Compiler's note: Enacting section 1 of Act 71 of 2021 provides:

"Enacting section 1. Sections 216(2), 217(11) and (12), 226(11) and (13), 255(4), 301(6), 306(1), (2), (4), and (6), 306a(4), 309(11), 312k(1), 314(7), 801k(1) and (2), and 811(5) of the Michigan vehicle code, 1949 PA 300, MCL 257.216, 257.217, 257.226, 257.255, 257.301, 257.306, 257.306a, 257.309, 257.312k, 257.314, 257.801k, and 257.811, as amended by this amendatory act, are intended to be retroactive and apply retroactively."

257.217 Application for registration and certificate of title; out-of-state vehicle; form; fee; signature of owner; contents; leased pickup truck or vehicle; duties of dealer and person selling or leasing certain vehicles; off lease or buy back vehicle; temporary registration; service fee; imprint on back side of check or bank draft; liability for damages; perfection of security interest; exception for 2021.

Sec. 217. (1) An owner of a vehicle that is subject to registration under this act shall apply to the secretary of state, on an appropriate form furnished by the secretary of state, for the registration of the vehicle and issuance of a certificate of title for the vehicle. A vehicle brought into this state from another state or jurisdiction that has a rebuilt, salvage, scrap, flood, or comparable certificate of title issued by that other state or jurisdiction must be issued a rebuilt, salvage, scrap, or flood certificate of title by the secretary of state. The application must be accompanied by the required fee. An application for a certificate of title must bear the signature or verification and certification of the owner. The application must contain all of the following:

(a) The owner's name, the owner's bona fide residence, and either of the following:

(i) If the owner is an individual, the owner's mailing address.

(ii) If the owner is a firm, association, partnership, limited liability company, or corporation, the owner's business address.

(b) A description of the vehicle including the make or name, style of body, and model year; the number of miles, not including the tenths of a mile, registered on the vehicle's odometer at the time of transfer; whether the vehicle is a flood vehicle or another state previously issued the vehicle a flood certificate of title; whether the vehicle is to be or has been used as a taxi or police vehicle, or by a political subdivision of this state, unless the vehicle is owned by a dealer and loaned or leased to a political subdivision of this state for use as a driver education vehicle; whether the vehicle has previously been issued a salvage or rebuilt certificate of title from this state or a comparable certificate of title from any other state or jurisdiction; the vehicle identification number; and the vehicle's weight fully equipped, if a passenger vehicle registered in accordance with section 801(1)(a), and, if a trailer coach or pickup camper, in addition to the weight, the manufacturer's serial number, or in the absence of the serial number, a number assigned by the secretary of state. A number assigned by the secretary of state must be permanently placed on the trailer coach or pickup camper in the manner and place designated by the secretary of state.

(c) A statement of the applicant's title and the names and addresses of the holders of security interests in the vehicle and in an accessory to the vehicle, in the order of their priority.

(d) Further information that the secretary of state reasonably requires to enable the secretary of state to determine whether the vehicle is lawfully entitled to registration and the owner entitled to a certificate of title. If the secretary of state is not satisfied as to the ownership of a vehicle having a value over \$2,500.00 or that is less than 10 years old, before registering the vehicle and issuing a certificate of title, the secretary of state may require the applicant to file a properly executed surety bond in a form prescribed by the secretary of state and executed by the applicant and a company authorized to conduct a surety business in this state. The bond must be in an amount equal to twice the value of the vehicle as determined by the secretary of state and must be conditioned to indemnify or reimburse the secretary of state, any prior owner, and any subsequent purchaser or lessee of the vehicle and their successors in interest against any expense, loss, or damage, including reasonable attorney fees, because of the issuance of a certificate of title for the vehicle or on account of any defect in the right, title, or interest of the applicant in the vehicle. An interested person has a right of action to recover on the bond for a breach of the conditions of the bond, but the aggregate liability of the surety to all persons must not exceed the amount of the bond. If the secretary of state is not satisfied as to the ownership of a vehicle that is valued at \$2,500.00 or less and that is 10 years old or older, the secretary of state shall require the applicant to certify that the applicant is the owner of the vehicle and entitled to register and title the vehicle.

(e) Except as provided in subdivision (f), an application for a commercial vehicle must also have attached a scale weight receipt of the motor vehicle fully equipped as of the time the application is made. A scale weight receipt is not necessary if there is presented with the application a registration receipt of the previous year that shows on its face the empty weight of the motor vehicle as registered with the secretary of state that is accompanied by a statement of the applicant that there has not been structural change in the motor vehicle that has increased the empty weight and that the previous registered weight is the true weight.

(f) An application for registration of a vehicle on the basis of elected gross weight must include a declaration by the applicant specifying the elected gross weight for which application is being made.

(g) If the application is for a certificate of title of a motor vehicle registered in accordance with section 801(1)(p), the application must include the manufacturer's suggested base list price for the model year of the vehicle. The base list price must be the manufacturer's suggested retail price as shown on the label required to be affixed to the vehicle under 15 USC 1232. If the manufacturer's suggested retail price is unavailable, the application must list the purchase price of the vehicle. As used in this subdivision, "purchase price" means that term as defined in section 801.

(2) An applicant for registration of a leased pickup truck or passenger vehicle that is subject to registration under this act, except a vehicle that is subject to a registration fee under section 801g, shall disclose in writing to the secretary of state the lessee's name, the lessee's bona fide residence, and either of the following:

(a) If the lessee is an individual, the lessee's Michigan driver license number or Michigan personal identification number or, if the lessee does not have a Michigan driver license or Michigan personal identification number, the lessee's mailing address.

(b) If the lessee is a firm, association, partnership, limited liability company, or corporation, the lessee's business address.

(3) The secretary of state shall maintain the information described in subsection (2) on the secretary of state's computer records.

(4) Except as provided in subsections (5), (11), and (12), a dealer selling, leasing, or exchanging vehicles required to be titled, within 21 days after delivering a vehicle to the purchaser or lessee, and a person engaged in the sale of vessels required to be numbered by part 801 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.80101 to 324.80199, within 21 days after delivering a boat trailer weighing less than 2,500 pounds to the purchaser or lessee, shall apply to the secretary of state for a new title, if required, and transfer or secure registration plates and secure a certificate of registration for the vehicle or boat trailer, in the name of the purchaser or lessee. Subject to subsection (11), the dealer's license may be suspended or revoked in accordance with section 249 for failure to apply for a title when required or for failure to transfer or secure registration plates and certificate of registration within the 21 days required by this section. Subject to subsection (11), if the dealer or person fails to apply for a title when required, and to transfer or secure registration plates and secure a certificate of registration and pay the required fees within 21 days of delivery of the vehicle or boat trailer, a title and registration for the vehicle or boat trailer may subsequently be acquired only on the payment of a late transfer fee of \$50.00 for an individual or a dealer other than a dealer subject to section 235b in addition to the fees specified in section 806. Subject to subsection (11), for a used or secondhand vehicle dealer subject to section 235b, the late transfer fee is \$100.00 in addition to the fees specified in section 806. The purchaser or lessee of the vehicle or the purchaser of the boat trailer shall sign the application, including, if applicable, the declaration specifying the maximum elected gross weight as required by subsection (1)(f), and other necessary papers to enable the dealer or person to secure the title, registration plates, and transfers from the secretary of state. If the secretary of state mails or delivers a purchaser's certificate of title to a dealer, the dealer shall mail or deliver the certificate of title to the purchaser not later than 5 days after receiving the certificate of title from the secretary of state. However, as provided under section 238, the secretary of state is not required to issue a paper title to the owner of a vehicle or lienholder if the title is subject to a security interest, and may issue an electronic title as provided under section 222.

(5) Except as provided in subsection (12), a dealer selling or exchanging an off lease or buy back vehicle shall apply to the secretary of state for a new title for the vehicle within 21 days after it receives the certificate of title from the lessor or manufacturer under section 235 or section 235b and transfer or secure registration plates and secure a certificate of registration for the vehicle in the name of the purchaser. Subject to subsection (12), the dealer's license may be suspended or revoked in accordance with section 249 for failure to apply for a title when required or for failure to transfer or secure registration plates and certificate of registration within the 21-day period. Subject to subsection (12), if the dealer or person fails to apply for a title when required, and to transfer or secure registration plates and secure a certificate of registration and pay the required fees within the 21-day time period, a title and registration for the vehicle may subsequently be acquired only on the payment of a late transfer fee of \$50.00 for an individual or dealer other than a used or secondhand vehicle dealer subject to section 235b in addition to the fees specified in section 806. Subject to subsection (12), the late transfer fee for a used or secondhand vehicle dealer subject to section 235b is \$100.00 in addition to the fees specified in section 806. The purchaser of the vehicle shall sign the application, including, if applicable, the declaration specifying the maximum elected gross weight as required by subsection (1)(f), and other necessary papers to enable the dealer or person to secure the title, registration plates, and transfers from the secretary of state. If the secretary of state mails or delivers a purchaser's

certificate of title to a dealer, the dealer shall mail or deliver the certificate of title to the purchaser not later than 5 days after receiving the certificate of title from the secretary of state. However, as provided under section 238, the secretary of state is not required to issue a paper title to the owner of a vehicle if the title is subject to a security interest, and may issue an electronic title as provided under section 222.

(6) If a vehicle is delivered to a purchaser or lessee who has valid Michigan registration plates that are to be transferred to the vehicle, and an application for title, if required, and registration for the vehicle is not made before delivery of the vehicle to the purchaser or lessee, the registration plates must be affixed to the vehicle immediately, and the dealer shall provide the purchaser or lessee with an instrument in writing, on a form prescribed by the secretary of state, which serves as a temporary registration for the vehicle for a period of 30 days from the date the vehicle is delivered.

(7) If the seller does not prepare the credit information, contract note, and mortgage, and the holder, finance company, credit union, or banking institution requires the installment seller to record the lien on the title, the holder, finance company, credit union, or banking institution shall pay the seller a service fee of not more than \$10.00. The service fee must be paid from the finance charges and must not be charged to the buyer in addition to the finance charges. The holder, finance company, credit union, or banking institution shall issue its check or bank draft for the principal amount financed, payable jointly to the buyer and seller, and the following must be imprinted on the back side of the check or bank draft:

"Under Michigan law, the seller must record a first lien in favor of (name of lender) _____ on the vehicle with vehicle identification number _____ and title the vehicle only in the name(s) shown on the reverse side."

(8) On the front of the check or draft described under subsection (7), the holder, finance company, credit union, or banking institution shall note the name or names of the prospective owners. Failure of the holder, finance company, credit union, or banking institution to comply with these requirements frees the seller from any obligation to record the lien or from any liability that may arise as a result of the failure to record the lien. A service fee must not be charged to the buyer.

(9) In the absence of actual malice proved independently and not inferred from lack of probable cause, a person who in any manner causes a prosecution for larceny of a motor vehicle; for embezzlement of a motor vehicle; for any crime an element of which is the taking of a motor vehicle without authority; or for buying, receiving, possessing, leasing, or aiding in the concealment of a stolen, embezzled, or converted motor vehicle knowing that the motor vehicle has been stolen, embezzled, or converted, is not liable for damages in a civil action for causing the prosecution. This subsection does not relieve a person from proving any other element necessary to sustain the person's cause of action.

(10) Receipt by the secretary of state of a properly tendered application for a certificate of title on which a security interest in a vehicle is to be indicated is a condition of perfection of a security interest in the vehicle and is equivalent to filing a financing statement under the uniform commercial code, 1962 PA 174, MCL 440.1101 to 440.9994, with respect to the vehicle. When a security interest in a vehicle is perfected, it has priority over the rights of a lien creditor as that term is defined in section 9102 of the uniform commercial code, 1962 PA 174, MCL 440.9102.

(11) Notwithstanding subsection (4), a dealer selling, leasing, or exchanging vehicles, required to be titled, after March 31, 2021 but before August 1, 2021, may apply to the secretary of state for a new title, if required, and transfer or secure registration plates and secure a certificate of registration for the vehicle in the name of the purchaser within 30 days. Both of the following apply to a dealer that complies with this subsection:

(a) The dealer's license must not be suspended or revoked in accordance with section 249 for failure to apply for a title when required or for failure to transfer or secure registration plates and certificate of registration within the 21-day period required under subsection (4).

(b) The secretary of state shall not charge any applicable late fees required under subsection (4) and shall, on the dealer's request, reimburse a late fee charged and collected after March 31, 2021 to the end of the period described under this subsection.

(12) Notwithstanding subsection (5), a dealer selling or exchanging an off lease or buy back vehicle after March 31, 2021 but before August 1, 2021 may apply to the secretary of state for a new title for the vehicle within 30 days after the dealer receives the certificate of title from the lessor or manufacturer under section 235 or 235b and transfer or secure registration plates and secure a certificate of registration for the vehicle in the name of the purchaser. Both of the following apply to a dealer that complies with this subsection:

(a) The dealer's license must not be suspended or revoked in accordance with section 249 for failure to apply for a title when required or for failure to transfer or secure registration plates and certificate of registration within the 21-day period required under subsection (5).

(b) The secretary of state shall not charge any applicable late fees required under subsection (5) and shall, on the dealer's request, reimburse a late fee charged and collected after March 31, 2021 to the end of the

period described under this subsection.

History: Add. 1976, Act 439, Imd. Eff. Jan. 13, 1977;—Am. 2000, Act 82, Eff. July 1, 2000.

257.217c Acquisition of salvage, distressed, or older model vehicles; issuance of salvage or scrap certificates of title; salvage vehicle inspections; sale of vehicles; notice of designation as salvage vehicle; removal of scrap vehicle from state; determination of repair and labor costs; vehicle inspection fee; audit; "actual cash value" defined.

Sec. 217c. (1) The secretary of state may conduct periodic reviews of the records of a dealer to determine whether adequate notice is given to a transferee or lessee of a rebuilt salvage vehicle of that vehicle's prior designation as a salvage vehicle. The secretary of state may request an insurance company to provide copies of salvage title documents and claims reports involving major component parts to assist the secretary of state in monitoring compliance with this act.

(2) Except for a late model vehicle that has been stolen and recovered and that has no major component part removed, missing, or destroyed, or damaged and not salvageable, an insurance company licensed to conduct business in this state that acquires ownership of a late model vehicle through the payment of a claim shall proceed under either of the following:

(a) If the insurance company acquires ownership of the vehicle through payment of a claim, the owner of the vehicle must assign the certificate of title to the insurance company which shall do all of the following:

(i) Surrender a properly assigned certificate of title to the secretary of state.

(ii) If the estimated cost of repair, including parts and labor, is equal to or more than 75% but less than 91% of the predamaged actual cash value of the vehicle, apply for a salvage certificate of title, and if the estimated cost of repair, including parts and labor, is equal to or greater than 91% of the predamaged actual cash value of the vehicle, apply for a scrap certificate of title. The insurance company shall not sell the vehicle without first receiving a salvage or scrap certificate of title, which shall be assigned to the buyer. An insurance company may assign a salvage or scrap certificate of the title only to an automotive recycler, used or secondhand vehicle parts dealer, foreign salvage vehicle dealer, or vehicle scrap metal processor.

(b) If after payment of a total loss claim the insurance company permits the owner of the vehicle to retain ownership, the insurance company shall do all of the following:

(i) If the estimated cost of repair, including parts and labor, is equal to or greater than 75% but less than 91% of the predamaged actual cash value of the vehicle, require each owner of the vehicle to sign an application for a salvage certificate of title, or if the estimated cost of repair, including parts and labor, is equal to or greater than 91% of the predamaged actual cash value of the vehicle, require each owner of the vehicle to sign an application for a scrap vehicle certificate of title.

(ii) Attach the owner's certificate of title to the application for a salvage or scrap certificate of title or have the owner certify that the certificate of title is lost.

(iii) On behalf of the owner, apply to the secretary of state for a salvage or scrap certificate of title in the name of the owner. The owner shall not sell or otherwise dispose of the vehicle without first receiving a salvage or scrap certificate of title, which must be assigned to the buyer. An insurance company may assign a salvage or scrap certificate of title only to an automotive recycler, used or secondhand vehicle parts dealer, foreign salvage vehicle dealer, or vehicle scrap metal processor.

(3) If an insurance company pays a claim for total loss to the owner or lienholder of record as kept by the secretary of state, or both, if applicable, of a vehicle but the owner or lienholder of record as kept by the secretary of state fails to surrender the certificate of title or other document necessary for the transfer of ownership of the vehicle to the insurance company within the expiration of 30 days after the claim payment, the insurance company, without having obtained the surrender of the title or other document otherwise necessary for the transfer of ownership for the vehicle from the owner or lienholder of record as kept by the secretary of state, or both, if applicable, may apply to the secretary of state for a title as provided under this section. The insurance company shall, at the time of application, provide proof of the payment and that the insurance company has requested in writing, by certified mail or by another commercially available delivery service providing proof of delivery, on at least 2 separate occasions that the owner or lienholder of record as kept by the secretary of state surrender to the insurance company the certificate of title or other document necessary for the transfer of ownership to the insurance company. The application must be signed under the penalty of perjury. Subject to subsection (2)(a)(ii), upon meeting the requirements of this subsection, the secretary of state shall issue to the insurance company the appropriate certificate of title free of all liens. Proof of payment of the claim is satisfied only by 1 of the following:

(5) If a dealer acquires ownership of a late model vehicle that is a distressed vehicle from an owner, the dealer shall receive an assigned certificate of title. If the assigned certificate of title is not a salvage or scrap certificate of title, the dealer, other than a vehicle scrap metal processor, shall surrender the assigned certificate of title to the secretary of state, and if the estimated cost of repair, including parts and labor, is equal to or greater than 75% but less than 91% of the predamaged actual cash value of the vehicle, apply for a salvage certificate of title, or if the estimated cost of repair, including parts and labor, is equal to or greater than 91% of the predamaged actual cash value of the vehicle, apply for a scrap certificate of title within 5

days after the dealer receives the assigned certificate of title. The dealer may sell a salvage vehicle to another automotive recycler, used or secondhand vehicle parts dealer, foreign salvage vehicle dealer, or vehicle scrap metal processor by assigning the salvage certificate of title to the buyer. Unless the vehicle is rebuilt, inspected, and recertified under this section, if the vehicle is sold to a buyer other than a dealer, application must be made for a salvage certificate in the name of the buyer in the manner provided in this act. The dealer may sell a scrap vehicle only to a vehicle scrap metal processor. A vehicle scrap metal processor shall surrender an assigned certificate of title to the secretary of state within 30 days after acquiring a vehicle for which a certificate of title was received. (7) The scrap certificate of title must authorize the holder of the document to transport but not drive on a highway the vehicle or parts of a vehicle, and assign ownership to a vehicle scrap metal processor, automotive recycler, used or secondhand vehicle parts dealer, or foreign salvage vehicle dealer. A certificate of title must not again be issued for this vehicle. A person shall not rebuild or repair a scrap vehicle and allow it to retain the original vehicle identification number.

(8) If a person, other than a dealer or insurance company that is subject to subsection (2) or (5), acquires ownership of a distressed, late model vehicle, the person must surrender the title or assigned certificate of title to the secretary of state, and if the estimated cost of repair, including parts and labor, is equal to or greater than 75% but less than 91% of the predamaged actual cash value of the vehicle, apply for a salvage certificate of title, or if the estimated cost of repair, including parts and labor, is equal to or greater than 91% of the predamaged actual cash value of the vehicle, apply for a scrap certificate of title before the vehicle may be transported.

(9) An owner of a vehicle may determine that a vehicle is a scrap vehicle or a salvage vehicle without making any determination as to the actual cash value of the vehicle.

(10) If a leasing company, vehicle manufacturer, insurance company not licensed to do business in this state, association, repossession company, self-insured owner, financial institution, governmental entity, or other company, institution, or entity, owns a distressed, late model vehicle, the titleholder shall surrender the title or assigned certificate of title to the secretary of state and apply for a salvage certificate of title if the retail cost of repair, including parts and labor, is equal to or greater than 75% but less than 91% of the predamaged actual cash value of the vehicle, or if the retail cost of repair, including parts and labor, is equal to or greater than 91% of the predamaged actual cash value of the vehicle, apply for a scrap certificate of title, before the vehicle may be transported or sold. If ownership is transferred, the owner must sell the vehicle only to a dealer that is eligible to buy a salvage or scrap vehicle in this state unless the owner complies with subsection (13). When a leasing company, vehicle manufacturer, insurance company not licensed to do business in this state, association, repossession company, self-insured owner, financial institution, governmental entity, or other company, institution, or entity, estimates the repair of a distressed, late model vehicle for the purpose of determining whether to apply for a salvage or scrap certificate of title, a complete record of the estimate and, if the vehicle is repaired before a transfer of ownership, a complete record of the actual cost of the repairs performed and who performed the repairs must be maintained for a minimum of 5 years by the leasing company, vehicle manufacturer, insurance company not licensed to do business in this state, association, repossession company, self-insured owner, financial institution, governmental entity, or other company, institution, or entity. The estimates and repair records required by this subsection must be available for unannounced inspections by a law enforcement agency or a representative of the secretary of state. The secretary of state may request a leasing company, vehicle manufacturer, insurance company not licensed to do business in this state, association, repossession company, self-insured owner, financial institution, governmental entity, or other company, institution, or entity to provide copies of title documents, repair estimates, claims reports involving major component parts, and actual cash value determination documents to assist the secretary of state in monitoring compliance with this act.

(c) That the vehicle complies with the equipment standards of this act.

(d) That any repairs performed on the vehicle were done in a workmanlike manner, as certified on a form provided by the department by a properly licensed mechanic in the appropriate specialty. (12) Beginning on January 1, 2015, a registration plate issued by the department under this section shall not be renewed 10 years after the date that registration plate was issued. The owner of a vehicle whose registration plate is no longer eligible for renewal under this subsection must obtain a replacement registration plate upon payment of the fee required under section 804. For any alphanumeric series that the department has retired from circulation, upon request of the owner of a vehicle whose registration plate is no longer eligible for renewal under this subsection, the department may issue a new registration plate with the same registration number as was displayed on the expired registration plate as provided under section 803b.

As used in this subsection, "historic military vehicle" means a vehicle, including a trailer, regardless of the vehicle's size, weight, or year of manufacture, that was manufactured for use in any country's military forces and is maintained to represent its military design and markings accurately.

257.226 Expiration of vehicle or motorcycle registration; duties of secretary of state; issuance of registration; tax; validity of certificate of title; special registration; certification; registration of commercial vehicle, trailer, or semitrailer; assignment or reassignment of expiration date under international registration plan; leased vehicle multiyear registration; pandemic expiration extension.

Sec. 226. (1) Except as otherwise provided in subsection (13) or (14), a vehicle registration issued by the secretary of state expires on the owner's birthday, unless another expiration date is provided for under this act or unless the registration is for any of the following vehicles, in which case registration expires on the last day of February:

(a) A commercial vehicle except for a commercial vehicle issued a registration under the international registration plan or a pickup truck or van owned by an individual.

(b) Except for a trailer or semitrailer issued a registration under the international registration plan, a trailer or semitrailer owned by a business, corporation, or person other than an individual; or a pole trailer.

(2) Except as otherwise provided in subsection (13) or (14), the expiration date for a registration issued for a motorcycle is the motorcycle owner's birthday.

(3) The expiration date for a registration bearing the letters "SEN" or "REP" is February 1.

(4) In the case of a vehicle owned by a business, corporation, or an owner other than an individual, the secretary of state may assign or reassign the expiration date of the registration.

(5) The secretary of state shall do all of the following:

(a) After the October 1 immediately preceding the year designated on the registration, issue a registration upon application and payment of the proper fee for a commercial vehicle, other than a pickup or van owned by an individual; or a trailer owned by a business, corporation, or person other than an individual.

(b) Beginning 60 days before the expiration date assigned on an international registration plan registration plate, issue a registration under section 801g upon application and payment of the proper apportioned fee for a commercial vehicle engaged in interstate commerce.

(c) Beginning 45 days before the owner's birthday or, if the owner has requested the expiration date described in subsection (14), 45 days before the expiration date, and 120 days before the expiration date assigned by the secretary of state, issue a registration for a vehicle other than those designated in subsection (1)(a) or (b). However, if an owner whose registration period begins 45 days before the owner's birthday or expiration date will be out of the state during the 45 days immediately preceding expiration of a registration or for other good cause shown cannot apply for a renewal registration within the 45-day period, application for a renewal registration may be made not more than 6 months before expiration.

(6) Except as otherwise provided in this subsection and subsection (14), the secretary of state, upon application and payment of the proper fee, shall issue a registration for a vehicle or a motorcycle to a resident

that expires on the owner's birthday or, if applicable, on the expiration date described in subsection (14). If the owner's next birthday is at least 6 months but not more than 12 months in the future, the owner shall receive a registration valid until the owner's next birthday or, if applicable, the expiration date described in subsection (14). If the owner's next birthday is less than 6 months in the future, the owner shall receive a registration valid until the owner's birthday following the owner's next birthday or, if applicable, the expiration date described in subsection (14). The tax required under this act for a registration described in this subsection is either of the following:

(a) For an original registration, the tax must bear the same relationship to the tax required under section 801 for a 12-month registration as the length of the registration bears to 12 months.

(b) For a renewal of a registration, either of the following:

(i) For a registration that is for at least 6 months but not more than 12 months, the same amount as for 12 months.

(ii) For a renewal of a registration that is for more than 12 months, 2 times the amount for 12 months.

Partial months must be considered as whole months in the calculation of the required tax and in the determination of the length of time between the application for a registration and the owner's next birthday or, if applicable, the expiration date described in subsection (14). The tax required for that registration must be rounded off to whole dollars as provided in section 801.

(7) A certificate of title remains valid until canceled by the secretary of state for cause or upon a transfer of an interest shown on the certificate of title.

(8) The secretary of state, upon request, shall issue special registration for commercial vehicles, valid for 6 months after the date of issue, if the full registration fee exceeds \$50.00, on the payment of 1/2 the full registration fee and a service charge as enumerated in section 802(1).

(9) The secretary of state may issue a special registration for each of the following:

(a) A new vehicle purchased or leased outside of this state and delivered in this state to the purchaser or lessee by the manufacturer of that vehicle for removal to a place outside of this state, if a certification is made that the vehicle will be primarily used, stored, and registered outside of this state and will not be returned to this state by the purchaser or lessee for use or storage.

(b) A vehicle purchased or leased in this state and delivered to the purchaser or lessee by a dealer or by the owner of the vehicle for removal to a place outside of this state, if a certification is made that the vehicle will be primarily used, stored, and registered outside of this state and will not be returned to this state by the purchaser or lessee for use or storage.

(10) A special registration issued under subsection (9) is valid for not more than 60 days after the date of issuance, and a fee must be collected for each special registration as provided in section 802(3). The special registration may be in the form determined by the secretary of state. If a dealer makes a retail sale or lease of a vehicle to a purchaser or lessee who is qualified and eligible to obtain a special registration, the dealer shall apply for the special registration for the purchaser or lessee. If a person other than a dealer sells or leases a vehicle to a purchaser or lessee who is qualified and eligible to obtain a special registration, the purchaser or lessee shall appear in person, or by a person exercising the purchaser's or lessee's power of attorney, at an office of the secretary of state and furnish a certification that the person is the bona fide purchaser or lessee or that the person has granted the power of attorney, together with other forms required for the issuance of the special registration and provide the secretary of state with proof that the vehicle is covered by an automobile insurance policy issued under section 3101 of the insurance code of 1956, 1956 PA 218, MCL 500.3101, or proof that the vehicle is covered by a policy of insurance issued by an insurer under section 3163 of the insurance code of 1956, 1956 PA 218, MCL 500.3163. The certification required in this subsection must contain all of the following:

(a) The address of the purchaser or lessee.

(b) A statement that the vehicle is purchased or leased for registration outside of this state.

(c) A statement that the vehicle must be primarily used, stored, and registered outside of this state.

(d) The name of the jurisdiction in which the vehicle is to be registered.

(e) The name and address of the lien holder.

(f) Other information requested by the secretary of state.

(11) In the case of a commercial vehicle, trailer, or semitrailer issued a registration under the international registration plan, the secretary of state in mutual agreement with the owner may assign or reassign the expiration date of the registration. However, the expiration date agreed to must be either March 31, June 30, September 30, or December 31 or beginning on February 19, 2019, the last day of a calendar month. Renewals expiring on or after June 30, 2020 must be for a minimum of at least 12 months if there is a change in the established expiration date. Notwithstanding the provisions of this subsection, a commercial vehicle, trailer, or semitrailer registration issued under this subsection that expires on or after March 1, 2020 is valid

until March 31, 2021. Notwithstanding the provisions of this subsection, a commercial vehicle, trailer, or semitrailer registration issued under this subsection that expires after March 31, 2021 but before August 1, 2021 is valid until 120 days after the date of the expiration.

(12) The expiration date for a multiyear registration issued for a leased vehicle must be the date the lease expires but must not be for a period longer than 24 months.

(13) A vehicle registration described in subsection (1) or a motorcycle registration described in subsection (2) that expires on or after March 1, 2020 is valid until March 31, 2021. A vehicle registration described in subsection (1) or a motorcycle registration described in subsection (2) that expires after March 31, 2021 but before August 1, 2021 is valid until 120 days after the date of the expiration.

(14) Beginning October 1, 2022, in the case of a vehicle owned by an individual, upon request of that individual, a vehicle registration issued by the secretary of state expires 2 years after the owner's birthday.

257.226a Temporary registration plates or markers.

Sec. 226a. (1) Temporary registration plates or markers may be issued to licensed dealers in vehicles and to persons engaged in the sale of vessels required to be numbered by part 801 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.80101 to 324.80199, upon application accompanied by the proper fee, for use by purchasers or lessees of vehicles, for a period not to exceed 30 days pending receipt of regular registration plates from the dealer or person. Only 1 temporary plate or marker may be issued to a purchaser or lessee of a vehicle. If a dealer or person requires a purchaser or lessee of a vehicle or purchaser or lessee of a vessel to pay for a temporary plate or marker, the dealer or person shall not charge the purchaser or lessee more than the dealer or person was charged by the secretary of state for the individual plate or marker. The secretary of state shall determine the composition and design of the temporary registration plates or markers.

(2) A temporary registration plate or marker must show in ink the date of issue, a description of the vehicle for which issued, and any other information required by the secretary of state. A dealer or person shall immediately notify the secretary of state of each temporary registration plate or marker issued by the dealer or person, on a form prescribed by the secretary of state. When the regular plate is attached to a vehicle for which a temporary registration plate or marker was issued, the temporary plate must be destroyed.

(3) All temporary registration plates or markers must be serially numbered and upon issuance the number must be noted on the statement of vehicle sale form or in the case of a boat trailer on a form prescribed by the secretary of state.

(4) A dealer or person, upon demand, shall immediately surrender any temporary registration plates or markers in his or her possession if the secretary of state finds, after investigation, that the dealer or person has violated this section, and the dealer or person shall immediately forfeit any right to the temporary registration plates or markers.

(5) The secretary of state may issue a registration plate upon application and payment of the proper fee to an individual, partnership, corporation, or association who in the ordinary course of business has occasion to legally repossess a vehicle in which a security interest is held. A registration plate issued under this subsection must be used to move and dispose of a vehicle.

(6) The secretary of state may issue a registration plate upon application and payment of the proper fee to an individual, partnership, corporation, or association that in the ordinary course of business has occasion to legally pick up or deliver a vehicle not required to be titled under this act, to legally pick up or deliver a commercial motor vehicle being driven to a facility to undergo aftermarket modification, or to repair or service a vehicle, or to a dealer as defined in section 80102 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.80102 to deliver a vessel or trailer to a customer or to and from a boat show or exposition. A fee shall be collected for each temporary registration as provided in section 802.

(2) A vehicle which has a temporary registration shall not be used for the transportation of passengers for hire or for the transportation of goods, wares, or merchandise or draw other vehicles transporting goods, wares, or merchandise.

257.227 Application for renewal of vehicle registration; fee; presentation of certificate of title; waiver; proof of vehicle insurance; transmission of vehicle policy information; disclosure.

Sec. 227. (1) Application for renewal of a vehicle registration shall be made by the owner upon proper application and by payment of the registration fee for the vehicle, as provided by law.

(2) Every application shall be accompanied by the certificate of title pertaining to the vehicle, showing ownership in the person applying for registration at the time of the application. The secretary of state may waive the presentation of the certificate of title.

(3) Every application for renewal of a motor vehicle registration shall be accompanied by proof of vehicle insurance in a form determined by the secretary of state.

(4) Notwithstanding subsection (3), the secretary of state shall accept as proof of vehicle insurance a transmission of the applicant's vehicle policy information for an insured vehicle for which vehicle registration is sought. The secretary of state may determine in what format and on what timeline the secretary of state will receive vehicle policy information, which shall not be required more frequently than every 14 days. In determining the format under this subsection, the secretary of state shall consult with insurers. The transmission to the secretary of state of the vehicle policy information is proof of insurance to the secretary of state for motor vehicle registration purposes only and is not evidence that a policy of insurance actually exists between an insurer and an individual. Vehicle policy information submitted by an insurer and received by the secretary of state under this subsection is confidential, is not subject to the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246, and shall not be disclosed to any person except the department of community

Sec. 227a. (1) If a court has notified the secretary of state of a vehicle registration number as provided in section 328(4) and the owner has not secured proof that the vehicle involved in the violation is currently insured under chapter 31 of the insurance code of 1956, Act No. 218 of the Public Acts of 1956, being sections 500.3101 to 500.3179 of the Michigan Compiled Laws, the secretary of state shall not renew, replace, or transfer the registration plate of the vehicle involved in the violation or allow the purchase of a new registration plate for the vehicle involved in the violation, until the owner or the owner's representative appears at a branch office and does both of the following:

(a) Shows a certified statement from an automobile insurer on a standard form prescribed by the commissioner of insurance that the vehicle involved in the violation is currently insured under a prepaid noncancelable policy for a period of not less than 6 months under chapter 31 of Act No. 218 of the Public Acts of 1956.

(b) The secretary of state receives notice that a court has determined that the owner or the owner's representative presented a certificate of insurance that was forged, altered, fraudulent, or counterfeit when insurance was required by this act.

(3) Before a cancellation occurs under subsection (2), the person who will be affected by the cancellation shall be given notice and an opportunity to be heard.

257.229 Duplicate registration certificate, registration plate, certificate of title, or duplicate certificate of title.

Sec. 229. (1) If a registration certificate, registration plate, certificate of title, or duplicate certificate of title is lost, mutilated, or becomes illegible, the person entitled to possession of a registration certificate, registration plate, certificate of title, or duplicate certificate of title or the legal representative or successor in interest of that person as shown by the records of the department shall immediately make application for and may obtain a duplicate or a new registration under a new registration number, as determined to be most advisable by the department, upon the applicant furnishing information satisfactory to the department and upon payment of the required fee. Every duplicate certificate of title shall contain the legend: "This is a duplicate certificate and may be subject to the rights of a person under the original certificate", and shall be

delivered to the person entitled to possession of a registration certificate or certificate of title under section 222. Upon issuance of a duplicate registration certificate or plate, the previous registration certificate or plate last issued shall be void.

(2) If a certificate of title is lost at the time that ownership of the vehicle is to be transferred to another person, the secretary of state need not issue a duplicate certificate of title if all of the following are met:

(a) The person from whom ownership of the vehicle is to be transferred appears in person at a secretary of state office and supplies evidence satisfactory to the secretary of state of his or her identity and his or her ownership of the vehicle and pays the fee required under section 806.

(3) If the secretary of state does not issue a duplicate certificate of title under subsection (2), the secretary of state's records shall indicate the transfer of the vehicle without a surrender of the certificate of title.

(4) As provided under section 238, the secretary of state is not required to issue a duplicate title to the owner of a vehicle if the duplicate title is subject to a security interest.

Sec. 230. (a) The owner of a vehicle, the engine, serial or vehicle number of which has been altered, removed or defaced, may make application accompanied by the required fee in such form as may be prescribed by the secretary of state for a special identifying number. He shall furnish such information as will satisfy the secretary of state that he is the owner, whereupon the secretary of state shall assign a special number for the vehicle, preceded by a symbol indicating this state. A record of special numbers so assigned shall be maintained by the secretary of state.

The owner shall cause said number to be stamped upon the engine or otherwise as directed by the secretary of state, and upon receipt by the secretary of state of a certificate by a peace officer that he has inspected and found said number affixed upon the motor vehicle as directed in a workmanlike manner, together with application for a certificate of title such special number shall be regarded as the identifying number of said vehicle.

(b) This section is not intended to prohibit the restoration by the owner of the identifying number of the vehicle for which the certificate of title has been issued by this state, nor to prevent any manufacturer or importer, or agents, thereof, other than a dealer, from placing or stamping in the ordinary course of business, numbers on vehicles or parts thereof removed or changed and replacing the numbered parts.

Sec. 233. (1) If the owner of a registered vehicle transfers or assigns the title or interest in the vehicle, the registration plates issued for the vehicle shall be removed and transferred to the owner's spouse, mother, father, sister, brother, or child to whom title or interest in the vehicle is transferred, or retained and preserved by the owner for transfer to another vehicle upon application and payment of the required fees. A person shall not transfer the plates to a vehicle without applying for a proper certificate of registration describing the vehicle to which the plates are being transferred, except as provided in section 217(4). If the owner of a registered vehicle acquires another vehicle without transferring or assigning the title or interest in the vehicle for which the plates were issued, the owner may have the plates transferred to the subsequently acquired vehicle upon application and payment of the required fees.

(2) A person shall not purchase or lease another vehicle or an interest in another vehicle with the intent to circumvent the restrictions created by immobilization of a vehicle under this act.

(3) A person shall not transfer or attempt to transfer ownership or right of possession of a vehicle subject to forfeiture or ordered forfeited under this act with the intent to avoid the forfeiture of that vehicle.

(4) During the time a vehicle is subject to a temporary registration plate, vehicle forfeiture, immobilization, registration denial, or the period from adjudication to immobilization or forfeiture under this act, a person shall not without a court order transfer or assign the title or an interest in the vehicle to a person who is not subject to payment of a use tax under section 3 of the use tax act, 1937 PA 94, MCL 205.93.

(5) A person who violates subsection (2), (3), or (4) is guilty of a misdemeanor punishable by imprisonment for not more than 1 year or a fine of not more than \$1,000.00, or both.

(6) A person whose operator's or chauffeur's license is suspended, revoked, or denied for, or who has never been licensed by this state and was convicted for, a third or subsequent violation of section 625 or 625m, of a local ordinance substantially corresponding to section 625 or 625m, or of a law of another state substantially corresponding to section 625 or 625m, or for a fourth or subsequent suspension or revocation under section 904 shall not purchase, lease, or otherwise acquire a motor vehicle during the suspension, revocation, or denial period. A person who violates this subsection is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$100.00, or both.

(7) If the assigned holder of registration plates applies for a new registration certificate, the application shall be accompanied either by the old registration certificate or by a certificate of title showing the person to be the assigned holder of the registration plates for which the old registration certificate had been issued. A person who fails or neglects to fulfill the requirements of this subsection is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$100.00, or both.

(8) The owner shall indorse on the certificate of title as required by the secretary of state an assignment of the title with warranty of title in the form printed on the certificate with a statement of all security interests in the vehicle or in accessories on the vehicle and deliver or cause the certificate to be mailed or delivered to the purchaser or transferee at the time of the delivery to the purchaser or transferee of the vehicle. The certificate shall show the payment or satisfaction of any security interest as shown on the original title. However, as provided under section 238, the secretary of state is not required to issue a title to the owner of a vehicle if the title is subject to a security interest.

(9) Upon the delivery of a motor vehicle and the transfer, sale, or assignment of the title or interest in a motor vehicle by a person, including a dealer, the effective date of the transfer of title or interest in the vehicle is the date of signature on either the application for title or the assignment of the certificate of title by the purchaser, transferee, or assignee.

(10) A secured receipt that is in a form approved by the department and produced at the time the secured interest is presented with payment in satisfaction of the security interest may be submitted to the department in lieu of the title for purposes of transferring ownership in the vehicle.

257.233a Transfer of title or interest in vehicle; disclosure of odometer mileage; electronically signed odometer disclosure statement; electronic system; transfer of ownership; "private parties" defined.

Sec. 233a. (1) Except as otherwise provided in subsection (17), if the owner of a registered motor vehicle transfers the owner's title or interest in that vehicle, the transferor shall present to the transferee before delivery of the vehicle, written disclosure of odometer mileage by means of the certificate of title or a written statement signed by the transferor including the transferor's printed name, containing all of the following:

- (a) The odometer reading at the time of transfer, not including the tenths of a mile or kilometer.
- (b) The date of transfer.
- (c) The transferor's name and current address.
- (d) The transferee's name and current address.
- (e) The identity of the vehicle, including its make, model, body type, year, and vehicle identification number.

(f) A reference to this section and comparable federal law, and a statement that failing to complete the title or form or providing false information may result in civil liability and civil or criminal penalties being imposed on the transferor.

(g) One of the following:

(i) A statement by the transferor certifying that to the best of the transferor's knowledge the odometer reading reflects the actual mileage of the vehicle.

(ii) If the transferor knows that the odometer reading reflects the amount of mileage in excess of the designed mechanical odometer limit, a statement to that effect.

(iii) If the transfer knows that the odometer reading differs from the mileage and the difference is greater than that caused by odometer calibration error, a statement that the odometer reading does not reflect the actual mileage and should not be relied on. This notice must include a warning notice to alert the transferee that a discrepancy exists between the odometer and the actual mileage.

(h) Space for the signature and printed name of the transferee, and the date of presentation to the transferee.

(2) A certificate of title and a dealer reassignment form must contain a place for the information required by subsection (1)(a) to (h). If the vehicle is not titled or the title does not contain a space for the required information, a written statement must be provided as a separate document.

(3) A dealer selling or exchanging vehicles required to be titled under this act shall present the certificate of title or written statement and any reassigned titles in the dealer's possession to the transferee. The transferee or the transferee's agent shall inspect, print the transferee's or transferee's agent's name on, sign, and date the certificate or statement and return it to the transferor for submission to the secretary of state. If neither the transferee nor transferor is a dealer licensed under this act, completing the odometer information on the certificate of title must be considered to comply with subsection (1). A person shall not sign an odometer disclosure statement as both the transferor and transferee in the same transaction.

(4) A new or used vehicle dealer shall obtain from the transferor a completed odometer mileage statement that meets the requirements of subsection (1) with each motor vehicle acquired by the dealer. Except as provided in subsection (16), the dealer shall not accept or provide an odometer mileage statement or a title that contains a place for odometer information that has not been completely filled in by the transferor.

(5) The odometer information described in subsection (1) must not be required for any of the following:

(a) Vehicles having a gross vehicle weight rating of more than 16,000 pounds.

(b) A vehicle that is not self-propelled.

(c) A vehicle manufactured in or before the 2010 model year that is transferred at least 10 years after January 1 of the calendar year that is included in the model year in which the vehicle is manufactured.

(d) A vehicle manufactured in or after the 2011 model year that is transferred at least 20 years after January 1 of the calendar year that is included in the model year in which the vehicle was manufactured.

(e) A new vehicle transferred from a manufacturer to a dealer.

(f) A vehicle sold directly by the manufacturer to an agency of the United States in conformity with contractual specifications.

(g) A low-speed vehicle.

(h) A scrap vehicle.

(6) A person shall not alter, set back, or disconnect an odometer; cause or allow an odometer to be altered,

set back, or disconnected; or advertise for sale, sell, use, install, or cause or allow to be installed a device which causes an odometer to register other than the actual mileage driven. This subsection does not prohibit the service, repair, or replacement of an odometer if the mileage indicated on the odometer remains the same as before the service, repair, or replacement. If the odometer is incapable of registering the same mileage as before the service, repair, or replacement, the odometer must be adjusted to read zero and a notice in writing must be attached to the left door frame of the vehicle by the owner or the owner's agent specifying the mileage prior to service, repair, or replacement of the odometer and the date on which it was serviced, repaired, or replaced. A person shall not remove, deface, or alter any notice affixed to a motor vehicle under this subsection.

(7) A person who violates subsection (6) is guilty of a felony.

(8) Before executing a transfer of ownership document, a lessor of a leased vehicle shall notify the lessee in writing that ownership of the vehicle is being transferred and that the lessee is required to provide a written statement to the lessor regarding the mileage of the vehicle. This notice must inform the lessee of the penalties for failure to comply with the requirement.

(9) Upon receiving notification from the lessor of a leased vehicle that ownership of the vehicle is to be transferred, the lessee shall furnish to the lessor a written statement regarding the mileage of the vehicle. This statement must be signed by the lessee and must contain all of the following:

(a) The printed name of the person making the statement.

(b) The current odometer reading, not including tenths of miles.

(c) The date of the statement.

(d) The lessee's name and current address.

(e) The lessor's name and current address.

(f) The identity of the vehicle, including its make, model, year, body type, and vehicle identification number.

(g) The date that the lessor notified the lessee of the requirements of this subsection.

(h) The date that the completed disclosure statement was received by the lessor.

(i) The signature of the lessor.

(j) One of the following:

(i) A statement by the lessee certifying that to the best of the lessee's knowledge the odometer reading reflects the actual mileage of the vehicle.

(ii) If the lessee knows that the odometer reading reflects the amount of mileage in excess of the designed mechanical odometer limit, a statement to that effect.

(iii) If the lessee knows that the odometer reading differs from the mileage and that the difference is greater than that caused by odometer calibration error, a statement that the odometer reading is not the actual mileage and should not be relied on.

(10) If the lessor transfers a leased vehicle without obtaining possession of the vehicle, the lessor may indicate on the certificate of title the mileage disclosed by the lessee under subsection (9), unless the lessor has reason to believe that the mileage disclosed by the lessee does not reflect the actual mileage of the vehicle.

(11) A dealer that is required by this section to execute an odometer mileage statement shall retain for 5 years a photostatic, carbon, or other facsimile copy of each odometer mileage statement the dealer issues or receives. The dealer shall retain the odometer mileage statements at the dealer's primary place of business in an order that is appropriate to business requirements and that permits systematic retrieval.

(12) A lessor shall retain, for 5 years following the date of transfer of ownership of each leased vehicle, the odometer mileage statement received from the lessee. The lessor shall retain the odometer mileage statements at the lessor's primary place of business in an order that is appropriate to business requirements and that permits systematic retrieval.

(13) An auction dealer or vehicle salvage pool operator shall establish and retain at the auction dealer's or vehicle salvage pool operator's primary place of business in an order that is appropriate to business requirements and that permits systematic retrieval, for 5 years following the date of sale of each motor vehicle, the following records:

(a) The name and the most recent owner, other than the auction dealer or salvage pool operator.

(b) The name of the buyer.

(c) The vehicle identification number.

(d) The odometer reading, not including the tenths of a mile, on the date the auction dealer or salvage pool operator took possession of the motor vehicle.

(14) A violation of subsection (1) or (6) by any dealer licensed under this act is prima facie evidence of a fraudulent act as provided in section 249.

(15) A person who, with intent to defraud, violates any requirement under subsection (1) or (6), or a dealer that fails to retain for 5 years each odometer mileage statement the dealer receives and each odometer mileage statement furnished by the dealer upon the sale of a vehicle, is liable in an amount equal to 3 times the amount of actual damages sustained or \$1,500.00 whichever is greater, and in the case of a successful recovery of damages, the costs of the action together with reasonable attorney fees.

(16) For the purposes of this section, the department may accept an electronically signed odometer disclosure document that complies with all of the following:

(a) Is submitted on a form that is approved by the department.

(b) Is electronically signed using software that provides antitamper and identification verification technology and is approved for this use by the department.

(c) Is otherwise fully compliant with 49 CFR part 580.

(17) The department may establish, implement, and operate an electronic system to process the notification and transfer of a vehicle ownership interest between private parties through an electronic transfer instead of the collection of paper documents otherwise required under this act. If the electronic system is established, a private party that uses the electronic system shall comply with any requirement of this section that the department determines is necessary and provide any information that is required by the department. The department may enter into 1 or more contracts to establish, implement, and operate the electronic system under this subsection. The contract must require the protection of proprietary information contained in the electronic system and other information as protected under this act.

(18) As used in this section, "private parties" means that both a vehicle's buyer and seller are not a dealer.

257.233b Definitions; disclosure by dealer of damage or repair; exception; grounds for revocation.

Sec. 233b. (1) As used in this section:

(a) "Distributor" means that term as defined in section 3(1) of 1981 PA 118, MCL 445.1563.

(b) "Manufacturer" means that term as defined in section 4(2) of 1981 PA 118, MCL 445.1564.

(c) "Program vehicle" means a motor vehicle from either the current model year or the immediately preceding model year, that was repurchased by a manufacturer or distributor from a rental car company.

(2) Except as provided in this subsection, a new motor vehicle dealer shall disclose in writing to a purchaser or lessee of a new motor vehicle, demonstrator, executive or manufacturer's vehicle, or program vehicle before entering into a sales contract or lease agreement that, after the vehicle completed the manufacturing process, the vehicle was damaged and repaired, including an itemization of repairs, if the dealer has knowledge of the damage and repairs and if the cost of the cumulative repairs, as calculated at the rate of the dealer's authorized warranty rate for labor and parts exceeds either 1 of the following:

(a) Five percent of the manufacturer's suggested retail price of the vehicle.

(b) Seven hundred fifty dollars in surface coating repairs or corrosion protection restoration or a combination of these items. If a new motor vehicle dealer fails to comply with this subsection, the purchaser or lessee shall retain all applicable remedies available under article 2 of the uniform commercial code, 1962 PA 174, MCL 440.2101 to 440.2725.

(3) A dealer in new motor vehicles is not required to disclose to a purchaser or lessee under this act that any glass, tires, wheels, bumpers, audio equipment, in-dash components, or components contained in the living quarters of a motor home that are not required for the operation of the motor home as a motor vehicle were damaged at any time if the damaged item has been replaced with original manufacturer's parts and material.

(4) Repaired damage to a motor vehicle, subject to this section, not exceeding the cost of cumulative repairs as determined pursuant to subsection (2) shall not constitute grounds for revocation of acceptance by the purchaser or lessee. The right of revocation ceases upon the purchaser's or lessee's acceptance of delivery of the vehicle.

The certificate of title shall be mailed or delivered to the owner or another person the owner may direct in a separate instrument in a form the secretary of state shall prescribe.

(2) If the secretary of state mails or delivers a purchaser's or transferee's certificate of title to a dealer, the dealer shall mail or deliver that certificate of title to the purchaser or transferee not more than 5 days after receiving the certificate of title from the secretary of state.

(3) Unless the transfer is made and the fee paid within 15 days, the vehicle is considered to be without registration, the secretary of state may repossess the license plates, and transfer of the vehicle ownership may be effected and a valid registration acquired thereafter only upon payment of a transfer fee of \$15.00 in addition to the fee provided for in section 806.

(4) If a security interest is reserved or created at the time of the transfer, the parties shall comply with the requirements of section 238.

257.235 Dealer as transferee of vehicle; requirements; duties; liability of dealer or transferee; transfer of title or interest to another dealer; duties of dealer; dealer reassignment of title form; buy back or off lease vehicle.

Sec. 235. (1) If the transferee of a vehicle is a new motor vehicle dealer or a used or secondhand vehicle dealer that acquires the vehicle for resale, the dealer is not required to obtain a new registration of the vehicle or forward the certificate of title to the secretary of state, but shall retain and have in the dealer's immediate possession, or, upon providing prior written notice to the department and receiving the department's approval within 7 business days after the department receives the written notice, at a secondary location owned by the dealer that is located within a 15-mile radius, the assigned certificate of title with the odometer information properly completed, except as otherwise provided in section 235b. A dealer shall obtain a certificate of title for a vehicle that has a salvage certificate of title before the dealer may operate the vehicle under dealer's license plates. Upon transferring title or interest to another person that is not a dealer, the dealer shall complete an assignment and warranty of title upon the certificate of title, salvage certificate of title, or dealer reassignment of title form and apply for a registration and a new title as provided in section 217(4).

(3) Upon transferring title or interest to another dealer, the dealer shall complete an assignment and warranty of title on the certificate of title, salvage certificate of title, or dealer reassignment of title form and deliver it to the licensed dealer receiving the transfer.

(4) The secretary of state shall prescribe the dealer reassignment of title form. The form must contain the title number of the accompanying title; the name, address, and, if applicable, dealer license number of the transferee; the year, make, model, body type, and vehicle identification number of the vehicle; the name, address, dealer number, and signature of the transferor; an odometer mileage statement as prescribed under section 233a; and any other information the secretary of state requires.

(5) This section does not prohibit a dealer from selling a buy back vehicle while the certificate of title is in the possession of a manufacturer that obtained the certificate of title under the manufacturer's buy back vehicle program. The manufacturer shall mail the certificate of title to the dealer within 5 business days after the manufacturer's receipt of a signed statement from the purchaser of the vehicle acknowledging the purchaser was informed by the dealer that the manufacturer acquired title to the vehicle as the result of an arbitration proceeding, under a customer satisfaction policy adopted by the manufacturer, or under 1986 PA 87, MCL 257.1401 to 257.1410, or a similar law of another state.

The dealer shall write the word "junk" on the face of the certificate of title above the signature of the dealer or an authorized agent of the dealer and forward the certificate to the secretary of state, together with a fee of \$5.00 instead of a fee or tax otherwise applicable. A certificate of title shall not again be issued for the vehicle.

The notice under this subdivision shall be in a form and manner as prescribed by the secretary of state.

(b) The used or secondhand vehicle dealer maintains a color copy of the certificate of title, either in paper or electronic form, at the used or secondhand vehicle dealer's place of business. 257.236.amended Procuring title to vehicle acquired by operation of law; validity of registration upon death of owner; application for title by surviving spouse or heir; proof of death; certification; petition.

Sec. 236. Upon death of an owner of a registered vehicle, the license plate assigned to the vehicle, unless the vehicle is destroyed, is a valid registration until the end of the registration year or until the personal representative of the owner's estate transfers ownership of the vehicle.

Upon proper petition, the secretary of state shall provide the applicant with a certificate of title for that vehicle or vehicles, if the total value of the vehicle or vehicles, based on the date of the presented title transfer application, does not exceed the following dollar amount, as applicable:

(a) For calendar years through 2023, \$60,000.00.

(b) For the 2024 and 2025 calendar years, \$100,000.00.

(c) For the 2026 calendar year and each calendar year thereafter, a dollar amount equal to the product of the dollar amount applicable to the immediately preceding calendar year multiplied by the cost-of-living adjustment factor, rounded to the nearest \$1,000.00. Beginning with the dollar amount for the 2026 calendar year and annually thereafter, the department of treasury shall certify and publish the dollar amount applicable for each calendar year no later than September 1 of the prior calendar year.

(3) As used in this section:

(a) "Cost-of-living adjustment factor" means a fraction in which the numerator is the United States Consumer Price Index for the year before the prior calendar year and the denominator is the United States Consumer Price Index for the 2023 calendar year.

(b) "United States Consumer Price Index" means the annual average of the United States Consumer Price Index for all urban consumers as defined and reported by the United States Department of Labor, Bureau of Labor Statistics, or its successor agency.

257.236a Termination of owner's interest by enforcement of security agreement; application for new certificate; certification; holding vehicle for resale; termination of owner's interest by sale pursuant to court process; issuance and contents of new certificate; outstanding certificate.

Sec. 236a. (1) If the interest of the owner in a vehicle is terminated by the enforcement of a security agreement, the transferee of the owner's interest shall promptly mail or deliver to the secretary of state the last certificate of title if the transferee has possession of the certificate; the application for a new certificate in the form prescribed by the secretary of state; and a certification made by or on behalf of the holder of the security interest so enforced that the vehicle was repossessed, that the interest of the owner was lawfully terminated by enforcement of the security agreement, and whether the owner has delivered the last certificate of title to the transferee of the owner's interest, naming the transferee, or if not, the reason for not naming the transferee, and the location of the certificate of title as known to the owner. If the holder of the security interest succeeds to the interest of the owner and holds the vehicle for resale, the holder need not secure a new certificate of title but, upon transfer to another person, shall promptly mail or deliver to the transferee or to the secretary of state the certificate, if in the holder's possession, a certification, and other documents required to be sent to the secretary of state by the transferee.

(2) If the interest of the owner in a vehicle is terminated by sale pursuant to a levy of execution, attachment, or by other process of a court, the transferee of the owner's interest shall promptly mail or deliver to the secretary of state the last certificate of title, if the transferee has possession of the certificate, the application for a new certificate of title in the form prescribed by the secretary of state, and a certification upon a form prescribed by the secretary of state, made by the officer of the court who conducted the sale, setting forth the date of the sale, the name of the purchaser, and whether the officer of the court has delivered the certificate of title to the purchaser and if not, the reason for nondelivery and the location of the certificate of title so far as known to the officer of the court.

(3) A person holding a certificate of title in which the interest of the owner named on the certificate has been terminated in the manner provided by subsection (1) or (2), shall mail or deliver the certificate to the secretary of state upon request. The delivery of the certificate pursuant to the request of the secretary of state does not affect the rights of the person surrendering the certificate, and the action of the secretary of state in issuing a new certificate of title as provided in this act is not conclusive upon the rights of an owner or holder of a security interest named in the old certificate.

(4) The secretary of state, upon receipt of an application for a new certificate of title by a transferee in the manner provided by subsection (1) or (2), with proof of the transfer, the required fee, and other documents required by law, shall issue a new certificate of title in the name of the transferee as owner, setting forth all security interests noted on the last certificate of title as having priority over the security agreement so enforced and shall mail or deliver the certificate to the owner. If the outstanding certificate of title is not delivered to the secretary of state, the secretary of state shall make demand for the outstanding certificate of title from the holder.

History: Add. 1964, Act 248, Eff. Jan. 1, 1965;—Am. 1968, Act 66, Eff. Aug. 1, 1968;—Am. 1980, Act 398, Eff. Mar. 31, 1981.

257.237 Transfer of registration; issuance of new registration certificate and certificate of

title; filing surrendered certificate of title; retention of records.

Sec. 237. (1) The secretary of state, upon receipt of a properly endorsed certificate of title and application for transfer of registration accompanied by the required fee, shall transfer the registration thereof under its registration number to the newly acquired vehicle and shall issue a new registration certificate and certificate of title as upon an original registration.

(2) The secretary of state shall retain and appropriately file every surrendered certificate of title, the file to be so maintained as to permit the tracing of title of the vehicles designated in the file for a period of 6 years, except that records of stolen vehicles reported in section 253 may be destroyed after being maintained on file for the year of entry plus 4 years.

(3) The secretary of state shall retain the records for 2 years after the date of notification that a vehicle has been processed for scrap.

History: 1949, Act 300, Eff. Sept. 23, 1949;—Am. 1978, Act 507, Eff. July 1, 1979;—Am. 1980, Act 460, Imd. Eff. Jan. 15, 1981.

257.238 Security interest in vehicle; certificate of title; assignment; termination statement; electronic transactions.

Sec. 238. (1) When an owner named in a certificate of title creates a security interest in the vehicle described in the certificate or in any accessory on the vehicle, all of the following apply:

(a) The owner shall immediately execute an application in the form prescribed by the department to name the holder of the security interest on the certificate of title, showing the name and address of the holder and deliver the certificate of title, application and the required fee together with a copy of the application, to the holder of the security interest.

(b) The holder of the security interest shall cause the certificate of title, application and fee and the copy of the application to be mailed or delivered to the department.

(c) The department shall indicate on the copy of the application the date and place of filing of the application.

(d) Upon receipt of the certificate of title, application and the required fee, the department shall issue a new certificate in the form provided by section 222 setting forth the name and address of each holder of a security interest in the vehicle or in any accessory on the vehicle for which a termination statement has not been filed and the date on which the application first stating the security interest was filed, and mail the certificate to the owner. However, as provided under this section, the secretary of state is not required to issue a title to the owner of a vehicle if the title is subject to a security interest.

(2) A holder of any kind of a security interest may assign, absolutely or otherwise, the holder's security interest in the vehicle or any accessory thereon to a person other than the owner without affecting the interest of the owner or the validity of the security interest, but any person without notice of the assignment is protected in dealing with the holder of the security interest as the holder thereof.

(3) The assignee of a security interest may have the certificate of title indorsed with the assignee named as the holder of the security interest by providing the department with a copy of the assignment instrument, but the failure of the assignee to do so shall not affect the validity of the security interest of that assignment.

(4) If there is no outstanding obligation and no commitment to make advances, incur obligations, or otherwise give value secured or to be secured by a security interest in a vehicle or an accessory on the vehicle, for which the certificate of title is in possession of a secured party, the secured party may, not more than 14 days after satisfaction of the obligation, execute a termination statement in the form prescribed by the department and mail or deliver the termination statement to the owner or another person as the owner may direct.

(5) If there is no outstanding obligation and no commitment to make advances, incur obligations, or otherwise give value secured or to be secured by a security interest in a vehicle or an accessory on the vehicle, for which the certificate of title is in the possession of another person, the secured party shall, within 14 days after demand but not more than 30 days after demand, execute a termination statement in the form prescribed by the department and mail or deliver the termination statement to the owner or another person as the owner may direct.

(6) The department may require that all transactions concerning vehicle title liens and security interests be conducted by electronic means, as determined by the department. After all liens have been terminated, or for purposes of retitling the vehicle in another state or any other purpose deemed appropriate by the department, the department may issue a paper copy of the vehicle title to the vehicle's owner.

(7) A vehicle sale transaction in which a security interest is entered by electronic means shall include a document recording entry of the electronic security interest and information regarding the financial institution that holds the security interest. At the time a security interest is presented with payment in satisfaction of the security interest, a secured receipt in a form approved by the department and produced at the time the security

interest is presented with payment in satisfaction of the security interest may be submitted to the department in lieu of the title for purposes of transferring ownership in the vehicle.

257.239 Certificate of title; failure to endorse or deliver, fine.

Sec. 239. A person shall not fail or neglect to properly endorse and deliver a certificate of title to a transferee or owner lawfully entitled to the title. A person who violates this section is responsible for a civil infraction and shall be ordered to pay a civil fine of not more than \$100.00.

257.240 Liability for use or ownership of vehicle after transfer of endorsed certificate of title; conditions; violation of subsection (2); civil infraction; fine; towing and storage fees.

Sec. 240. (1) The owner of a motor vehicle who has made a bona fide sale by transfer of his or her title or interest and who has delivered possession of the vehicle and the certificate of title to that vehicle properly endorsed to the purchaser or transferee is not liable for any damages or a violation of law that subsequently results from the use or ownership of the vehicle by another, if the owner, other than a licensed dealer, satisfies the conditions prescribed under subsection (2).

(2) The owner of a motor vehicle, other than a licensed dealer, shall satisfy 1 of the following conditions:

(a) Accompany the purchaser of the vehicle to a secretary of state branch office to assure that the title of the vehicle being sold is transferred.

(b) Maintain a record of the sale for not less than 18 months. As used in this subdivision, "record of the sale" means either a photocopy of the reassigned title or a form or document that includes the name, address, driver license number, and signature of the person to whom the vehicle is sold and the purchase price and date of sale of the vehicle.

(3) A person who violates subsection (2) is responsible for a civil infraction and shall be ordered to pay a civil fine of \$15.00.

(4) A person who violates subsection (2) is presumed to be the last titled owner and to be liable for towing fees and daily storage fees for an abandoned motor vehicle.

History: 1949, Act 300, Eff. Sept. 23, 1949;—Am. 1999, Act 267, Imd. Eff. Dec. 29, 1999;—Am. 2004, Act 493, Eff. Oct. 1, 2005.

257.241 Electronic lien title system; establishment, implementation, and operation; contracts; participation of secured parties; inclusion of secured interest or other information in electronic file; execution of release; delivery; assignment of ownership by vehicle dealer; admissibility as evidence of security interest; determination of requirements by secretary of state; establishment, implementation, and operation by July 1, 2016; information to be entered beginning October 1, 2016; definitions.

Sec. 241. (1) The secretary of state may enter into 1 or more contracts under this section to establish, implement, and operate an electronic lien title system to process the notification and release of security interests through electronic file transfers, or as otherwise determined by the secretary of state, in lieu of the issuance and maintenance of paper documents otherwise required by law. The contract shall contain language that requires the protection of proprietary information contained in the electronic lien title system, and shall ensure that the contract provides for the protection of a competitive free market.

(2) Except for persons who are not normally engaged in the business or practice of financing vehicles, all secured parties are required to participate in the electronic lien title system.

(3) For the purposes of this act, any requirement that a security interest or other information appear on a certificate of title is satisfied by the inclusion of that information in an electronic file maintained in an electronic lien title system. The satisfaction of a security interest may be electronically transmitted to the secretary of state. A secured party shall execute a release of its security interest in a motor vehicle in a manner prescribed by the department not more than 14 days after the secured party receives the payment in satisfaction of the security interest in a motor vehicle. If the certificate of title is in the possession of the motor vehicle owner, the secured party shall deliver the release to the owner of the motor vehicle or as otherwise directed by the owner. However, if the certificate of title is held electronically as provided under section 238, the secured party shall deliver the release of security interest to the department, and the department shall cancel the security interest. If the secured party fails to comply with these requirements for the release of a secured interest, the secured party is liable to the vehicle owner for all damages sustained by the owner due to the failure to comply. The electronic lien title system shall provide a mechanism by which a vehicle dealer may assign ownership of a motor vehicle without proof that the prior security interest was satisfied existing

on the electronic lien title system. However, the dealer warrants that the title is free and clear of all liens and assumes responsibility for the satisfaction of the security interest.

(4) A certified copy of the secretary of state's electronic record of a security interest is admissible in any civil, criminal, or administrative proceeding in this state as evidence of the existence of the security interest. If a certificate of title is maintained electronically in the electronic lien title system, a certified copy of the secretary of state's electronic record of the certificate of title is admissible in any civil, criminal, or administrative proceeding in this state as evidence of the existence and contents of the certificate of title.

(5) The secretary of state may determine any requirements necessary to carry out the provisions of this section, including, but not limited to, 1 or more of the following:

(a) Monitoring the reasonable fees charged by service providers or a contractor for the establishment and maintenance of the electronic lien title system.

(b) The qualifications of service providers for participation in the electronic lien title system.

(c) The qualifications for a contractor to enter into a contract with the secretary of state to establish, implement, and operate the electronic lien title system.

(d) Program specifications that a contractor must adhere to in establishing, implementing, and operating the electronic lien title system.

(6) The electronic lien title system shall be established, implemented, and operational no later than July 1, 2016.

(7) The department may require a person to enter evidence of security interests and any related information into the electronic lien title system in lieu of paper documents beginning October 1, 2016.

(2) A nonresident owner of a foreign vehicle operated within this state for the transportation of persons or property for compensation shall register the vehicle and pay the same fees for its registration as is required with reference to like vehicles owned by residents of this state, except that the department may issue to the nonresident owner a temporary permit authorizing the operation of the foreign vehicle within this state for a period of 72 hours, without registering the vehicle, on the payment of a fee as provided in section 802a of this act. The temporary permit shall be in a form as prescribed by, and shall be displayed on a foreign vehicle in a manner determined by the secretary of state. Each request for a temporary permit under this subsection shall be based on emergency or infrequent need for the permit. The secretary of state may refuse to issue a permit if he or she has reason to believe the applicant has previously forged or misused a permit, has attempted to circumvent the registration laws of this state, or has not demonstrated an emergency or infrequent use.

Sec. 244. (1) A manufacturer owning a vehicle of a type otherwise required to be registered under this act may operate or move the vehicle upon a street or highway primarily for the purposes of transporting or testing or in connection with a golf tournament or a public civic event, if the vehicle displays, in the manner prescribed in section 225, 1 special plate approved by the secretary of state.

(2) A producer of a vehicle subcomponent system essential to the operation of the vehicle or the safety of an occupant may operate or move a motor vehicle upon a street or highway solely to transport or test the subcomponent system if the motor vehicle displays, in the manner prescribed in section 225, 1 special plate approved by the secretary of state. To be eligible for the special plate, the subcomponent system producer must be either a recognized subcomponent system producer or must be a subcomponent system producer under contract with a vehicle manufacturer.

(3) Subject to section 665, a manufacturer of automated technology may operate or otherwise move a motor vehicle or an automated motor vehicle upon a street or highway solely to transport or test automated technology if the motor vehicle or automated motor vehicle displays, in the manner prescribed in section 225, a special plate approved by the secretary of state.

(4) A dealer owning a vehicle of a type otherwise required to be registered under this act may operate or move the vehicle upon a street or highway without registering the vehicle if the vehicle displays, in the manner prescribed in section 225, 1 special plate issued to the owner by the secretary of state. As used in this subsection, "dealer" includes an employee, servant, or agent of the dealer.

(7) A transporter shall furnish a sufficient surety bond or policy of insurance as protection for public liability and property damage as may be required by the secretary of state.

(8) The secretary of state shall determine the number of plates a manufacturer, dealer, or transporter reasonably needs in his or her business.

The application for registration shall be made in the name of the vendee or lessee before the vehicle is used. The dealer and the vendee or lessee are jointly responsible for the return of the dealer plate to the dealer within 72 hours, and the failure of the vendee or lessee to return or the vendor or lessor to use due diligence to procure the dealer plate is a misdemeanor, and in addition the license of the dealer may be revoked. While using a dealer's plate, a vendee or lessee shall have in his or her possession proof that clearly indicates the date of sale or lease of the motor vehicle.

(1) The secretary of state shall not grant a dealer license under this section until the secretary conducts an investigation of the applicant's qualifications under this act, except that this subsection does not apply to a license renewal. The secretary of state shall conduct the investigation within 15 days after receiving the application and prepare a report on the investigation.

(2) An applicant for a new vehicle dealer or a used or secondhand vehicle dealer or broker license shall include a properly executed bond or a bond renewal certificate, approved by the secretary of state, with the license application. If a renewal certificate is used, the bond is considered renewed for each succeeding year in the same amount and with the same effect as an original bond. The bond must be in the amount of \$25,000.00. The bond must indemnify or reimburse a purchaser, seller, lessee, financing agency, or governmental agency for monetary loss caused through fraud, cheating, or misrepresentation in the conduct of the vehicle business whether the fraud, cheating, or misrepresentation was made by the dealer or by an employee, agent, or salesperson of the dealer. The surety shall make indemnification or reimbursement for a monetary loss only after a judgment based on fraud, cheating, or misrepresentation is entered in a court of record against the licensee or a final order that the licensee has engaged in fraud, cheating, or misrepresentation is issued by the secretary of state after an administrative hearing. The bond must also indemnify or reimburse the state for any sales tax deficiency as provided in the general sales tax act, 1933 PA 167, MCL 205.51 to 205.78, or use tax deficiency as provided in the use tax act, 1937 PA 94, MCL 205.91 to 205.111, for the year in which the bond is in force. A dealer or applicant that provides proof that is satisfactory to the secretary of state that a bond similar to the bond required by this subsection is executed and in force is exempt from the bond requirements of this subsection. The aggregate liability of the surety must not exceed the sum of the bond. The surety on the bond may cancel the bond by giving notice in writing to the secretary of state of the cancellation at least 30 days before the effective date of the cancellation and is not liable for a breach of condition occurring after the effective date of the cancellation.

(3) An applicant for a new vehicle dealer or a used or secondhand vehicle dealer license shall apply for not less than 2 dealer plates under section 245 and shall include with the application the proper fee for those plates under section 803.

(4) As a condition precedent to the granting of a license, a dealer must file with the secretary of state an irrevocable written stipulation, authenticated by the applicant, stipulating and agreeing that legal process affecting the dealer, served on the secretary of state or a deputy of the secretary of state, has the same effect as if personally served on the dealer. This appointment remains in force as long as the dealer has any outstanding liability within this state.

