The Department of Health and Human Services will hold a public hearing to receive public comments on proposed changes to the Body Art Facilities rule set.

This administrative rule set is new. In absence of these rules, the spread of disease by improper or illegal procedures performed by body art owners, operators and technicians is likely. As public health is of paramount concern, the rules will provide the necessary minimum requirements following national standards to hold accountable those owners, operators and technicians who wish to perform body art. The rules promote quality control and prevent the spread of infections and diseases, e.g. Hepatitis C, from occurring in this state. The rules also serve as enforcement to the major threat to the public by illegal tattooists offering at home services and procedures in unsanitary conditions.

By authority conferred on the Department of Health and Human Services by section 5 of 1978 PA 312, 2226 of 1978 PA 368, section 2233 of 1978 PA 368, section 2235 of 1978 PA 368, section 13108 of 2010 PA 375, section 24 of 1974 PA 154, being MCL 333.2226, MCL 333.2233, MCL 333.2235, MCL 333.13108, MCL 408.1024, and by Executive Reorganization Orders No. 2015-1. Jurisdiction pursuant to MCL 460.10ee(1) and MCL 460.55. These rules will take effect Immediately after filing with the Secretary of State. The rules are published on the Michigan Government web site at <http://www.michigan.gov/moahr> and in the Michigan Register in the 12/1/2019 issue. Copies of the draft rules may also be obtained by mail or electronic transmission at the following address:
