The Department of Agriculture and Rural Development will hold a public hearing to receive public comments on proposed changes to the Regulation no. 634. Commercial fertilizers rule set.

The rules will allow the State of Michigan to align with current standards set by AAPFCO. The subsequent decrease in fertilizer usage and cost of tonnage reporting as a result of the proposed rule change benefits the public's health, farmers, and the environment. The proposed rule change will benefit farmers and the industry by reducing the cost of tonnage reporting and decreasing the amount of fertilizer used. Both the public and environment will also see substantial benefits due to that decrease in fertilizer usage.

By authority conferred on the director of the department of agriculture and rural development by section 8516 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.8516.

The proposed rules will take effect 7 days after filing with the Secretary of State. The proposed rules are published on the State of Michigan's website at www.michigan.gov/ARD and in the 12/1/2021 issue of the Michigan Register. Copies of these proposed rules may also be obtained by mail or electronic mail at the following email address: Guardiolaj1@michigan.gov.

Comments on these proposed rules may be made at the hearing, by mail, or by electronic mail at the following addresses until 12/8/2021 at 05:00PM.
