The Department of Licensing and Regulatory Affairs will hold a public hearing to receive public comments on proposed changes to the Skilled Trades Regulation Rules rule set.

The Skilled Trades Regulation Act, 2016 PA 407, streamlines the processes for all license types included while providing for modernized provisions, such as electronic communication and third-party continuing education tracking options, and specifies violations for unlicensed activity as provided to other regulated professions.

Promulgation of the Skilled Trades Regulation rules is authorized under section 207 of the Skilled Trades Act, 2016 PA 407, MCL 339.5207; and Executive Reorganization Order Nos. 2003-1, 2008-4, and 2011-4, MCL 445.2011, MCL 445.2025, and MCL 445.2030. This authority replaces the previous rules promulgation authority under the five repealed Acts. These rules will take effect immediately after filing with the Secretary of State. The rules are published on the Michigan Government web site at <http://www.michigan.gov/moahr> and in the Michigan Register in the 1/1/2021 issue. Copies of the draft rules may also be obtained by mail or electronic transmission at the following address:
