

**Department of Insurance and Financial Services
Office of Research, Rules, and Appeals**

1. Rule(s) to be **processed** between July 1, 2022 and June 30, 2023. [Give brief description.]

MOAHR # not assigned. Good Moral Character. (Authority: MCL 500.210, MCL 338.43.) This new rule set was first initiated by rule set 2020-18 IF. The rule set was intended to provide a) standards for the Director’s review of “good moral character” for licensure as a solicitor, adjuster, insurance counselor, or insurance producer under MCL 500.1214, 500.1224, 500.1234, and 500.1239, respectively; b) establish procedures for applicants to submit claims of rehabilitation; and c) identify criminal convictions that evidence a lack of good moral character for the licenses described above. The corresponding sections of the Insurance Code of 1956 require applicants to possess “good moral character.” That term is defined under MCL 500.1200 by reference to MCL 338.41(1) of 1974 PA 381, which generally defines “good moral character” as the applicant’s propensity to serve the public in a “fair, honest, and open manner.” Following the enactment of 2020 PA 368, which amended 1974 PA 381, rule set 2020-18 IF was voided in order to initiate a new rule set that accommodates the legislative amendments made by 2020 PA 368 and continues to further the purposes described above.

MOAHR # not assigned. Surplus Lines Insurance Fees. (Authority: MCL 500.1955, MCL 500.210.) This rule set includes a single rule, R 500.1251, which implements MCL 500.1915 of the Surplus Lines Insurance Act, Chapter 19 of the Insurance Code of 1956. Section 1915 regulates the fee a surplus lines licensee may charge apart from the premium. Section 1915 was amended by 2020 PA 62. Before the amendment, the statute capped the fee for costs incurred in placing the insurance at \$50.00, adjusted annually, unless the fee was filed with the Director and only exceeded \$50.00 by actual additional costs incurred for services unrelated to the licensee. Rule 500.1251 establishes a) categories of costs considered “unrelated to the licensee” and b) disclosure and reporting requirements for fees exceeding the cap. Public Act 62 eliminated the \$50.00 fee cap, established new fee standards depending on the type of insurance policy issued, and established new disclosure requirements for permissible fees. The amendments to MCL 500.1915 enacted under 2020 PA 62 necessitate amendments to R 500.1251.

MOAHR # not assigned. Pharmacy Benefit Managers. (Authority: MCL 550.823.) The Pharmacy Benefit Manager Licensure and Regulation Act, 2022 PA 11, MCL 550.811 to 550.845, effective January 1, 2024, requires the Director to promulgate rules necessary or required to implement the act, including establishing license application and renewal fees and licensure sanctions.
