<u>TRANS. NO.</u>	<u>AGENCY</u>	<u>SUBJECT</u>
20-02	Department of Health and Human Services- Children's Services Agency	Child Care Fund

**FISCAL IMPACT:**

Based upon analysis completed by the Michigan Department of Health and Human Services (DHHS), there is an expectation of \$3.0 million in reduced costs to the State. About 15% of the child welfare cases that currently are paid first by the counties will now be paid first by the State. This means the calculation of a 10% indirect payment will be calculated on a smaller total. The \$3.0 million total amount includes some smaller cost increases necessary to implement the rules.
