<u>TRANS. NO.</u>	<u>AGENCY</u>	<u>SUBJECT</u>
23-45	Department of Civil Rights Civil Rights Commission	Organization, Practice, and Procedure

FISCAL IMPACT: The Administrative Rule change could reduce the time and cost to conduct investigations, which could reduce overall costs to the department over time. Overall savings would be minimal as any potential reduction in the time and costs to complete an investigation is unlikely to result in a reduced overall workload for the staff in the department.