(5) A person shall not carry on or conduct the business of buying, selling, brokering, leasing, negotiating a lease, or dealing in 5 or more vehicles of a type required to be titled under this act in a 12-month period unless the person obtains a dealer license from the secretary of state authorizing the carrying on or conducting of that business. A person shall not carry on or conduct the business of buying, selling, brokering, leasing, negotiating a lease, or dealing in 5 or more distressed, late model vehicles or salvageable parts to 5 or more of those vehicles in a 12-month period unless the person obtains a used or secondhand vehicle parts dealer, an automotive recycler, or a salvage pool license from the secretary of state or is an insurance company admitted to conduct business in this state. A person shall not carry on or conduct the business of buying 5 or more vehicles in a 12-month period to process into scrap metal or store or display 5 or more vehicles in a 12-month period as an agent or escrow agent of an insurance company unless the person obtains a dealer license from the secretary of state. A vehicle scrap metal processor that does not purchase vehicles or salvageable parts from unlicensed persons is not required to obtain a dealer license. A person from another state shall not

purchase, sell, or otherwise deal in distressed, late model vehicles or salvageable parts unless the person obtains a foreign salvage vehicle dealer license from the secretary of state under section 248b. A person, including a dealer, shall not purchase or acquire a distressed, late model vehicle or a salvageable part through a salvage pool, auction, or broker without a license as a salvage vehicle agent. The secretary of state shall investigate and seek prosecution, if necessary, of persons allegedly conducting a business without a license.

(f) The county in which the applicant will conduct business and the address of each place of business in that county.

(g) If the dealer's business is the sale of new vehicles, the make or makes of those vehicles. Each new vehicle dealer shall send with the application for license a certification that the dealer holds a bona fide contract to act as factory representative, factory distributor, or distributor representative to sell at retail (the make of vehicle to be sold) and that the contract meets the requirements for a dealer agreement under the motor vehicle franchise act, 1981 PA 118, MCL 445.1561 to 445.1583.

(m) A certification that the applicant if the applicant is an individual or sole proprietorship, the partners of the applicant if the applicant is a partnership, the principal officers of the applicant if the applicant is a corporation, or any other individual who is responsible for the daily operations of the dealership, as applicable, has reviewed and understands the requirements of this act, the rules promulgated under this act, the dealer manual published by the secretary of state, and any other applicable material provided by the department.

(n) For an application submitted by or on behalf of an eligible used vehicle dealer for an original license, a certification that within the 6-month period preceding the date of the application, the applicant, the partners of the applicant, or the principal officers of the applicant, as applicable, completed the dealer training program described in section 248l(2). Before moving 1 or more places of business or opening an additional place of business, a dealer shall apply to the secretary of state for and obtain a supplemental dealer license. The secretary of state shall not charge a fee for a supplemental dealer license and shall issue a supplemental dealer license only for a location, including a tent, temporary stand, or any temporary quarters, that does not meet the definition of an established place of business, within the county in which the dealer's established place of business is located. A dealer license entitles the dealer to conduct the business of buying, selling, leasing, and dealing in vehicles or salvageable parts in the county covered by the license. The dealer license also entitles the dealer to conduct at any other licensed dealer's established place of business in this state only the business of buying, selling, leasing, or dealing in vehicles at wholesale.

(8) The secretary of state shall classify and differentiate vehicle dealers according to the type of activity they perform. (c) To renew a dealer license, the dealer shall file an application for renewal with the secretary of state at least 30 days before the expiration of its current license.

(d) If a dealer has not renewed its dealer license on or before the expiration date of its current license, the secretary of state within 10 business days after that expiration date must notify the dealer that the secretary of state has not received its renewal application. The notice must include the amount of the late renewal fee.

(e) A dealer may continue to operate its dealer business after the expiration of its dealer license, pending approval of the renewal application, if the renewal application is delivered in person or mailed to the secretary of state on or before the expiration date of the license. If requested by the department, a dealer that mails an application under this subdivision must provide proof of mailing of the renewal application that is satisfactory to the department.

(f) If an application to renew a dealer license is filed with the secretary of state after the expiration of that license, the dealer may operate its dealer business beginning on the date on which the application is delivered or mailed to the secretary of state, pending approval of the renewal application. If requested by the department, a dealer that mails an application under this subdivision must provide proof of mailing of the renewal application that is satisfactory to the department. A dealer shall pay a renewal fee equal to 150% of the normal renewal fee for a renewal described in this subdivision.

(11) Notwithstanding section 235, a dealer may advertise or display to the public a vehicle that the dealer has acquired or that is available to the dealer directly from the manufacturer or distributor or the manufacturer's or distributor's subsidiary or affiliate within a reasonable period of time, even though the dealer is still waiting on possession of the vehicle's title. Such a vehicle, if displayed on the dealer's lot, must be placed in a dedicated area at the dealership and arranged in a manner that clearly separates the vehicle from those available for immediate sale to the public with signage placed on the vehicle indicating the vehicle is not available for final sale until the title is in the possession of the dealer.

(2) If the secretary of state assesses an administrative fine under subsection (1), the secretary of state shall provide notice of the assessment in writing pursuant to section 212. At a minimum, the notice of assessment shall contain all of the following:

(a) A unique identification number.

(3) Not later than 20 days after receiving the written notice of assessment, the alleged violator shall do 1 of

(d) If the person is not a licensed dealer, pay the administrative fine to the secretary of state and submit a properly completed dealer license application to the secretary of state.

If the request fails to meet all of the conditions prescribed in subsection (4), the secretary of state may in writing deny the request. (a) State the reason for the denial.

(b) Grant the person 14 days to submit a valid request to the secretary of state.

(6) The secretary of state shall conduct an informal conference under this section within 45 days after receiving a valid request for the conference. If the assessment is affirmed or modified, this statement shall also advise the person that he or she will receive a notice of hearing where the validity of the assessment may be contested or he or she may immediately pay the fine to the secretary of state and that payment of the fine will prevent scheduling of an administrative hearing.

(9) A notice of hearing under this section shall be served on the person by first-class mail not less than 5 days before the date scheduled for the administrative hearing and, at a minimum, advise the person of all of the following:

(a) The time, place, and date of hearing.

(c) That the person has a right to be represented by an attorney at the administrative hearing.

(d) The common reasons why the secretary of state could dismiss an assessment of an administrative fine.

(e) That the hearing officer conducting the administrative hearing will be authorized to do all of the following:

If an administrative fine assessed under this section is affirmed by the decision of the hearing officer, the hearing officer may assess the person costs of not more than \$500.00, to reimburse the secretary of state for proving the validity of the alleged violation, in addition to any other penalties, sanctions, or costs imposed as provided by law.

(11) An administrative fine assessed under this section becomes final upon the first to occur of the following:

(a) The secretary of state does not receive a valid request for an informal conference or an administrative hearing within the time period described in subsection (4).

(b) Twenty days after a person waives his or her right to an administrative hearing.

(c) An administrative hearing decision is served upon the person.

(12) After a person pays the secretary of state the fine imposed, the secretary of state shall forward the money to the department of treasury for deposit in a separate fund within the general fund. Upon appropriation, this money shall be used first to defray the expense of the secretary of state in administering this chapter.

(13) If an administrative fine assessed under this section is not paid within 60 days after it becomes final, the secretary of state may refer the matter to the department of treasury for collection as a state debt through the offset of state tax refunds and may use the services of the department of treasury to levy the salary, wages, or other income or assets of the person as provided by law.

(14) Payment of an administrative fine assessed under this section does not constitute an admission of responsibility or guilt by the person. Payment of an administrative fine assessed under this section does not prevent the secretary of state from charging a violation described in the assessment of the administrative fine in a subsequent or concurrent contested case proceeding conducted by the secretary of state pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

(15) If the person submits a properly completed application and appropriate fee for a dealer license within 20 days after an administrative fine under subsection (1) is assessed, and if the secretary of state issues the person a dealer license within 45 days of receiving the properly completed application and fee, the secretary of state shall reduce the amount of the administrative fine by 50%.

(16) The secretary of state shall serve a notice, denial, decision, or statement under this section in compliance with section 212.

(17) An informal conference under this section is not a compliance conference under section 92 of the administrative procedures act of 1969, 1969 PA 306, MCL 24.292.

Each dealer, broker, and wholesaler must retain and have in the dealer's, broker's, or wholesaler's immediate possession, or, upon providing prior written notice to the department and receiving the department's approval within 7 business days after the department receives the written notice, at a secondary location owned by the dealer, broker, or wholesaler that is located within a 15-mile radius, each record described in this subsection.

(2) Each record must contain the date of the purchase, sale, lease, or exchange or receipt for the purpose of sale, lease, or exchange, a description of the vehicle, the name and address of the seller, the purchaser or lessee, and the alleged owner or other persons from whom the vehicle was purchased or received, or to whom it was sold, leased, or delivered. The record must contain a copy of any odometer mileage statement received by the dealer when the dealer purchased or acquired a vehicle and a copy of the odometer mileage statement furnished by the dealer when the dealer sold, leased, or exchanged the vehicle as prescribed in section 233a. If the vehicle is purchased, sold, leased, or exchanged through a broker, the record must include the broker's name and dealer license number and the amount of the broker's fee, commission, compensation, or other valuable consideration paid by the purchaser or lessee or paid by the dealer, or both. The records of all vehicles purchased, sold, leased, or exchanged through a broker maintained by the secretary of state must be in an electronic format determined by the secretary of state. A dealer shall retain for not less than 5 years each odometer mileage statement the dealer receives and each odometer mileage statement furnished by the dealer upon the sale, lease, or exchange of a vehicle. The description of the vehicle, in the case of a motor vehicle, must also include the vehicle identification number and other numbers or identification marks as may be on the vehicle, and must also include a statement that a number has been obliterated, defaced, or changed, if that is the fact. For a trailer or semitrailer, the record must include the vehicle identification number and other numbers or identification marks as may be on the trailer or semitrailer.

The written statement must disclose if the vehicle sold is a vehicle that the seller had loaned or leased to a political subdivision of this state for use as a driver education vehicle. The written statement must be dated, but not later than the actual date of delivery of the vehicle to the buyer. The original and all copies of the prescribed form must contain identical information. The statement is furnished by the seller, signed by the seller or the seller's agent and by the buyer, and filed with the application for new title or registration. Failure of the seller to deliver this written statement to the buyer does not invalidate the sale between the seller and the buyer.

(a) The sale is evidenced by a written memorandum that contains the agreement of the parties and is signed by the buyer and the seller or the seller's agent.

The secretary of state may issue an order summarily suspending the license of a dealer under section 92 of the administrative procedures act of 1969, 1969 PA 306, MCL 24.292, based on an affidavit by a person familiar with the facts set forth in the affidavit that the dealer has failed to maintain the records required by this act or failed to provide the records for inspection as requested by the secretary of state, or has otherwise hindered, obstructed, or prevented the inspection of records authorized under this section. The dealer that the order is directed to shall comply immediately, but on application to the department shall be afforded a hearing within 30 days under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. The records must contain the date of purchase or acquisition of the vehicle, a description of the vehicle including the color, and the name and address of the person from whom the vehicle was acquired. If the vehicle is sold, the record must contain the date of sale and the name and address of the purchaser. The record must indicate if the certificate of title or salvage or scrap certificate of title was obtained by the dealer. In the case of a late model vehicle, a record of the purchase or sale of a major component of the vehicle must be maintained identifying the part purchased or sold, the name and address of the seller or purchaser, the date of the purchase or sale, and the identification number assigned to the part by the dealer, except that a bumper remanufacturer is not required to maintain a record of the purchase of a bumper. However, a bumper remanufacturer shall assign and attach an identification number to a remanufactured bumper and maintain a record of the sale of the bumper. The record of the purchase or sale of a part must be maintained in or attached to the dealer's police book or hard copy of computerized data entries and reference codes and must be accessible at the dealer's location.

(11) A dealer licensed as a foreign salvage vehicle dealer shall maintain records in a form prescribed by the secretary of state. The records must contain the date of purchase or acquisition of each distressed vehicle, a description of the vehicle including the color, and the name and address of the person from whom the vehicle was acquired. If the vehicle is sold, the record must contain the date of sale and the name and address of the purchaser. The record must indicate if the certificate of title or salvage or scrap certificate of title was obtained by the dealer. In the case of a late model vehicle, a record of the purchase or sale of each salvageable part purchased or acquired in this state must be maintained and the record must contain the date of purchase or acquisition of the part, a description of the part, the identification number assigned to the part, and the name and address of the person to or from whom the part was purchased, acquired, or sold. (a) A vehicle that has remained on private property without the consent of the owner.

The written notice shall contain the following information:

(b) The name and address of the police agency taking the action.

(a) Recheck to determine if the vehicle has been reported stolen.

(b) Within 24 hours after the vehicle is taken into custody, enter the vehicle as abandoned into the law enforcement information network, and notify the secretary of state through the law enforcement information network that the vehicle has been taken into custody as abandoned. Each notification shall contain the following information:

(i) The year, make, and vehicle identification number of the vehicle, if available.

(ii) The address or approximate location from which the vehicle was taken into custody.

 - (i) Send to the last titled owner and secured party, as shown by the records of the secretary of state as described in section 221 or 237, by first-class mail or personal service, notice that the vehicle is considered abandoned. The form for the notice shall be furnished by the secretary of state. Each notice form shall contain the following information:
 - (A) The year, make, and vehicle identification number of the vehicle if available.
 - (B) The address or approximate location from which the vehicle was taken into custody.
 - (C) The date on which the vehicle was taken into custody.

 - (ii) Enter the information described in subparagraph (i) on a website maintained by the department for public use in locating vehicles that are removed under this section as abandoned. The department shall maintain the data on the website for 1 year or until the vehicle is disposed of under this act, whichever occurs first.
- (6) The owner may contest the fact that the vehicle is considered abandoned or the reasonableness of the towing fees and daily storage fees by requesting a hearing and posting a bond equal to \$40.00 plus the amount of the accrued towing and storage fees. A request for a hearing shall be made by filing a petition with the court specified in the notice described in subsection (5)(c) within 20 days after the date of the notice. Subject to subsection (8), if the owner requests a hearing, the matter shall be resolved after a hearing conducted under sections 252e and 252f. An owner who requests a hearing may obtain release of the vehicle by posting a towing and storage bond in an amount equal to the \$40.00 plus the accrued towing and storage fees with the court. The owner of a vehicle who requests a hearing may obtain release of the vehicle by paying a fee of \$40.00 to the court and the accrued towing and storage fees instead of posting the towing and storage bond.
- (7) Subject to subsection (9), if the owner does not request a hearing under subsection (6), he or she may obtain the release of the vehicle by paying a fee of \$40.00 and the accrued towing and storage fees to the custodian of the vehicle. The custodian of the vehicle shall forward \$25.00 of the fee to the secretary of state within 30 days after receipt in a manner prescribed by the secretary of state, who shall deposit the fee into the abandoned vehicle fund created in section 252h.
- (8) The secured party may contest the reasonableness of the towing fees and daily storage fees and request a hearing in the same manner and subject to the same requirements as the owner of the vehicle under subsection (6). If both the owner and the secured party request a hearing to contest the reasonableness of the towing fees and daily storage fees within 20 days after the date of the notice, the court shall dismiss the secured party's petition and proceed with the owner's petition as provided in subsection (6), unless the owner is in default on a contract or agreement with the secured party regarding that vehicle. If the owner is in default on a contract or agreement with the secured party regarding that vehicle, the court shall dismiss the owner's petition and proceed with the secured party's petition in the same manner as provided in subsection (6). If the secured party redeems the vehicle, the owner may only seek damages related to the reasonableness of the towing fees and daily storage fees from the secured party. If the court finds, after a hearing on the reasonableness of the towing fees and daily storage fees, that the owner's or the secured party's challenge was frivolous, the court may award reasonable attorney fees to the custodian of the vehicle.
- (9) If the owner does not redeem the vehicle or request a hearing within 10 days after the date of the notice described in subsection (5)(c), the secured party may obtain the release of the vehicle by paying a \$40.00 fee plus the accrued charges to the custodian of the vehicle. The custodian of the vehicle shall forward \$25.00 of the fee to the secretary of state, who shall deposit the fee into the abandoned vehicle fund created in section 252h.
- (10) If a vehicle has remained on private property without the consent of the property owner, the owner of

the private property may have the vehicle taken into custody as an abandoned vehicle by contacting a local towing agency. A local towing agency is considered a towing agency whose storage lot is located within 15 miles from the border of the local unit of government having jurisdiction over the abandoned vehicle.

(11) Before removing the vehicle from private property, the towing agency shall provide notice by telephone, or otherwise, to a police agency having jurisdiction over the vehicle that the vehicle is being removed. Within 24 hours after receipt of the notice from the towing agency, the police agency shall determine if the vehicle has been reported stolen and enter the vehicle into the law enforcement information network as an abandoned vehicle. Verification by the police agency of compliance with this section is not necessary and is not a predicate to the entrance of the vehicle into the law enforcement information network.

(12) Within 24 hours after taking the abandoned vehicle into custody, the police agency shall notify the secretary of state through the law enforcement information network that the vehicle has been taken into custody as abandoned. Each notification shall contain the following information:

- (a) The year, make, and vehicle identification number of the vehicle if available.
- (b) The address or approximate location from which the vehicle was taken into custody.
- (c) The date on which the vehicle was taken into custody.
- (d) The date the vehicle is being entered into the law enforcement information network and whether the information is being entered within 24 hours after the vehicle was taken into custody.
- (e) The name and address of the police agency that had the vehicle taken into custody.
- (f) The name and business address of the custodian of the vehicle.
- (g) The name of the court that has jurisdiction over the case.

(13) Within 7 days after being notified under subsection(12), the secretary of state shall do both of the following:

(a) Send to the owner and secured party, as shown by the records of the secretary of state, by first-class mail or personal service, notice that the vehicle is considered abandoned. The form for the notice shall be furnished by the secretary of state. Each notice form shall contain the following information:

- (i) The year, make, and vehicle identification number of the vehicle if available.
- (ii) The location from which the vehicle was taken into custody.
- (iii) The date on which the vehicle was taken into custody.
- (iv) The name of the towing agency that had the vehicle taken into custody.
- (v) The business address of the custodian of the vehicle.
- (vi) The procedure to redeem the vehicle.
- (vii) The procedure to contest the fact that the vehicle is considered abandoned or the reasonableness of the towing fees and daily storage fees.
- (viii) A form petition that the owner may file in person or by mail with the specified court that requests a hearing on the custodian's action.
- (ix) A warning that the failure to redeem the vehicle or to request a hearing within 20 days after the date of the notice may result in the sale of the vehicle and the termination of all rights of the owner and the secured party to the vehicle or the proceeds of the sale.

(b) Enter the information described in subdivision (a) on a website maintained by the department for public use in locating vehicles that are removed under this section as abandoned.

(14) The owner may contest the fact that the vehicle is abandoned or, unless the towing fees and daily storage fees are established by contract with the local governmental unit or local law enforcement agency and comply with section 252i, the reasonableness of the towing fees and daily storage fees by requesting a hearing. A request for a hearing shall be made by filing a petition with the court specified in the notice within 20 days after the date of the notice. Subject to subsection (16), if the owner requests a hearing, the matter shall be resolved after a hearing conducted under section 252f. An owner who requests a hearing may obtain release of the vehicle by posting with the court a towing and storage bond in an amount equal to \$40.00 plus the accrued towing and storage fees. The owner of a vehicle who requests a hearing may obtain release of the vehicle by paying a fee of \$40.00 to the court plus the towing and storage fees instead of posting the towing and storage bond. An owner requesting a hearing but not taking possession of the vehicle shall post with the court a towing and storage bond in an amount equal to \$40.00 plus the accrued towing and storage fees.

(15) Subject to subsection (17), if the owner does not request a hearing, he or she may obtain the release of the vehicle by paying a fee of \$40.00 plus the accrued charges to the custodian of the vehicle. The custodian shall forward \$25.00 of the fee collected under this subsection to the secretary of state within 30 days after receipt in a manner prescribed by the secretary of state, who shall deposit the fee into the abandoned vehicle fund created in section 252h.

(16) The secured party may contest the reasonableness of the towing fees and daily storage fees and request a hearing in the same manner and subject to the same requirements as the owner under subsection

(14). If both the owner and the secured party request a hearing to contest the reasonableness of the towing fees and daily storage fees within 20 days after the date of the notice, the court shall dismiss the secured party's petition and proceed with the owner's petition as provided in subsection (14), unless the owner is in default on a contract or agreement with the secured party regarding that vehicle. If the owner is in default on a contract or agreement with the secured party regarding that vehicle, the court shall dismiss the owner's petition and proceed with the secured party's petition in the same manner as provided in subsection (14). If the secured party redeems the vehicle, the owner may only seek damages related to the reasonableness of the towing fees and daily storage fees from the secured party. If the court finds, after a hearing on the reasonableness of the towing fees and daily storage fees, that the owner's or the secured party's challenge was frivolous, the court shall award to the custodian costs, including reasonable attorney fees, against the owner or secured party.

(17) If the owner does not redeem the vehicle or request a hearing within 10 days after the date of the notice, the secured party may obtain the release of the vehicle by paying a fee of \$40.00 and the accrued towing and storage fees to the custodian of the vehicle. The custodian shall forward \$25.00 of the fee collected under this subsection to the secretary of state within 30 days after receipt in a manner prescribed by the secretary of state, who shall deposit the fee into the abandoned vehicle fund created in section 252h.

(18) Not less than 20 days after the disposition of the hearing described in subsection (6) or, if a hearing is not requested, not less than 20 days after the date of the notice, the police agency if the abandoned vehicle is found on public property, or the custodian of the vehicle if the vehicle is found on private property, shall offer the vehicle for sale at a public sale under section 252g.

(19) The custodian of a vehicle described in this section shall allow the owner of the vehicle or a secured party to inspect the vehicle during regular business hours at the location where the vehicle is being held. The custodian of the vehicle may charge the secured party a fee of not more than \$75.00 to inspect the vehicle or, if the actual cost necessary to allow the inspection is greater than \$75.00, the actual cost necessary to allow the inspection. If the custodian of the vehicle charges the secured party more than \$75.00 as provided in this subsection, the custodian shall provide the secured party with an itemized invoice for the actual costs assessed. The custodian of the vehicle shall allow the owner of the vehicle to inspect the vehicle and retrieve personal property from the vehicle without paying a fee for the first visit. After the first visit by the owner to inspect the vehicle or retrieve personal property from the vehicle as provided in this subsection, the custodian may charge the owner of the vehicle a fee of not more than \$25.00 for each subsequent visit.

(20) If the ownership of a vehicle that is considered abandoned under this section cannot be determined either because of the condition of the vehicle identification numbers or because a check with the records of the secretary of state as described in section 221 or 237 does not reveal ownership, the police agency may sell the vehicle at public sale as provided in section 252g not less than 30 days after public notice of the sale has been published.

(21) The secretary of state shall release a vehicle for disposition under section 252b or 252g within 45 days after the vehicle is entered into the law enforcement information network as an abandoned vehicle.

(2) A restricted license issued under subsection (1) must not be issued until after the individual's operator's or chauffeur's license has been suspended or revoked for 45 days and the judge assigned to a specialty court certifies to the secretary of state that both of the following conditions have been met:

(a) The individual has been admitted into a specialty court interlock program.

(a) In the course of the individual's employment or occupation if the employment or occupation does not require a commercial driver license.

(b) To and from any combination of the following:

(i) The individual's residence.
(ii) The individual's work location.
(iii) An alcohol, drug, or mental health education and treatment as ordered by the court.

As used in this subparagraph, "minor child" means an individual who is less than 18 years of age.

(5) While driving with a restricted license, the individual shall carry proof of his or her destination and the hours of any employment, class, or other reason for traveling and shall display that proof on a peace officer's request.

(6) Except as otherwise provided in this section, a restricted license issued under subsection (1) is effective until a hearing officer orders an unrestricted license under section 322. Subject to subsection (7), the hearing officer shall not order an unrestricted license until the later of the following events occurs:

(b) The minimum period of license sanction that would have been imposed under section 303 or 319 but for this section has been completed.

(8) In determining whether to order an unrestricted license under subsection (6), the successful completion of the specialty court program and a certificate from the specialty court judge must be considered positive evidence of the petitioner's abstinence while the petitioner participated in the specialty court program. This subsection does not apply to a determination made under subsection (7). As used in this subsection, "certificate" includes, but is not limited to, a statement that the participant has maintained a period of abstinence from alcohol for not less than 6 months at the time the participant completed the specialty court program.

(9) If the secretary of state receives a notification from a specialty court, the secretary of state shall summarily impose 1 of the following license sanctions, as applicable:

(a) Suspension for the full length of time provided under section 319(8). However, a restricted license must not be issued as provided under section 319(8). This subdivision applies if the underlying conviction or convictions would have subjected the individual to a license sanction under section 319(8) if this section did not apply.

(b) A license revocation and denial for the full length of time provided under section 303. The minimum period of license revocation and denial imposed must be the same as if this section did not apply. This subdivision applies if the underlying conviction or convictions would have caused a license revocation and denial under section 303 if this section did not apply.

(10) After the individual completes the specialty court program, the following apply:

(a) The secretary of state shall postpone considering the issuance of an unrestricted license under section 322 for a period of 3 months for each act that would be a minor violation if the individual's license had been issued under section 322(6). As used in this subdivision, "minor violation" means that term as defined in R 257.301a of the Michigan Administrative Code.

(b) The restricted license issued under this section must be suspended or revoked or denied as provided in subsection (9), unless set aside under section 322(5), if any of the following events occur:

(ii) The individual removes, or causes to be removed, an ignition interlock device from a vehicle he or she owns or operates unless the secretary of state has authorized its removal under section 322a.

(iii) The individual commits any other act that would be a major violation if the individual's license had been issued under section 322(6). As used in this subparagraph, "major violation" means that term as defined in R 257.301a of the Michigan Administrative Code.

(iv) The individual is arrested for a violation of any of the following:

(A) Section 625.

(B) A local ordinance of this state or another state that substantially corresponds to section 625.

(C) A law of the United States that substantially corresponds to section 625.

(c) If the individual is convicted of or found responsible for any offense that requires the suspension, revocation, denial, or cancellation of the individual's operator's or chauffeur's license, the restricted license issued under this section must be suspended until the requisite period of license suspension, revocation, denial, or cancellation, as appropriate, has elapsed.

(d) If the individual has failed to pay any court-ordered fines or costs that resulted from the operation of a vehicle, the restricted license issued under this section must be suspended pending payment of those fines and costs.

(11) The vehicle of an individual admitted to the specialty court interlock program whose vehicle would otherwise be subject to immobilization or forfeiture under this act is exempt from both immobilization and forfeiture under sections 625n and 904d if both of the following apply:

(a) The individual is a specialty court interlock program participant in good standing or the individual successfully satisfactorily completes the specialty court interlock program.

(b) The individual does not subsequently violate a law of this state for which vehicle immobilization or forfeiture is a sanction.

(12) This section only applies to individuals arrested for a violation of section 625 on or after January 1, 2011.

Before the secretary of state authorizes an individual to administer vehicle group designation or endorsement knowledge tests, that individual must successfully complete both a state and Federal Bureau of Investigation fingerprint-based criminal history check or the equivalent through the department of state police. In all other cases, the secretary of state may waive the examination, except that an examination must not be waived if it appears from the application, from the apparent physical or mental condition of the applicant, or from any other information that has come to the secretary of state from another source, that the applicant does not possess the physical, mental, or other qualifications necessary to operate a motor vehicle in a manner as not to jeopardize the safety of persons or property, or that the applicant is not entitled to a license under section 303. The secretary of state may consider a written medical report and recommendation submitted under section 5139 of the public health code, 1978 PA 368, MCL 333.5139, from the personal physician or optometrist of an applicant, in making the examination regarding the applicant's physical and mental qualifications to operate a motor vehicle under this section and R 257.851 to R 257.855 of the Michigan Administrative Code. Except as provided in section 312f(1), an original vehicle group designation or passenger or school bus indorsement must not be issued by the secretary of state without a driving skills test conducted by an examiner appointed or authorized by the secretary of state or an equivalent driving skills test meeting the requirements of 49 CFR part 383 conducted in another jurisdiction.

(5) Except as otherwise provided in this act, the secretary of state may waive the requirement of a driving skills test, knowledge test, or road sign test of an applicant for an original operator's or chauffeur's license without a vehicle group designation or indorsement who at the time of the application is the holder of a valid, unrevoked operator's or chauffeur's license issued by another state or country.

(6) A driving skills test conducted under this section must include a behind-the-wheel road test. Before conducting a behind-the-wheel road test for an applicant seeking a vehicle group designation, including any upgrade to a vehicle group designation, or for any indorsement required to operate a commercial motor vehicle, the examiner shall determine that the applicant was issued his or her commercial learner's permit not less than 14 days before the date of that test and that he or she has that permit in his or her possession.

(7) A person who corrupts or attempts to corrupt a designated examining officer appointed or designated by the secretary of state under this section or section 310e by giving, offering, or promising any gift or gratuity with the intent to influence the opinion or decision of the examining officer conducting the test is guilty of a felony.

(8) A designated examining officer appointed or designated by the secretary of state who conducts a driving skills test under an agreement entered into under this section or section 310e and who varies from, shortens, or in any other way changes the method or examination criteria prescribed in that agreement in conducting a driving skills test is guilty of a felony.

(9) A person who forges, counterfeits, or alters a satisfactorily completed driving skills test certification issued by a designated examining officer appointed or designated by the secretary of state under this section or section 310e is guilty of a felony.

(10) The secretary of state shall waive the requirement of a written knowledge test, road sign test, and driving skills test of an applicant for an original motorcycle endorsement if the person has successfully passed a motorcycle safety course approved by the department as described in sections 811a and 811b.

(11) An operator's or chauffeur's license that expires on or after March 1, 2020 is valid until March 31, 2021. An operator's or chauffeur's license that expires after March 31, 2021 but before August 1, 2021 is valid until 120 days after the date of the expiration.

In an agreement with another public or private corporation or agency to conduct a driving skills test under this section, the secretary of state shall prescribe the method and examination criteria to be followed by the corporation, agency, or examiner when conducting the driving skills test and the form of the certification to be issued to a person who satisfactorily completes a driving skills test. Sec. 312f. (1) Except as otherwise provided in this section, an individual shall be not less than 18 years of age before he or she is issued a vehicle group designation or endorsement, other than a motorcycle endorsement, or not less than 21 years of age and has been approved by the Transportation Security Administration for a hazardous material endorsement before he or she is issued a hazardous material endorsement on an operator's or chauffeur's license and, as provided in this section, the individual shall pass a knowledge test and a driving skills test that comply with minimum federal standards prescribed in 49 CFR part 383 and, beginning February 7, 2022, complete the entry level driver training described and required under 49 CFR part 380. The knowledge test and the driving skills test scores must be retained by the secretary of state as provided under 49 CFR 383.135. An individual who is 18 years of age or older operating a vehicle to be used for farming purposes only may obtain an A or B vehicle group designation or an F vehicle endorsement. Each written examination given to an applicant for a vehicle group designation or endorsement must include subjects designed to cover the type or general class of vehicle to be operated. Except as follows, an individual shall pass an examination that includes a driving skills test designed to test competency of the applicant for an original vehicle group designation and passenger endorsement on an operator's or chauffeur's license to drive that type or general class of vehicle upon the highways of this state with safety to persons and property and, beginning February 7, 2022, complete an entry level driver training:

(a) The secretary of state shall waive the driving skills test for an individual operating a vehicle that is used under the conditions described in section 312e(8)(a) to (d) unless the vehicle has a gross vehicle weight rating of 26,001 pounds or more on the power unit and is to be used to carry hazardous materials on which a placard is required under 49 CFR parts 100 to 199.

(b) The driving skills test may be waived if the applicant has a valid license with the appropriate vehicle

group designation, passenger vehicle endorsement, or school bus endorsement in another state issued in compliance with 49 USC 31301 to 31317, or if the individual successfully passes a driving skills test administered in another state that meets the requirements of federal law and the law of this state.

(c) The secretary of state may waive the knowledge test and the driving skills test required under this section for an individual with military commercial motor vehicle experience if the individual, at the time of application, certifies and provides evidence satisfactory to the secretary of state that he or she continuously met all of the requirements under 49 CFR part 383 during the 2-year period immediately preceding the date of application for the commercial driver license.

(d) Beginning February 7, 2022, the secretary of state may waive the entry level driver training required under this section for an individual who, at the time of application, certifies and provides evidence satisfactory to the secretary of state that he or she meets 1 of the exceptions for taking a driving skills test under 49 CFR part 383.

(2) Except for an individual who has held an operator's or chauffeur's license for less than 1 year, the secretary of state shall waive the knowledge test and the driving skills test and issue a 1-year seasonal restricted vehicle group designation to an otherwise qualified applicant to operate a group B or a group C vehicle for a farm related service industry if all of the following conditions are met:

(a) The applicant meets the requirements of 49 CFR 383.77.

(b) The seasons for which the seasonal restricted vehicle group designation is issued are from April 2 to June 30 and from September 2 to November 30 only of a 12-month period or, at the option of the applicant, for not more than 180 days from the date of issuance in a 12-month period.

(c) The commercial motor vehicle for which the seasonal restricted vehicle group designation is issued must be operated only if all the following conditions are met:

(i) The commercial motor vehicle is operated only on routes within 150 miles from the place of business to the farm or farms being served.

(ii) The commercial motor vehicle does not transport a quantity of hazardous materials on which a placard under 49 CFR parts 100 to 199 is required except for the following:

(A) Diesel motor fuel in quantities of 1,000 gallons or less.

(B) Liquid fertilizers in quantities of 3,000 gallons or less.

(C) Solid fertilizers that are not transported with any organic substance.

(iii) The commercial motor vehicle does not require the H, N, P, S, T, or X vehicle endorsement.

(3) A seasonal restricted vehicle group designation under this section must be issued, suspended, revoked, canceled, denied, or renewed in accordance with this act. The secretary of state may renew a seasonal restricted vehicle group designation 1 time per calendar year regardless of whether the seasonal restricted vehicle group designation is expired at the time of renewal.

(4) The secretary of state may enter into an agreement with another public or private corporation or agency to conduct a driving skills test required under this section, section 312e, or 49 CFR part 383 or to provide the entry level driver training described and required under 49 CFR part 380. Before the secretary of state authorizes an individual to administer a corporation's or agency's driver skills testing operations, authorizes an examiner to conduct a driving skills test, or authorizes an entry level driver training provider that meets the requirements of 49 CFR 380.700 to conduct an entry level driving training, that individual, examiner, or entry level driver training provider must complete both a state and Federal Bureau of Investigation fingerprint-based criminal history check through the department of state police.

(5) The secretary of state shall not issue a commercial learner's permit, a vehicle group designation, or a vehicle endorsement to an applicant for an original vehicle group designation or vehicle endorsement under section 312e or may cancel a commercial learner's permit or all vehicle group designations or endorsements on an individual's operator's or chauffeur's license to whom 1 or more of the following apply:

(a) The applicant has had his or her license suspended or revoked for a reason other than as provided in section 321a, 515, 732a, or 801c or section 30 of the support and parenting time enforcement act, 1982 PA 295, MCL 552.630, in the 36 months immediately preceding application. However, a vehicle group designation may be issued if the suspension or revocation was due to a temporary medical condition or failure to appear at a reexamination as provided in section 320.

(b) The applicant was convicted of or incurred a bond forfeiture in relation to a 6-point violation as provided in section 320a in the 24 months immediately preceding application if the violation occurred while the applicant was operating a commercial motor vehicle, or a violation of section 625(3) or former section 625b, or a local ordinance that substantially corresponds to section 625(3) or former section 625b in the 24 months immediately preceding application, if the applicant was operating any type of motor vehicle.

(c) The applicant is listed on the National Driver Register, the Commercial Driver's License Information System, the driving records of the state in which the applicant was previously licensed, or, beginning

November 18, 2024, the National Drug and Alcohol Clearinghouse as being disqualified from operating a commercial motor vehicle or as having a license or driving privilege suspended, revoked, canceled, or denied.

