MS. DITSCHMAN: Hi. My name is Andria

Ditschman and I am an analyst for the Bureau of

Professional Licensing in the Department of Licensing and

Regulatory Affairs, and I will be conducting the hearing

today.

This is a public hearing on four proposed administrative rule sets entitled "Athletic Trainers - General Rules, Nursing Home Administrators - General Rules, Real Estate Appraisers - General Rules, and Respiratory Care - General Rules." We are conducting the hearing as required by the Administrative Procedures Act to allow the public to comment on the proposed changes to these rule sets. As with all other public hearings on draft rule sets, the only items discussed during the hearing will be the proposed changes to the rule sets. The hearing is not to cover questions or discussions on any other issues.

We're calling this hearing to order at 9:00 a.m. on November 23, 2020, via Zoom to comply with statutorily required measures designed to help prevent the spread of Coronavirus Disease 2019, known as Penn Reporting, LLC - lori.penn@yahoo.com

COVID-19. The notice of public hearing was published in three newspapers of general circulation: The Grand Rapids Press and the Flint Journal on September 5, 2020, and the Mining Journal on September 6, 2020, as well as the Michigan Register, Issue #16-2020, published on November 15, 2020.

All comments should relate directly to the proposed rules. If you have questions about the rules, you may place your comments on the record and the Department will review and consider them. If you have suggested changes to the proposed rules, please include the specific reasons why the changes would be in the public interest.

We will take comments on each rule set in the following order: Athletic Trainers - General Rules,

Nursing Home Administrators - General Rules, Real Estate

Appraisers - General Rules, and Respiratory Care 
General Rules. The comments will be heard in the following manner:

For those using the Video Conference Portion, those not calling on the telephone, please use the "Raise Your Hand" feature in Zoom. I will call on individuals to speak, and they will be unmuted at that time.

Next, for participants that are available only by telephone, we will ask if you wish to make a comment

Penn Reporting, LLC - lori.penn@yahoo.com

after the video participants have finished.

If you have a comment but do not wish to speak, please note that the Department will also accept written statements emailed or postmarked to BPL-BoardSupport@Michigan.gov until 5:00 p.m. today.

Those making comments should clearly and slowly say and spell your name and advise if you are speaking on behalf of an organization. We will limit comments to three minutes per person. Please remember that only one person should speak at a time.

The other Department staff from the Bureau of Professional Licensing attending today are Kerry Przybylo, Weston McIntosh, and Kimmy Catlin.

So let's start with the Athletic Trainers
- General Rules, and we're going to start with the video
conference, those on video conference, so if you want to
participate, if you could use your "Raise Your Hand"
feature in the Zoom.

I'm not seeing any. Kerry, do you agree?

MS. PRZYBYLO: I thought I heard someone

try to say something, so let's give it a second. And

someone is trying to sign on, so let's just hold on just

a minute. I'm almost done uploading the rules, I just

need to upload the Real Estate Appraisers rules next.

MS. DITSCHMAN: Okay. So if you just
Penn Reporting, LLC - lori.penn@yahoo.com

came on, we're starting with Athletic Trainers - General 1 Rules. And if you are on Zoom and you wanted to make a 2 comment on Athletic Trainers, if you would use the "Raise 3 4 Your Hand" feature, and then we can call on you. 5 Okay. So if we're not on the Zoom, I don't see anyone calling by telephone. 6 7 MS. PRZYBYLO: No, I don't either. 8 MS. DITSCHMAN: Okay. So we will go to 9 Nursing Home Administrators. Is there anyone on Zoom 10 that wanted to comment on the Nursing Home Administrators 11 - General Rules? If you did, you can use the "Raise Your 12 Hand" feature. 13 I'm not seeing anyone. 14 Is there anyone that wanted to speak on 15 the Real Estate Appraisers - General Rules? You'll want 16 to use the "Raise Your Hand" feature. 17 And I'm not seeing anyone. 18 How about the Respiratory Care - General 19 Rules, is there anyone that wanted to speak on the 20 Respiratory Care - General Rules? Okay. So we have 21 mc779694, do you want to go ahead, and state your name 22 and who you represent. I think you're muted. 23 ALICIA WAFER: Am I - can you hear me 24 now? 25 MS. DITSCHMAN: Yep, I can hear you now,

