Comment001 Revised 6/16

# Proposed Policy Draft

#### Michigan Department of Health and Human Services Medical Services Administration

**Distribution:** Home Help Agency Providers

**Issued:** July 1, 2019 (Proposed)

**Subject:** Home Help Statement of Employment and Agency Invoice

**Effective:** October 1, 2019 (Proposed)

Programs Affected: Medicaid, Healthy Michigan Plan

The Home Help program is administered by the Michigan Department of Health and Human Services (MDHHS) and provides personal care services to Medicaid beneficiaries who need hands-on assistance with Activities of Daily Living (ADLs) and assistance with Instrumental Activities of Daily Living (IADLs). Home Help agency providers are responsible for understanding and agreeing to the requirements of the program and documenting their provision of personal care services. The purpose of this bulletin is to notify agency providers of changes to policies governing these responsibilities.

#### **Glossary**

| Agency Caregiver                         | A direct caregiver employed by an agency. This caregiver provides personal care services to an MDHHS Home Help client. |
|--|--|
| Agency Owner(s)                          | Possesses 5% or greater direct or indirect ownership interest of the agency and/or person with control interest.       |
| Agency Representative/<br>Resident Agent | An individual who is authorized to act on behalf of the agency owner.  |

#### **Home Help Services Statement of Employment (MSA-4676)**

The MSA-4676 Home Help Services Statement of Employment is an agreement between the Home Help client and the agency provider. It outlines the general service requirements and the approved tasks for the client. Effective October 1, 2019, agency providers are required to sign the MSA-4676 for every Home Help client prior to delivering services.

The agency owner(s) may either sign the MSA-4676 or designate an authorized signer(s). Any individual who signs the MSA-4676 on the agency provider's behalf binds the agency provider to the terms outlined in the form and the approved Time and Task. The agency owner(s) is responsible for ensuring the form is signed by an authorized signer.

Payments will be authorized in accordance with the following timelines:

- New Home Help clients: When an agency provider takes on a new Home Help client, the signed MSA-4676 must be submitted to the client's Adult Services Worker (ASW) or local county MDHHS office before payment will be authorized.
- Existing Home Help clients with no signed MSA-4676 on file: Payments for a
  current Home Help client will be authorized up until the client's next case review. After
  the case review, the signed MSA-4676 must be submitted to the client's ASW or local
  county MDHHS office before payment will be authorized.

The attached MSA-4676 is a copy of the Home Help Services Statement of Employment. The agency provider will receive the actual form from the client. Once the client and agency provider sign and date the form, it must be submitted to the client's ASW or local county MDHHS office. The form can be delivered in person or by fax, U.S. mail or email. The client has the authority to decide whether he/she will deliver the signed form or delegate the task to the agency provider. Contact information for local county MDHHS offices is available on the MDHHS website at <a href="https://www.michigan.gov/mdhhs">www.michigan.gov/mdhhs</a> >> Inside MDHHS >> County Offices.

The agency provider must retain a copy of the signed form and ensure there is a signed form on file for every client. The agency provider should keep a client's signed form for seven years after the end of service provision.

#### <u>Verification of Services Provided</u>

Effective October 1, 2019, the agency provider can no longer verify services provided by submitting the DHS-721 Personal Care Services Provider Log. Instead, the agency provider must submit the MSA-1904 Home Help Agency Invoice monthly to verify that authorized services were provided. Payment will not be released until the MSA-1904 has been received and verified by the client's local county MDHHS office.

The MSA-1904 must include an accurate record of the Home Help services that were provided on each day of the billing period. The record must include only the services authorized for the client. A separate MSA-1904 must be submitted for each client served in a billing period.

The attached MSA-1904 is a copy of the Home Help Agency Invoice. A fillable version of the invoice can be downloaded from the MDHHS website at <a href="https://www.michigan.gov/homehelp">www.michigan.gov/homehelp</a>.