(d) The applicant is listed on the National Driver Register, the Commercial Driver's License Information System, or the driving records of the state in which the applicant was previously licensed as having had a license suspended, revoked, or canceled in the 36 months immediately preceding application if a suspension or revocation would have been imposed under this act had the applicant been licensed in this state in the original instance. This subdivision does not apply to a suspension or revocation that would have been imposed due to a temporary medical condition or under section 321a, 515, 732a, or 801c or section 30 of the support and parenting time enforcement act, 1982 PA 295, MCL 552.630.

(e) The applicant is subject to a suspension or revocation under section 319b or would have been subject to a suspension or revocation under section 319b if the applicant had been issued a vehicle group designation or vehicle endorsement.

(f) The applicant has been disqualified from operating a commercial motor vehicle under 49 USC 31301 to 31317 or the applicant's license to operate a commercial motor vehicle has been suspended, revoked, denied, or canceled within 36 months immediately preceding the date of application.

(g) The United States Secretary of Transportation has disqualified the applicant from operating a commercial motor vehicle.

(h) The applicant fails to satisfy the federal regulations promulgated under 49 CFR parts 383 and 391 by refusing to certify the type of commercial motor vehicle operation the applicant intends to perform and fails to present valid medical certification to the secretary of state if required to do so. The requirement of this subdivision is waived from July 1, 2020 to August 31, 2021, pursuant to the Waiver in Response to the COVID-19 National Emergency – For States, CDL Holders, CLP Holders, and Interstate Drivers Operating Commercial Motor Vehicles, or any extension of that waiver issued after August 31, 2021.

(i) The applicant has been disqualified from operating a commercial motor vehicle due to improper or fraudulent testing.

(j) If the secretary of state determines through a governmental investigation that there is reason to believe that a commercial driver license or endorsement was issued as a result of fraudulent or improper conduct in taking a knowledge test or driving skills test required under 49 CFR part 383 or in completing the entry level driver training described and required under 49 CFR part 380, the secretary of state shall require the applicant to retake and successfully pass that test or complete the training. The secretary of state shall cancel any commercial driver license or endorsement issued as a result of the suspect test or training unless the applicant retakes and passes that test or completes the training.

(6) The secretary of state shall not renew or upgrade a vehicle group designation if 1 or more of the following conditions exist:

(a) The United States Secretary of Transportation has disqualified the applicant from operating a commercial motor vehicle.

(b) The applicant is listed on the National Driver Register, the Commercial Driver's License Information System, or, beginning November 18, 2024, the National Drug and Alcohol Clearinghouse as being disqualified from operating a commercial motor vehicle or as having a driver license or driving privilege suspended, revoked, canceled, or denied.

(c) On or after January 30, 2012, the applicant fails to meet the requirements of 49 CFR parts 383 and 391 by refusing to certify the type of commercial motor vehicle operation the applicant intends to perform and fails to present medical certification to the secretary of state if required to do so. The requirement of this subdivision is waived from July 1, 2020 to August 31, 2021, pursuant to the Waiver in Response to the COVID-19 National Emergency – For States, CDL Holders, CLP Holders, and Interstate Drivers Operating Commercial Motor Vehicles, or any extension of that waiver issued after August 31, 2021.

(7) The secretary of state shall only consider bond forfeitures under subsection (5)(b) for violations that occurred on or after January 1, 1990 when determining the applicability of subsection (5).

(8) If an applicant for an original vehicle group designation was previously licensed in another jurisdiction, the secretary of state shall request a copy of the applicant's driving record from that jurisdiction. If 1 or more of the conditions described in subsection (5) exist in that jurisdiction when the secretary of state receives the copy, the secretary of state shall cancel all vehicle group designations on the individual's operator's or chauffeur's license.

(9) The secretary of state shall cancel all vehicle group designations on an individual's operator's or chauffeur's license upon receiving notice from the United States Secretary of Transportation, the National Driver Register, the Commercial Driver's License Information System, or another state or jurisdiction that 1 or more of the conditions described in subsection (5) existed at the time of the individual's application in this state.

(10) The secretary of state shall cancel all vehicle group designations on the individual's operator's or chauffeur's license upon receiving proper notice that the individual no longer meets the federal driver qualification requirements under 49 CFR parts 380, 383, and 391 to operate a commercial motor vehicle in interstate or intrastate commerce, or the individual no longer meets the driver qualification requirements to operate a commercial motor vehicle in intrastate commerce under the motor carrier safety act of 1963, 1963 PA 181, MCL 480.11 to 480.25.

(11) Subsection (5)(a), (b), (d), and (f) does not apply to an applicant for an original vehicle group designation who at the time of application has a valid license to operate a commercial motor vehicle issued by any state in compliance with 49 USC 31301 to 31317.

(12) As used in this section, "farm related service industry" means custom harvesters, farm retail outlets and suppliers, agri-chemical business, or livestock feeders.

If the hearing officer issues a restricted license following a hearing held after October 1, 1999, he or she shall do both of the following:

(a) Require a properly installed and functioning ignition interlock device on each motor vehicle the person owns or intends to operate, the costs of which shall be borne by the person whose license is restricted.

(b) Condition issuance of a restricted license upon verification by the secretary of state that an ignition interlock device has been installed.

(7) The hearing officer shall not issue a restricted license under subsection (6) that would permit the person to operate a commercial motor vehicle that hauls hazardous material.

(8) If the hearing officer issues a restricted license to a person who intends to operate a vehicle owned by his or her employer, the secretary of state shall notify the employer of the employee's license restriction that requires the installation of an ignition interlock device. An employer who receives notice under this subsection is not required to install an ignition interlock device on the employer-owned vehicle. This subsection does not apply to a vehicle that is operated by a self-employed individual who uses the vehicle for both business and personal use.

(9) If the hearing officer issues a restricted license requiring an ignition interlock device, the initial period for requiring the device shall be not less than 1 year.

257.322a Ignition interlock device; removal; issuance of order required.

Sec. 322a. A person who is issued a restricted license by the department requiring an ignition interlock device shall not remove the device or cause the device to be removed unless the department has issued an order authorizing its removal.

History: Add. 2008, Act 462, Eff. Oct. 31, 2010.

257.323 Denial, revocation, suspension, or restriction of operator or chauffeur's license, vehicle group designation, or indorsement; final determination; petition for review of determination; order setting cause for hearing; service of order, petition, and affidavits on secretary of state's office; testimony and examination; order affirming, modifying, or setting aside restriction, suspension, or denial; conditions; restricted driving privileges; vehicle owned by employer; notification; other requirements.

Sec. 323. (1) A person aggrieved by a final determination of the secretary of state denying the person an operator's or chauffeur's license, a vehicle group designation, or an indorsement on a license or revoking, suspending, or restricting an operator's or chauffeur's license, vehicle group designation, or an indorsement may petition for a review of the determination in the circuit court in the county where the person was arrested if the denial or suspension was imposed under section 625f or under the order of a trial court under section

328 or, in all other cases, in the circuit court in the person's county of residence. The person shall file the petition within 63 days after the determination is made except that for good cause shown the court may allow the person to file petition within 182 days after the determination is made. As provided in section 625f, a peace officer aggrieved by a determination of a hearing officer in favor of a person who requested a hearing under section 625f may, with the prosecuting attorney's consent, petition for review of the determination in the circuit court in the county where the arrest was made. The peace officer shall file the petition within 63 days after the determination is made except that for good cause shown the court may allow the peace officer to file the petition within 182 days after the determination is made.

(2) Except as otherwise provided in this section, the circuit court shall enter an order setting the cause for hearing for a day certain not more than 63 days after the order's date. The order, a copy of the petition that includes the person's full name, current address, birth date, and driver's license number, and all supporting affidavits must be served on the secretary of state's office in Lansing not less than 20 days before the date set for the hearing. If the person is seeking a review of the record prepared under section 322 or section 625f, the service upon the secretary of state must be made not less than 50 days before the date set for the hearing.

(3) The court may take testimony and examine all the facts and circumstances relating to the denial, suspension, or restriction of the person's license under sections 303(1)(d), 320, or 904(10) or (11), a licensing action under section 310d, or a suspension for a first violation under section 625f. The court may affirm, modify, or set aside the restriction, suspension, or denial, except the court shall not order the secretary of state to issue a restricted or unrestricted chauffeur's license that would permit the person to drive a commercial motor vehicle that hauls a hazardous material. The court shall enter the order and the petitioner shall file a certified copy of the order with the secretary of state's office in Lansing within 7 days after entry of the order.

(4) Except as otherwise provided in this section, in reviewing a determination resulting in a denial, suspension, restriction, or revocation under this act, the court shall confine its consideration to a review of the record prepared under section 322 or 625f or the driving record created under section 204a for a statutory legal issue, and may determine that the petitioner is eligible for full driving privileges or, if the petitioner is subject to a revocation under section 303, may determine that the petitioner is eligible for restricted driving privileges. The court shall set aside the secretary of state's determination only if 1 or more of the following apply:

(a) In determining whether a petitioner is eligible for full driving privileges, the petitioner's substantial rights have been prejudiced because the determination is any of the following:

- (i) In violation of the Constitution of the United States, the state constitution of 1963, or a statute.
- (ii) In excess of the secretary of state's statutory authority or jurisdiction.
- (iii) Made upon unlawful procedure resulting in material prejudice to the petitioner.
- (iv) Not supported by competent, material, and substantial evidence on the whole record.
- (v) Arbitrary, capricious, or clearly an abuse or unwarranted exercise of discretion.
- (vi) Affected by other substantial and material error of law.

(b) In determining whether a petitioner is eligible for review of a revocation or denial under section 303, or whether a petitioner is eligible for restricted driving privileges, all of the following apply:

- (i) The petitioner's substantial rights have been prejudiced as described in subdivision (a).
- (ii) All of the following are satisfied:

(A) The revocation or denial occurred at least 1 year after the petitioner's license was revoked or denied, or, if the petitioner's license was previously revoked or denied within the 7 years preceding the most recent revocation or denial, at least 5 years after the most recent revocation or denial, whichever is later.

(B) The court finds that the petitioner meets the department's requirements under the rules promulgated by the department under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.238. For purposes of this sub-subparagraph only, the court may take additional testimony to supplement the record prepared under section 322 or 625f or the driving record created under section 204a, but shall not expand the record.

(C) If the revocation or denial was under section 303(2)(a), (b), (c), or (g), the petitioner rebuts by clear and convincing evidence the presumption that he or she is a habitual offender, and establishes to the court's satisfaction that he or she is likely to adhere to any requirements imposed by the court. For purposes of this sub-subparagraph, the conviction that resulted in the revocation and any record of denial of reinstatement by the department are prima facie evidence that the petitioner is a habitual offender. For purposes of this sub-subparagraph only, the court may take additional testimony to supplement the record prepared under section 322 or 625f or the driving record created under section 204a, but shall not expand the record.

(5) If the court determines that a petitioner is eligible for restricted driving privileges under subsection (4)(b), the court shall issue an order that includes, but is not limited to, all of the following:

- (a) The court's findings under section 303 and R 257.1 to R 257.1727 of the Michigan Administrative

Code.

(b) A requirement that each motor vehicle operated by the petitioner be equipped with a properly installed and functioning ignition interlock device for a period of not less than 1 year before the petitioner will be eligible to return to the secretary of state for a hearing. The petitioner shall bear the cost of an ignition interlock device required under this subdivision. A restricted license must not be issued to the petitioner until the secretary of state has verified that 1 or more ignition interlock devices, if applicable, have been installed as required by this subdivision.

(c) A method by which the court will verify that the petitioner maintains no-fault insurance for each vehicle described in subdivision (b) as required by chapter 31 of the insurance code of 1956, 1956 PA 218, MCL 500.3101 to 500.3179.

(d) A requirement that a restricted license issued to the petitioner must not permit the petitioner to operate a commercial motor vehicle that hauls hazardous materials.

(e) A provision that the secretary of state shall revoke the petitioner's restricted license if any of the following occur:

(i) The petitioner violates the restrictions on his or her license.

(ii) The petitioner violates subdivision (b).

(iii) The petitioner removes, or causes to be removed, an ignition interlock device required under subdivision (b), unless the secretary of state has authorized the removal under section 322a.

(iv) The petitioner commits an act that would be a major violation if the petitioner's license had been issued under section 322(6) or consumes alcohol or a controlled substance without a prescription. As used in this subparagraph, "major violation" means that term as defined in R 257.301a of the Michigan Administrative Code.

(v) The petitioner is arrested for a violation of section 625 or a local ordinance, law of this state or another state, or law of the United States that substantially corresponds to section 625.

(6) If the court determines that a petitioner is eligible for restricted driving privileges under this section and the petitioner intends to operate a vehicle owned by his or her employer, the court shall notify the employer of the petitioner's obligation under subsection (5)(b). This subsection does not require an employer who receives a notice under this subsection to install an ignition interlock device on a vehicle. This subsection does not apply to a vehicle that is operated by a self-employed individual who uses the vehicle for both business and personal use.

(7) If a court determines that a petitioner is eligible for restricted driving privileges, the secretary of state shall not issue a restricted license to the petitioner until he or she has satisfied any other applicable requirements of state or federal law, and shall not issue a restricted license to the petitioner if the order granting eligibility for restricted driving privileges does not comply with subsection (5).

(8) If a court determines that a petitioner is eligible for restricted driving privileges, the court shall notify the department of its determination through the issuance of an order under subsection (5) and shall not retain jurisdiction over a license issued under this section.

257.323d Drug case information management fund; creation; purpose; expenditure; crediting and investing money; reversion; distribution of amounts by state court administrator; reimbursement of costs.

Sec. 323d. (1) The drug case information management fund is created as a separate fund in the state treasury. The purpose of the fund is to help defray the costs of complying with requirements for the timely management and reporting to the secretary of state of information concerning cases involving an attempt to violate, a conspiracy to violate, or a violation of part 74 or section 17766a of the public health code, Act No. 368 of the Public Acts of 1978, being sections 333.7401 to 333.7461 and 333.17766a of the Michigan Compiled Laws, or of a local ordinance that prohibits conduct prohibited under part 74 or section 17766a of Act No. 368 of the Public Acts of 1978. Money in the fund shall be expended only as provided in subsection (3).

(2) The state treasurer shall credit the drug case information management fund with the money collected from license reinstatement fees as provided in section 320e(2). The state treasurer may invest money contained in the drug case information management fund in any manner authorized by law for the investment of state money. The state treasurer shall credit all earnings from the fund to the fund. Money in the fund at the end of the fiscal year shall remain in the fund and shall not revert to the general fund.

(3) The state court administrator, at the direction of the supreme court and upon confirmation of the amount by the state treasurer, shall distribute from the drug case information management fund the total amount available in a fiscal year to each circuit of the circuit court, each district of the district court, and each probate court as provided in this subsection. The state court administrator, after reimbursement of costs as provided in this subsection, shall distribute the balance of the drug case information management fund annually after costs are disbursed to each circuit of the circuit court, each district of the district court, and each probate court in an amount determined by multiplying the amount available for distribution by a fraction, the numerator of which is the number of cases in which the defendant was charged with an attempt to violate, a conspiracy to violate, or a violation of part 74 or section 17766a of Act No. 368 of the Public Acts of 1978, or a local ordinance that prohibits conduct prohibited under part 74 or section 17766a of Act No. 368 of the Public Acts of 1978, in the prior calendar year in that circuit of the circuit court, that district of the district court, or that probate court, as certified by the state court administrator, and the denominator of which is the total number of cases in all circuits of the circuit court, all districts of the district court, and all probate courts in which the defendant was charged with an attempt to violate, a conspiracy to violate, or a violation of part 74 of section 17766a of Act No. 368 of the Public Acts of 1978, or a local ordinance that prohibits conduct prohibited under part 74 or section 17766a of Act No. 368 of the Public Acts of 1978. Sec. 327. No person shall knowingly employ any chauffeur to operate a motor vehicle who is not licensed as provided in this chapter.

History: 1949, Act 300, Eff. Sept. 23, 1949.

257.328 Producing evidence of motor vehicle insurance upon request of police officer; violation as civil infraction; electronic copy; certificate of insurance as prima facie evidence that insurance in force; contents; presentation of proof of insurance to court;

civil infraction determination; surrendering license unless proof of insurance submitted to court; suspension of license by secretary of state; order; fee; renewal, transfer, or replacement of registration plate; producing false evidence as misdemeanor; penalty; points; section inapplicable to owner or operator of motor vehicle registered in other state or foreign country or province.

Sec. 328. (1) The owner of a motor vehicle who operates or permits the operation of the motor vehicle on the highways of this state or the operator of the motor vehicle shall produce, under subsection (2), on the request of a police officer, evidence that the motor vehicle is insured under chapter 31 of the insurance code of 1956, 1956 PA 218, MCL 500.3101 to 500.3179. Subject to section 907(14), an owner or operator of a motor vehicle who fails to produce evidence of insurance on request under this subsection or who fails to have motor vehicle insurance for the vehicle as required under chapter 31 of the insurance code of 1956, 1956 PA 218, MCL 500.3101 to 500.3179, is responsible for a civil infraction. If an individual displays an electronic copy of his or her certificate of insurance using an electronic device, the police officer shall only view the electronic copy of the certificate of insurance and shall not manipulate the electronic device to view any other information on the electronic device. An individual who displays an electronic copy of his or her certificate of insurance using an electronic device as provided in this subsection is not presumed to have consented to a search of the electronic device. A police officer may require the individual to electronically forward the electronic copy of the certificate of insurance to a specified location provided by the police officer. The police officer may then view the electronic copy of the certificate of insurance in a setting in which it is safe for the officer to verify that the information contained in the electronic copy of the certificate of insurance is valid and accurate. This state, a law enforcement agency, or an employee of this state or a law enforcement agency is not liable for damage to or loss of an electronic device that occurs as a result of a police officer's viewing an electronic copy of a certificate of insurance in the manner provided in this section, regardless of whether the police officer or the owner or operator of the vehicle was in possession of the electronic device at the time the damage or loss occurred.

(2) A certificate of insurance, in paper or electronic form and issued by an insurance company, that certifies that the security that meets the requirements of sections 3101 and 3102 of the insurance code of 1956, 1956 PA 218, MCL 500.3101 and 500.3102, is in force is prima facie evidence that insurance is in force for the motor vehicle described in the certificate of insurance until the expiration date shown on the certificate. The certificate, in addition to describing the motor vehicles for which insurance is in effect, must, if applicable, state the name of each individual named on the policy, policy declaration, or a declaration certificate whose operation of the vehicle would cause the liability coverage of that insurance to become void.

(3) If, before the appearance date on a citation issued under subsection (1), the defendant submits proof to the court that the motor vehicle had insurance meeting the requirements of sections 3101 and 3102 of the insurance code of 1956, 1956 PA 218, MCL 500.3101 and 500.3102, at the time the violation of subsection (1) occurred, all of the following apply:

(a) The court shall not assess a fine or costs.

(b) The court shall not forward an abstract of the court record to the secretary of state.

(c) The court may assess a fee of not more than \$25.00 that shall be paid to the court funding unit.

(4) If an owner or operator of a motor vehicle is determined to be responsible for a violation of subsection (1), the court in which the civil infraction determination is entered may require the individual to surrender his or her operator's or chauffeur's license unless proof that the vehicle has insurance that meets the requirements of sections 3101 and 3102 of the insurance code of 1956, 1956 PA 218, MCL 500.3101 and 500.3102, is submitted to the court. If the court requires the license to be surrendered, the court shall order the secretary of state to suspend the individual's license. The court shall immediately destroy the license and shall forward an abstract of the court record to the secretary of state as required by section 732. On receipt of the abstract, the secretary of state shall suspend the individual's license beginning with the date on which the individual is determined to be responsible for the civil infraction for a period of 30 days or until proof of insurance that meets the requirements of sections 3101 and 3102 of the insurance code of 1956, 1956 PA 218, MCL 500.3101 and 500.3102, is submitted to the secretary of state, whichever occurs later. An individual who submits proof of insurance to the secretary of state under this subsection shall pay a service fee of \$25.00 to the secretary of state. The individual shall not be required to be examined under section 320c and shall not be required to pay a replacement license fee.

(5) If an owner or operator of a motor vehicle is determined to be responsible for a violation of subsection (1), the court in which the civil infraction determination is entered shall notify the secretary of state of the vehicle registration number and the year and make of the motor vehicle being operated at the time of the violation. A notification under this subsection must be made on the abstract or on a form approved by the

supreme court administrator. On receipt, the secretary of state shall immediately enter this information in the records of the department. The secretary of state shall not renew, transfer, or replace the registration plate of the vehicle involved in the violation or allow the purchase of a new registration plate for the vehicle involved in the violation until the owner meets the requirements of section 227a or unless the vehicle involved in the violation is transferred or sold to a person other than the owner's spouse, mother, father, sister, brother, or child.

(6) An owner or operator of a motor vehicle who knowingly produces false evidence under this section is guilty of a misdemeanor punishable by imprisonment for not more than 1 year or a fine of not more than \$1,000.00, or both.

(7) Points must not be entered on a driver's record under section 320a for a violation of this section.

(8) This section does not apply to the owner or operator of a motor vehicle that is registered in a state other than this state or a foreign country or province.

257.329 Possessing, selling, or offering for sale a stolen, false, or counterfeit certificate of insurance; penalty.

Sec. 329. (1) A person who knowingly possesses, sells, or offers for sale a stolen, false, or counterfeit certificate of insurance is guilty of a felony.

(2) A person who is convicted of a second violation of this section shall be punished by imprisonment for not less than 2 years or more than 7 years, or by a fine of not less than \$1,500.00 or more than \$7,000.00, or both.

(3) A person who is convicted of a third or subsequent violation of this section shall be punished by imprisonment for not less than 5 years or more than 15 years, or by a fine of not less than \$5,000.00 or more than \$15,000.00, or both.

CHAPTER IV CIVIL LIABILITY ACT

CIVIL LIABILITY OF OWNERS AND OPERATORS OF MOTOR VEHICLES

257.401 Civil actions; liability of owner; liability of lessor; construction of subsections (3) and (4); "motor vehicle" defined; liability for off lease vehicle.

Sec. 401. (1) This section shall not be construed to limit the right of a person to bring a civil action for damages for injuries to either person or property resulting from a violation of this act by the owner or operator of a motor vehicle or his or her agent or servant. The owner of a motor vehicle is liable for an injury caused by the negligent operation of the motor vehicle whether the negligence consists of a violation of a statute of this state or the ordinary care standard required by common law. The owner is not liable unless the motor vehicle is being driven with his or her express or implied consent or knowledge. It is presumed that the motor vehicle is being driven with the knowledge and consent of the owner if it is driven at the time of the injury by his or her spouse, father, mother, brother, sister, son, daughter, or other immediate member of the family.

(2) A person engaged in the business of leasing motor vehicles who is the lessor of a motor vehicle under a lease providing for the use of the motor vehicle by the lessee for a period that is greater than 30 days, or a dealer acting as agent for that lessor, is not liable at common law for damages for injuries to either person or property resulting from the operation of the leased motor vehicle, including damages occurring after the expiration of the lease if the vehicle is in the possession of the lessee.

(3) Notwithstanding subsection (1), a person engaged in the business of leasing motor vehicles who is the lessor of a motor vehicle under a lease providing for the use of the motor vehicle by the lessee for a period of 30 days or less is liable for an injury caused by the negligent operation of the leased motor vehicle only if the injury occurred while the leased motor vehicle was being operated by an authorized driver under the lease agreement or by the lessee's spouse, father, mother, brother, sister, son, daughter, or other immediate family member. Unless the lessor, or his or her agent, was negligent in the leasing of the motor vehicle, the lessor's liability under this subsection is limited to \$20,000.00 because of bodily injury to or death of 1 person in any 1 accident and \$40,000.00 because of bodily injury to or death of 2 or more persons in any 1 accident.

(4) A person engaged in the business of leasing motor vehicles as provided under subsection (3) shall notify a lessee that the lessor is liable only up to the maximum amounts provided for in subsection (3), and only if the leased motor vehicle was being operated by the lessee or other authorized driver or by the lessee's

spouse, father, mother, brother, sister, son, daughter, or other immediate family member, and that the lessee may be liable to the lessor up to amounts provided for in subsection (3), and to an injured person for amounts awarded in excess of the maximum amounts provided for in subsection (3).

(5) Subsections (3) and (4) shall not be construed to expand or reduce, except as otherwise provided by this act, the liability of a person engaged in the business of leasing motor vehicles or to impair that person's right to indemnity or contribution, or both.

(6) As used in subsections (3), (4), and (5), "motor vehicle" means a self-propelled device by which a person or property may be transported upon a public highway. Motor vehicle does not include a bus, power shovel, road machinery, agricultural machinery, or other machinery or vehicle not designed primarily for highway transportation. Motor vehicle also does not include a device that moves upon or is guided by a track.

(7) A lessee in possession of an off lease vehicle, and not the dealer of the vehicle, is liable as the owner of the vehicle for any damages awarded for an injury to a person or property resulting from the operation of the vehicle. The dealer of an off lease vehicle may be liable at common law for damages awarded for an injury to a person or property resulting from the operation of the vehicle only if the dealer is in possession of the vehicle and the certificate of title and has acknowledged possession of the certificate of title to the lessor.

Constitutionality: The guest passenger exception to the owners liability statute is unconstitutional. Manistee Bank & Trust Company v McGowan, 394 Mich 655; 232 NW2d 636 (1975).

257.401a "Owner" defined.

Sec. 401a. As used in this chapter, "owner" does not include a person engaged in the business of leasing motor vehicles who is the lessor of a motor vehicle pursuant to a lease providing for the use of the motor vehicle by the lessee for a period that is greater than 30 days.

History: Add. 1988, Act 125, Imd. Eff. May 23, 1988.

257.402 Rear end collision; prima facie evidence of negligence.

Sec. 402. (a) In any action, in any court in this state when it is shown by competent evidence, that a vehicle traveling in a certain direction, overtook and struck the rear end of another vehicle proceeding in the same direction, or lawfully standing upon any highway within this state, the driver or operator of such first mentioned vehicle shall be deemed prima facie guilty of negligence. This section shall apply, in appropriate cases, to the owner of such first mentioned vehicle and to the employer of its driver or operator.

(b) This section may not be invoked by the owner of any vehicle, the rear of which was struck under the circumstances above mentioned, if the accident occurred between 1 hour after sunset and 1 hour before sunrise, and the vehicle so struck did not, at the time, have a lighted lamp or lantern reasonably visible to the drivers of vehicles approaching from the rear.

257.403 Nonresident vehicle operators; service of process, manner, record; service upon defendant, certification; taxable costs; application of section.

Sec. 403. (a) Service of summons in any action against a person, who at the time of such service is a nonresident of this state, growing out of any accident or collision in which such person may have been involved while operating a motor vehicle upon a public highway of this state or in which a motor vehicle owned by him may have been involved while being operated with his consent, express or implied, on such public highway, may be made upon the secretary of state as the true and lawful attorney of such person with the same legal force as if served on him personally within this state. Service of such summons shall be made by leaving a copy thereof with the secretary of state, or his deputy, who shall keep a record of each such process and the day and hour of service, and such service shall be sufficient service upon such nonresident, provided that notice of such service and a copy of the summons are forthwith either served upon the defendant personally by the sheriff or constable of the county in which he resides or sent by registered mail by the plaintiff or his attorney to the defendant. If personal service of such notice and copy of summons is had upon the defendant the officer making the service shall so certify in his return which shall be filed with the court having jurisdiction of said cause, or if service be made by registered mail then the plaintiff or his attorney shall make an affidavit showing that he has made service of the notice of summons upon the defendant by registered mail as herein provided and the affiant shall attach thereto a true copy of the summons and notice so served and the registry receipt of the defendant and shall file the affidavit and attached papers with the court having jurisdiction of the cause. The court in which the action is pending may order such extension of time as may be necessary to afford the defendant reasonable opportunity to defend the

action.

The death of the nonresident shall not operate to revoke the appointment by the nonresident of the secretary of state as his true and lawful attorney upon whom may be served the summons in an action against him growing out of any such accident or collision; and in event of his death, any action growing out of such accident or collision may be commenced or prosecuted against his executor or administrator duly appointed by the state, territory or district of the United States or foreign country in which the nonresident was domiciled at the time of his death, and service of the summons shall be made upon the secretary of state, and personal service of such notice and the copy of the summons be had upon his executor or administrator in like manner with the same force and effect as service upon such nonresident during his lifetime.

Any action or proceeding pending in any court of this state, in which the court shall have obtained jurisdiction of such nonresident pursuant to the provision of this statute, shall not abate by reason of the death of such nonresident, but his executor or administrator duly appointed in the state, territory or district of the United States or foreign country in which he was domiciled at the time of his death, shall, upon the application of the plaintiff in the action, and upon such notice as the court may prescribe, be brought in and substituted in the place of the decedent, and the action or proceeding shall continue.

(b) The court shall include as taxable costs, in addition to other legal costs, against the plaintiff in case the defendant shall prevail in such suit, the actual traveling expenses of the defendant from his residence to the place of trial and return not to exceed the sum of \$100.00.

(c) The provisions of this section shall apply to actions commenced in all courts of this state having civil jurisdiction, including justice courts.

(d) Any service of process made on the secretary of state under this section shall be accompanied by an affidavit by the plaintiff or his attorney setting forth that the defendant is a nonresident of this state, and if known, the last known nonresident address of the defendant.

Sec. 511. (1) If a person fails within 30 days to satisfy a judgment, the clerk of the court, or of the judge of a court that has no clerk, in which the judgment is rendered shall forward to the secretary of state immediately upon the request of the plaintiff or plaintiff's attorney after the expiration of 30 days an abstract of the court record of the judgment properly certified, on forms supplied by the department.

(2) Failure, refusal, or neglect to comply with subsection (1) constitutes misconduct in office and is grounds for removal from office.

(3) If the defendant named in an abstract of court record reported to the secretary of state under subsection

(1) is a nonresident, the secretary of state shall transmit a certified copy of the abstract of court record to the official in charge of issuing licenses and registration certificates of the state in which the defendant resides.

No license, registration or nonresident's operating privilege of any person shall be suspended under the provisions of this chapter if the secretary of state finds that an insurer was obligated to pay the judgment upon which the suspension is based, at least to the extent and for the amounts required in this chapter, but has not paid the judgment for any reason. A finding by the secretary of state that an insurer is obligated to pay a judgment is not binding upon the insurer and shall have no legal effect whatever except for the purpose of administering this section. Whenever in any judicial proceedings it is determined by any final judgment, decree or order that an insurer is not obligated to pay any judgment, the secretary of state, notwithstanding any contrary finding theretofore made by him, shall forthwith suspend as provided in section 512 the license and registration and any nonresident's operating privilege of any person against whom the judgment was rendered.

A true copy of the order shall be filed with the secretary of state. In lieu of a court order for installment payments, the judgment debtor and judgment creditor may make an agreement in writing, a copy of which shall be filed with the secretary of state, for the payment of the judgment in installments.

(b) The secretary of state shall not suspend a license, registration, or nonresident's operating privilege, and shall restore any license, registration, or nonresident's operating privilege suspended following non-payment of a judgment, when the judgment debtor gives proof of financial responsibility and obtains an order, or written agreement, permitting the payment of the judgment in installments, and while the payment of any installment is not in default.

(c) If the judgment debtor fails to pay any installments as specified by the order, or written agreement, then upon notice of the default, the secretary of state shall forthwith suspend the license, registration, or nonresident's operating privilege of the judgment debtor until the judgment is satisfied, as provided in this chapter.

Sec. 520. (a) A "motor vehicle liability policy" as used in this chapter, shall mean an owner's or an operator's policy of liability insurance, certified as provided in section 518 or section 519 as proof of financial responsibility, and issued, except as otherwise provided in section 519, by an insurance carrier duly authorized to transact business in this state, to or for the benefit of the person named therein as insured.

(b) Such owner's policy of liability insurance:

(1) Shall designate by explicit description or by appropriate reference all motor vehicles with respect to which coverage is thereby to be granted; and

(3) When a certificate is filed showing that a policy or policies have been issued covering all motor vehicles owned by the insured but not insuring such person when operating any motor vehicle not owned by him, it shall be unlawful for such person to operate any motor vehicle not owned by him or not covered by such certificate.

(c) Such operator's policy of liability insurance shall insure the person named as insured therein against loss from the liability imposed upon him by law for damages arising out of the use by him of any motor vehicle not owned by him, within the same territorial limits and subject to the same limits of liability as are set forth above with respect to an owner's policy of liability insurance.

(d) Such motor vehicle liability policy shall state the name and address of the named insured, the coverage afforded by the policy, the policy period, and the limits of liability, and shall contain an agreement or be indorsed that insurance is provided thereunder in accordance with the coverage defined in this chapter as respects bodily injury and death or property damage, or both, and is subject to all the provisions of this

chapter.

(e) Such motor vehicle liability policy need not insure any liability under any workmen's compensation law nor any liability on account of bodily injury to or death of an employee of the insured while engaged in the employment, other than domestic, of the insured, or while engaged in the operation, maintenance or repair of any such motor vehicle nor any liability for damage to property owned by, rented to, in charge of, or transported by the insured.

(f) Every motor vehicle liability policy shall be subject to the following provisions which need not be contained therein:

(1) The liability of the insurance carrier with respect to the insurance required by this chapter shall become absolute whenever injury or damage covered by said motor vehicle liability policy occurs; said policy may not be cancelled or annulled as to such liability by any agreement between the insurance carrier and the insured after the occurrence of the injury or damage; no statement made by the insured or on his behalf and no violation of said policy shall defeat or void said policy, and except as hereinafter provided, no fraud, misrepresentation, assumption of liability or other act of the insured in obtaining or retaining such policy, or in adjusting a claim under such policy, and no failure of the insured to give any notice, forward any paper or otherwise cooperate with the insurance carrier, shall constitute a defense as against such judgment creditor.

(2) The satisfaction by the insured of a judgment for such injury or damage shall not be a condition precedent to the right or duty of the insurance carrier to make payment on account of such injury or damage.

(3) If any person shall secure final judgment against the insured for loss or damage covered by any such policy and if such judgment is not satisfied within 30 days after it shall have become final, then such judgment creditor shall be entitled to recover under the terms of such policy in the same manner and to the same extent as the insured, except as hereinafter provided.

(4) The insurance carrier shall have the right to settle any claim covered by the policy, and if such settlement is made in good faith, the amount thereof shall be deductible from the limits of liability specified in subparagraph (2) of paragraph (b) of this section.

(5) The policy, the written application therefor, if any, and any rider or indorsement which does not conflict with the provisions of this chapter, shall constitute the entire contract between the parties.

(6) The insurance carrier shall not be liable on any judgment if it has not had prompt notice of and reasonable opportunity to appear in and defend the action in which such judgment was rendered, or if the judgment has been obtained through collusion between the judgment creditor and the insured.

(g) Any policy which grants the coverage required for a motor vehicle liability policy may also grant any lawful coverage in excess of or in addition to the coverage specified for a motor vehicle liability policy and such excess or additional coverage shall not be subject to the provisions of this chapter. With respect to a policy which grants such excess or additional coverage the term "motor vehicle liability policy" shall apply only to that part of the coverage which is required by this section.

(h) Any motor vehicle liability policy may provide that the insured shall reimburse the insurance carrier for any payment the insurance carrier would not have been obligated to make under the terms of the policy except for the provisions of this chapter.

(i) Any motor vehicle liability policy may provide for the prorating of the insurance thereunder with other valid and collectible insurance.

(j) The requirements for a motor vehicle liability policy may be fulfilled by the policies of 1 or more insurance carriers which policies together meet such requirements.

(k) Any carrier authorized to issue motor vehicle liability policies may, pending the issuance of such a policy, execute an agreement, to be known as a "binder", or may, in lieu of such a policy, issue an indorsement to an existing policy. Every such binder or indorsement shall be subject to the provisions of this section and shall be construed to provide indemnity or insurance in like manner and to the same extent as a motor vehicle liability policy.

