To: Regulatory Affairs Officers
From: Katie Wienczewski, Administrator – Office of Regulatory Reinvention
Subject: Annual Regulatory Plans – **due July 1, 2019**

MCL 24.253 requires each department to submit its annual regulatory plan to the ORR by July 1st of each year.

To make this exercise as simple and uniform as possible, please submit a single electronic report for all of your bureaus, agencies, commissions, etc. Please use the attached format/template for each bureau, agency, commission, etc. within your department. Be sure to include any rule set that the ORR has already approved and assigned an index number (i.e. 2019-001 EQ) if you believe the rule set will still be “in process” during the identified annual reporting period (July 1, 2019 - June 30, 2020).

As a point of emphasis, please review your current rules and identify those that are obsolete or superseded, or those that could otherwise be rescinded using the abbreviated process under MCL 24.244(1).

Once all department annual regulatory plans are received, we will review them and submit them to the Joint Committee on Administrative Rules.

Electronic submissions should be sent to o’berryd@michigan.gov by **July 1, 2019**. If you have any questions regarding the annual reporting requirements, do not hesitate to call us at (517) 335-8658.

Thank you for helping us keep the Michigan Administrative Code clean, accurate, and efficient!
