<u>TRANS. NO.</u>	<u>AGENCY</u>	<u>SUBJECT</u>
21-50	Department of Licensing And Regulatory Affairs- Public Service Commission	Preservation of Records of Electric, Gas, and Steam Utilities

**FISCAL IMPACT:** The proposed rules may have a negative fiscal impact on local units of government. Public utilities operated by local units could experience some costs associated with the back-up and preservation of electronic records. However, these costs likely would be absorbed by existing appropriations. The proposed rules would not have a significant fiscal impact on State government.
