The Department of Licensing and Regulatory Affairs will hold a public hearing to receive public comments on proposed changes to the Veterinary Medicine – General Rules rule set.

The amendments to the rules clarify and revise the requirements for providing a telehealth service, update examination and educational standards, and clarify the requirements for licensure, licensure by endorsement, limited licensure, and relicensure. The proposed rules also amend the licensure by endorsement rule to add the requirements for a Canadian-licensed applicant and require an applicant for licensure by endorsement or relicensure to disclose each license, registration, or certification in a health profession or specialty issued by any other jurisdiction or entity and require the applicant to demonstrate that no disciplinary proceedings are currently pending and that any prior sanction has been satisfied before being licensed by endorsement or relicensed. The amendments also provide the standards for supervision of a veterinary technician and limited licensee, establish the requirements for delegating a duty to and providing supervision of a veterinary student and veterinary assistant, and clarify the licensee's duties pertaining to an animal patient's medical records.

By the authority conferred on the Director of the Department of Licensing and Regulatory Affairs by MCL 333.16145, 333.16215, 333.16287, and 333.18813, and Executive Reorganization Order Nos. 1991-9, 1996-2, 2003-1, and 2011-4, MCL 338.3501, 445.2001, 445.2011, and 445.2030.
