Brief description of policy:

The Michigan Department of Health and Human Services will allow Federally Qualified Health Centers (FQHC) and Rural Health Clinics (RHC) to receive the Prospective Payment System (PPS) rate, and Tribal Health Centers (THC) to receive the all-inclusive rate (AIR) for telemedicine and telephonic (audio only) visits. To be eligible to receive PPS or AIR, the clinic provider must be employed by/contracted with the FQHC, RHC, or THC, and the procedure code billed must be considered a qualifying visit as listed on the MDHHS website. Visits rendered by the clinic provider while the provider is working from home are also included in the policy.

Reason for policy (problem being addressed):

To allow flexibility in the reimbursement methodology for telehealth services provided by FQHCs, RHCs, and THCs to protect the health and welfare of beneficiaries and providers while maintaining access to vital services during the COVID-19 pandemic.

Budget implication:

budget neutral

will cost MDHHS \$ 4 million per month, and is not budgeted in current appropriation

will save MDHHS \$

Revised 6/16

Bulletin Number: MSA 20-34

Distribution: Federally Qualified Health Centers, Rural Health Clinics, Tribal Health Centers, Medicaid Health Plans, Integrated Care Organizations, Prepaid Inpatient Health Plans, Community Mental Health Services Programs

Issued: May 20, 2020

Subject: COVID-19 Response: Telemedicine Reimbursement for Federally Qualified Health Centers, Rural Health Clinics, and Tribal Health Centers

Effective: March 10, 2020

Programs Affected: Medicaid, Healthy Michigan Plan

The purpose of this guidance is to allow flexibility in the reimbursement methodology for telehealth services provided by Federally Qualified Health Centers (FQHCs), Rural Health Clinics (RHCs), and Tribal Health Centers (THCs) to protect the health and welfare of beneficiaries and providers while maintaining access to vital services during the COVID-19 pandemic. Consistent with public health emergency conditions at both the state and federal level related to COVID-19, the Michigan Department of Health and Human Services (MDHHS) is issuing this policy effective March 10, 2020. Given the circumstances, this policy is intended to be time-limited, and MDHHS will notify providers of its termination.

MDHHS will allow FQHCs and RHCs to receive the Prospective Payment System (PPS) rate and allow THCs to receive the All-Inclusive Rate (AIR) for qualifying telemedicine visits. Visits rendered by the clinic provider while the provider is working from home and telephonic (audio only) visits are included as eligible to receive the PPS or AIR. The provider must be employed by or contracted with the FQHC, RHC, or THC and the procedure code billed must appear on the clinic qualifying visit list located on the MDHHS website at www.michigan.gov/medicaidproviders >> Provider Specific Information.

Clinic providers of telemedicine services must follow all requirements of telemedicine policy described in Bulletins MSA 20-09, MSA 20-13 and the MDHHS Medicaid Provider Manual unless otherwise indicated by federal guidance. The MDHHS Medicaid Provider Manual can be accessed at www.michigan.gov/medicaidproviders >> Policy, Letters & Forms >> Medicaid Provider Manual. Allowable telemedicine services are limited to those listed on the telemedicine fee schedule, which can be accessed on the MDHHS website at www.michigan.gov/medicaidproviders >> Billing and Reimbursement >> Provider Specific Information >> Physicians/Practitioners/Medical Clinics/Telemedicine Services.
