec. 319. The department shall post signs at each rest area to identify the agency or contractor responsible for maintenance of the rest area. The signs shall include a department telephone number and shall indicate that unsafe or unclean conditions at the rest area may be reported to that telephone number.

## Services financed with transportation funds; time spent by attorney general; breakdown.

Sec. 320. With regard to interdepartmental contracts between the department and the attorney general, the department shall determine how much time the attorney general spends on services financed with transportation funds. The determination shall include a breakdown of the following:

- (a) The time spent by the attorney general on activities which are general in nature and which are of benefit to all transportation programs or which cannot be readily identified with specific transportation programs.
- (b) The time spent by the attorney general on activities which are of specific benefit to state trunkline programs, local road agency programs, public transportation programs, and aeronautics programs, respectively.

#### Multimodal transportation center for southeast Michigan; planning.

Sec. 321. The department, in collaboration with the Detroit department of transportation, the suburban mobility authority for regional transportation, and intercity bus carriers, shall facilitate the planning of a multimodal transportation center for southeast Michigan.

#### Vacant bridge inspector positions; number and plans to fill.

Sec. 322. Not later than January 1, 2002, the department shall fill all vacant bridge inspector positions. Not later than February 15, 2002, the department shall report to the senate and house of representatives appropriations subcommittees on transportation the number of full-time and part-time positions assigned to bridge inspection activities, the number of vacancies, and any plans to fill the vacancies.

#### Construction zone traffic enforcement.

Sec. 324. From the funds appropriated in part 1, up to \$700,000.00 from the state trunkline fund shall be used for enhanced construction zone traffic law enforcement. The funding shall be used to reimburse law enforcement agencies for overtime costs associated with construction zone traffic enforcement. The funding shall be provided based on approved memoranda of understanding between the department and participating law enforcement agencies.

## State trunkline debt service; transfer of funds; carrying forward funds for debt service payments.

Sec. 325. (1) The appropriation in part 1 for state trunkline debt service includes \$35,000,000.00 appropriated and transferred to the state trunkline fund from the countercyclical budget and economic stabilization fund under section 358(3) of the management and budget act, 1984 PA 431, MCL 18.1358.

(2) Funds from the countercyclical budget and economic stabilization fund and from streamlining diesel fuel tax collection deposited in the state trunkline fund and intended for the build Michigan III program at the close of the fiscal year shall remain in the state trunkline fund and shall carry forward and are appropriated for debt service payments associated with the build Michigan III program.

#### Unidentified build Michigan III funding allocations.

Sec. 326. It is the intent of the legislature to review, prior to bonding, all previously unidentified build Michigan III funding allocations identified by the department to be supported by bond proceeds. Not later than October 31, 2001, the department shall report to the senate and house of representatives appropriations subcommittees on transportation and the senate and house fiscal agencies the following information regarding those previously unidentified build Michigan III funding allocations identified by the department:

- (a) Project description.
- (b) Estimated total project costs.
- (c) The amount of total estimated project costs funded from build Michigan III bond proceeds.
  - (d) The amount of local match, if any.
  - (e) The life-cycle cost analysis required under section 1h of 1951 PA 51, MCL 247.651h.

## Federal bridge funding under critical bridge program; notification to local communities and road agencies.

Sec. 328. The department shall issue a preliminary list of those bridges that are scheduled to receive federal bridge funds under the critical bridge program and shall notify those local communities and road agencies by December 31, 2001. The department shall issue a final list of those bridges that are scheduled to receive federal bridge funds under the critical bridge program and shall notify those local communities and road agencies scheduled to receive federal bridge funding under the critical bridge program no later than February 3, 2002.

## Transportation economic development fund bonds; payment of debt service costs.

Sec. 329. It is the intent of the legislature that the debt service costs on transportation economic development fund bonds issued after January 1, 2001, shall be paid entirely from the funds designated for targeted industries projects, as described in section 11(3)(a) of 1987 PA 231, MCL 247.911.

#### Rail grade separation needs study; priority list; report.

Sec. 331. From the funds appropriated in part 1, the department shall conduct a study of rail grade separation needs in the state. The study shall include input from private railroad carriers, local units of government, and local road agencies. From the study findings, the department shall develop a priority list of grade separation projects in the state. At a minimum, the project list shall consider safety enhancements, local participation, and the cost of each project on the list. The department shall report on the study findings

and the priority list of grade separation projects to the senate and house appropriations subcommittees on transportation and the senate and house fiscal agencies by April 1, 2002.

#### Highway connectivity; improvement.

Sec. 332. In order to facilitate truck transport, the department shall work to improve the highway connectivity between Marquette, Michigan; Menominee, Michigan; and Green Bay, Wisconsin.

#### Use of other power sources; study.

Sec. 334. The department shall pursue grants from federal or other sources to study the use of power sources other than gasoline or diesel fuel for the propulsion of motor vehicles.

#### Summer youth programs.

Sec. 335. The department shall work in collaboration with the family independence agency regarding the summer youth programs. The programs shall seek to employ inner city and youth in street and highway beautification projects.

Sec. 340. From the funds appropriated in section 110 for critical bridge programs, \$3,000,000.00 in general fund dollars is to be distributed to any county that has identified at least 60 bridge structures that are closed or have weight restrictions limiting or prohibiting emergency vehicles from crossing and that has committed at least \$29,000,000.00 of local funds for the repair or replacement of at least 3/4 of the structures. These funds are not available for expenditure unless there is a fiscal year 2001 year-end balance in the general fund.

## Rail grade separation projects; use of local road maintenance funds as match to federal funds.

Sec. 346. Upon agreement by a county and local governing unit to equally share costs, cities and villages may use local road maintenance funds to provide a match for federal funds for rail grade separation projects.

#### Noise abatement.

Sec. 349. The department shall develop a plan to implement the policy of the state transportation commission on noise abatement. The department shall report on its efforts to implement the commission's policy to the house of representatives and senate appropriations subcommittees on transportation and to the house and senate fiscal agencies by April 15, 2002.

#### Disadvantaged business enterprise goal.

Sec. 350. (1) The established overall disadvantaged business enterprise goal shall identify the relative availability of disadvantaged business enterprises based on evidence of ready, willing, and able disadvantaged business enterprises relative to all firms within the department's marketplace. The overall annual goal shall reflect the department's determination of the level of disadvantaged business enterprise participation which could be expected absent the effects of discrimination. The department's methodology to develop the overall disadvantaged business enterprise goal will be announced in electronic and print media to ensure broad public participation in the goal-setting process in accordance with 49 C.F.R. part 26.45.

Compiler's note: The shaded text was vetoed by the Governor, whose veto message appears in this volume under the heading "Vetoes."

(2) The department shall work to coordinate a meeting prior to the annual construction season between the road construction industry and the Michigan minority business development council.

#### **FEDERAL**

## Commitment of transportation funds; authorization from federal government.

Sec. 401. When the department receives authorization from the federal government to commit transportation funds pursuant to federal appropriations, it shall present to the senate and house of representatives appropriations transportation subcommittees and the senate and house fiscal agencies, the federal amounts and categories authorized and the department's recommendation for distribution of these funds. If a recommendation or recommendations are not disapproved within 30 business days by either the senate or house of representatives appropriations transportation subcommittees, then the recommendation or recommendations shall be considered as approved. If either the senate or house of representatives appropriations transportation subcommittee disapproves the proposed distribution, then the senate and house of representatives appropriations transportation subcommittees and the department shall hold a joint meeting on the issue to arrive at a final distribution. If no agreement is reached between the parties, the department's distribution shall stand.

## DOT-FHWA highway research, planning, and construction federal funds; allocation.

- Sec. 402. (1) Twenty-three to twenty-seven percent of the DOT-FHWA highway research, planning, and construction federal funds appropriated in section 110 shall be allocated to programs administered by local jurisdictions after deduction of the following:
- (a) Funds that are specifically allocated at the federal level to the state or local jurisdictions.
- (b) Funds allocated by the department to the state and to local jurisdictions through a competitive process.
- (2) Federal aid excluded from the calculation of funding allocated to programs administered by local jurisdictions in subsection (1) includes, but is not limited to, congestion mitigation and air quality funds, federal bridge funds, transportation enhancement funds, funds distributed at the discretion of the United States secretary of transportation, and congressionally designated funds.
- (3) The funds shall be distributed to eligible local agencies for transportation purposes in a manner consistent with state and federal law.
- (4) Federal aid to highways allocated to local jurisdictions in subsection (1) shall be distributed in a manner that produces a 25% average allocation of applicable funds to programs for local jurisdictions in each fiscal year through the fiscal year ending September 30, 2005. The average allocation of applicable federal aid to highway funds to programs for local jurisdictions shall be the average of the amount distributed to local jurisdictions under subsection (1) and similarly calculated distributions in each succeeding fiscal year.