A certification of the applicant as to the nonexistence of the facts described in this subsection, that the applicant has been released from liability, or has been finally adjudicated not to be liable for the injury or damage, shall be sufficient evidence of the nonexistence of those facts, in the absence of evidence to the contrary, in the records of the secretary of state.

(3) If a person whose proof has been canceled or returned under subsection (1)(c) applies for a license or registration within a period of 3 years from the date proof was originally required, the application shall be refused unless the applicant reestablishes the proof for the remainder of the 3-year period.

Sec. 612. (1) When traffic is controlled by traffic control signals, not fewer than 1 signal shall be located over the traveled portion of the roadway so as to give vehicle operators a clear indication of the right-of-way assignment from their normal positions approaching the intersection. The vehicle signals shall exhibit different colored lights successively, 1 at a time, or with arrows. Red arrow and yellow arrow indications have the same meaning as the corresponding circular indications, except that they apply only to vehicle operators intending to make the movement indicated by the arrow. The following colors shall be used, and the terms and lights shall indicate and apply to vehicle operators as follows:

(a) If the signal exhibits a green indication, vehicular traffic facing the signal may proceed straight through or turn right or left unless a sign at that place prohibits either turn. Vehicular traffic, including vehicles turning right or left, shall yield the right-of-way to other vehicles and to pedestrians and bicyclists lawfully within the intersection or an adjacent crosswalk at the time the signal is exhibited.

(b) If the signal exhibits a steady yellow indication, vehicular traffic facing the signal shall stop before entering the nearest crosswalk at the intersection or at a limit line when marked, but if the stop cannot be made in safety, a vehicle may be driven cautiously through the intersection.

(c) If the signal exhibits a steady red indication, the following apply:

(i) Vehicular traffic facing a steady red signal alone shall stop before entering the crosswalk on the near side of the intersection or at a limit line when marked or, if there is no crosswalk or limit line, before entering the intersection and shall remain standing until a green indication is shown, except as provided in subparagraph (ii).

(ii) Vehicular traffic facing a steady red signal, after stopping before entering the crosswalk on the near side of the intersection or at a limit line when marked or, if there is no crosswalk or limit line, before entering the intersection, may make a right turn from a 1-way or 2-way street into a 2-way street or into a 1-way street carrying traffic in the direction of the right turn or may make a left turn from a 1-way or 2-way street into a 1-way roadway carrying traffic in the direction of the left turn, unless prohibited by sign, signal, marking, light, or other traffic control device. The vehicular traffic shall yield the right of way to pedestrians and bicyclists lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.

(d) If the signal exhibits a steady green arrow indication, vehicular traffic facing the green arrow signal, shown alone or in combination with another indication, may cautiously enter the intersection only to make the movement indicated by the arrow or other movement permitted by other indications shown at the same time. The vehicular traffic shall yield the right-of-way to pedestrians and bicyclists lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.

(2) If a traffic control signal is erected and maintained at a place other than an intersection, the provisions of this section apply except for those provisions that by their nature cannot apply. Any stop required shall be made at a sign or marking on the pavement indicating where the stop shall be made, but in the absence of a sign or marking, the stop shall be made at the signal.

(3) A person who violates subsection (1) or (2) is responsible for a civil infraction.

(4) A vehicle operator who approaches a person using a wheelchair or a device to aid the person to walk at a crosswalk or any other pedestrian crossing shall take necessary precautions to avoid accident or injury to the person using the wheelchair or device. A person who violates this subsection is guilty of a misdemeanor.

(5) A sign prohibiting a turn on a red signal as provided in subsection (1)(c)(ii) shall be located above or adjacent to the traffic control signal or as close as possible to the point where the turn is made, or at both locations, so that 1 or more of the signs are visible to a vehicle operator intending to turn, at the point where the turn is made. An additional sign may be used at the far side of the intersection in the direct line of vision of the turning vehicle operator.

(6) Subject to federal law, a temporary traffic control signal may be located on, over, or adjacent to the traveled portion of the roadway.

(b) Don't walk (steady burning or flashing) interval—A pedestrian shall not start to cross the highway in the direction of the signals, but a pedestrian who has partially completed crossing on the walk interval of the signal shall proceed to a sidewalk or safety island while the don't walk interval of the signal is showing.

(2) Except as otherwise provided in subsection (5), a person may transport or possess alcoholic liquor in a container that is open or uncapped or upon which the seal is broken within the passenger area of a vehicle upon a highway or other place open to the general public or generally accessible to motor vehicles, including an area designated for the parking of vehicles in this state, if the vehicle does not have a trunk or compartment separate from the passenger area, and the container is in a locked glove compartment, behind the last upright seat, or in an area not normally occupied by the operator or a passenger.

(3) A person who violates this section is guilty of a misdemeanor. As part of the sentence, the person may be ordered to perform community service and undergo substance abuse screening and assessment at his or her own expense as described in section 703(1) of the Michigan liquor control code of 1998, 1998 PA 58, MCL 436.1703. A court shall not accept a plea of guilty or nolo contendere for a violation of this section from a person charged solely with a violation of section 625(6).

257.624b Transport or possession of alcoholic liquor by person less than 21 years of age.

Sec. 624b. (1) An individual less than 21 years of age shall not knowingly transport or possess alcoholic liquor in a motor vehicle as an operator or occupant unless the individual is employed by a licensee under the Michigan liquor control code of 1998, 1998 PA 58, MCL 436.1101 to 436.2303, a common carrier designated by the liquor control commission under the Michigan liquor control code of 1998, 1998 PA 58, MCL 436.1101 to 436.2303, the liquor control commission, or an agent of the liquor control commission and is transporting or having the alcoholic liquor in a motor vehicle under the individual's control during regular working hours and in the course of the individual's employment. This section does not prevent an individual less than 21 years of age from knowingly transporting alcoholic liquor in a motor vehicle if an individual at least 21 years of age is present inside the motor vehicle. An individual who violates this subsection is guilty of a misdemeanor. As part of the sentence, the individual may be ordered to perform community service and undergo substance abuse screening and assessment at his or her own expense as described in section 703(1) of the Michigan liquor control code of 1998, 1998 PA 58, MCL 436.1703.

(2) Within 30 days after the conviction for a violation of subsection (1) by the operator of a motor vehicle, which conviction has become final, the arresting law enforcement officer or the officer's superior may make a complaint before the court from which the warrant was issued. The complaint must be under oath and must describe the motor vehicle in which alcoholic liquor was possessed or transported by the operator, who is less than 21 years of age, in committing the violation and requesting that the motor vehicle be impounded as provided in this section. Upon the filing of the complaint, the court shall issue to the owner of the motor vehicle an order to show cause why the motor vehicle should not be impounded. The order to show cause must fix a date and time for a hearing, that is not less than 10 days after the issuance of the order. The order must be served by delivering a true copy to the owner not less than 3 full days before the date of hearing or, if the owner cannot be located, by sending a true copy by certified mail to the last known address of the owner. If the owner is a nonresident of the state, service may be made upon the secretary of state as provided in

section 403.

(3) If the court determines upon the hearing of the order to show cause, from competent and relevant evidence, that at the time of the commission of the violation the motor vehicle was being driven by the individual less than 21 years of age with the express or implied consent or knowledge of the owner in violation of subsection (1), and that the use of the motor vehicle is not needed by the owner in the direct pursuit of the owner's employment or the actual operation of the owner's business, the court may authorize the impounding of the vehicle for a period of not less than 15 days or more than 30 days. The court's order authorizing the impounding of the vehicle must authorize a law enforcement officer to take possession without other process of the motor vehicle wherever located and to store the vehicle in a public or private garage at the expense and risk of the owner of the vehicle. The owner of the vehicle may appeal the order to the circuit court and the provisions governing the taking of appeals from judgments for damages apply to the appeal. This section does not prevent a bona fide lienholder from exercising rights under a lien.

(4) A person who knowingly transfers title to a motor vehicle for the purpose of avoiding this section is responsible for a civil infraction and shall be ordered to pay a civil fine of not more than \$100.00.

(5) A law enforcement agency, upon determining that an individual less than 18 years of age allegedly violated this section, shall notify the parent or parents, custodian, or guardian of the individual as to the nature of the violation if the name of a parent, guardian, or custodian is reasonably ascertainable by the law enforcement agency. The notice required by this subsection must be made not later than 48 hours after the law enforcement agency determines that the individual who allegedly violated this section is less than 18 years of age and may be made in person, by telephone, or by first-class mail.

(20) A special verdict described in subsections (18) and (19) is not required if a jury is instructed to make a finding solely as to either of the following:

- (a) Whether the defendant was under the influence of a controlled substance or a combination of alcoholic liquor, a controlled substance, or other intoxicating substance at the time of the violation.
- (b) Whether the defendant was visibly impaired due to his or her consumption of a controlled substance or a combination of alcoholic liquor, a controlled substance, or other intoxicating substance at the time of the violation.

(23) In a prosecution for a violation of subsection (6), the defendant bears the burden of proving that the consumption of alcoholic liquor was a part of a generally recognized religious service or ceremony by a preponderance of the evidence.

(24) The court may order as a condition of probation that a person convicted of violating subsection (1) or (8), or a local ordinance substantially corresponding to subsection (1) or (8), shall not operate a motor vehicle unless that vehicle is equipped with an ignition interlock device approved, certified, and installed as required

under sections 625k and 625l.

(26) Except for purposes of the enhancement described in subsection (12)(b), only 1 violation or attempted violation of subsection (6), a local ordinance substantially corresponding to subsection (6), or a law of another state substantially corresponding to subsection (6) may be used as a prior conviction.

(27) If 2 or more convictions described in subsection (25) are convictions for violations arising out of the same transaction, only 1 conviction must be used to determine if the person has a prior conviction.

(28) Not later than 30 days after this state no longer receives annual federal highway construction funding conditioned on compliance with a national blood alcohol limit, the state treasurer shall certify that fact. 257.625a Arrest without warrant; circumstances; preliminary chemical breath analysis; provisions; operator ordered out-of-service; refusal of commercial motor vehicle operator to submit to chemical breath analysis as misdemeanor; penalty; provisions applicable to chemical tests and analysis; evidence; availability of test results; admissibility of refusal to submit to chemical test; definitions.

Sec. 625a. (1) A peace officer may arrest a person without a warrant under either of the following circumstances:

(a) The peace officer has reasonable cause to believe the person was, at the time of an accident in this state,

the operator of a vehicle involved in the accident and was operating the vehicle in violation of section 625 or a local ordinance substantially corresponding to section 625.

(b) The person is found in the driver's seat of a vehicle parked or stopped on a highway or street within this state if any part of the vehicle intrudes into the roadway and the peace officer has reasonable cause to believe the person was operating the vehicle in violation of section 625 or a local ordinance substantially corresponding to section 625.

(2) A peace officer who has reasonable cause to believe that a person was operating a vehicle upon a public highway or other place open to the public or generally accessible to motor vehicles, including an area designated for the parking of vehicles, within this state and that the person by the consumption of alcoholic liquor, a controlled substance, or other intoxicating substance or a combination of them may have affected his or her ability to operate a vehicle, or reasonable cause to believe that a person was operating a commercial motor vehicle within the state while the person's blood, breath, or urine contained any measurable amount of alcohol, a controlled substance, or any other intoxicating substance or while the person had any detectable presence of alcoholic liquor, a controlled substance or any other intoxicating substance, or any combination of them, or reasonable cause to believe that a person who is less than 21 years of age was operating a vehicle upon a public highway or other place open to the public or generally accessible to motor vehicles, including an area designated for the parking of vehicles, within this state while the person had any bodily alcohol content as that term is defined in section 625(6), may require the person to submit to a preliminary chemical breath analysis. The following provisions apply to a preliminary chemical breath analysis administered under this subsection:

(a) A peace officer may arrest a person based in whole or in part upon the results of a preliminary chemical breath analysis.

(b) The results of a preliminary chemical breath analysis are admissible in a criminal prosecution for a crime enumerated in section 625c(1) or in an administrative hearing for 1 or more of the following purposes:

(i) To assist the court or hearing officer in determining a challenge to the validity of an arrest. This subparagraph does not limit the introduction of other competent evidence offered to establish the validity of an arrest.

(ii) As evidence of the defendant's breath alcohol content, if offered by the defendant to rebut testimony elicited on cross-examination of a defense witness that the defendant's breath alcohol content was higher at the time of the charged offense than when a chemical test was administered under subsection (6).

(iii) As evidence of the defendant's breath alcohol content, if offered by the prosecution to rebut testimony elicited on cross-examination of a prosecution witness that the defendant's breath alcohol content was lower at the time of the charged offense than when a chemical test was administered under subsection (6).

(c) A person who submits to a preliminary chemical breath analysis remains subject to the requirements of sections 625c, 625d, 625e, and 625f for purposes of chemical tests described in those sections.

(d) Except as provided in subsection (5), a person who refuses to submit to a preliminary chemical breath analysis upon a lawful request by a peace officer is responsible for a civil infraction.

(3) A peace officer shall use the results of a preliminary chemical breath analysis conducted under this section to determine whether to order a person out-of-service under section 319d. A peace officer shall order out-of-service as required under section 319d a person who was operating a commercial motor vehicle and who refuses to submit to a preliminary chemical breath analysis as provided in this section. This section does not limit use of other competent evidence by the peace officer to determine whether to order a person out-of-service under section 319d.

(4) A person who was operating a commercial motor vehicle and who is requested to submit to a preliminary chemical breath analysis under this section must be advised that refusing a peace officer's request to take a test described in this section is a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$100.00, or both, and will result in the issuance of a 24-hour out-of-service order.

(5) A person who was operating a commercial motor vehicle and who refuses to submit to a preliminary chemical breath analysis upon a peace officer's lawful request is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$100.00, or both.

(6) The following provisions apply to chemical tests and analysis of a person's blood, urine, or breath, other than a preliminary chemical breath analysis:

(a) The amount of alcohol or presence of a controlled substance or other intoxicating substance in a driver's blood or urine or the amount of alcohol in a person's breath at the time alleged as shown by chemical analysis of the person's blood, urine, or breath is admissible into evidence in any civil or criminal proceeding and is presumed to be the same as at the time the person operated the vehicle.

(b) A person arrested for a crime described in section 625c(1) must be advised of all of the following:

(i) If he or she takes a chemical test of his or her blood, urine, or breath administered at the request of a peace officer, he or she has the right to demand that a person of his or her own choosing administer 1 of the chemical tests.

(ii) The results of the test are admissible in a judicial proceeding as provided under this act and will be considered with other admissible evidence in determining the defendant's innocence or guilt.

(iii) He or she is responsible for obtaining a chemical analysis of a test sample obtained at his or her own request.

(iv) If he or she refuses the request of a peace officer to take a test described in subparagraph (i), a test must not be given without a court order, but the peace officer may seek to obtain a court order.

(v) Refusing a peace officer's request to take a test described in subparagraph (i) will result in the suspension of his or her operator's or chauffeur's license and vehicle group designation or operating privilege and in the addition of 6 points to his or her driver record.

(c) A sample or specimen of urine or breath must be taken and collected in a reasonable manner. Only a licensed physician, or an individual operating under the delegation of a licensed physician under section 16215 of the public health code, 1978 PA 368, MCL 333.16215, qualified to withdraw blood and acting in a medical environment, may withdraw blood at a peace officer's request to determine the amount of alcohol or presence of a controlled substance or other intoxicating substance in the person's blood, as provided in this subsection. Liability for a crime or civil damages predicated on the act of withdrawing or analyzing blood and related procedures does not attach to a licensed physician or individual operating under the delegation of a licensed physician who withdraws or analyzes blood or assists in the withdrawal or analysis in accordance with this act unless the withdrawal or analysis is performed in a negligent manner.

(d) A chemical test described in this subsection must be administered at the request of a peace officer having reasonable grounds to believe the person has committed a crime described in section 625c(1). A person who takes a chemical test administered at a peace officer's request as provided in this section must be given a reasonable opportunity to have a person of his or her own choosing administer 1 of the chemical tests described in this subsection within a reasonable time after his or her detention. The test results are admissible and must be considered with other admissible evidence in determining the defendant's innocence or guilt. If the person charged is administered a chemical test by a person of his or her own choosing, the person charged is responsible for obtaining a chemical analysis of the test sample.

(e) If, after an accident, the driver of a vehicle involved in the accident is transported to a medical facility and a sample of the driver's blood is withdrawn at that time for medical treatment, the results of a chemical analysis of that sample are admissible in any civil or criminal proceeding to show the amount of alcohol or presence of a controlled substance or other intoxicating substance in the person's blood at the time alleged, regardless of whether the person had been offered or had refused a chemical test. The medical facility or person performing the chemical analysis shall disclose the results of the analysis to a prosecuting attorney who requests the results for use in a criminal prosecution as provided in this subdivision. A medical facility or person disclosing information in compliance with this subsection is not civilly or criminally liable for making the disclosure.

(f) If, after an accident, the driver of a vehicle involved in the accident is deceased, a sample of the decedent's blood must be withdrawn in a manner directed by the medical examiner to determine the amount of alcohol or the presence of a controlled substance or other intoxicating substance, or any combination of them, in the decedent's blood. The medical examiner shall give the results of the chemical analysis of the sample to the law enforcement agency investigating the accident and that agency shall forward the results to the department of state police.

(g) The department of state police shall promulgate uniform rules in compliance with the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, for the administration of chemical tests for the purposes of this section. An instrument used for a preliminary chemical breath analysis may be used for a chemical test described in this subsection if approved under rules promulgated by the department of state police.

(7) The provisions of subsection (6) relating to chemical testing do not limit the introduction of any other admissible evidence bearing upon any of the following questions:

(a) Whether the person was impaired by, or under the influence of, alcoholic liquor, a controlled substance or other intoxicating substance, or a combination of alcoholic liquor, a controlled substance, or other intoxicating substance.

(b) Whether the person had an alcohol content of 0.08 grams or more per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine or, beginning 5 years after the state treasurer publishes a certification under section 625(28), the person had an alcohol content of 0.10 grams or more per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine.

(c) If the person is less than 21 years of age, whether the person had any bodily alcohol content within his or her body. As used in this subdivision, "any bodily alcohol content" means either of the following:

(i) An alcohol content of 0.02 grams or more but less than 0.08 grams per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine or, beginning 5 years after the state treasurer publishes a certification under section 625(28), the person had an alcohol content of 0.02 grams or more but less than 0.10 grams or more per 100 milliliters of blood, per 210 liters of breath, or per 67 milliliters of urine.

(ii) Any presence of alcohol within a person's body resulting from the consumption of alcoholic liquor, other than the consumption of alcoholic liquor as a part of a generally recognized religious service or ceremony.

(8) If a chemical test described in subsection (6) is administered, the test results must be made available to the person charged or the person's attorney upon written request to the prosecution, with a copy of the request filed with the court. The prosecution shall furnish the results at least 2 days before the day of the trial. The prosecution shall offer the test results as evidence in that trial. Failure to fully comply with the request bars the admission of the results into evidence by the prosecution.

(9) A person's refusal to submit to a chemical test as provided in subsection (6) is admissible in a criminal prosecution for a crime described in section 625c(1) only to show that a test was offered to the defendant, but not as evidence in determining the defendant's innocence or guilt. The jury must be instructed accordingly.

(10) As used in this section:

(a) "Controlled substance" means that term as defined in section 7104 of the public health code, 1978 PA 368, MCL 333.7104.

(b) "Intoxicating substance" means that term as defined in section 625.

257.625b Arraignment of person arrested for misdemeanor violation; pretrial conference; advising accused of maximum penalty before acceptance of plea; screening, assessment, and rehabilitative services; assessment for medication-assisted treatment; action by secretary of state pending appeal.

Sec. 625b. (1) A person arrested for a misdemeanor violation of section 625(1), (3), (6), (7), or (8) or section 625m or a local ordinance substantially corresponding to section 625(1), (3), (6), or (8) or section 625m must be arraigned on the citation, complaint, or warrant not more than 14 days after the arrest for the violation or, if an arrest warrant is issued or reissued, not more than 14 days after the issued or reissued arrest warrant is served, whichever is later. The court shall not dismiss a case or impose any other sanction for a failure to comply with this time limit. The time limit does not apply to a violation of section 625(1), (3), (7), or (8) or section 625m punishable as a felony or a violation of section 625(1), (3), (6), (7), or (8) or section 625m joined with a felony charge.

(2) The court shall schedule a pretrial conference between the prosecuting attorney, the defendant, and the defendant's attorney in each case in which the defendant is charged with a misdemeanor violation of section 625(1), (3), (6), (7), or (8) or section 625m or a local ordinance substantially corresponding to section 625(1), (3), (6), or (8) or section 625m. The pretrial conference must be held not more than 35 days after the person's arrest for the violation or, if an arrest warrant is issued or reissued, not more than 35 days after the issued or reissued arrest warrant is served, whichever is later. If the court has only 1 judge who sits in more than 1 location in that district, the pretrial conference must be held not more than 42 days after the person's arrest for the violation or, if an arrest warrant is issued or reissued, not more than 42 days after the date the issued or reissued arrest warrant is served, whichever is later. The court shall not dismiss a case or impose any other

sanction for a failure to comply with the applicable time limit. The 35- and 42-day time limits do not apply to a violation of section 625(1), (3), (7), or (8) or section 625m punishable as a felony or a violation of section 625(1), (3), (6), (7), or (8) or section 625m joined with a felony charge. The court shall order the defendant to attend the pretrial conference and may accept a plea by the defendant at the conclusion of the pretrial conference. The court may adjourn the pretrial conference upon the motion of a party for good cause shown. Not more than 1 adjournment shall be granted to a party, and the length of an adjournment must not exceed 14 days.

(3) Except for delay attributable to the unavailability of the defendant, a witness, or material evidence or due to an interlocutory appeal or exceptional circumstances, but not a delay caused by docket congestion, the court shall finally adjudicate, by a plea of guilty or nolo contendere, entry of a verdict, or other final disposition, a case in which the defendant is charged with a misdemeanor violation of section 625(1), (3), (6), (7), or (8) or section 625m or a local ordinance substantially corresponding to section 625(1), (3), (6), or (8) or section 625m, within 77 days after the person is arrested for the violation or, if an arrest warrant is issued or reissued, not more than 77 days after the date the issued or reissued arrest warrant is served, whichever is later. The court shall not dismiss a case or impose any other sanction for a failure to comply with this time limit. The 77-day time limit does not apply to a violation of section 625(1), (3), (7), or (8) or section 625m punishable as a felony or a violation of section 625(1), (3), (6), (7), or (8) or section 625m joined with a felony charge.

(4) Before accepting a plea of guilty or nolo contendere under section 625 or a local ordinance substantially corresponding to section 625(1), (2), (3), (6), or (8), the court shall advise the accused of the maximum possible term of imprisonment and the maximum possible fine that may be imposed for the violation and shall advise the defendant that the maximum possible license sanctions that may be imposed will be based upon the master driving record maintained by the secretary of state under section 204a.

(5) Before imposing sentence for a violation of section 625(1), (3), (4), (5), (6), (7), or (8) or a local ordinance substantially corresponding to section 625(1), (3), (6), or (8), the court shall order the person to undergo screening and assessment by a person or agency designated by the office of substance abuse services to determine whether the person is likely to benefit from rehabilitative services, including alcohol or drug education and alcohol or drug treatment programs. Except as otherwise provided in this subsection, the court may order the person to participate in and successfully complete 1 or more appropriate rehabilitative programs as part of the sentence. If the person was convicted under section 625(1)(c) or has 1 or more prior convictions, the court shall order the person to participate in and successfully complete 1 or more appropriate rehabilitative programs as part of the sentence, including, but not limited to, an alcohol treatment program or a self-help program for a period of not less than 1 year. The treatment plan must be devised from an assessment performed by an appropriately licensed alcohol assessor and approved by the court. If the person has 2 or more prior convictions, the court shall order the person to undergo an assessment that uses a standardized evidence-based instrument performed by a provider or other licensed or certified substance use disorder professional to determine whether he or she has a diagnosis for alcohol dependence and would likely benefit from a United States Food and Drug Administration approved medication-assisted treatment that is indicated for the treatment of alcohol dependence, as specified in the most recent Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association. A person may request an independent assessment that uses a standardized evidence-based instrument and that is performed by a provider or other licensed or certified substance use disorder professional to determine whether he or she has a diagnosis for alcohol dependence and would likely benefit from a United States Food and Drug Administration approved medication-assisted treatment that is indicated for the treatment of alcohol dependence, as specified in the most recent Diagnostic and Statistical Manual of Mental Disorders published by the American Psychiatric Association. A court shall grant a request for an independent assessment and shall consider the results of the independent assessment along with the assessment required under this subsection when determining if the court will refer the person to a rehabilitative program that offers 1 or more forms of United States Food and Drug Administration-approved medications for the treatment of alcohol dependence. Only a provider may recommend that a person take medication-assisted treatment. A person always maintains the right to refuse ingestion or injection of medication. Only a provider may determine the type, dosage, and duration of the medication-assisted treatment. If the person refuses to take the medication-assisted treatment, the court shall not hold that person in contempt. As used in this subsection, "provider" means an individual with prescribing authority under the public health code, 1978 PA 368, MCL 333.1101 to 333.25211, who regularly communicates with the treatment team during the defendant's recovery and who has training or experience that demonstrates the provider's ability to treat and manage patients with alcohol dependency. If no other identified funding source is available, the person shall pay for the costs of the screening, assessment, or assessments, as applicable, and rehabilitative services ordered under this subsection.

This subsection does not require the person to successfully complete an ordered rehabilitative program before driving a vehicle with an ignition interlock device on a restricted license. (a) If the person was operating a vehicle other than a commercial motor vehicle, suspend or deny the person's operator's or chauffeur's license or permit to drive, or nonresident operating privilege, for 1 year or, for a second or subsequent refusal within 7 years, for 2 years. If the person is a resident without a license or permit to operate a vehicle in the state, the secretary of state shall not issue the person a license or permit for 1 year or, for a second or subsequent refusal within 7 years, for 2 years.

(b) If the person was operating a commercial motor vehicle, for the first refusal, suspend all vehicle group designations on the person's operator's or chauffeur's license or permit or nonresident privilege to operate a commercial motor vehicle or, if the person is a resident without a license or permit to operate a commercial motor vehicle in the state, not issue the person an operator's or chauffeur's license with vehicle group designations, for 1 year.

(c) If the person was operating a commercial motor vehicle, for a second or subsequent refusal that occurred in a separate incident from and within 10 years of a prior refusal, revoke all vehicle group designations on the person's operator's or chauffeur's license or permit or nonresident privilege to operate a commercial motor vehicle or, if the person is a resident without a license or permit to operate a commercial motor vehicle in the state, not issue the person an operator's or chauffeur's license with vehicle group designations, for not less than 10 years and until the person is approved for the issuance of a vehicle group designation.

(d) If the person was operating a commercial motor vehicle and was arrested for an offense enumerated in section 625c other than a violation of section 625a(5) or 625m, impose the license sanction described in subdivision (a) and the license sanction described in subdivision (b) or (c), as applicable.

(2) If a hearing is requested, the secretary of state shall hold the hearing in the same manner and under the same conditions as provided in section 322. Not less than 5 days' notice of the hearing shall be mailed to the person requesting the hearing, to the peace officer who filed the report under section 625d, and if the prosecuting attorney requests receipt of the notice, to the prosecuting attorney of the county where the arrest was made. The hearing officer may administer oaths, issue subpoenas for the attendance of necessary witnesses, and grant a reasonable request for an adjournment. Not more than 1 adjournment shall be granted to a party and the length of an adjournment shall not exceed 14 days. A hearing under this subsection shall be scheduled to be held within 45 days after the date of arrest for the violation. The hearing officer shall not

impose any sanction for a failure to comply with these time limits.

(3) Except for delay attributable to the unavailability of the defendant, a witness, or material evidence, or due to an interlocutory appeal or exceptional circumstances, but not a delay caused by docket congestion, a hearing shall be finally adjudicated within 77 days after the date of arrest. The hearing officer shall not impose any sanction for a failure to comply with this time limit.

(4) The hearing shall cover only the following issues:

Upon notification of the filing of a petition for judicial review pursuant to section 323 and not less than 10 days before the matter is set for review, the hearing officer shall transmit to the court in which the petition was filed the original or a certified copy of the official record of the proceedings. Proceedings at which evidence was presented need not be transcribed and transmitted if the sole reason for review is to determine whether the court will order the issuance of a restricted license. The parties to the proceedings for judicial review may stipulate that the record be shortened. A party unreasonably refusing to stipulate to a shortened record may be taxed by the court in which the petition is filed for the additional costs. The court may permit subsequent corrections to the record.

(7) If the person who requested a hearing does not prevail, the secretary of state shall impose the following license sanctions after the hearing:

(a) If the person was operating a vehicle other than a commercial motor vehicle, suspend or deny issuance of a license or driving permit or a nonresident operating privilege of the person for 1 year or, for a second or subsequent refusal within 7 years, for 2 years. If the person is a resident without a license or permit to operate a vehicle in the state, the secretary of state shall not issue the person a license or permit for 1 year or, for a second or subsequent refusal within 7 years, for 2 years. The person may file a petition in the circuit court of the county in which the arrest was made to review the suspension or denial as provided in section 323.

(8) If the person who requested the hearing prevails, the peace officer who filed the report under section 625d may, with the consent of the prosecuting attorney, file a petition in the circuit court of the county in which the arrest was made to review the determination of the hearing officer as provided in section 323.

(9) When it has been finally determined that a nonresident's privilege to operate a vehicle in the state has been suspended or denied, the department shall give notice in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of each state in which he or she has a license to operate a motor vehicle.

The state treasurer shall invest money in the fund in the same manner as surplus funds are invested under section 143 of 1855 PA 105, MCL 21.143. Earnings from the fund shall be credited to the fund. Money in the fund at the end of the fiscal year shall remain in the fund, and shall not revert to the general fund.

(2) The department of state police shall administer the fund. Money in the fund shall be used only to

administer the fund, to purchase and maintain breath alcohol testing equipment, and to provide training to law enforcement personnel of this state in the use of that breath alcohol testing equipment.

(3) The department of treasury shall, before November 1 of each year, notify the department of state police of the balance in the fund at the close of the preceding fiscal year.

(4) The department of state police shall promulgate rules to implement subsection (2).

(7) The state treasurer shall credit the drunk driving caseload assistance fund with deposits of proceeds from the collection of revenue from license reinstatement fees as provided for in section 320e, and all income from investment credited to the fund by the state treasurer. The state treasurer may invest money contained in the drunk driving caseload assistance fund in any manner authorized by law for the investment of state money. However, an investment shall not interfere with any apportionment, allocation, or payment of money as required by this section. The state treasurer shall credit to the fund all income earned as a result of an investment. Money in the fund at the end of the fiscal year shall remain in the fund and shall not revert to the general fund.

(8) The state court administrator, at the direction of the supreme court and upon confirmation of the amount by the state treasurer, shall distribute from the drunk driving caseload assistance fund the total amount available in a fiscal year to each district of the district court and each municipal court as provided in this section. The state court administrator, after reimbursement of costs as provided in this subsection, shall distribute the balance of the drunk driving caseload assistance fund annually to each district of the district court and each municipal court in an amount determined by multiplying the amount available for distribution by a fraction, the numerator of which is the number of cases in which the defendant was charged with a violation enumerated in subsection (5) in the prior calendar year in that district of the district court or that municipal court as certified by the state court administrator and the denominator of which is the total number of cases in all districts of the district court and all municipal courts in which the defendant was charged with a violation enumerated in subsection (5) in the calendar year. 257.625k Ignition interlock device manufacturer; certification; approval; requirements; rules; cost; notice to department by certifying laboratory; list of manufacturers; BAIID manufacturer; approval of BAIID service center; inspections; prohibited conduct by individual; installation requirements; installer qualifications and requirements; approval; renewal.

Sec. 625k. (1) An ignition interlock device (BAIID) manufacturer seeking certification of a device in this state shall do all of the following:

(a) Complete an application to the department for certification of the BAIID.

(b) Submit a report from a department-approved or National Highway Traffic Safety Administration-approved laboratory certifying that the BAIID meets or exceeds the model specifications for BAIIDs, 78 FR 26849 – 26867 (May 8, 2013), or any subsequent version. Subject to subsection (5), the department shall provide a list of all manufacturers of approved certified devices to each person who is approved to be issued a restricted license that permits the person to drive a vehicle only if equipped with a BAIID. The department shall rotate the order of the providers with each list provided under this subsection. Any model of an ignition interlock device certified by a department-approved laboratory as complying with

the model specifications for breath alcohol ignition interlock devices (BAIIDs), 57 FR 11772-11787 (April 7, 1992), that was installed in a vehicle before the effective date of the amendatory act that added this subdivision may be used in this state for the 24 months after the effective date of the amendatory act that added this subdivision.

(c) Ensure that a BAIID is capable of recording a digital image of the individual providing the sample, and record the time and date the sample was provided on or logically associated with the digital image. A BAIID presented to the department for certification may include additional technological features, including, but not limited to, the ability to remotely report information collected by the device.

(d) Agree to ensure proper record keeping in a format approved by the department and provide testimony relating to any aspect of the installation, service, repair, use, removal, or interpretation of any report or information recorded in the data storage system of a device or performance of any other duties required by this act at no cost on behalf of the state or any political subdivision of the state.

(2) The secretary of state shall promulgate rules to implement this section in compliance with the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

(3) The manufacturer of an ignition interlock device shall bear the cost of that device's certification.

(4) A laboratory that certifies an ignition interlock device as provided in this section shall immediately notify the department of that certification.

(5) The department shall not include the manufacturer of a certified ignition interlock device on the list of manufacturers published under subsection (1) unless the manufacturer complies with all of the following:

(a) The manufacturer has filed copies of all of the following with the department:

(i) A bond executed as provided in section 625o or a letter of credit.

(ii) Proof of liability insurance issued by an insurance company authorized to do business in this state specifying all of the following:

(A) That the policy is current and shall remain valid during the duration of device approval.

(B) The name and model number of the device model covered by the policy.

(C) That the policy has a minimum coverage of \$1,000,000.00 per occurrence and \$3,000,000.00 in the aggregate.

(D) That the policy will indemnify the department and any other person injured as a result of any defects in manufacture, materials, design, calibration, installation, or operation of the device.

(iii) An affidavit that the ignition interlock device meets or exceeds all of the following conditions:

(A) Meets the definition in section 20d.

(B) Is set to periodically take samples while the vehicle is in operation. After the vehicle is in operation, the device requires a first retest sample within 5 to 15 minutes of the operator starting the vehicle. The device prompts second and subsequent retests within 15 to 45 minutes of the first retest. The operator of the vehicle is afforded not more than 5 minutes to provide a passing retest sample for each retest prompted by the device. The device accepts multiple attempts to provide a retest sample without initiating a lockout. If the device detects an alcohol content of 0.025 grams or more per 210 liters of breath in the person who offers a breath sample or if a breath sample is not given within the allotted time the device does all of the following:

(I) Emits a visible or audible warning signal.

(II) Renders the vehicle inoperable as soon as the vehicle is no longer being operated, requiring the operator to provide a breath sample containing a breath alcohol level of less than 0.025 grams per 210 liters of breath before the vehicle may be restarted.

(III) Disables the free restart as defined by the National Highway Traffic Safety Administration standards.

(IV) Activates a violation reset. The device initiates an audible or visual cue that warns the driver that the device will enter a permanent lockout in 5 days.

(b) Agrees to have service locations within 50 miles of any location within this state. A manufacturer may request a waiver of this requirement from the secretary of state if the manufacturer is unable to secure an installation facility within 50 miles of any location in this state. Subject to review, the secretary of state may determine whether the manufacturer's waiver request shall be approved. The secretary of state shall only approve a waiver of the 50-mile requirement and designate a location not meeting the 50-mile requirement as a service center if the service center employs a BAIID certified installer who shall perform any installation or service to a BAIID at that location. If the secretary of state approves a waiver of the 50-mile requirement, that waiver applies only to the approved location. A manufacturer shall make a separate request for a waiver of the 50-mile requirement for any additional installation facility not meeting the 50-mile requirement.

