MOAHR assigned rule set number:

2019-44 LR

Title of proposed rule set:

Professional Surveyors - General Rules

3. Purpose for the proposed rules and background:

The general purpose of the proposed rules is to amend the previously adopted rules to eliminate outdated language, create consistency with 1980 PA 299, known as the occupational code, and provide clarity regarding the requirements for licensure, renewal, and relicensure. The proposed rules are intended to revise the definitions used in the rules, revise the education, experience, and examination requirements that must be satisfied to receive a license, and update the requirements pertaining to the seal of a professional surveyor. In addition, a new rule will be added that pertains to relicensure and a new table will be added to outline the continuing education requirements that must be satisfied by the end of the license cycle in order to renew the license.

4. Summary of proposed rules:

The proposed rules will revise the definitions, education, experience, and examination licensure requirements, and update the requirements pertaining to the seal of a professional surveyor. A new rule will be added that pertains to relicensure and a table will be added to outline the continuing education requirements that must be completed in order to renew the license.