- (5) The allocation percentage described in subsection (1) shall be adjusted to reflect any voluntary agreements made by the department with local jurisdictions regarding the transfer of federal aid eligible roadways or the state buyout of local federal aid.
- (6) The department shall not borrow against the critical bridge fund for the first 9 months of the fiscal year.
- (7) The federal funds appropriated in section 110 for local federal aid and road and bridge construction, to eligible local road agencies, may be transferred through a voluntary buyout agreement made between eligible local road agencies.

## Improvement of I-94 in Kalamazoo county; expenditure for preliminary engineering and design work.

Sec. 404. It is the intent of the legislature that \$3,750,000.00 in federal high-priority project funds designated in the transportation equity act for the twenty-first century, Public Law 105-178, 112 Stat. 107, to improve I-94 in Kalamazoo County be expended by the department for preliminary engineering and design work related to rehabilitation and capacity improvements to I-94 between US-131 and Sprinkle Road in Kalamazoo County.

Sec. 405. Of the funds appropriated in section 110 for the critical bridge program, \$24,000,000.00 in federal highway bridge replacement and rehabilitation program funds are allocated to the critical bridge fund for the purpose of repairing or replacing bridges in the local off-system categories and local on-system categories. These funds shall be excluded from calculation of funding allocated to programs administered by local jurisdictions required in section 402.

#### MICHIGAN TRANSPORTATION FUND

#### Disposition of money received under motor carrier act.

Sec. 501. The money received under the motor carrier act, 1933 PA 254, MCL 475.1 to 479.43, and not appropriated to the department of consumer and industry services or the department of state police is deposited in the Michigan transportation fund.

#### Audits and investigations by department of treasury.

Sec. 502. The department of treasury shall perform audits and make investigations of the disposition of all state funds received by county road commissions or county boards of commissioners, as applicable, and cities and villages for transportation purposes to determine compliance with the terms and conditions of 1951 PA 51, MCL 247.651 to 247.675. County road commissions or county boards of commissioners, as applicable, and cities and villages shall make available to the department of treasury the pertinent records for the audit.

# Economic development and critical bridge programs; carrying forward funds; interest earned; receipt and expenditure of other funds; diversion to other projects.

Sec. 503. (1) The funds appropriated in part 1 for the economic development and critical bridge programs shall not lapse at the end of the fiscal year but shall carry forward each fiscal year for the purposes for which appropriated in accordance with 1987 PA 231, MCL 247.901 to 247.913, and section 11b of 1951 PA 51, MCL 247.661b.

 $<sup>\</sup>textbf{Compiler's note:} \ \ \textbf{The shaded text was vetoed by the Governor, whose veto message appears in this volume under the heading "Vetoes."}$ 

- (2) Interest earned in the department of transportation economic development fund and critical bridge fund shall remain in the respective funds and shall be allocated to the respective programs based on actual interest earned at the end of each fiscal year.
- (3) The department of transportation economic development fund and critical bridge fund may receive and expend federal, local, or private funds or restricted source funds such as interest earnings for projects that are consistent with the programmatic mission of the respective funds in addition to funds appropriated in part 1.
- (4) None of the funds statutorily dedicated to the transportation economic development fund and critical bridge fund shall be diverted to other projects without the notification and approval of the house of representatives and senate appropriations subcommittees on transportation.

# Distribution to comprehensive transportation fund (CTF), economic development fund (EDF), recreational improvement fund (RIF), and state trunkline fund; annual contracts between department and state agencies.