(c) Agrees to provide an ignition interlock device without cost to a person whose gross income for the immediately preceding tax year based on his or her state income tax return was less than 150% of the official poverty line for that same tax year established in the poverty guidelines issued by the secretary of health and human services under 42 USC 9902. A person in whose vehicle an ignition interlock device is installed

without cost under this subdivision shall pay a maintenance fee to the installer of not more than \$2.00 per day.

(d) Agrees to comply with the reporting requirements of the secretary of state.

(e) Agrees to periodically monitor installed ignition interlock devices and if monitoring indicates that the device has been circumvented, tampered with, or that a person with a breath alcohol level of 0.025 or more grams per 210 liters of breath has attempted to operate the motor vehicle, or both, to communicate all of the relevant information concerning these facts to the secretary of state, and to the court if appropriate.

(6) A manufacturer that has made a filing under subsection (5) shall immediately notify the department if the device no longer meets the requirements of subsection (5).

(7) Upon the request of the department, the BAIID manufacturer shall, at no cost to this state, provide the department with not less than 2 BAIIDs for each model that is certified under this section for demonstration and training purposes by the department.

(8) Upon the request of the department, the BAIID manufacturer shall, at no cost to this state, install 1 of each device that is certified under this section in a vehicle provided by the department. Any service performed under this subsection, including, but not limited to, installation, maintenance, calibration, or removal, shall be completed at no cost to this state.

(9) Upon the request of the department, for each BAIID model approved by the department, the BAIID manufacturer shall provide a total of not less than 10 hours of training to department employees at no cost to this state. This training shall be held at the times and locations within the state designated by the department. The training shall be designed to familiarize department employees with the installation, operation, service, repair, and removal of the BAIIDs and include the training and instructions that a BAIID installer will give to customers. The BAIID manufacturer shall also provide the department, upon request, with the following information:

(a) A detailed description of the device, including complete instructions for installation, operation, service, repair, and removal of the BAIID.

(b) Complete technical specifications, including detailed explanations and definitions of all data log entries.

(10) A BAIID manufacturer shall notify the department not less than 15 days before implementation of any modification, upgrade, or alteration to any hardware, software, or firmware of a device certified for use in this state. The notification shall include both of the following:

(a) A description and explanation of the modification, upgrade, or alteration and proof satisfactory to the department that these modifications, upgrades, or alterations do not adversely affect the ability of the device to satisfy the requirements of this section and section 625I.

(b) A comprehensive plan of action for the phasing out of the use of the current device. This plan of action must be approved by the department prior to the implementation of the plan of action.

(11) Any equipment in the possession of the department that was retained for certification of the device shall be modified, upgraded, or altered simultaneously with the implementation of a plan of action under subsection (10). The department, in its discretion, may retain a BAIID device regardless of whether the device is no longer the current version or model of that device.

(12) Material modifications to a certified BAIID device may require recertification under this section as determined by the department.

(13) A BAIID manufacturer shall apply to the department annually for recertification of BAIID devices it manufactures.

(14) The department is responsible for approving BAIID service centers for operation in this state. The department shall not approve a BAIID service center unless all of the following conditions are satisfied:

(a) Only service centers that are BAIID manufacturer and vendor approved shall install, service, or remove BAIIDs approved for use in this state.

(b) Except as provided in subdivision (d), beginning July 1, 2016, a BAIID shall only be installed, serviced, or removed in a motor vehicle repair facility. As used in this subdivision, "motor vehicle repair facility" means that term as defined in section 2 of the motor vehicle service and repair act, 1974 PA 300, MCL 257.1302.

(c) A service center shall be located in a fixed facility within this state.

(d) A business that installs, services, or removes a BAIID, including a BAIID manufacturer's corporate office located in this state, that is installing, repairing, or removing BAIID devices on the effective date of the amendatory act that amended this section may install, service, and remove BAIIDs in this state without being certified as a motor vehicle repair facility under the motor vehicle service and repair act, 1974 PA 300, MCL 257.1302 to 257.1340, if the business employs a certified BAIID installer to perform any installation, service, or removal of a BAIID.

(e) Each service center shall have not less than 1 individual who is a mechanic and who possesses a

specialty certification in BAIID service under section 10(1)(j) of the motor vehicle service and repair act, 1974 PA 300, MCL 257.1310, and holds a BAIID certification under this section to work as a BAIID installer.

(f) Each service center shall maintain and make available for inspection records that prove that each certified BAIID installer working at the service center has been properly trained by the BAIID manufacturer to service the BAIID for which the center is a vendor.

(g) Each service center shall provide a designated waiting area for customers that is separate from the area in which BAIIDs are installed or serviced.

(h) Only certified BAIID installers and representatives of the BAIID manufacturer or the department shall be allowed to observe the installation or removal of a BAIID.

(i) Adequate security measures shall be taken to ensure that unauthorized personnel are not allowed access to proprietary materials of BAIID manufacturers or files of customers.

(j) BAIID manufacturer service centers shall install, maintain, service, and remove all BAIIDs handled by that service center and perform any other services determined necessary by the department for using those BAIIDs in this state.

(k) The BAIID manufacturer shall inform the department of a change in its service center's business address 15 days prior to the date of any relocation.

(l) BAIIDs approved for use in this state shall only be serviced by service centers located within this state, unless the customer is unable to return to this state for service because of a significant personal hardship.

(m) If a BAIID is serviced by a service center outside of this state, the BAIID service provider shall ensure that all of the following requirements are met:

(i) The BAIID operates using the same firmware that is used for devices in this state.

(ii) The data recorded by the BAIID remain intact on the device for later retrieval by a service center in this state or the data are transferred to a BAIID manufacturer database for review.

(n) Service centers shall make the addresses of their locations available to the department.

(o) BAIIDs for use in this state shall be installed and shall be removed only in a service center approved by the department for installing that device under this subsection.

(p) Each application for approval shall be for a single service center. A separate service center application is required for each additional service center.

(q) Before issuance of approval, the department may require an on-site evaluation to ensure compliance with the requirements of this section and section 625I.

(r) The department's approval of a service center shall be for a period of 1 year. The renewal process shall be the same as the initial service center approval process under this section.

(15) The department may conduct inspections of a manufacturer or a BAIID service center to ensure compliance with this act and rules promulgated to implement this act. The manufacturer shall pay for the actual costs to the department in conducting an inspection under this subsection.

(16) An individual shall not install, service, or remove a BAIID in this state without being certified by the department under this section.

(17) All BAIID installations shall be done in a workmanlike manner by a BAIID certified installer at an approved service center and shall be in accordance with the standards set forth in this section and with the requirements of the manufacturer. All BAIIDs installed shall be in working order and shall perform in accordance with the standards set forth in this act. All connections shall be covered with a tamper seal.

(18) Upon completion of the installation of a BAIID required under this act, the approved BAIID certified installer shall provide the customer with installation verification in the form and format designated by the department.

(19) A manufacturer shall ensure that BAIID certified installers meet the following requirements:

(a) Possess the appropriate certification from the department under this section.

(b) Possess and maintain all necessary training and skills required to install, examine, troubleshoot, and verify the proper operation of BAIIDs.

(c) Possess the tools, test equipment, and manuals needed to install, inspect, download, calibrate, repair, maintain, service, and remove BAIID devices.

(d) Provide all persons who will use the vehicle with written and hands-on training regarding the operation of a vehicle equipped with the BAIID and ensure that each of those persons demonstrates a properly delivered alveolar breath sample and an understanding of how the abort test feature works.

(20) An individual who has been convicted of an alcohol-related driving offense or any offense classified as a felony in this state or elsewhere within 5 years before the date of filing an application for approval as a BAIID certified installer is not eligible for approval as a BAIID certified installer under this act.

(21) The following requirements apply to a BAIID certified installer under this act:

(a) Be not less than 18 years of age.

(d) Be certified as a BAIID installer under this section.

(22) To be certified as a BAIID installer under this section, the individual shall meet all of the following requirements:

(a) Possess a specialty certification in BAIID installation under section 10(1)(j) of the motor vehicle service and repair act, 1974 PA 300, MCL 257.1310.

(b) Properly complete and file a BAIID installer application form with the department.

(c) Beginning 180 days after the effective date of the amendatory act that added this subdivision, be a mechanic who is certified as a mechanic with a specialty certification in BAIID service under section 10(1)(j) of the motor vehicle service and repair act, 1974 PA 300, MCL 257.1310, and hold a BAIID certification under this section.

257.625n Forfeiture of vehicle or return to lessor.

Sec. 625n. (1) Except as otherwise provided in this section and section 304 and in addition to any other penalty provided for in this act, the judgment of sentence for a conviction for a violation of section 625(1) described in section 625(9)(b) or (c), a violation of section 625(3) described in section 625(11)(b) or (c), a violation of section 625(4), (5), or (7), or a violation of section 904(4) or (5), or, beginning October 31, 2010, a violation of section 626(3) or (4), may require 1 of the following with regard to the vehicle used in the offense if the defendant owns the vehicle in whole or in part or leases the vehicle:

(a) Forfeiture of the vehicle if the defendant owns the vehicle in whole or in part.

(b) Return of the vehicle to the lessor if the defendant leases the vehicle.

(2) The vehicle may be seized under a seizure order issued by the court having jurisdiction upon a showing of probable cause that the vehicle is subject to forfeiture or return to the lessor.

(3) The forfeiture of a vehicle is subject to the interest of the holder of a security interest who did not have prior knowledge of or consent to the violation.

(4) Within 14 days after the defendant's conviction for a violation described in subsection (1), the prosecuting attorney may file a petition with the court for the forfeiture of the vehicle or to have the court order return of a leased vehicle to the lessor. The prosecuting attorney shall give notice by first-class mail or other process to the defendant and his or her attorney, to all owners of the vehicle, and to any person holding a security interest in the vehicle that the court may require forfeiture or return of the vehicle.

(5) If a vehicle is seized before disposition of the criminal proceedings, a defendant who is an owner or lessee of the vehicle may move the court having jurisdiction over the proceedings to require the seizing agency to file a lien against the vehicle and to return the vehicle to the owner or lessee pending disposition of the criminal proceedings. The court shall hear the motion within 7 days after the motion is filed. If the defendant establishes at the hearing that he or she holds the legal title to the vehicle or that he or she has a leasehold interest and that it is necessary for him or her or a member of his or her family to use the vehicle pending the outcome of the forfeiture action, the court may order the seizing agency to return the vehicle to the owner or lessee. If the court orders the return of the vehicle to the owner or lessee, the court shall order the defendant to post a bond in an amount equal to the retail value of the vehicle, and shall also order the seizing agency to file a lien against the vehicle.

(6) Within 14 days after notice by the prosecuting attorney is given under subsection (4), the defendant, an owner, lessee, or holder of a security interest may file a claim of interest in the vehicle with the court. Within 21 days after the expiration of the period for filing claims, but before or at sentencing, the court shall hold a hearing to determine the legitimacy of any claim, the extent of any co-owner's equity interest, the liability of the defendant to any co-lessee, and whether to order the vehicle forfeited or returned to the lessor. In considering whether to order forfeiture, the court shall review the defendant's driving record to determine whether the defendant has multiple convictions under section 625 or a local ordinance substantially corresponding to section 625, or multiple suspensions, restrictions, or denials under section 904, or both. If the defendant has multiple convictions under section 625 or multiple suspensions, restrictions, or denials under section 904, or both, that factor shall weigh heavily in favor of forfeiture.

(7) If a vehicle is forfeited under this section, the unit of government that seized the vehicle shall sell the vehicle pursuant to the procedures under section 252g(1) and dispose of the proceeds in the following order of priority:

(a) Pay any outstanding security interest of a secured party who did not have prior knowledge of or consent to the commission of the violation.

(b) Pay the equity interest of a co-owner who did not have prior knowledge of or consent to the

commission of the violation.

(c) Satisfy any order of restitution entered in the prosecution for the violation.

(g) Pay the proper expenses of the proceedings for forfeiture and sale, including, but not limited to, expenses incurred during the seizure process and expenses for maintaining custody of the property, advertising, and court costs.

(h) The balance remaining after the payment of items (a) through (g) shall be distributed by the court having jurisdiction over the forfeiture proceedings to the unit or units of government substantially involved in effecting the forfeiture. Seventy-five percent of the money received by a unit of government under this subdivision shall be used to enhance enforcement of the criminal laws and 25% of the money shall be used to implement the William Van Regenmorter crime victim's rights act, 1985 PA 87, MCL 780.751 to 780.834. (8) The court may order the defendant to pay to a co-lessee any liability determined under subsection (6). The order may be enforced in the same manner as a civil judgment.

(11) The failure of the court or prosecutor to comply with any time limit specified in this section does not preclude the court from ordering forfeiture of a vehicle or its return to a lessor, unless the court finds that the owner or claimant suffered substantial prejudice as a result of that failure.

(12) The forfeiture provisions of this section do not preclude the prosecuting attorney from pursuing a forfeiture proceeding under any other law of this state or a local ordinance substantially corresponding to this section.

SPEED RESTRICTIONS

257.627 Speed limits.

Sec. 627. (1) An individual operating a vehicle on a highway shall operate that vehicle at a careful and prudent speed not greater than nor less than is reasonable and proper, having due regard to the traffic, surface, and width of the highway and of any other condition existing at the time. An individual shall not operate a

vehicle on a highway at a speed greater than that which will permit a stop within the assured, clear distance ahead. A violation of this subsection shall be known and may be referred to as a violation of the basic speed law or "VBSL".

(2) Except as provided in subsection (1), it is lawful for the operator of a vehicle to operate that vehicle on a highway at a speed not exceeding the following:

(a) Fifteen miles per hour on a highway segment within the boundaries of a mobile home park, as that term is defined in section 2 of the mobile home commission act, 1987 PA 96, MCL 125.2302.

(b) Twenty-five miles per hour on a highway segment within a business district.

(c) Twenty-five miles per hour on a highway segment within the boundaries of a public park. A local authority may decrease the speed limit to not less than 15 miles per hour in a public park under its jurisdiction.

(d) Twenty-five miles per hour on a highway segment within the boundaries of a residential subdivision, including a condominium subdivision, consisting of a system of interconnected highways with no through highways and a limited number of dedicated highways that serve as entrances to and exits from the subdivision.

(e) Twenty-five miles per hour on a highway segment that is part of the local street system as designated by a local jurisdiction and approved by the state transportation commission under 1951 PA 51, MCL 247.651 to 247.675, and that is within land that is zoned for residential use by the governing body of an incorporated city or village under the Michigan zoning enabling act, 2006 PA 110, MCL 125.3101 to 125.3702, unless another speed is fixed and posted.

(f) Twenty-five miles per hour on a highway segment with 60 or more vehicular access points within 1/2 mile.

(g) Thirty miles per hour on a highway segment with not less than 50 vehicular access points but no more than 59 vehicular access points within 1/2 mile.

(h) Thirty-five miles per hour on a highway segment with not less than 45 vehicular access points but no more than 49 vehicular access points within 1/2 mile.

(i) Forty miles per hour on a highway segment with not less than 40 vehicular access points but no more than 44 vehicular access points within 1/2 mile.

(j) Forty-five miles per hour on a highway segment with not less than 30 vehicular access points but no more than 39 vehicular access points within 1/2 mile.

(3) An individual operating a truck with a gross weight of 10,000 pounds or more, a truck-tractor, a truck-tractor with a semi-trailer or trailer, or a combination of these vehicles shall not exceed a speed of 35 miles per hour during the period when reduced loadings are being enforced in accordance with this chapter.

(4) Where the posted speed limit is greater than 65 miles per hour, an individual operating a school bus, a truck with a gross weight of 10,000 pounds or more, a truck-tractor, or a truck-tractor with a semi-trailer or trailer or a combination of these vehicles shall not exceed a speed of 65 miles per hour on a limited access freeway or a state trunk line highway.

(5) All of the following apply to the speed limits described in subsection (2):

(a) A highway segment adjacent to or lying between 2 or more areas described in subsection (2)(a), (b), (c), or (d) is not considered to be within the boundaries of those areas.

(b) A highway segment of more than 1/2 mile in length with a consistent density of vehicular access points equal to the number of vehicular access points described in subsection (2)(f), (g), (h), (i), or (j) must be posted at the speed limit specified in the adjoining segment. A separate determination must be made for each adjoining highway segment where vehicular access point density is different.

(c) A speed limit may be posted on highways less than 1/2 mile in length by prorating in 1/10 mile segments the vehicular access point density described in subsection (2)(f), (g), (h), (i), or (j).

(6) An individual operating a vehicle on a highway, when entering and passing through a work zone described in section 79d(a) where a normal lane or part of the lane of traffic has been closed due to highway construction, maintenance, or surveying activities, shall not exceed a speed of 45 miles per hour unless a different speed limit is determined for that work zone by the state transportation department, a county road commission, or a local authority, based on accepted engineering practice. The state transportation department, a county road commission, or a local authority shall post speed limit signs in each work zone described in section 79d(a) that indicate the speed limit in that work zone and shall identify that work zone with any other traffic control devices necessary to conform to the Michigan manual on uniform traffic control devices. An individual operating a vehicle shall not exceed a speed limit established under this section or a speed limit established under section 628. For a work zone that has a speed limit in effect only where workers are present, the state transportation department, a county road commission, or a local authority is authorized to include 1 or more flashing lights and an illuminated changeable digital message displaying the speed limit on the speed

limit sign required under this subsection. As used in this subsection:

(a) "Illuminated changeable digital message" means an electronic message that displays the speed limit in a numerical format.

(b) "Present" means located in proximity to a roadway that is not protected by a guardrail or barrier.

(c) "Speed limit sign" includes, but is not limited to, a sign that displays illuminated changeable digital messages.

(7) The state transportation department, a county road commission, or a local authority shall decrease the speed limit in a hospital highway zone by up to 10 miles per hour upon request of a hospital located within that hospital highway zone. The state transportation department, county road commission, or local authority may decrease the speed limit in a hospital highway zone by more than 10 miles per hour if the decrease is supported by an engineering and safety study. The state transportation department, county road commission, or local authority shall post speed limit signs in a hospital highway zone that indicate the speed limit in that hospital highway zone and shall identify that hospital highway zone with any other traffic control devices necessary to conform to the Michigan manual on uniform traffic control devices. If a change in a sign, signal, or device, is necessitated by a speed limit decrease described in this subsection, the hospital requesting the decrease shall pay the cost of doing so. As used in this subsection, "hospital highway zone" means a portion of state trunk line highway maintained by the state transportation department that has a posted speed limit of at least 50 miles per hour and has 2 or fewer lanes for travel in the same direction, traverses along property owned by a hospital, contains an ingress and egress point from hospital property, and extends not more than 1,000 feet beyond the boundary lines of hospital property in both directions in a municipality.

(8) Subject to subsection (17), the maximum speed limit on all limited access freeways upon which a speed limit is not otherwise fixed under this act is 70 miles per hour, which shall be known as the "limited access freeway general speed limit". The minimum speed limit on all limited access freeways upon which a minimum speed limit is not otherwise fixed under this act is 55 miles per hour.

(9) Subject to subsection (17), the speed limit on all trunk line highways and all county highways upon which a speed limit is not otherwise fixed under this act is 55 miles per hour, which shall be known as the "general speed limit".

(10) Except as otherwise provided in this subsection, the speed limit on all county highways with a gravel or unimproved surface upon which a speed limit is not otherwise fixed under this act is 55 miles per hour, which shall be known as the "general gravel road speed limit". Upon request of a municipality located within a county with a population of 1,000,000 or more, the county road commission, in conjunction with the requesting municipality, may lower the speed limit to 45 miles per hour on the requested road segment and if a sign, signal, or device is erected or maintained, taken down, or regulated as a result of a request by a municipality for a speed limit of 45 miles per hour, the municipality shall pay the costs of doing so. If a municipality located within a county with a population of 1,000,000 or more requests a speed different than the speed described in this subsection, the county road commission, in conjunction with the department of state police and the requesting municipality, may conduct a speed study of free-flow traffic on the fastest portion of the road segment in question for the purpose of establishing a modified speed limit. A speed study conducted under this subsection must be completed between 3 and 14 days after a full gravel road maintenance protocol has been performed on the road segment. A full gravel road maintenance protocol described in this subsection must include road grading and the application of a dust abatement chemical treatment. Following a speed study conducted under this subsection, the speed limit for the road segment must be established at the nearest multiple of 5 miles per hour to the eighty-fifth percentile of speed of free-flow traffic under ideal conditions for vehicular traffic, and must not be set below the fiftieth percentile speed of free-flow traffic under ideal conditions for vehicular traffic. A speed study conducted under this subsection is the responsibility of the department of state police, and if a sign, signal, or device is erected or maintained, taken down, or regulated as a result of a request by a municipality under this subsection, the municipality shall pay the costs of doing so.

(11) A public record of all traffic control orders establishing statutory speed limits authorized under this section must be filed with the office of the clerk of the county in which the county highway is located or at the office of the city or village clerk or administrative office of the airport, college, or university in which the local highway is located, and a certified copy of the traffic control order is evidence in every court of this state of the authority for the issuance of that traffic control order. The public record filed with the county, city, or village clerk or administrative office of the airport, college, or university must not be required as evidence of authority for issuing a traffic control order in the case of signs temporarily erected or placed at points where construction, maintenance, or surveying activities is in progress. A traffic and engineering investigation is not required for a traffic control order for a speed limit established under subsection (2). A traffic control order must, at a minimum, contain all of the following information:

- (a) The name of the road.
- (b) The boundaries of the segment of the road on which the speed limit is in effect.
- (c) The basis on which the speed limit is in effect.

(d) The section of law, including a reference to the subsection, under which the speed limit is established.

(12) Except for speed limits described in subsections (1), (2)(d), (2)(e), and (9), speed limits established under this section are not valid unless properly posted. In the absence of a properly posted sign, the speed limit in effect is the basic speed law described in subsection (1). Speed limits established under subsection (2)(b), (f), (g), (h), (i), and (j) are not valid unless a traffic control order is filed as described in subsection (11).

(13) Nothing in this section prevents the establishment of a modified speed limit after a speed study as described in section 628. A modified speed limit established under section 628 supersedes a speed limit established under this section.

(14) All signs erected or placed under this section must conform to the Michigan manual on uniform traffic control devices.

(15) If upon investigation the state transportation department or county road commission and the department of state police determine that it is in the interest of public safety, they may order city, village, airport, college, university, and township officials to erect and maintain, take down, or regulate speed limit signs, signals, and devices as directed. In default of an order, the state transportation department or county road commission may cause designated signs, signals, and devices to be erected and maintained, removed, or regulated in the manner previously directed and pay the costs for doing so out of the designated highway fund. An investigation, including a speed study, conducted under this subsection is the responsibility of the department of state police.

(16) An individual who violates a speed limit established under this section is responsible for a civil infraction.

(17) No later than January 5, 2018, the state transportation department and the department of state police shall increase the speed limits on at least 600 miles of limited access freeway to 75 miles per hour if an engineering and safety study and the eighty-fifth percentile speed of free-flowing traffic under ideal conditions of that section contain findings that the speed limit may be raised to that speed, and the department shall increase the speed limit of 900 miles of trunk line highway to 65 miles per hour if an engineering and safety study and the eighty-fifth percentile speed of free-flowing traffic under ideal conditions of that section contain findings that the speed limit may be raised to that speed.

(18) As used in this section:

(a) "Traffic control order" means a document filed with the proper authority that establishes the legal and enforceable speed limit for the highway segment described in the document.

(b) "Vehicular access point" means a driveway or intersecting roadway.

257.627a "Regularly scheduled school session," "school," and "school zone" defined; speed limit on highway segment in school zone; time period; exception; state trunk line highway or county highway; school in session year-round; signs; violation as civil infraction.

Sec. 627a. (1) As used in this section:

(a) "Regularly scheduled school session" means that part of a day scheduled for student instruction until final dismissal of the student body for that day.

(b) "School" means an educational institution operated by a local school district or by a private, denominational, or parochial organization. School does not include either of the following:

(i) An educational institution that the department of education determines has its entire student population in residence at the institution.

(ii) An educational institution to which all students are transported in motor vehicles.

(c) "School zone" means school property on which a school building is located and the adjacent property. A school zone extends not more than 1,000 feet from the school property line in any direction. If 2 or more schools occupy the same property or adjacent properties, 1 of the following applies, as applicable:

(i) If the hours of instruction at the schools are the same, then a single combined school zone shall be

established.

(ii) If the hours of instruction at the schools are different, overlapping school zones shall be established.

(2) A school zone speed limit on a highway segment in a school zone, which, except as otherwise provided in this subsection, shall be in force not more than 30 minutes before the first regularly scheduled school session, rounded to the nearest multiple of 5 minutes, until school commences, and from dismissal until not more than 30 minutes after the last regularly scheduled school session, rounded to the nearest multiple of 5 minutes, may be decreased by not more than 20 miles per hour less than the speed limit normally posted but shall be not less than 25 miles per hour. A school superintendent may begin the 30-minute period before the first regularly scheduled school session described in this subsection at a time that is less than 30 minutes before the first regularly scheduled school session and that extends beyond the time school commences, may begin the 30-minute period after dismissal at a time other than dismissal, and, if a school has an off-campus lunch period, may designate the period provided for off-campus lunch as a period during which the school zone speed limit described in this subsection applies.

(3) School zone speed limits shall not apply to a limited access highway or a highway segment over which a pedestrian overhead walkway is erected, if the walkway is adjacent to school property.

(4) Notwithstanding the requirements for a school zone as defined in subsection (1)(c), if a school is located in an area that requires school children to cross a state trunk line highway or county highway that has a speed limit of 35 miles per hour or more to attend that school, the school superintendent may submit a request to the state transportation commission, county road commission, or local authority having jurisdiction over the roadway, as applicable, for a school crossing as permitted under section 613a. If, based on the traffic engineering studies, the road authority determines the need for a lower speed limit, the road authority may designate the crossing as a school zone. Before submitting a request, the school superintendent shall have completed a school route plan as prescribed by section 7A-1 of the Michigan manual of uniform traffic control devices.

(5) If a school is in session year-round, a sign reading "All Year School" shall be posted on the same signpost as and immediately below the school zone sign.

(6) Louvered signs, digital message signs, and flashing lights may be installed to supplement or replace permanent signs required under this section. Signs erected and maintained as required under this section shall conform to the Michigan manual on uniform traffic control devices.

(7) A person who violates a speed limit established under this section is responsible for a civil infraction.

257.628 Maximum or minimum speed limit; determination; petition by township board; modified speed limit; public record of traffic control order; speed limit signs, signals, or devices; violation as civil infraction; definitions.

Sec. 628. (1) If the county road commission, the township board, and the department of state police unanimously determine upon the basis of an engineering and traffic investigation that the speed of vehicular traffic on a county highway is greater or less than is reasonable or safe under the conditions found to exist upon any part of the highway, then acting unanimously they may establish a reasonable and safe maximum or minimum speed limit on that county highway that is effective at the times determined when appropriate signs giving notice of the speed limit are erected on the highway. A township board may petition the county road commission or the department of state police for a proposed change in the speed limit. A township board that does not wish to continue as part of the process provided by this subsection shall notify in writing the county road commission. A public record of a traffic control order establishing a modified speed limit authorized under this subsection shall be filed at the office of the county clerk of the county in which the limited access freeway or state trunk line highway is located, and a certified copy of a traffic control order shall be evidence in every court of this state of the authority for the issuance of that traffic control order. As used in this subsection, "county road commission" means the board of county road commissioners elected or appointed under section 6 of chapter IV of 1909 PA 283, MCL 224.6, or, in the case of a charter county with a population of 2,000,000 or more with an elected county executive that does not have a board of county road commissioners, the county executive.

(2) In the case of a county highway, a township board may petition the county road commission, or in counties where there is no road commission but there is a county board of commissioners, the township board

may petition the county board of commissioners for any of the following:

(a) A proposed change in the speed limit without the necessity of a speed study consistent with the methods prescribed for establishing speed limits under section 627.

(b) A proposed change in the speed limit consistent with the provisions for establishing speed limits under this section.

(c) The posting of an advisory sign or device for the purpose of drawing the attention of vehicle operators to an unexpected condition on or near the roadway that is not readily apparent to road users.

(3) The state transportation department and the department of state police shall jointly determine any modified maximum or minimum speed limits on limited access freeways or trunk line highways consistent with the requirements of this section. A public record of a traffic control order establishing a modified speed limit authorized under this subsection shall be filed at the office of the county clerk of the county in which the limited access freeway or trunk line highway is located, and a certified copy of a traffic control order shall be evidence in every court of this state of the authority for the issuance of that traffic control order.

(4) A local road authority shall determine any modified speed limits on local highways consistent with the requirements of this section. A public record of a traffic control order establishing a modified speed limit authorized under this subsection shall be filed at the office of the city or village or administrative office of the airport, college, or university in which the local highway is located, and a certified copy of the traffic control order shall be evidence in every court of this state of the authority for the issuance of that traffic control order.

(5) A speed limit established under this section shall be determined by an engineering and safety study and by the eighty-fifth percentile speed of free-flowing traffic under ideal conditions of a section of highway rounded to the nearest multiple of 5 miles per hour. A speed limit established under this act shall not be posted at less than the fiftieth percentile speed of free-flowing traffic under optimal conditions on the fastest portion of the highway segment for which the speed limit is being posted.

(6) If a highway segment includes 1 or more features with a design speed that is lower than the speed limit determined under subsection (5), the road authority may post advisory signs.

(7) If upon investigation the state transportation department or county road commission and the department of state police find it in the interest of public safety, they may order township, city, or village officials to erect and maintain, take down, or regulate the speed limit signs, signals, or devices as directed, and in default of an order the state transportation department or county road commission may cause the designated signs, signals, and devices to be erected and maintained, taken down, regulated, or controlled, in the manner previously directed, and pay for the erecting and maintenance, removal, regulation, or control of the sign, signal, or device out of the highway fund designated.

(8) Signs posted under this section shall conform to the Michigan manual on uniform traffic control devices.

(9) A person who violates a speed limit established under this section is responsible for a civil infraction.

(10) As used in this section:

(a) "County road commission" means any of the following:

(i) The board of county road commissioners elected or appointed under section 6 of chapter IV of 1909 PA 283, MCL 224.6.

(ii) In the case of the dissolution of the county road commission under section 6 of chapter IV of 1909 PA 283, MCL 224.6, the county board of commissioners.

(iv) In the case of a charter county with a population of more than 750,000 but less than 1,000,000 with an elected county executive that does not have a board of county road commissioners, the department of roads.

(b) "Design speed" means that term as used and determined under "A Policy on Geometric Design of Highways and Streets", sixth ed., 2011, or a subsequent edition, issued by the American Association of State Highway and Transportation Officials.

(c) "Local road authority" means the governing body of a city, village, airport, college, or university.

(d) "Traffic control order" means a document filed with the proper authority that establishes the legal and enforceable speed limit for the highway segment described in the document.

Sec. 629e. (1) Before October 1, 2003, in addition to any fine or cost ordered to be paid under this act, and

in addition to any assessment levied under section 907, the judge or district court magistrate shall levy a highway safety assessment of \$5.00, a jail reimbursement program assessment of \$5.00, and a secondary road patrol and training assessment of \$10.00 for each civil infraction determination except for a parking violation or a violation for which the total fine and costs imposed are \$10.00 or less. Upon payment of the assessments, the clerk of the court shall transmit the assessments levied to the department of treasury. Until October 1, 2003, the state treasurer shall deposit the revenue received pursuant to this subsection in the highway safety fund, in the jail reimbursement program fund, and in the secondary road patrol and training fund, and shall report annually to the legislature all revenues received and disbursed under this section. An assessment levied under this subsection shall not be considered a civil fine for purposes of section 909.

257.631 Public bridge, causeway, or viaduct; maximum speed, load, or gross weight; violation as civil infraction; assessment of civil fine; exceptions; determination of civil fine; determination of gross weight; investigation; signs; evidence.

Sec. 631. (1) A person shall not drive a vehicle upon a public bridge, causeway, or viaduct at a speed or with a load which is greater than the maximum speed or load which can be maintained with safety to the structure, when the structure is signposted as provided in this section. A person who violates this subsection is responsible for a civil infraction.

(2) A person who drives or moves a vehicle or combination of vehicles, or the owner or lessee of a vehicle who causes or allows such a vehicle or combination of vehicles to be loaded and driven or moved, upon a public bridge, causeway, or viaduct when the gross weight of the vehicle or combination of vehicles exceeds the limitations established and signposted pursuant to this section is responsible for a civil infraction and shall be assessed a civil fine as set forth in this subsection. This subsection shall not apply to either of the following:

(a) implements of husbandry operated upon a public bridge, causeway, or viaduct.

(b) The use of a public bridge, causeway, or viaduct by a vehicle or combination of vehicles for a function essential to a farm operation otherwise reasonably inaccessible to vehicles performing the essential agricultural function.

(3) The civil fine assessed under subsection (2) shall be determined as follows:

(a) In the amount equal to 4 cents per pound for each pound of excess load when the excess is more than 2,500 pounds but not more than 3,000 pounds.

(b) In the amount equal to 6 cents per pound for each pound of excess load when the excess is more than 3,000 pounds but not more than 4,000 pounds.

(c) In the amount equal to 8 cents per pound for each pound of excess load when the excess is more than 4,000 pounds but not more than 5,000 pounds.

(d) In the amount equal to 10 cents per pound for each pound of excess load when the excess is more than 5,000 pounds.

(4) For the purpose of this section, the gross weight of a vehicle or combination of vehicles shall be determined as prescribed in section 722(7).

(5) The department of transportation, county road commission, or other authority having jurisdiction of a public bridge, causeway, or viaduct may conduct an investigation of that bridge, causeway, or viaduct. If it is found after investigation that the structure cannot with safety to itself withstand vehicles traveling at the speed or carrying a load otherwise permissible under this chapter, the department, commission, or other authority shall determine and declare the maximum speed of vehicles or load which the structure can withstand, and shall cause or permit suitable signs stating that maximum speed and load limitations to be erected and maintained not more than 50 feet from each end of the structure, and also at a suitable distance from each end of the bridge to enable vehicles to take a different route.

(6) The findings and determination of the department of transportation, county road commission, or other local authority, shall be conclusive evidence of the maximum speed and load which can with safety be maintained on a public bridge, causeway, or viaduct.

257.632 Exemption from speed limitations; police vehicles, fire department or fire patrol vehicles, and ambulances; conditions.

Sec. 632. The speed limitation set forth in this chapter shall not apply to vehicles when operated with due regard for safety under the direction of the police when traveling in emergencies or in the chase or apprehension of violators of the law or of persons charged with or suspected of a violation, nor to fire department or fire patrol vehicles when traveling in response to a fire alarm, nor to public or private ambulances when traveling in emergencies. This exemption shall apply only when the driver of the vehicle while in motion sounds an audible signal by bell, siren or exhaust whistle as may be reasonably necessary or when the vehicle is equipped with at least 1 lighted lamp displaying a flashing, oscillating or rotating red or blue light visible under normal atmospheric conditions from a distance of 500 feet to the front of such vehicles, unless the nature of the mission requires that a law enforcement officer travel without giving warning to suspected law violators. This exemption shall not however protect the driver of the vehicle from the consequences of a reckless disregard of the safety of others.

257.633 Violation of speed limit; specifications in complaint, citation, summons, or notice; burden of proof.

Sec. 633. (1) In every charge of a violation of a speed limit in this chapter, the complaint or citation and the summons or notice to appear shall specify the speed at which the respondent is alleged to have driven and the speed limit applicable at the location.

(2) The provisions of this chapter establishing speed limits shall not be construed to relieve the plaintiff in a civil action from the burden of proving negligence on the part of the defendant as the proximate cause of a traffic crash.

DRIVING ON RIGHT SIDE OF ROADWAY—OVERTAKING AND PASSING, ETC.

257.634 Driving on right half of roadway; exceptions; driving on roadway having 2 or more lanes for travel in 1 direction; traveling on freeway having 3 or more lanes for travel in same direction; ordinance regulating same subject matter prohibited; violation as civil infraction.

