2. Rule Set Information

MOAHR assigned rule set number:

2021-88 HS

Title of proposed rule set:

State Disability Assistance Program

3. Purpose for the proposed rules and background:

The purpose of these rules is to set guidance for DHHS on how to process and determine eligibility for the State Disability Assistance (SDA) Program. The changes intend to address the ability for both applicants and recipients to choose either an in-house or telephone interview for benefits under Mich Admin Code R 400.3155, regardless of whether it is a hardship on the applicant. The rules currently address only in-person interviews. Because many of the recipients and applicants for benefits have medical issues, transportation issues, or feel uncomfortable with the current COVID numbers, it may not be feasible or safe for the Department nor the client to come into the MDHHS building to conduct an in-person interview. The change will allow an alternative by telephone interviews for the public.

4. Summary of proposed rules:

The purpose of these rules is to set guidance for DHHS on how to process and determine eligibility for the Family Independence and State Disability Assistance programs. DHHS seeks to amend the current rules to add telephone interview, in addition to in-person interview, for application review. These rules seek to improve client service by allowing a telephone interview in the event of the recipient having medical issues, transportation issues, child care issues, or having to take leave from his or her employment in order to complete the application process.