- Sec. 504. (1) Funds from the Michigan transportation fund (MTF) shall be distributed to the comprehensive transportation fund (CTF), the economic development fund (EDF), the recreational improvement fund (RIF), and the state trunkline fund (STF), in accordance with this act and part 711 (recreation improvement fund) of the natural resources and environmental protection act, 1994 PA 451, MCL 324.71101 to 324.71108, and may only be used as specified in this act, 1951 PA 51, MCL 247.651 to 247.675, and part 711 (recreation improvement fund) of the natural resources and environmental protection act, 1994 PA 451, MCL 324.71101 to 324.71108.
- (2) The amounts appropriated and transferred to various state agencies from part 1 shall be expended from the transportation funds pursuant to annual contracts between the department and state agencies providing tax and fee collection and other services applicable to transportation funds. The contracts shall be executed prior to the transfer of these funds. The contracts shall provide, but are not limited to, the following data applicable to each state agency:
  - (a) Estimated costs to be recovered from transportation funds.
  - (b) Description of services financed with transportation funds.
- (3) If the spending authorization accounts also are to be used for financing other than transportation fund services, the contracts shall include detailed cost allocation methods that are appropriate to the type of services being provided and the activities financed and supporting rationale for the portion of costs allocated to transportation funds.
- (4) At the close of each fiscal year and before April 1, each state agency shall submit a written report to the state budget director stating by spending authorization account the amount of estimated funds contracted with the department, the amount of funds expended, and the amount of funds returned to the transportation funds. A copy of the report shall be submitted to the auditor general and the report shall be subject to audit by the auditor general.
- (5) The department and the state agencies with which the department contracts in the manner provided in subsection (2) shall work together to explore methods of minimizing lapses or shortfalls in grants from transportation funds.

#### License plate programs.

Sec. 505. (1) Of the amount appropriated in part 1 from the Michigan transportation fund to the department of state, \$186,600.00 represents the additional cost of issuing

specialized license plates for veterans and national guard members, as included in 1989 PAs 16, 17, 18, and 19, MCL 257.803i, 257.803j, 257.803k, and 257.803*l*, and \$187,600.00 represents the additional cost of issuing generic license plates for nonprofit fraternal or public service organizations, as included in section 803m of the Michigan vehicle code, 1949 PA 300, MCL 257.803m.

- (2) In addition, commemorative and specialty license plate fee revenue collected by the department of state and deposited into the Michigan transportation fund is authorized for expenditure by the department of state up to the amount of revenue collected, but not to exceed \$2,153,300.00 for commemorative plates and \$3,915,000.00 for specialty plates. These amounts are appropriated to the department of state in part 1 to administer the commemorative and specialty license plate programs pursuant to section 225 of the Michigan vehicle code, 1949 PA 300, MCL 257.225.
- (3) The department of state shall prepare an annual report on the number of, and the additional costs associated with, these license plate programs to the department, the state budget director, the house and senate fiscal agencies, and the chairpersons of the house of representatives and senate appropriations subcommittees on transportation.
- (4) Any unspent funds based on these annual reports shall lapse to the Michigan transportation fund and be distributed in accordance with 1951 PA 51, MCL 247.651 to 247.675.

#### STATE TRUNKLINE FUND

### Performance and road construction warranties for construction contracts.

Sec. 601. The department shall work with the road construction industry to develop performance and road construction warranties for construction contracts. The development of warranties shall include warranties on materials, workmanship, performance criteria, and design/build projects. The department will report by September 30, 2002, to the house of representatives and senate appropriations subcommittees on transportation, the state budget office, and the house and senate fiscal agencies on the status of efforts to develop performance and road construction warranties.

## Manufactured pipe used for road construction drainage; requirements.

Sec. 602. If the department uses manufactured pipe for road construction drainage, the department shall require that pipe used under certain load-bearing conditions beneath the roadway meet the standards established by the American society for testing and materials (ASTM) or American association of state highway and transportation officials (AASHTO). The department may also use the mandrel test for manufactured pipe 60 days after installation and provide a summary of the results of these inspections to the house of representatives and senate appropriations subcommittees on transportation and house and senate fiscal agencies.

#### Evaluation of traffic congestion; criteria.

Sec. 603. It is the intent of the legislature that the department shall use traffic congestion as 1 of the criteria in determining the priorities for designating which roads shall be remediated in its 5-year road plan, which must be submitted on or before February 1, 2002. Criteria for evaluating traffic congestion shall include, but not be

limited to, coordination with local, county, and regional planning, improvement in traffic operations, improvement in physical roadway conditions, accident reduction, and coordination with area public transportation planning.

