

Department of Licensing and Regulatory Affairs
Bureau of Construction Codes
Administrative Rules for Construction Code - Part 10a. Michigan Energy Code
Rule Set 2021-49 LR

NOTICE OF PUBLIC HEARING

Tuesday, July 5, 2022

09:00 AM

Michigan Library & Historical Center, First Floor Forum
702 W. Kalamazoo St., Lansing, MI 48915

The Department of Licensing and Regulatory Affairs will hold a public hearing to receive public comments on proposed changes to the Construction Code - Part 10a. Michigan Energy Code rule set.

The Michigan Energy Code Part 10a, which applies to buildings and structures, currently adopts the 2015 edition of the International Energy Conservation Code (IECC). The current Michigan Energy Code rules for commercial compliance are outdated and require revision to reflect the latest in accepted technology and materials. The rules currently being applied do not reflect the current technology or materials available to achieve efficient use of energy.

(By authority conferred on the director of the department of licensing and regulatory affairs by section 4 of the Stille-DeRossett-Hale single state construction code act, 1972 PA 230, MCL 125.1504, and Executive Reorganization Order Nos. 2003-1, 2008-4, and 2011-4, MCL 445.2011, 445.2025, and 445.2030)

The proposed rules will take effect immediately after filing with the Secretary of State. The proposed rules are published on the State of Michigan's website at www.michigan.gov/ARD and in the 7/1/2022 issue of the Michigan Register. Copies of these proposed rules may also be obtained by mail or electronic mail at the following email address: JohnsonA39@michigan.gov.

Comments on these proposed rules may be made at the hearing, by mail, or by electronic mail at the following addresses until 7/5/2022 at 05:00PM.

Administrative Services Division- Rules Analyst Amanda Johnson

611 W. Ottawa Street Lansing, MI 48933