Sec. 634. (1) Upon each roadway of sufficient width, the driver of a vehicle shall drive the vehicle upon the right half of the roadway, except as follows:

(a) When overtaking and passing another vehicle proceeding in the same direction under the rules governing that movement.

(b) When the right half of a roadway is closed to traffic while under construction or repair or when an obstruction exists making it necessary to drive to the left of the center of the highway. A driver who is driving

on the left half of a roadway under this subdivision shall yield the right-of-way to an oncoming vehicle traveling in the proper direction upon the unobstructed portion of the roadway.

(c) When a vehicle operated by a state agency or a local authority or an agent of a state agency or local authority is engaged in work on the roadway.

(d) Upon a roadway divided into 3 marked lanes for traffic under the rules applicable on the roadway.

(2) Upon a roadway having 2 or more lanes for travel in 1 direction, the driver of a vehicle shall drive the vehicle in the extreme right-hand lane available for travel except as otherwise provided in this section. However, the driver of a vehicle may drive the vehicle in any lane lawfully available to traffic moving in the same direction of travel when the lanes are occupied by a streetcar or vehicles moving in substantially continuous lanes of traffic and in any left-hand lane lawfully available to traffic moving in the same direction of travel for a reasonable distance before making a left turn or to avoid blocking, delaying, or otherwise interfering with the movement of a streetcar on a streetcar track.

(3) This section must not be construed to prohibit a vehicle traveling in the appropriate direction from traveling in any lane of a freeway having 3 or more lanes for travel in the same direction. However, a city, village, township, or county may not enact an ordinance that regulates the same subject matter as any provision of this subsection. The driver of a truck with a gross weight of more than 10,000 pounds, a truck tractor, or a combination of a vehicle and trailer or semitrailer shall drive the vehicle or combination of vehicles only in either of the 2 lanes farthest to the right, except for a reasonable distance when making a left turn or where a special hazard exists that requires the use of an alternative lane for safety reasons.

(4) A person who violates this section is responsible for a civil infraction.

(a) The driver of a vehicle overtaking another vehicle proceeding in the same direction shall pass at a safe distance to the left of that vehicle, and when safely clear of the overtaken vehicle shall take up a position as near the right-hand edge of the main traveled portion of the highway as is practicable.

(b) Except when overtaking and passing on the right is permitted, the driver of an overtaken vehicle shall give way to the right in favor of the overtaking vehicle and shall not increase the speed of his or her vehicle until completely passed by the overtaking vehicle.

(2) The driver of a motor vehicle overtaking a bicycle proceeding in the same direction shall pass at a safe distance of at least 3 feet to the left of that bicycle or, if it is impracticable to pass the bicycle at a distance of 3 feet to the left, at a safe distance to the left of that bicycle at a safe speed, and when safely clear of the overtaken bicycle shall take up a position as near the right-hand edge of the main traveled portion of the highway as is practicable.

(3) Notwithstanding section 640, if it is safe to do so, the driver of a vehicle overtaking a bicycle proceeding in the same direction may overtake and pass the bicycle in a no-passing zone.

(c) Upon a 1-way street, or upon a roadway on which traffic is restricted to 1 direction of movement, where the roadway is free from obstructions and of sufficient width for 2 or more lines of moving vehicles and when the vehicles are moving in substantially continuous lanes of traffic.

(2) The driver of a vehicle may overtake and pass another vehicle upon the right only under conditions permitting the overtaking and passing in safety. The driver of a vehicle shall not overtake and pass another vehicle upon the right by driving off the pavement or main-traveled portion of the roadway.

(3) The driver of a vehicle overtaking a bicycle proceeding in the same direction shall, when otherwise permitted by this section, pass at a distance of 3 feet to the right of that bicycle or, if it is impracticable to pass the bicycle at a distance of 3 feet to the right, at a safe distance to the right of that bicycle at a safe speed.

A sign shall be placed to the left of the highway on those portions of a highway where additional notice is considered necessary.

(2) The no-passing zones provided for by this section shall be based upon a traffic survey and engineering study. Traffic-control devices installed pursuant to this section shall conform to the state manual and specifications as provided for by section 608.

(a) A vehicle must be driven as nearly as practicable entirely within a single lane and must not be moved from the lane until the operator has first ascertained that the movement can be safely made.

(b) On a roadway that is divided into 4 or more lanes and provides for 2-way movement of traffic, a vehicle must be operated within the extreme right-hand lane except if overtaking and passing, and must not cross the center line of the roadway except if making a left turn.

(c) On a roadway that is divided into 3 lanes and provides for 2-way movement of traffic, a vehicle must not be operated in the center lane except under any of the following circumstances:

(i) If overtaking and passing another vehicle traveling in the same direction, and the center lane is clear of traffic within a safe distance.

(ii) In preparation for a left turn.

(d) Official traffic control devices may be erected directing specified traffic to use a designated lane or designating those lanes to be used by traffic moving in a particular direction regardless of the center of the roadway and operators of vehicles shall obey the directions of the traffic control device.

(e) Official traffic control devices may be installed prohibiting the changing of lanes on sections of roadway, and operators of vehicles shall obey the directions of the traffic control devices.

(2) If a lane is designated as an HOV lane by an agency with jurisdiction over the roadway, and is appropriately marked with traffic control devices, the lane must be reserved during the periods indicated for the exclusive use of buses and HOVs. The restrictions imposed on an HOV lane do not apply to any of the following:

(2) Except as otherwise provided in subsection (5), a signal required under this section shall be given either by means of the hand and arm in the manner specified in this section, or by a mechanical or electrical signal device that conveys an intelligible signal or warning to other highway traffic.

(3) When a person is operating a vehicle and signal is given by means of the hand and arm, the operator shall signal as follows:

(a) For a left turn, the operator shall extend his or her left hand and arm horizontally.

(b) For a right turn, the operator shall extend his or her left hand and arm upward.

(c) To stop or decrease speed, the operator shall extend his or her left hand and arm downward.

(4) When a person is operating a bicycle and signal is given by means of the hand and arm, the operator shall signal as follows:

(a) For a left turn, the operator shall extend his or her left hand and arm horizontally.

(b) For a right turn, the operator shall extend his or her left hand and arm upward or shall extend his or her right hand and arm horizontally.

RIGHT-OF-WAY

257.649 Right of way; rules; violation as civil infraction.

Sec. 649. (1) The driver of a vehicle approaching an intersection shall yield the right of way to a vehicle that has entered the intersection from a different highway.

(2) When 2 vehicles enter an intersection from different highways at approximately the same time, the driver of the vehicle on the left shall yield the right of way to the vehicle on the right.

(3) The right of way rules in subsections (1) and (2) are modified at through highways and otherwise as provided in subsection (4) and in this chapter.

(4) The driver of a vehicle approaching an intersection that is controlled by a traffic control signal shall do all of the following, if the signal facing the driver exhibits no colored lights or colored lighted arrows, exhibits a combination of colored lights or colored lighted arrows that fails to clearly indicate the assignment of right of way, or the signals are otherwise malfunctioning:

(a) Stop at a clearly marked stop line, or, if there is no clearly marked stop line, stop before entering the crosswalk on the near side of the intersection, or, if there is no crosswalk, stop before entering the intersection.

(b) Yield the right of way to all vehicles in the intersection or approaching on an intersecting road, if those vehicles will constitute an immediate hazard during the time the driver is moving across or within the intersection.

(c) Exercise ordinary care while proceeding through the intersection.

(5) Subsection (4) does not apply to either of the following:

(a) An intersection that is controlled by a traffic control signal that is flashing yellow unless certain events occur, including, but not limited to, activation by an emergency vehicle.

(b) A traffic control signal that is located in a school zone and is flashing yellow only during prescribed periods of time.

(6) The driver of a vehicle approaching a yield sign, in obedience to the sign, shall slow down to a speed reasonable for the existing conditions and shall yield the right of way to a vehicle in the intersection or approaching on another highway so closely as to constitute an immediate hazard during the time the driver would be moving across or within the intersection. However, if required for safety to stop, the driver shall stop before entering the crosswalk on the near side of the intersection or, if there is not a crosswalk, at a clearly marked stop line; but if there is not a crosswalk or a clearly marked stop line, then at the point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway.

(7) The driver of a vehicle traveling at an unlawful speed forfeits a right of way that the driver might otherwise have under this section.

(8) Except when directed to proceed by a police officer, the driver of a vehicle approaching a stop intersection indicated by a stop sign shall stop before entering the crosswalk on the near side of the intersection, or if there is not a crosswalk shall stop at a clearly marked stop line; or if there is not a crosswalk or a clearly marked stop line, then at the point nearest the intersecting roadway where the driver has a view of approaching traffic on the intersecting roadway. After having stopped, the driver shall yield the right of way to a vehicle that has entered the intersection from another highway or that is approaching so closely on the highway as to constitute an immediate hazard during the time when the driver would be moving across or within the intersection.

(9) When a vehicle approaches the intersection of a highway from an intersecting highway or street that is intended to be, and is constructed as, a merging highway or street, and is plainly marked at the intersection with appropriate merge signs, the vehicle shall yield right of way to a vehicle so close as to constitute an immediate hazard on the highway about to be entered and shall adjust its speed so as to enable it to merge safely with the through traffic.

(10) A person who violates this section is responsible for a civil infraction.

257.662a Electric bicycle; rights of individual; label to be affixed by manufacturer or distributor; tampering with or modification of electric bicycle prohibited; requirements applicable to class 3 electric bicycle; compliance with federal requirements; operation on highway or within city; operation of class 1, class 2, or class 3 electric bicycle on certain trails; compliance with Americans with disabilities act of 1990 and persons with disabilities civil rights act; public hearing; inapplicability of subsections (6) to (10) to use of electric bicycles on congressionally authorized public trail system.

Sec. 662a. (1) Except as otherwise provided in this section, an individual riding an electric bicycle is subject to the same requirements under this act as an individual riding a bicycle.

(2) Beginning on January 1, 2018, a manufacturer or distributor of electric bicycles offered for sale or distribution in this state shall permanently affix in a prominent location on the electric bicycle a label that contains the classification number, top assisted speed, and motor wattage of the electric bicycle. The label required under this subsection shall be printed in Arial font and shall be at least 9-point type.

(3) A person shall not tamper with or modify an electric bicycle so as to change the manufactured motor-powered speed capability or motor engagement of the electric bicycle without replacing the label required under subsection (2) with an appropriate label printed in Arial font and in at least 9-point type. For purposes of this act, a device shall not be considered an electric bicycle if the motor is modified in a manner that no longer meets the criteria described in section 13e, or if the motor exceeds 750 watts.

(4) All of the following apply to a class 3 electric bicycle:

(a) A class 3 electric bicycle shall not be operated by an individual less than 14 years of age. An individual less than 14 years of age may ride as a passenger on a class 3 electric bicycle that is designed to accommodate passengers.

(b) An individual less than 18 years of age who operates or rides as a passenger on a class 3 electric bicycle shall wear a properly fitted and fastened bicycle helmet that meets federal standards established by the United States Consumer Product Safety Commission or the American Society for Testing and Materials.

(5) An electric bicycle shall comply with applicable equipment and manufacturing requirements for electric bicycles established under federal law, including standards adopted by the United States Consumer Product Safety Commission and compiled in 16 CFR part 1512.

An individual shall not operate an electric bicycle within the Mackinac Island State Park, unless he or she has obtained the required permit from the Mackinac Island State Park Commission created in part 767 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.76701 to 324.76709, or unless the Mackinac Island State Park Commission authorizes the operation of electric bicycles within its jurisdiction. If a city described in this subsection or the Mackinac Island State Park Commission authorizes the operation of electric bicycles within its jurisdiction, the city or the Mackinac Island State Park Commission may regulate the operation of electric bicycles within its jurisdiction.

(8) An individual may operate a class 1 electric bicycle on a linear trail that has an asphalt, crushed limestone, or similar surface, or a rail trail. A local authority or agency of this state having jurisdiction over a trail described in this subsection may regulate or prohibit the operation of a class 1 electric bicycle on that trail.

(10) Except as otherwise provided in this subsection, an individual shall not operate an electric bicycle on a trail that is designated as nonmotorized and that has a natural surface tread that is made by clearing and grading the native soil with no added surfacing materials. A local authority or agency of this state having jurisdiction over a trail described in this subsection may allow and regulate the operation of an electric bicycle on that trail.

(11) This state or a local authority or agency of this state shall administer the provisions of this section in a manner that complies with the Americans with disabilities act of 1990, Public Law 101-336, and the persons with disabilities civil rights act, 1976 PA 220, MCL 37.1101 to 37.1607.

(12) Before an entity described in subsections (7) to (10) may prohibit, authorize, or regulate the use of electric bicycles within its jurisdiction, that entity shall hold a public hearing on the matter.

(13) Subsections (6) to (10) do not apply to the use of electric bicycles on a congressionally authorized public trail system.

257.665 Research or testing of automated motor vehicle, technology allowing motor vehicle to operate without human operator, or any automated driving system; proof of insurance; existence of certain circumstances; operation; provisions applicable to platoon.

Sec. 665. (1) Before beginning research or testing on a highway or street in this state of an automated

motor vehicle, technology that allows a motor vehicle to operate without a human operator, or any automated driving system installed in a motor vehicle under this section, the manufacturer of automated driving systems or upfitter performing that research or testing shall submit proof satisfactory to the secretary of state that the vehicle is insured under chapter 31 of the insurance code of 1956, 1956 PA 218, MCL 500.3101 to 500.3179.

(2) A manufacturer of automated driving systems or upfitter shall ensure that all of the following circumstances exist when researching or testing the operation, including operation without a human operator, of an automated motor vehicle or any automated technology or automated driving system installed in a motor vehicle upon a highway or street:

(a) The vehicle is operated only by an employee, contractor, or other person designated or otherwise authorized by that manufacturer of automated driving systems or upfitter. This subdivision does not apply to a university researcher or an employee of the state transportation department or the department described in subsection (3).

(b) An individual described in subdivision (a) has the ability to monitor the vehicle's performance while it is being operated on a highway or street in this state and, if necessary, promptly take control of the vehicle's movements. If the individual does not, or is unable to, take control of the vehicle, the vehicle must be capable of achieving a minimal risk condition.

(c) The individual operating the vehicle under subdivision (a) and the individual who is monitoring the vehicle for purposes of subdivision (b) may lawfully operate a motor vehicle in the United States.

(3) A university researcher or an employee of the state transportation department or the department who is engaged in research or testing of automated motor vehicles may operate an automated motor vehicle if the operation is in compliance with subsection (2).

(4) An automated motor vehicle may be operated on a street or highway in this state.

(5) When engaged, an automated driving system allowing for operation without a human operator is considered the driver or operator of a vehicle for purposes of determining conformance to any applicable traffic or motor vehicle laws and is deemed to satisfy electronically all physical acts required by a driver or operator of the vehicle. An automated vehicle roadway system provider is not an operator of a vehicle.

(6) A person may operate a platoon on a street or highway of this state if the person files a plan for general platoon operations with the department of state police and the state transportation department before starting platoon operations. If the plan is not rejected by either the department of state police or the state transportation department within 30 days after receipt of the plan, the person is allowed to operate the platoon.

(7) All of the following apply to a platoon:

(a) Vehicles in a platoon are not considered a combination of vehicles for purposes of this act.

(b) The lead vehicle in a platoon is not considered to draw the other vehicles.

(c) If the platoon includes a commercial motor vehicle, an appropriately endorsed driver who holds a valid commercial driver license shall be present behind the wheel of each commercial motor vehicle in the platoon.

257.665a Liability.

Sec. 665a. A manufacturer of automated driving technology, an automated driving system, or a motor vehicle is immune from liability that arises out of any modification made to a motor vehicle, an automated motor vehicle, an automated driving system, or automated driving technology by another person without the manufacturer's consent, as provided in section 2949b of the revised judicature act of 1961, 1961 PA 236, MCL 600.2949b. Before commencing a SAVE project, and for the duration of the SAVE project, the motor vehicle manufacturer shall make publicly available a privacy statement disclosing its data handling practices in connection with the applicable participating fleet.
- (4) When engaged, an automated driving system or any remote or expert-controlled assist activity shall be considered the driver or operator of the vehicle for purposes of determining conformance to any applicable traffic or motor vehicle laws and shall be deemed to satisfy electronically all physical acts required by a driver or operator of the vehicle. A motor vehicle manufacturer shall insure each vehicle in a participating fleet as required under this act and chapter 31 of the insurance code of 1956, 1956 PA 218, MCL 500.3101 to 500.3179. For each SAVE project in which it participates, during the time that an automated driving system is in control of a vehicle in the participating fleet, a motor vehicle manufacturer shall assume liability for each incident in which the automated driving system is at fault, subject to chapter 31 of the insurance code of 1956, 1956 PA 218, MCL 500.3101 to 500.3179.

As part of an agreement entered pursuant to this subdivision, the state transportation department may include provisions authorizing the automated vehicle roadway system provider to establish and collect user fees for the use of the automated vehicle roadway or automated vehicle roadway lane. An automated vehicle roadway system provider may use

the fees collected pursuant to this subdivision to properly design, construct, manage, operate, or maintain its automated vehicle roadway system.

(2) If the state transportation department designates a segment of roadway as an automated vehicle roadway under subsection (1)(a) or a lane or ramp of an automated vehicle roadway as an automated vehicle roadway lane under subsection (1)(b), any of the following may apply:

(a) The roadway, lane, or ramp may be subject to requirements established by the state transportation department as a condition for use.

(b) The roadway, lane, or ramp may be reserved for the exclusive use of motor vehicles as determined by the state transportation department.

(3) This section supersedes all local ordinances that regulate automated vehicle roadway systems, automated vehicle roadways, automated vehicle roadway lanes, or automated vehicle roadway system providers, except that a local unit of government may adopt an ordinance or enforce an existing ordinance that does not conflict with this section.

257.666a Operation of motor vehicles on automated vehicle roadways; compliance with MCL 257.642(3); violation as civil infraction; limited use of data.

Sec. 666a. (1) An operator of a motor vehicle or automated motor vehicle shall not operate a motor vehicle or automated motor vehicle on an automated vehicle roadway or automated vehicle roadway lane without complying with section 642(3). A person that violates this subsection is responsible for a civil infraction and may be fined as provided in section 907.

(2) A sworn statement of an authorized agent of the state transportation department or a police officer from the department of state police, based upon the inspection of data produced by the automated vehicle roadway system, is prima facie evidence of the facts attested to in the sworn statement. Any data indicating a violation of subsection (1) must be available for inspection in any proceeding for a violation of subsection (1). Data of noncompliance with subsection (1) that contain personal identification information must be destroyed within 90 days after final disposition of the matter. Any data that does not indicate a violation of subsection (1) that contain personal identification information must be destroyed within 10 days of collection.

(3) Evidence obtained pursuant to subsection (2) that the operator of a motor vehicle or automated motor vehicle violated subsection (1), together with proof that the individual was at the time of the violation the

registered owner of the motor vehicle or automated motor vehicle, creates a rebuttable presumption that the registered owner of the motor vehicle or automated motor vehicle is the person that did not comply with subsection (1). For purposes of this subsection, the owner of a leased or rental motor vehicle or automated motor vehicle shall provide the name and address of the person to whom the vehicle was leased or rented at the time of the noncompliance. The presumption under this subsection is rebutted if either of the following applies:

(a) The registered owner of the motor vehicle or automated motor vehicle files an affidavit with the clerk of the court that states that he or she was not the operator of the motor vehicle or automated motor vehicle at the time of the violation and provides reasonable proof to accompany the affidavit.

(b) A certified copy of a police report showing that the motor vehicle or automated motor vehicle had been reported to the police as stolen before the time of the violation is presented before the appearance date on the citation.

(4) Notwithstanding section 742, a citation for a violation of subsection (1) may be executed by mailing a copy of the citation by first-class mail to the address of the owner of the motor vehicle or automated motor vehicle as shown on the records of the secretary of state. If the summoned individual fails to appear on the date of return set out in the citation previously mailed by first-class mail pursuant to this subsection, a copy of the citation must be sent by certified mail, with return receipt requested. If the summoned individual fails to appear on either of the dates of return set out in the copies of the citation mailed pursuant to this subsection, the citation must be executed in the manner provided by law for personal service.

(5) The automated vehicle roadway system shall not produce data for any purpose other than the operation of the automated vehicle roadway system or noncompliance with subsection (1).

SPECIAL STOPS REQUIRED

257.667 Stopping at railroad grade crossing; driving through, around, or under crossing gate or barrier; violation as civil infraction.

Sec. 667. (1) When a person driving a vehicle approaches a railroad grade crossing under any of the following circumstances, the driver shall stop the vehicle not more than 50 feet but not less than 15 feet from the nearest rail of the railroad, and shall not proceed until the driver can do so safely:

(a) A clearly visible electric or mechanical signal device gives warning of the immediate approach of a railroad train or other on-track equipment.

(b) A crossing gate is lowered or a flagman gives or continues to give a signal of the approach or passage of a railroad train or other on-track equipment.

(c) A railroad train or other on-track equipment approaching within approximately 1,500 feet of the highway crossing gives a signal audible from that distance, and the railroad train or on-track equipment by reason of its speed or nearness to the crossing is an immediate hazard.

(d) An approaching railroad train or other on-track equipment is plainly visible and is in hazardous proximity to the crossing.

(2) A person shall not drive a vehicle through, around, or under a crossing gate or barrier at a railroad crossing while the gate or barrier is closed or is being opened or closed or against the direction of a police officer.

(3) A person who violates this section is responsible for a civil infraction.

History: 1949, Act 300, Eff. Sept. 23, 1949;—Am. 1966, Act 237, Eff. Mar. 10, 1967;—Am. 1978, Act 510, Eff. Aug. 1, 1979;—Am. 2002, Act 534, Eff. Oct. 1, 2002;—Am. 2018, Act 394, Eff. Mar. 19, 2019.

257.667a Installation and use of unmanned traffic monitoring devices at railroad grade crossing; civil infraction; evidence; diagnostic study team review required where fatality at public railroad grade crossing; exception.

Sec. 667a. (1) The department of state police or the state transportation department; the county board of commissioners, board of county road commissioners, or county sheriff; or other local authority having jurisdiction over a highway or street may authorize the installation and use of unmanned traffic monitoring devices at a railroad grade crossing with flashing signals and gates on a highway or street under their respective jurisdictions. Each device shall be sufficiently marked or identified or a sign shall be placed at the approach to the crossing indicating that the crossing is monitored by an unmanned traffic monitoring device.

(2) Beginning 31 days after the installation of an unmanned traffic monitoring device at a railroad grade crossing described in subsection (1), a person is responsible for a civil infraction as provided in section 667 if the person violates a provision of that section on the basis of evidence obtained from an unmanned traffic

monitoring device. However, for the first 30 days after the installation of an unmanned traffic monitoring device, a person shall be issued a written warning only. It is an affirmative defense to a charge of violating section 667 that the mechanical warning devices at the crossing were malfunctioning.

(3) A sworn statement of a police officer from the state or local authority having jurisdiction over the highway or street upon which the railroad grade crossing described in subsection (1) is located, based upon inspection of photographs, microphotographs, videotape, or other recorded images produced by an unmanned traffic monitoring device, is prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotape, or other recorded images indicating such a violation shall be available for inspection in any proceeding to adjudicate the responsibility for a violation of section 667. Any photographs, videotape, or digital images of the violation shall be destroyed 90 days after final disposition of the citation.

(4) In a prosecution for a violation of section 667 established by an unmanned traffic monitoring device under this section, prima facie evidence that the vehicle described in the citation issued was operated in violation of section 667, together with proof that the defendant was at the time of the violation the registered owner of the vehicle, shall constitute in evidence a rebuttable presumption that the registered owner of the vehicle was the person who committed the violation. The presumption is rebutted if the registered owner of the vehicle files an affidavit by regular mail with the clerk of the court that he or she was not the operator of the vehicle at the time of the alleged violation or testifies in open court under oath that he or she was not the operator of the vehicle at the time of the alleged violation. The presumption also is rebutted if a certified copy of a police report, showing that the vehicle had been reported to the police as stolen before the time of the alleged violation of this section, is presented before the appearance date established on the citation. For purposes of this subsection, the owner of a leased or rental vehicle shall provide the name and address of the person to whom the vehicle was leased or rented at the time of the violation.

(5) Notwithstanding section 742, a citation for a violation of section 667 on the basis of evidence obtained from an unmanned traffic monitoring device may be executed by mailing by first-class mail a copy to the address of the owner of the vehicle as shown on the records of the secretary of state. If the summoned person fails to appear on the date of return set out in the citation previously mailed by first-class mail under this subsection, a copy shall be sent by certified mail-return receipt requested. If the summoned person fails to appear on either of the dates of return set out in the copies of the citation mailed under this section, the citation shall be executed in the manner provided by law for personal service. The court may issue a warrant for the arrest of a person who fails to appear within the time limit established on the citation if a sworn complaint is filed with the court for that purpose.

(6) If there is a fatality resulting from a train-vehicle crash at a public railroad grade crossing, the state transportation department shall convene a diagnostic study team review, if there has not been a diagnostic study team review at the crossing in the last 2 years. However, a diagnostic study team review is not required if the initial law enforcement investigation of the fatality indicates that the motorist's consumption of alcohol or a controlled substance or his or her disregard of an existing traffic control device conveying a "stop" message contributed to the fatality, or that the fatality was a suicide. The diagnostic study team review shall be conducted within 120 days after the state transportation department is made aware of the fatality. If the diagnostic study team review reaches consensus that warning device enhancements are needed, the state transportation department shall order those improvements. The cost for the improvements shall be financed consistent with the financing of similar projects by the state transportation department according to its annual prioritization of grade crossing safety improvements.

History: Add. 2000, Act 367, Imd. Eff. Jan. 2, 2001;—Am. 2002, Act 534, Eff. Oct. 1, 2002;—Am. 2006, Act 600, Imd. Eff. Jan. 3, 2007.

257.668 Designating certain grade crossings as "stop" crossings or "yield" crossings; signs; duties of driver; cost of yield sign installations; action for negligence; exception for on-track equipment; failure to stop or yield as civil infraction.

Sec. 668. (1) The state transportation department with respect to highways under its jurisdiction and the county road commissions and local authorities with respect to highways under their jurisdiction may designate certain grade crossings of railways by highways as "stop" crossings, and erect signs at the crossings notifying drivers of vehicles upon the highway to come to a complete stop before crossing the railway tracks. When a crossing is designated and signposted as provided in this subsection, the driver of a vehicle shall stop not more than 50 feet but not less than 15 feet from the railway tracks. The driver shall then traverse the crossing when it may be done in safety.

(2) The state transportation department with respect to highways under its jurisdiction and the county road commissions and local authorities with respect to highways under their jurisdiction may designate certain grade crossings of railways by highways as yield crossings, and erect signs at the crossings notifying drivers

of vehicles upon the highway to yield. Yield signs may be mounted on the same post as the crossbuck sign. Drivers of vehicles approaching a yield sign at the grade crossing of a railway shall maintain a reasonable speed based upon existing conditions and shall yield the right-of-way. The cost of yield sign installations shall be borne equally by the railroad and the governmental authority under whose jurisdiction the highway rests. The erection of or failure to erect, replace, or maintain a stop or yield sign or other railroad warning device, unless the device or sign was ordered by public authority, is not a basis for an action of negligence against the state transportation department, county road commissions, the railroads, or local authorities.

(3) If other on-track equipment does not trigger the activation of an electric or mechanical signal device, and employees of the railroad have followed all applicable railroad operating rules, there is no basis for a civil action against the railroad that operated the other on-track equipment, the state transportation department, a county road commission, or a local authority, or an employee or agent of the railroad that operated the other on-track equipment, the state transportation department, a county road commission, or a local authority.

(4) A person who fails to stop or yield as required by this section is responsible for a civil infraction.

History: 1949, Act 300, Eff. Sept. 23, 1949;—Am. 1953, Act 76, Eff. Oct. 2, 1953;—Am. 1961, Act 179, Eff. Sept. 8, 1961;—Am. 1978, Act 510, Eff. Aug. 1, 1979;—Am. 1980, Act 101, Imd. Eff. Apr. 27, 1980;—Am. 2002, Act 534, Eff. Oct. 1, 2002;—Am. 2018, Act 394, Eff. Mar. 19, 2019.

257.669 Vehicles required to activate hazard warning lights and stop at railroad track grade crossing; driver to listen and look in both directions; shifting gears prohibited; exceptions; "inactive railroad track" defined; violation as civil infraction.

Sec. 669. (1) Except as provided in subsections (2), (3), and (4), the driver of a motor vehicle transporting 16 or more passengers including the driver, a motor vehicle carrying passengers for hire, or a motor vehicle that is required to be marked or placarded under 49 CFR parts 100 to 180, before crossing a railroad track at grade, shall activate the vehicle hazard warning lights and stop the vehicle within 50 feet but not less than 15 feet from the nearest rail. While stopped, the driver shall listen and look in both directions along the track for an approaching railroad train or other on-track equipment and for signals indicating the approach of a railroad train or other on-track equipment, and shall not proceed until the driver can do so safely. After stopping as required in this subsection, and upon proceeding when it is safe to do so, the driver of the vehicle shall cross only in a gear of the vehicle that does not require changing gears while traversing the crossing. The driver shall not shift gears while crossing the track or tracks.

(2) A stop need not be made at a railroad track grade crossing where a police officer or a traffic-control signal directs traffic to proceed.

(3) A stop need not be made at an inactive railroad track grade crossing. As used in this subsection, "inactive railroad track" means a railroad track that meets all of the following requirements:

(a) The track has been covered or removed.

(b) All signs, signals, and other warning devices are removed.

(4) A stop shall not be made at a railroad grade crossing marked with a sign reading "exempt". Exempt signs may be erected only by or with the consent of the state transportation department after notice to and an opportunity to be heard by the primary railroad operating over that crossing.

(5) A person who violates this section is responsible for a civil infraction.

257.669a Federal motor carrier safety regulations; adoption; transportation of persons and property over railroad-highway grade crossings.

Sec. 669a. (1) This state adopts motor carrier safety regulations 49 C.F.R. 392.10 and 392.11 on file with the office of the secretary of state, to provide for the safe transportation of persons and property over railroad-highway grade crossings with the intent of following the policies and procedures of the United States department of transportation's federal motor carrier safety administration as they relate to title 49 of the code of federal regulations. For purposes of this subsection, "commercial motor vehicle" means that term as defined in section 7a.

(2) The driver of a commercial motor vehicle shall comply with a lawful order or direction of a police officer guiding, directing, controlling, or regulating traffic at a railroad-highway grade crossing.

(3) The driver of a commercial motor vehicle shall not cross a railroad-highway grade crossing unless the vehicle has sufficient undercarriage clearance.

(4) The driver of a commercial motor vehicle shall not cross a railroad-highway grade crossing unless the

vehicle can be driven completely through the crossing without stopping.

(5) A person who violates this section is responsible for a civil infraction.

History: Add. 2002, Act 534, Eff. Oct. 1, 2002.

257.670 Operating or moving certain vehicles or equipment upon or across steam railroad tracks at grade level; notice of intended crossing; stopping, listening, and looking; warning; violation as civil infraction.

Sec. 670. (1) A person shall not operate or move a caterpillar tractor, shovel, derrick, roller, boiler, machinery, or other structure or object upon rollers, or other equipment or structure, which, because of its limited power, or weight, character, or load, has a normal operating speed of 4 miles per hour or less, or which has a vertical load or body clearance of less than 9 inches above the level surface of the roadway, upon or across the tracks of a railroad at grade level without first complying with this section, except this section shall not apply to the movement of electrically propelled cars on fixed rails or to their loads.

(2) Notice of the intended crossing described in subsection (1) shall be given to the nearest agent or officer of the railroad in time to afford protection to its locomotives, trains, or cars at the crossing.

(3) Before making the crossing, the person operating or moving the vehicle or equipment shall first stop not less than 15 feet or more than 50 feet from the nearest rail of the track and while stopped shall listen and look in both directions along the track for an approaching railroad train or other on-track equipment and for signals indicating the approach of a railroad train or other on-track equipment, and shall not proceed until the crossing can be made safely.

(4) A crossing shall not be made when warning is given by automatic signal or crossing gates or a flagman or otherwise of the immediate approach of a railroad train or car.

(5) A person who violates this section is responsible for a civil infraction.

257.671 Designation of through highways; designation of stop, yield, or merge intersections; stop, yield, or merge signs; violation as civil infraction.

Sec. 671. (2) Every stop, yield, or merge sign shall be reflectorized or illuminated at night. Every stop, yield, or merge sign shall be located as near as practicable at the nearest line of the crosswalk thereat, or, if none, at the nearest line of the roadway.

(3) A person who fails to obey a stop, yield, or merge sign erected pursuant to this section is responsible for a civil infraction.

257.673 Removal of illegally stopped bicycles or vehicles; costs.

Sec. 673. (a) If a police officer finds a bicycle or vehicle standing on a highway in violation of the provisions of this chapter or standing on a highway in a manner that would block, delay, or otherwise interfere with the movement of a streetcar on a streetcar track, the police officer may remove the bicycle or

257.674a Clear vision areas; parking and commercial enterprises prohibited; violation as civil infraction.

Sec. 674a. (1) A vehicle shall not be parked in an area purchased, acquired, or used as a clear vision area adjacent to or on a highway right of way. A person shall not conduct vending or other commercial enterprises in a clear vision area.

(2) A person who violates this section is responsible for a civil infraction.

History: Add. 1967, Act 277, Eff. Nov. 2, 1967;—Am. 1978, Act 510, Eff. Aug. 1, 1979;—Am. 1980, Act 518, Eff. Mar. 31, 1981.

257.675 Stopping, standing, or parking of vehicle; requirements; signs; traffic control orders as rules; hearing; use of windshield placard by disabled person; courtesy required; free parking sticker; display; confiscation; false statement, deception, or fraud as misdemeanor; penalty; violation as civil infraction; cancellation, revocation, or suspension; driver, chauffeur's, or state personal identification card number; signature of physician, physician assistant, certified nurse practitioner, or physical therapist; third party reimbursement or worker's compensation; "disabled person" defined.

Sec. 675. (1) Except as otherwise provided in this section and this chapter, a vehicle stopped or parked upon a highway or street shall be stopped or parked with the wheels of the vehicle parallel to the roadway and within 12 inches of any curb existing at the right of the vehicle.

(2) A local authority may by ordinance permit parking of a vehicle on a 1-way roadway with the vehicle's left wheels adjacent to and within 12 inches of any curb existing at the left of the vehicle.

(3) A local authority may by ordinance permit angle parking on a roadway, except that angle parking is not permitted on a state trunk line highway unless authorized by the state transportation department.

(4) The state transportation commission with respect to state trunk line highways and a board of county road commissioners with respect to county roads, acting jointly with the director of the department of state police, may place signs prohibiting or restricting the stopping, standing, or parking of vehicles on a highway where, in the opinion of the officials as determined by an engineering survey, the stopping, standing, or parking is dangerous to those using the highway or where the stopping, standing, or parking of vehicles would unduly interfere with the free movement of traffic on the highway or street. The signs shall be official signs and a person shall not stop, stand, or park a vehicle in violation of the restrictions stated on the signs. The signs shall be installed only after a proper traffic order is filed with the county clerk. Upon the application to the state transportation commission by a home rule city affected by an order, opportunity shall be given to the

city for a hearing before the state transportation commission, under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, except when an ordinance of the home rule city prohibits or restricts the parking of vehicles on a state trunk line highway; when the home rule city, by lawfully authorized official action, requests the state transportation department to prohibit or restrict parking on a state trunk line highway; or when the home rule city enters into a construction agreement with the state transportation department providing for the prohibition or restriction of parking on a state trunk line highway during or after the period of construction. Traffic control orders, so long as they affect parking upon a state trunk line highway within the corporate limits of a home rule city, are considered "rules" within the meaning of the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, and upon application for a hearing by a home rule city, the proceedings before the state transportation commission shall be considered a "contested case" within the meaning of that act.