Sec. 605. The university road improvement program appropriation in section 110 shall be used to create a new state matching grant program for 4-year public universities administered by the department. A public university shall provide a dollar-for-dollar match for projects approved by the transportation commission. Funds allocated under this section shall be considered in addition to funds allocated to public universities under the institutional road program.

Sec. 606. From the funds appropriated in section 110 for road and bridge programs, the department shall begin the construction process, which may include traffic studies, preliminary engineering, right-of-way acquisition, and construction, of a northbound ramp at I-675 and Washington avenue in the city of Saginaw.

Sec. 607. From the funds appropriated in part 1, \$2,000,000.00 is appropriated for the remediation of unsafe pedestrian crossings on state highways. Funds from this appropriation may be expended only as matching funds for up to 50% of project cost with additional project funding to be provided by local units of government or through private contributions. Selected projects shall require the approval of the transportation commission. Maintenance of pedestrian overpasses constructed from funds made available through this appropriation shall be the responsibility of a local unit of government or public or private institutions of higher education.

#### Additional truck inspection stations; establishment.

Sec. 608. From the amounts appropriated in part 1 for forest roads from the transportation economic development fund in the fiscal year ending September 30, 2002, \$40,000.00 shall be used for the purpose of establishing 2 additional truck inspection stations. The department shall work directly with representatives of the timber industry to educate truck drivers on the use of the stations. The department shall report on the status of this program.

Sec. 609. From the funds appropriated in section 110 for road and bridge programs, funds shall be allocated for planning and evaluation for an interchange on I-96 at Sternberg Road in Fruitport Township.

#### Removal of animal remains.

Sec. 610. It is the intent of the legislature that the department have as a priority the removal of dead deer and other large animal remains from the traveled portion and shoulder of state highways. The department, and counties that perform state highway maintenance under contract, shall remove animal remains, wherever practicable, away from the traveled portion and shoulder of state highways.

Sec. 613. From the funds appropriated in part 1, a grant of \$150,000.00 shall be made to Michigan Technological University to complete a study of the distribution and nature of log truck accidents and the characteristics of log trucks and log loads. The findings of this study shall be forwarded to the house and senate appropriations committees, the house and senate fiscal agencies, and the state budget director.

 $<sup>\</sup>textbf{Compiler's note:} \ \ \textbf{The shaded text was vetoed by the Governor, whose veto message appears in this volume under the heading "Vetoes."}$ 

#### Mobile scales on rural highways; use.

Sec. 614. The department shall coordinate with the department of state police to facilitate the use of mobile scales on rural highways as jointly agreed to by both departments.

#### COMPREHENSIVE TRANSPORTATION FUND

#### Intercity bus equipment fund.

Sec. 701. Money that is returned to the state as repayment for a loan for intercity bus equipment is not money to be deposited in the comprehensive transportation fund under section 10b of 1951 PA 51, MCL 247.660b, but is money that is deposited in an intercity bus equipment fund for appropriation for the purchase and repair of intercity bus equipment. Proceeds received by the state from the sale of intercity bus equipment are deposited in an intercity bus equipment fund for appropriation for the purchase and repair of intercity bus equipment. Security deposits from the lease of state-owned intercity bus equipment not returned to the lessee of the equipment under terms of the lease agreement are deposited in an intercity bus equipment fund for appropriation for the repair of intercity bus equipment.

#### Rail or water freight projects; disposition of money received.

Sec. 702. Money that is received by the state as repayment for loans made for rail or water freight capital projects, and as a result of the sale of property or equipment used or projected to be used for rail or water freight projects shall be deposited in the fund created by section 17 of the state transportation preservation act of 1976, 1976 PA 295, MCL 474.67.

#### Abandonment of line; notification.

Sec. 703. After receiving notification from a railroad company pursuant to section 8 of the state transportation preservation act of 1976, 1976 PA 295, MCL 474.58, the department shall immediately notify the house of representatives and senate appropriations subcommittees on transportation and the state budget office that the railroad company has filed with the appropriate governmental agencies for abandonment of a line.