ALICIA WAFER: Thank you. I am Alicia

Wafer, a Respiratory Therapist II Director at Henry Ford

Hospital. My comment is related to a recent rule change

for 2020 where if a therapist allows their license to

lapse for greater than two years, they are being required

to go back and take their boards again, which is not

something that our national board requires if you have

been grandfathered in, and so if you were a registered

respiratory therapist before 20 -- 2004, you are

grandfathered in to maintain your credentials. And with

our time of unprecedented crisis right now, we need all

hands on deck. We have one individual in particular

who's been trying to get his licensed re-upped because he

let it expire I believe in 2013, although he stayed on

the periphery of the field, it would be awesome to be

able to allow people like that to come in and help. So

that's my request.

MS. DITSCHMAN: Thank you. Anyone

else --

comments?

MS. PRZYBYLO: Alicia -- hold on.

Alicia, could you please spell you name so that we can have it for our record when we make a summary of the

9	MS. PRZYBYLO: Thank you.
10	MS. DITSCHMAN: Okay. Does anyone else
11	want to speak on Respiratory Care - General Rules? Teena
12	Culhane, do you want to go ahead?
13	TEENA CULHANE: Sure. Hi. Do you need
14	me to spell that for you, whoever's taking notes?
15	MS. DITSCHMAN: Yes.
16	MS. PRZYBYLO: It's listed on the Zoom,

19	Gotcha.
20	MS. PRZYBYLO: So I think we're okay.
21	Thank you.
22	TEENA CULHANE: Hi. Yes. I'm a
23	respiratory therapist, and I noticed in these proposals
24	there's a telehealth medicine component. I currently
25	work in outpatient pulmonary rehab, and there is
	Penn Reporting, LLC - lori.penn@yahoo.com

currently no process for providing services to our patients in need via telehealth, and I was just interested in pursuing that further in terms of, you know, billing reimbursement in preparation for -- we had to close our program this past spring for five months, and I saw the telehealth component and wondering if there was an opportunity within that realm for our patients.

MS. DITSCHMAN: Okay. Thank you, Tina.

Anyone else that wanted to speak on Respiratory Care - General Rules, you want to use the "Raise Your Hand" feature.

Okay. So once again, is there anyone that wanted to speak on any of the rules that we missed, do you want to use the "Raise Your Hand"?

And I need, if you could, both of the people that spoke, if you want to put yourself back on mute. Thank you.

Okay. I'm not seeing anyone, so what we will do is take a recess for a few minutes, about 15 minutes. So there's no other persons it looks like who wish to speak at this time, so we will take a recess until 9 -- why don't we do 9:30, and then we'll come back. Thank you.

MS. PRZYBYLO: In the meantime, if anybody decides they want to comment during this time, Penn Reporting, LLC - lori.penn@yahoo.com

just raise your hand and we'll come back on the record.

We just like to leave it open in case somebody -- we
don't want to close the meeting in ten minutes, so we
want to give some people some chances to say something in
case anybody else signs on, or if you have something that
you thought of that you'd like to say.

(Fifteen-minute recess.)

MS. DITSCHMAN: So it's 9:30, I'm going to go back on the record, and this is the hearing, public hearing for proposed rule sets for Athletic Trainers - General Rules, Nursing Home Administrators - General Rules, Real Estate Appraisers - General Rules, and Respiratory Care - General Rules. Do we have anyone else that's come on to Zoom or by phone that wanted to make a comment? If you came on by Zoom, if you want to use the "Raise Your Hand".

I don't see any phone calls.

Okay. So no other comments, I'm not seeing any other comments, so I will close the hearing. If there's no other comments, we'll declare the hearing is closed. The record will remain open until 5:00 p.m. for any other comments that you may wish to share about the proposed rules. And thank you for attending.

(Hearing concluded.)
