**RE: Rule Set 2021-048 LR (Construction Code - Part 10. Michigan Uniform Energy Code)  
Rule Set 2021-049 LR (Construction Code - Part 10a. Michigan Energy Code)**

Dear Chair Haadsma, Alternate Chair Wojno, and Committee Members:

I respectfully withdraw the Construction Code - Part 10. Michigan Uniform Energy Code (2021-048 LR) and Construction Code - Part 10a. Michigan Energy Code (2021-049 LR) from the Joint Committee on Administrative Rules (JCAR) pursuant to Section 45a(10)(b) of the Administrative Procedures Act (APA), MCL 24.245a(10)(b).

As provided in Section 45a(10)(b) of the Administrative Procedures Act (APA), an agency may withdraw a rule set to make revisions and then resubmit it to JCAR. Upon resubmission of the rule set, JCAR will have a new and untolled 15-session-day time period for consideration.

The Department is withdrawing these rule sets to seek more guidance from stakeholders and the public. LARA will work to clarify provisions of the rule sets and make revisions as necessary. The rules will then be resubmitted for your deliberation.

Please contact me at (517) 241-4580 with any questions or concerns regarding this matter.

Sincerely,

Paige Fults  
Director, Office of Policy and Legislative Affairs  
Michigan Department of Licensing & Regulatory Affairs