#### High-speed rail program.

Sec. 704. The department shall submit a report to both the house and senate appropriations subcommittees on transportation and the house and senate fiscal agencies by March 1 of each year outlining its efforts to develop a high-speed rail program as well as efforts to obtain funding for this purpose. The report shall include recommendations on self-sustaining revenue sources to increase awareness and include efforts to increase ridership.

#### Rail infrastructure loan program.

Sec. 705. From the funds appropriated in part 1, \$800,000.00 is allocated for a rail infrastructure loan program. The program shall provide noninterest-bearing loans for rail infrastructure improvements. The department shall evaluate loan applications according to the relative merit of the project in conjunction with program goals. The transportation commission shall approve the loans. The loans shall fund not less than 90% of the rail portion of project costs, and the loan repayment period shall not exceed 10 years. Local governments, railroads, and current or potential users of freight railroad services are

eligible applicants. At the end of the fiscal year, unexpended funds shall remain in the rail infrastructure loan program and shall be available to be allocated for the purposes of the program in the succeeding fiscal year. Money that is received by this state as repayment for rail infrastructure loans made pursuant to this program shall remain within the rail infrastructure loan program and shall be allocated for the purposes of the program. The state's total contribution to the rail infrastructure loan program shall not exceed \$15,000,000.00.

## Detroit/Wayne county port authority; operations assessment and financial disclosure statement.

Sec. 706. The Detroit/Wayne County port authority shall issue a complete operations assessment and a financial disclosure statement. The operations assessment shall include operational goals for the next 5 years and recommendations to improve land acquisition and development efficiency. The report shall be completed and submitted to the house of representatives and senate appropriations subcommittees on transportation, the state budget office, and the house and senate fiscal agencies by February 15, 2002.

#### Public transportation services in urbanized areas; grant.

Sec. 707. For the fiscal year ending September 30, 2002, each eligible authority and each eligible governmental agency which provides public transportation services in urbanized areas with a Michigan population of less than or equal to 100,000 and nonurbanized areas under section 5311 of title 49 of the United States Code, 49 U.S.C. 5311, shall receive a grant of up to 60% of its eligible operating expenses. Each eligible authority and each eligible government agency which provides public transportation services in urbanized areas with a Michigan population of greater than 100,000 under section 5311 of title 49 of the United States Code, 49 U.S.C. 5311, shall receive a grant of up to 50% of its eligible operating expenses.

## State-owned or leased buses to private intercity bus carriers; charge to use.

Sec. 708. If funds appropriated in section 116 are used to provide state-owned or state-leased buses to private intercity bus carriers, the department shall charge not less than \$1,000.00 per bus per year for their use.

#### Essential corridor bus routes.

Sec. 709. (1) The following bus routes are designated as an essential corridor in Michigan:

Between St. Ignace and Escanaba US-2

Between Escanaba and Duluth US-2 through Ironwood to

the state line

- (2) Any changes to the essential corridor list in subsection (1) shall be approved by the house and senate appropriations subcommittees on transportation.
- (3) No entity shall receive operating assistance for a scheduled regular route service which is competing with another private or public carrier over the same route.

## Services under regional transportation service programs; duplication of existing routes.

Sec. 710. Whenever possible, the department shall work with the local transit agencies to avoid establishing new routes that duplicate existing routes served by intercity carriers when providing services under regional transportation service programs. It is preferable that private intercity carriers be provided an opportunity to bid by local public transit agencies on services funded through the regional transportation service program.

## Rail service between Grand Rapids and Chicago and between Port Huron and Chicago.

- Sec. 711. (1) From the funds appropriated in part 1 from the comprehensive transportation fund for rail passenger service, the department shall negotiate with a rail carrier to provide rail service between Grand Rapids and Chicago and between Port Huron and Chicago on a 7-day basis, consistent with the other provisions of this section.
- (2) The department shall work with the rail carrier, local communities, and the federal government to increase marketing efforts to promote awareness of rail passenger service, to increase ridership, to reduce operating subsidies in conjunction with the federal phaseout of operating subsidies, to maximize the revenue of the rail passenger lines in Michigan, and to improve on-time performance. The department shall submit a report to both the house and senate appropriations committees and the house and senate fiscal agencies by January 1, 2002, that provides a 5-year history on services, ridership, and subsidies.

