NOTICE OF PUBLIC HEARING
July 2, 2021
9:00 a.m.**

The public hearing will be held virtually via Zoom to receive public comments while complying with measures designed to help prevent the spread of Coronavirus Disease 2019 (COVID 19) and the City of Lansing Resolution #2021-081.

The hearing is held to receive public comments on the following administrative rules:

Occupational Code Renewals (MOAHR #2021-12 LR)

Authority: MCL 339.202, MCL 339.205; and Executive Reorganization Order Nos. 1991-9, 1996-2, 2003-1, and 2011-4, MCL 338.3501; MCL 445.2001; MCL 445.2011; and MCL 445.2030

Overview: The proposed rules clarify the definitions for terms used in the rules. The proposed rules also add appraisal management companies to annual license renewals and phase out annual renewals for collection practices and personnel agencies. The licenses for collection practices and personnel agencies will be added to triennial license renewals 90 days after the effective date of the proposed rules. The renewal dates for architects, hearing aid dealers, landscape architects, professional engineers, professional surveyors, and real estate brokers and salespersons will be amended to the date that the initial license was issued.

Pharmacy - Animal Euthanasia and Sedation Rules (MOAHR #2019-86 LR)

Authority: MCL 333.16145, 333.16148, 333.7333, and Executive Reorganization Order Nos. 1991-9, 1996-2, 2003-1, and 2011-4, MCL 338.3501, MCL 445.2001, MCL 445.2011, and MCL 445.2030.

Overview: The proposed rules will modify the regulatory mechanism for animal control shelters, animal protection shelters, and Class B dealers who administer tranquilizers and euthanize animals with the goal of more humanely handling animals to minimize pain and distress. The proposed rules will require managers and employees of animal control shelters, animal protection shelters, and Class B dealers who acquire, store, and administer tranquilizing or euthanizing drugs to receive additional training in administering tranquilizers and euthanizing animals. The proposed rules will require that the training be approved by the state veterinarian who has determined that the training must comply with the American Veterinary Medical Association's guidelines for euthanasia of animals. The proposed rules will require record keeping as the drugs used in these procedures are controlled substances.

The rules will take effect immediately upon filing with the Secretary of State, unless specified otherwise in the rules. Comments on the proposed rules may be presented in person at the public hearing. **Written comments will also be accepted from date of publication until 5:00 p.m. on July 2, 2021, at the following address or e-mail address:**