- (3) Future state support for the service between Grand Rapids and Chicago and Port Huron and Chicago is dependent on the department's ability to provide a plan and a contract for services that increase ridership and revenue, reduce operating costs, and improve on-time performance. The department shall include a section in the report required in subsection (2) detailing efforts to reduce the dependence on state operating subsidies and projected operating expenses for the next 2 years, and recommending service alternatives, for the Grand Rapids to Chicago service and the Port Huron to Chicago service.
- (4) Any state subsidy shall only provide for the direct operating costs in Michigan and shall not exceed \$5,700,000.00 for the service between Port Huron and Chicago and Grand Rapids and Chicago.

Sec. 712. From the comprehensive transportation fund appropriation in section 116 for freight preservation and development, \$2,000,000.00 is appropriated to rehabilitate the lake state railroad bridge over the Thunder Bay River in Alpena.

#### Locks project at Sault Ste. Marie.

Sec. 713. It is the intent of the legislature that the state of Michigan will be ready to fund its portion of the locks project at Sault Ste. Marie as soon as the federal government authorizes the commencement of the project.

#### **Demand-response services.**

Sec. 714. The department, in cooperation with local transit agencies, shall ensure that demand-response services are provided throughout Michigan.

## Comprehensive transportation fund; unreserved and unencumbered fund balance.

Sec. 715. (1) On or before January 28, 2002, the department, together with the house and senate fiscal agencies and the department of management and budget, shall estimate the unreserved and unencumbered closing balance of the comprehensive transportation fund (CTF) for the fiscal year ending September 30, 2001. The estimate shall consider lapsed appropriations from the CTF and revised estimates of state restricted transportation revenue.

(2) On or before February 4, 2002, the department shall request a legislative transfer in accordance with section 393 of the management and budget act, 1984 PA 431, MCL 18.1393, to appropriate any estimated unreserved and unencumbered CTF fund balance in excess of \$1,000,000.00. The appropriations included in the transfer request shall be in accordance with the statutory requirements of 1951 PA 51, MCL 247.651 to 247.675, with priority given to local bus operating grants. At the same time the department makes its transfer request, the department shall submit copies of the transfer request to the house of representatives and senate appropriations subcommittees on transportation and the house and senate fiscal agencies.

# Employment transportation services; coordination of program with family independence agency and Michigan department of career development.

Sec. 717. The department shall explore the potential uses of TANF funds, which may be made available to the comprehensive transportation fund from the family independence

agency for employment transportation services, and shall develop a grant program for the use of the funds by local transit agencies which provide transportation for welfare-to-work participants. The department shall coordinate this program with the family independence agency and the Michigan department of career development.

#### Intermodal transportation opportunities in eastern Upper Peninsula.

Sec. 718. The department shall evaluate intermodal transportation opportunities in the eastern Upper Peninsula and report its findings to the chairpersons of the house and senate appropriations subcommittees on transportation and the house and senate fiscal agencies.

#### **AERONAUTICS FUND**

#### State aeronautics fund; lapse.

Sec. 801. At the close of the fiscal year ending September 30, 2002, any unobligated and unexpended balance in the state aeronautics fund created in the aeronautics code of the state of Michigan, 1945 PA 327, MCL 259.1 to 259.208, shall lapse to the state aeronautics fund and be appropriated by the legislature in the immediately succeeding fiscal year.

#### State-owned, noncombat aircraft.

Sec. 802. The department and the departments of state police and natural resources shall continue to develop plans for the maintenance, scheduling, and use of all state-owned, noncombat aircraft. It is the intent of the legislature that these plans maximize the cost-efficient use of the state transportation air fleet. The departments shall prepare a joint report, coordinated by the department, on the development and implementation of these plans.

Sec. 803. (1) From the funds appropriated in section 113, the department shall establish an aeronautics safety officer position to coordinate safety functions between the department, the department of natural resources, and the department of state police. It is the intent of the legislature that the safety officer position is jointly funded by the 3 departments in equal shares.

(2) In addition to the funds appropriated in section 113, the department is authorized to expend funds received from the department of natural resources and the department of state police that are intended to support the aeronautics safety officer position established in subsection (1).

This act is ordered to take immediate effect. Approved July 23, 2001. Filed with Secretary of State July 24, 2001.