(5) A disabled person may apply, on a form prescribed by the secretary of state, for a serially numbered nontransferable temporary or permanent windshield placard for the personal use of the disabled person. An individual who has a religious objection to having a medical examination may personally apply at a branch office of the secretary of state for a serially numbered nontransferable temporary or permanent windshield placard for the personal use of the disabled individual. If it appears obvious that the individual has a qualifying disability, the individual is not required to present a medical statement attesting to the disability. The application for and the issuance of the serially numbered nontransferable temporary or permanent windshield placard is subject to all of the following:

(a) The secretary of state may issue to a disabled person with a temporary disability a temporary windshield placard that is valid for a period of not more than 6 months.

(b) The secretary of state may issue to a disabled person with a permanent disability an original or renewal permanent windshield placard that is valid for a period of not more than 4 years.

(c) An original or permanent windshield placard expires on the disabled person's fifth birthday after the date of issuance.

(d) A renewal permanent windshield placard expires on the disabled person's fourth birthday after the date of renewal.

(e) Except as otherwise provided in this subsection, not more than 45 days immediately preceding the expiration of his or her certificate or placard, a person holding a permanent windshield placard may apply for a new or renewal placard as provided in this section. However, if the person will be out of state during the 45 days immediately preceding expiration of the placard or for other good cause shown cannot apply for a placard within the 45-day period, the person may apply for a new or renewal placard not more than 6 months before the placard expires. A placard issued or renewed under this subdivision expires as provided in this subsection.

(f) Upon application in the manner prescribed by the secretary of state for replacement of a lost, stolen, or destroyed placard described in this section, a disabled person or organization that provides specialized services to disabled persons may be issued a placard that in substance duplicates the original certificate or placard for a fee of \$10.00.

(g) A placard described in this section may be used by a person other than the disabled person for the sole purpose of transporting the disabled person. An organization that provides specialized services to disabled persons may apply for and receive a permanent windshield placard to be used in any motor vehicle actually transporting a disabled person. If the organization ceases to transport disabled persons, the placard shall be returned to the secretary of state for cancellation and destruction.

(h) The secretary of state shall not issue a permanent placard to an individual under this section unless that individual has provided proof of Michigan residency.

(6) A disabled person with a certificate of identification, windshield placard, special registration plates issued under section 803d, a special registration plate issued under section 803f that has a tab for persons with disabilities attached, a certificate of identification or windshield placard from another state, or special registration plates from another state issued for persons with disabilities is entitled to courtesy in the parking of a vehicle. The courtesy shall relieve the disabled person or the person transporting the disabled person from liability for a violation with respect to parking, other than in violation of this act. A local authority may by ordinance prohibit parking on a street or highway to create a fire lane or to provide for the accommodation of heavy traffic during morning and afternoon rush hours, and the privileges extending to veterans and physically disabled persons under this subsection do not supersede that ordinance.

(7) Except as otherwise provided in subsection (20), an application for an initial free parking sticker shall contain a certification by a physician, physician assistant, certified nurse practitioner, or physical therapist licensed to practice in this state attesting to the nature and estimated duration of the applicant's disabling condition and verifying that the applicant qualifies for a free parking sticker. An individual who has a

religious objection to having a medical examination may personally apply at a branch office of the secretary of state for an initial free parking sticker. If it appears obvious that the individual is unable to do 1 or more of the acts listed in subdivisions (a) to (d), the individual is not required to present a certification by a physician, a physician assistant, a certified nurse practitioner, or a physical therapist attesting to the nature and estimated duration of the applicant's disabling condition or verifying that the applicant qualifies for a free parking sticker. The applicant qualifies for a free parking sticker if the applicant is a licensed driver and the physician, physician assistant, certified nurse practitioner, or physical therapist certifies or, if an individual is not required to have a certification by a physician, a physician assistant, a certified nurse practitioner, or a physical therapist, it is obvious that the applicant is unable to do 1 or more of the following:

(a) Manage, manipulate, or insert coins, or obtain tickets or tokens in parking meters or ticket machines in parking lots or parking structures, due to the lack of fine motor control of both hands.

(b) Reach above his or her head to a height of 42 inches from the ground, due to a lack of finger, hand, or upper extremity strength or mobility.

(c) Approach a parking meter due to his or her use of a wheelchair or other device.

(d) Walk more than 20 feet due to an orthopedic, neurological, cardiovascular, or lung condition in which the degree of debilitation is so severe that it almost completely impedes the ability to walk.

(8) To be entitled to free parking in a metered space or in a publicly owned parking structure or area, a vehicle must properly display 1 of the following:

(a) A windshield placard bearing a free parking sticker issued under this act.

(b) A valid windshield placard issued by another state.

(c) A certificate of identification issued by another state.

(d) A license plate for persons with disabilities issued by another state.

(e) A special registration plate with a tab for persons with disabilities attached issued by another state.

(9) A vehicle that does not properly display 1 of the items listed in subsection (8) is not entitled to free parking in a metered parking space or in a publicly owned parking area or structure, and the disabled person or vehicle operator shall pay all parking fees and may be responsible for a civil infraction.

(10) Blindness that is not accompanied by an incapacity described in subsection (7) does not entitle a person to a free parking sticker.

(11) The secretary of state shall attach a free parking sticker, in contrasting colors, to the windshield placard of a person certified as having an incapacity described in subsection (7).

(12) A windshield placard issued under this section shall be displayed on the interior rearview mirror of the vehicle or, if there is no interior rearview mirror, on the lower left corner of the dashboard while the vehicle is parked or being parked by or under the direction of a disabled person pursuant to this section.

(13) Upon conviction of an offense involving a violation of the special privileges conferred upon a holder of a windshield placard or free parking sticker, a magistrate or judge trying the case, as a part of any penalty imposed, may confiscate the windshield placard or free parking sticker and return the confiscated item or items to the secretary of state together with a certified copy of the sentence imposed. Upon receipt of a windshield placard or free parking sticker from a judge or magistrate, the secretary of state shall cancel and destroy the placard or sticker, and the disabled person to whom it was issued shall not receive another placard or sticker until he or she submits a completed application and presents a current medical statement attesting to his or her condition. A law enforcement officer who observes a misuse of a windshield placard or free parking sticker may immediately confiscate the placard or sticker and forward it with a copy of his or her report to the secretary of state.

(14) A person who intentionally makes a false statement of material fact or commits or attempts to commit a deception or fraud on a medical statement attesting to a disability, submitted in support of an application for a windshield placard, free parking sticker, special registration plate, or tab for persons with disabilities under this section, section 803d, or section 803f, is guilty of a misdemeanor punishable by a fine of not more than \$500.00 or imprisonment for not more than 30 days, or both.

(15) A person who commits or attempts to commit a deception or fraud by 1 or more of the following methods is guilty of a misdemeanor punishable by a fine of not more than \$500.00 or imprisonment for not more than 30 days, or both:

(a) Using a windshield placard or free parking sticker issued under this section or by another state to provide transportation to a disabled person, if the person is not providing transportation to a disabled person.

(b) Altering, modifying, or selling a windshield placard or free parking sticker issued under this section or by another state.

(c) Copying or forging a windshield placard or free parking sticker described in this section or selling a copied or forged placard or sticker described in this section. In the case of a violation of this subdivision, the fine described in this subsection shall be not less than \$250.00.

- (d) Using a copied or forged windshield placard or free parking sticker described in this section.
 - (e) Making a false statement of material fact to obtain or assist an individual in obtaining a placard or sticker described in this section, a special registration plate under section 803d, or a tab for persons with disabilities under section 803f.
 - (f) Knowingly using or displaying a placard or sticker described in this section that has been canceled by the secretary of state.
- (16) Except as otherwise provided in this section, a person who violates this section is responsible for a civil infraction.
- (17) The secretary of state may cancel, revoke, or suspend a windshield placard or free parking sticker under any of the following circumstances:
- (a) The secretary of state determines that a windshield placard or free parking sticker was fraudulently or erroneously issued.
 - (b) The secretary of state determines that a person has made or is making an unlawful use of his or her windshield placard or free parking sticker.
 - (c) The secretary of state determines that a check or draft used to pay the required fee is not paid on its first presentation and is not paid upon reasonable notice or demand or that the required fee is paid by an invalid credit card.
 - (d) The secretary of state determines that the person is no longer eligible to receive or use a windshield placard or free parking sticker.
 - (e) The secretary of state determines that the owner has committed an offense under this act involving a windshield placard or free parking sticker.
 - (f) A person has violated this act and the secretary of state is authorized under this act to cancel, revoke, or suspend a windshield placard or free parking sticker for that violation.
 - (g) The secretary of state receives notice from another state or foreign country that a windshield placard or free parking sticker issued by the secretary of state has been surrendered by the owner or seized in conformity with the laws of that other state or foreign country or has been improperly used or displayed in violation of the laws of that other state or foreign country.
- (18) Before a cancellation, revocation, or suspension under subsection (17), the person affected by that action shall be given notice and an opportunity to be heard.
- (19) A windshield placard issued to a disabled person shall bear the first letter and the last 3 digits of the disabled person's driver or chauffeur's license number or official state personal identification card number.
- (20) For purposes of this section only, the secretary of state may accept an application for a windshield placard, special registration plate, or free parking sticker from a disabled person that is signed by a physician, physician assistant, certified nurse practitioner, or physical therapist licensed or certified to practice in another state if the application is accompanied by a copy of that physician's, physician assistant's, certified nurse practitioner's, or physical therapist's current medical license or certification issued by that state.
- (21) This section does not require new or additional third party reimbursement or worker's compensation benefits for services rendered.
- (22) As used in this section, "disabled person" means a person who is determined by a physician, a physician assistant, a physical therapist, or an optometrist as specifically provided in this section licensed to practice in this state to have 1 or more of the following physical characteristics:
- (a) Blindness as determined by an optometrist, a physician, or a physician assistant.
 - (b) Inability to walk more than 200 feet without having to stop and rest.
 - (c) Inability to do both of the following:
 - (i) Use 1 or both legs or feet.
 - (ii) Walk without the use of a wheelchair, walker, crutch, brace, prosthetic, or other device, or without the assistance of another person.
 - (d) A lung disease from which the person's forced expiratory volume for 1 second, when measured by spirometry, is less than 1 liter, or from which the person's arterial oxygen tension is less than 60 mm/hg of room air at rest.
 - (e) A cardiovascular condition that causes the person to measure between 3 and 4 on the New York heart classification scale, or that renders the person incapable of meeting a minimum standard for cardiovascular health that is established by the American Heart Association and approved by the department of public health.
 - (f) An arthritic, neurological, or orthopedic condition that severely limits the person's ability to walk.
 - (g) The persistent reliance upon an oxygen source other than ordinary air.

257.675a Unlawful standing or parked vehicle; proof; presumption.

Sec. 675a. Except as provided in section 675b involving leased vehicles, in a proceeding for a violation of a local ordinance or state statute relating to a standing or parked vehicle, proof that the particular vehicle described in the citation, complaint, or warrant was parked in violation of the ordinance or state statute, together with proof from the secretary of state that the defendant named in the citation, complaint, or warrant was at the time of the violation the vehicle's registered owner, creates in evidence a presumption that the vehicle's registered owner was the person who parked or placed the vehicle at the point where and at the time that the violation occurred.

History: Add. 1974, Act 78, Imd. Eff. Apr. 9, 1974;—Am. 1978, Act 510, Eff. Aug. 1, 1979;—Am. 1980, Act 518, Eff. Mar. 31, 1981;—Am. 2000, Act 268, Eff. Oct. 1, 2000.

257.675b Unlawful standing or parked leased or rented motor vehicle; liability proof; information to be provided by owner; definitions.

Sec. 675b. (1) The lessee or renter of a motor vehicle and not the leased vehicle owner is liable for a violation of a local ordinance or state statute relating to a standing or parked vehicle involving the motor vehicle if the leased vehicle owner furnishes proof that the vehicle described in the citation, complaint, warrant, or notice was in the possession of, custody of, or was being operated or used by the lessee or renter of the vehicle at the time of the violation.

(2) If a leased vehicle is leased or rented for 30 days or less, the leased vehicle owner may avoid liability for a violation described in subsection (1) if the leased vehicle owner provides all of the following information to the clerk of the court or parking violations bureau issuing the violation not later than 30 days after the leased vehicle owner has received notice of the violation:

(a) The lessee's or renter's name, address, and operator's or chauffeur's license number.

(b) A copy of the signed rental or lease agreement or an expedited rental agreement without signature as part of a master rental agreement, including proof of the date and time the possession of the vehicle was given to the lessee or renter and the date and time the vehicle was returned to the leased vehicle owner or the leased vehicle owner's authorized agent under the agreement.

(3) If a leased vehicle is leased or rented for 30 days or less, the leased vehicle owner is liable for a violation of a local ordinance or state statute relating to a standing or parked vehicle if 1 or more of the following occur:

(a) The leased vehicle owner does not provide the information described in subsection (2) within the 30-day period specified in that subsection.

(b) The court or parking violations bureau issuing the violation proceeds against the lessee or renter of the vehicle and the lessee or renter of the vehicle is not convicted of or found responsible for the violation.

(4) As used in this section:

(a) "Affiliate" means a person that directly or indirectly through 1 or more intermediaries controls, is controlled by, or is under common control with another person.

(b) "Leased vehicle owner" means a person in the business of renting or leasing leased vehicles or an affiliate of the person, if the person or the affiliate is the registered owner of a standing or parked leased vehicle involved in a violation of a local ordinance or state statute.

History: Add. 1974, Act 78, Imd. Eff. Apr. 9, 1974;—Am. 1980, Act 518, Eff. Mar. 31, 1981;—Am. 2000, Act 268, Eff. Oct. 1, 2000.

257.675c Stopping, standing, or parking violations; registered owner as person prima facie responsible for violation; affirmative defense; civil action; written indemnification agreement; applicability of subsection (3) to leased vehicle; issuing citation to operator.

Sec. 675c. (1) Except as provided in section 675b, if a vehicle is stopped, standing, or parked in violation of section 672, 674, 674a, 675, or 676, or other state statute, or a local ordinance prohibiting or restricting the stopping, standing, or parking of a vehicle and the violation is a civil infraction, the person in whose name

that vehicle is registered in this state or another state at the time of the violation is prima facie responsible for that violation and subject to section 907.

(2) The owner of a vehicle cited for a stopping, standing, or parking violation pursuant to subsection (1) may assert as an affirmative defense that the vehicle in question, at the time of the violation, was in the possession of a person whom the owner had not knowingly permitted to operate the vehicle.

(3) The registered owner of a vehicle who is found to be responsible for a civil infraction as the result of subsection (1) or a leased vehicle owner as defined in section 675b that is found to be responsible for a civil infraction described in section 675b has the right to recover in a civil action against the person who parked, stopped, or left standing the vehicle in question damages including, but not limited to, the amount of any civil fine or costs, or both, imposed pursuant to section 907. The registered owner of a vehicle or the leased vehicle owner may provide in a written agreement that the person who parked, stopped, or left standing the vehicle in violation of a state statute or local ordinance, when the violation is a civil infraction, shall indemnify the registered owner or the leased vehicle owner for the damages incurred including, but not limited to, any civil fine and costs imposed upon the registered owner for that civil infraction. With regard to a leased vehicle, this subsection does not apply if the court or parking violations bureau issuing the violation finds that the lessee or renter of the vehicle is not responsible for the violation and it is determined that the lessee or renter did not violate the terms of the rental contract or lease agreement.

(4) A police officer who issues a citation for a vehicle that is stopped, standing, or parked in violation of a state statute or a local ordinance prohibiting or restricting the stopping, standing, or parking of a vehicle may issue the citation for the violation to the operator of the vehicle if the operator is present at the time of the violation.

(f) Parking at a place where an official sign prohibits stopping or parking in violation of section 674(1)(n) or a local ordinance substantially corresponding to section 674(1)(n). enforcement agency or local unit of government shall implement a program to train the persons to properly issue citations as provided in this section, of which not less than 8 hours must be in parking enforcement, conducted by that law enforcement agency or the law enforcement agency for that local unit of government or, if the local unit of government does not have a law enforcement agency, by the county sheriff. A person who successfully completes a program of training implemented under this section may issue citations as provided in this section as authorized by the law enforcement agency or local unit of government. A law enforcement agency of a local unit of government shall not implement or administer a program under this section without the specific authorization of the governing body of that local unit of government. A law enforcement agency shall not implement or administer a program under this section that would allow volunteers to issue citations under subsection (1)(a), (b), (c), (d), (e), (f), or (i) for any violations for which the use of volunteers is prohibited under a collective bargaining agreement between that local unit of government and any law enforcement officers of that local unit of government.

Sec. 698a. Any vehicle may be equipped with lamps which may be used for the purpose of warning the operators of other vehicles of the presence of a vehicular traffic hazard requiring the exercise of unusual care in approaching, overtaking or passing, and when so equipped may display such warning in addition to any other warning signals required by this act. The lamps used to display such warning to the front shall be mounted at the same level and as widely spaced laterally as practicable, and shall display simultaneously flashing white or amber lights, or any shade of color between white and amber. The lamps used to display such warning to the rear shall be mounted at the same level and as widely spaced laterally as practicable, and shall show simultaneously flashing amber or red lights, or any shade of color between amber and red. Sec. 699. Except as hereinafter provided, the head lamps, or the auxiliary driving lamps, or combinations thereof, on motor vehicles shall be so arranged that selection may be made between distributions of light projected to different elevations, subject to the following requirements and limitations:

(a) Head lamps shall in all cases emit a white light. Auxiliary lamps may emit either a white or amber light.

(b) There shall be an uppermost distribution of light, or composite beam, so aimed and of an intensity as to reveal persons and vehicles at a distance of at least 350 feet ahead for all conditions of loading.

(c) There shall be a lowermost distribution of light, or composite beam, so aimed and of sufficient intensity

to reveal persons and vehicles at a distance of at least 100 feet ahead; and under any condition of loading none of the high intensity portion of the beam shall be directed to strike the eyes of an approaching driver.

(d) Every new motor vehicle except motorcycles and mopeds registered in this state which has multiple beam road lighting equipment shall be equipped with a beam indicator, which shall be lighted when the uppermost distribution of light from the head lamps is in use and shall not otherwise be lighted. 1. The head lamps shall be so aimed that when the vehicle is not loaded none of the high-intensity portion of the light shall at a distance of 25 feet ahead project higher than a level of 5 inches below the level of the center of the lamp from which it comes, and in no case higher than 42 inches above the level on which the vehicle stands at a distance of 75 feet ahead.

257.705 Brake equipment.

Sec. 705. (1) Brake equipment shall be required as follows:

(a) A motor vehicle, other than a motorcycle or moped, and a low-speed vehicle when operated upon a highway shall be equipped with brakes adequate to control the movement of and to stop and hold the vehicle, including 2 separate means of applying the brakes, each of which means shall be effective to apply the brakes to at least 2 wheels. If these 2 separate means of applying the brakes are connected in any way, they shall be constructed in a way that failure of 1 part of the operating mechanism shall not leave the motor vehicle without brakes on at least 2 wheels.

(b) A motorcycle or moped when operated upon a highway shall be equipped with at least 2 brakes, 1 on the front wheel and 1 on the rear wheel, that may be operated by hand or foot.

(c) A trailer or semitrailer of a gross weight of 15,001 pounds or more when operated upon a highway shall be equipped with brakes operating on all wheels and designed to be applied by the driver of the towing motor vehicle from its cab.

(d) A new motor vehicle, trailer, or semitrailer sold in this state and operated upon the highways shall be equipped with brakes on all wheels, except a motorcycle or moped, and except that a semitrailer, pole trailer, or trailer of less than 3,000 pounds gross weight need not be equipped with brakes if the gross weight of a trailer or pole trailer, no part of the load of which rests upon the towing vehicle, does not exceed 40% of the gross weight of the towing vehicle, and if the gross weight of the towing vehicle and the gross weight of a semitrailer or pole trailer, part of the load of which rests upon the towing vehicle, does not exceed 40% of the gross weight of the towing vehicle when connected to the semitrailer or pole trailer. This subdivision does not apply to a trailer or semitrailer owned by a farmer and used exclusively in connection with the farming operations of the farmer and not used for hire.

(e) Every bus, school bus, truck, or truck tractor shall be equipped with brakes operating on all wheels, except that a truck or truck tractor that has 3 or more axles need not have brakes on the front wheels if the vehicle was manufactured before July 25, 1980.

(f) In any combination of motor driven vehicles, means shall be provided for applying the rearmost trailer brakes, for a trailer equipped with brakes, in approximate synchronism with the brakes on the towing vehicle and developing the required braking effort on the rearmost wheels at the fastest rate; or means shall be provided for applying braking effort first on the rearmost trailer equipped with brakes; or both of the above means capable of being used alternatively may be employed.

(g) A motor vehicle and combination of vehicles, except pole trailers, motorcycles, and mopeds, shall be equipped with parking brakes adequate to hold the vehicle on any grade on which it is operated, under all conditions of loading on a surface free from snow, ice, or loose material. The parking brakes shall be capable of being applied in conformance with the foregoing requirements by the driver's muscular effort or by spring action or by equivalent means. Their operation may be assisted by the service brakes or other source of power if failure of the service brake actuation system or other power assisting mechanism will not prevent the parking brakes from being applied in conformance with the foregoing requirements. The parking brakes shall be designed in a manner that when once applied they shall remain applied with the required effectiveness despite exhaustion of any source of energy or leakage of any kind. The same brake drums, brake shoes, and lining assemblies, brake shoe anchors, and mechanical brake shoe actuation mechanism normally associated with the wheel brake assemblies may be used for both the service brakes and the parking brakes. If the means of applying the parking brakes and the service brakes are connected in any way, they shall be constructed in a manner that failure of 1 part shall not leave the vehicle without operative brakes.

(h) The brake shoes operating within or upon the drums of the vehicle wheels of a motor vehicle may be used for both service and hand operation.

(2) A motor vehicle or combination of motor-drawn vehicles shall be capable at all times and under all conditions of loading, of being stopped on a dry, smooth, level road free from loose material within the distances specified in this subsection, or shall be capable of being decelerated at a sustained rate corresponding to these distances upon initial application of the service (foot) brake.

(c) If the implement of husbandry being drawn does not exceed any other implement or component design maximum speed limitation, the combination of vehicles shall not exceed that maximum speed limitation.

(4) Nothing in this act or rules promulgated under this act requires a slasher saw table to be equipped with brakes.

(5) All brakes shall be maintained in good working order and shall be adjusted in a manner as to operate as equally as practicable with respect to the wheels on the opposite side of the vehicle.

257.709 Windshields and windows; prohibitions; rearview mirrors; exceptions; windshield wipers; exemption; hot air windshield defroster or electrically heated windshield or other device; windshield device; definitions.

Sec. 709. (1) A person shall not operate a motor vehicle with any of the following:

(a) A sign, poster, nontransparent material, window application, reflective film, or nonreflective film upon or in the front windshield, the side windows immediately adjacent to the driver or front passenger, or the sidewings adjacent to and forward of the driver or front passenger, except that a tinted film may be used along the top edge of the windshield and the side windows or sidewings immediately adjacent to the driver or front passenger if the material does not extend more than 4 inches from the top of the windshield, or lower than the shade band, whichever is closer to the top of the windshield.

(b) A rear window or side window to the rear of the driver composed of, covered by, or treated with a material that creates a total solar reflectance of 35% or more in the visible light range, including a silver or gold reflective film.

(c) An object that obstructs the vision of the driver of the vehicle, except as authorized by law.

(2) A person shall not drive a motor vehicle if driver visibility through the rear window is obstructed, unless the vehicle is equipped with 2 rearview mirrors, 1 on each side, adjusted so that the operator has a clear view of the highway behind the vehicle.

(3) This section does not apply to any of the following:

(a) The use of draperies, louvers, or other special window treatments, except those specifically designated in this section, on the rear window, or a side window to the rear of the driver if the vehicle is equipped with 2 outside rearview mirrors, 1 on each side, adjusted so that the driver has a clear view of the highway behind the vehicle.

(b) The use of a nonreflective, smoked or tinted glass, nonreflective film, perforated window screen, or other decorative window application on the rear window or a side window to the rear of the driver.

(c) The placement of a necessary certificate or sticker that does not obstruct the driver's clear view of the roadway or an intersecting roadway.

(d) A vehicle registered in another state, territory, commonwealth of the United States, or another country or province.

(e) A special window treatment or application determined necessary by a physician or optometrist, for the protection of a person who is light sensitive or photosensitive, if the owner or operator of a motor vehicle has in possession a letter signed by a physician or optometrist, indicating that the special window treatment or application is a medical necessity. However, the special window treatment or application shall not interfere with or obstruct the driver's clear vision of the highway or an intersecting highway.

(4) Except as provided in subsection (5), the windshield on each motor vehicle shall be equipped with a device for cleaning rain, snow, or other moisture from the windshield, which device shall be so constructed as to be controlled or operated by the driver of the vehicle. A vehicle licensed as an historical vehicle is exempt from this subsection if the vehicle was not originally equipped with such a device. Each windshield wiper upon a motor vehicle shall be maintained in good working order.

(5) A truck with a gross weight over 10,000 pounds, a truck tractor, a bus, or a truck regardless of weight carrying hazardous materials on which a placard is required to be posted pursuant to 49 CFR parts 100 to 199 having a windshield shall be equipped with not less than 2 automatically operating windshield wiper blades, 1 on each side of the centerline of the windshield, for cleaning rain, snow, or other moisture from the windshield. The blades shall be in such condition as to provide clear vision for the driver, unless 1 blade is so arranged as to clean an area of the windshield extending to within 1 inch of the limit of vision through the windshield at each side. However, in driveaway-towaway operations, this subsection applies only to the operated vehicle. In addition, 1 windshield wiper blade suffices under this subsection when the driven vehicle in a driveaway-towaway operation constitutes part or all of the property being transported and has no provision for 2 blades. A truck and truck tractor, manufactured after June 30, 1953, that depends upon vacuum to operate the windshield wipers, shall be so constructed that the operation of the wipers is not materially impaired by change in the intake manifold pressure.

(6) A truck with a gross weight over 10,000 pounds, a truck tractor, a bus, or a truck regardless of weight carrying hazardous materials on which a placard is required to be posted under 49 CFR parts 100 to 199 shall not be operated on the highways at any time unless it is equipped with a hot air windshield defroster or an electrically heated windshield or other device to heat and maintain the windshield in operable condition at all

times.

257.710 Tires; studs or other traction devices; rules; exceptions; use or sale of unsafe tires prohibited.

Sec. 710. (a) A person shall not operate on a public highway of this state a vehicle or special mobile equipment which has metal or plastic track or a tire which is equipped with metal that comes in contact with the surface of the road or which has a partial contact of metal or plastic with the surface of the road, except as provided in subsections (c), (d), and (e).

(b) A person shall not operate on a highway a vehicle which has a tire that has on its periphery a block, stud, flange, cleat, spike, or other protuberance of a material other than rubber which projects beyond the tread of the traction surface of the tire, except as provided in subsections (c), (d), and (e). A person may, however, use farm machinery with a tire having a protuberance which will not injure a highway. A person may also use a tire chain of reasonable proportion upon a vehicle when required for safety because of snow, ice, or other condition tending to cause a vehicle to skid.

(c) A person may operate on a highway a vehicle which has a pneumatic tire in which wire of .075 inches in diameter or less is embedded if the tire is constructed so that the percent of metal in contact with the highway does not exceed 5% of the total tire area in contact with the roadway, except that during the first 1,000 miles of use or operation of the tire the metal in contact with the highway shall not exceed 20% of the area.

(d) The department of state highways and transportation shall promulgate rules establishing acceptable standards to permit the use of a tire with studs or other traction devices to be used on a street or highway after April 1, 1975. The rules shall make separate provision for the extreme winter snow and ice conditions of the Upper Peninsula and the northern Lower Peninsula. The rules shall include a restriction on the amount and dimension of protrusions that may be allowed on a tire, the type of material that may be used in a stud, traction device, or tire, and the amount of road wear that a tire with studs or other traction devices may cause on a street or highway.

(e) A person may operate on a highway a vehicle which has a pneumatic tire in which are inserted ice grips or tire studs if the person is a law enforcement officer operating a vehicle owned by a law enforcement agency, a person operating an ambulance, or a United States postal service rural carrier driving a vehicle the rural carrier owns and maintains as a prerequisite to employment in the postal service.

(f) A person shall not operate a vehicle on a highway when a tire in use on that vehicle is unsafe as provided in subsection (h).

(g) A person in the business of selling tires shall not sell or offer for sale for highway use a tire which is unsafe as provided in subsection (h).

(h) A tire is unsafe if it is in any of the following conditions:

(i) Has a part of the belting material, tire cords, or plys exposed.

(ii) Has evidence of cord or tread separations.

(iii) Is worn to or below the minimum tread level in 2 or more adjacent major grooves at 3 or more locations spaced around the circumference of the tire. Minimum allowable tread levels are as follows:

motorcycles and moped.....

1/32 inch front and rear

passenger cars and vehicles

weighing less than 10,000

pounds.....

2/32 inch front and rear

vehicles weighing 10,000 pounds

or more.....

4/32 inch front and 2/32 rear

Measurements shall not be made at locations of tread wear indicators or tie bars. A motor vehicle licensed as an historic vehicle under section 803a is exempt from the tread depth requirements of this subsection.

(iv) Has a marking "not for highway use", "for racing purposes only", "for farm use only", or "unsafe for highway use".

(v) Has been regrooved or recut below the original tread design depth except in the case of special purpose designed tires having extra undertread rubber provided for this purpose and identified as those tires.

257.710c Bumpers; height limitations; lift blocks; prohibited modifications; construction of section; applicability; definitions.

Sec. 710c. (1) A person shall not operate a motor vehicle on a public highway or street of this state unless the vehicle is equipped with a bumper or other energy absorption system with an analogous function which bumper or system is securely bolted or permanently attached on both the front and rear of the vehicle. The bumper or energy absorption system shall be maintained in good operational condition, except as provided in subsection (5). Notwithstanding subsection (6), a person shall not drive a vehicle having a raised or lifted body height unless the vehicle is equipped with bumpers that comply with this subsection and subsection (2).

(2) A person shall not operate a motor vehicle of a type defined in subsection (8) that exceeds either of the following limits:

<u>Vehicle Type</u>	<u>Frame Height</u>	<u>Bumper Height</u>
Passenger vehicle.....	12 inches	22 inches
Other motor vehicle:		
Less than 4,501 pounds GVWR....	24 inches	26 inches
4,501 to 7,500 pounds GVWR....	24 inches	28 inches
7,501 to 10,000 pounds GVWR....	26 inches	30 inches

(3) If the GVWR cannot be determined on a motor vehicle other than a passenger vehicle, the limitations for a motor vehicle having less than 4,501 pounds GVWR shall apply.

(4) Notwithstanding subsection (2), a person shall not operate a motor vehicle having lift blocks between the front axle and springs, or with lift blocks that exceed 4 inches in height between the rear axle and springs

in addition to those provided by the original manufacturer. Any body lift block shall be of single piece construction and shall not use more than a 3-inch spacer. Any suspension lift block shall use an alignment pin between the axle and the spring, and shall be of single piece construction. Spring shackle replacements shall not exceed the original equipment manufacture length by more than 2 inches, and coil spring spacers are prohibited. All steering components shall be geometrically arranged to function as original equipment manufacture. Welded pitman arms, drag links, and tie rods are prohibited. All parts used to modify the original suspension or height of a motor vehicle shall be factory manufactured and shall meet or exceed the original manufacturer's specifications.

(5) A person shall not modify a vehicle to be in violation of this section, alter or add to an original frame resulting in an increase in height of the vehicle, or cause the vehicle body or chassis to come in contact with the ground, expose the fuel tank to damage from collision, or cause the wheels to come in contact with the body. No part of the suspension on a vehicle shall extend below the lowest portion of a wheel rim on the vehicle. A part of the original suspension system shall not be disconnected or modified to defeat the safe operation of the suspension system. This section does not prohibit the installation of heavy duty equipment including bumpers, shock absorbers, and overload springs within the limitations of this section, or the removal of a bumper when necessary to install a snowplow, lift ramp, or similar device while the device is in place and operational.

(6) This section shall not be construed to establish standards stricter than those formulated by the United States department of transportation for bumpers on a passenger motor vehicle sold within the United States.

(7) This section does not apply to a vehicle having a manufacturer's design which intrinsically precludes conformance with this section, a vehicle with a GVWR of 10,001 pounds or more, a vehicle designed to carry 16 or more passengers including the driver, implements of husbandry, or a road tractor, truck or truck tractor owned by a wood harvester or contractor and used exclusively in connection with wood harvesting and logging operations, or a vehicle which has an unaltered bumper or suspension system as supplied by the manufacturer. The operator of a vehicle cited for a violation of this section may assert as an affirmative defense that the vehicle in question, at the time of the violation, met original manufacturer's specifications for equipment which affected its bumper or frame height. The operator shall establish by a preponderance of this evidence the affirmative defense asserted pursuant to this subsection.

(8) As used in this section:

(a) "Bumper height" means the vertical distance between the ground and the highest point of the bottom of the bumper, as measured to a level surface when the vehicle is unladen with the vehicle tires inflated to the manufacturer's recommended pressure. If the bottom of the bumper cannot be determined due to vehicle design, the measurement shall be made from the lowest point on the rearmost portion of the rear horizontal bumper bar, or the vertical distance between the lowest point on the forwardmost portion of the front horizontal bumper bar, as measured to a level surface when the vehicle is unladen with the vehicle tires inflated to the manufacturer's recommended pressure.

(b) "Frame" means the main longitudinal structural members of the chassis of the vehicle as equipped from the factory or, for a vehicle with unitized body construction, the lowest main longitudinal structural members of the body of the vehicle.

(c) "Frame height" means the vertical distance between the ground and the lowest point on the frame, measured when the vehicle is unladen on a level surface at the lowest point on the frame midway between the front axle and the second axle on the vehicle with the vehicle tires inflated to the manufacturer's recommended pressure.

(d) "GVWR" means the original manufacturer's gross vehicle weight rating as defined in section 18b.

(e) "Multipurpose passenger motor vehicle" means a motor vehicle, other than a truck or passenger vehicle, designed to carry 10 passengers or less and constructed either on a truck chassis or with special features for occasional off-road operation.

(f) "Other motor vehicle" means any truck, multipurpose passenger motor vehicle, or other motor vehicle having a GVWR of 10,000 pounds or less, not including a passenger vehicle or motorcycle.

(g) "Passenger vehicle" means a motor vehicle with motive power designed to carry 10 passengers or less, or a van having a GVWR of 5,000 pounds or less, but not including a multipurpose passenger motor vehicle, motorcycle, or truck.

(6) The secretary of state may exempt by rules promulgated under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, a class of children from the requirements of this section, if the secretary of state determines that the use of the child restraint system required under subsection (1) is impractical because of physical unfitness, a medical problem, or body size. The secretary of state may specify alternate means of protection for children exempted under this subsection.

A uniformed police officer may on reasonable grounds shown stop a motor vehicle to inspect the vehicle, and if any defects in equipment are found, issue an appropriate citation under section 728 or 742 to the driver and order the driver to have the defect or defects repaired immediately. In case of an accident a police officer may make an inspection of the vehicles involved in the accident.

(2) The director of the department of state police shall cause inspection to be made of motor vehicles operating on the public highways to detect defective equipment or other violations of law governing the use of public highways by motor vehicles, operators, and chauffeurs. For that purpose the director may establish temporary vehicle check lanes at appropriate locations throughout the state for checking for inadequacies and violations. A county, city, village, or township police department also may operate a temporary check lane within its limits with the express authorization of the director of the department of state police and under the direct supervision of a designated representative of the director.

257.715a Inspection of certain school buses, buses, or other motor vehicles with seating capacity of 12 or more; delegation of inspection; rules.

Sec. 715a. (1) A school bus, bus, or other motor vehicle with a manufacturers rated seating capacity of 12 or more which is owned, leased or used by a nonpublic school, religious organization, nonprofit youth organization, nonprofit rehabilitation facility, or senior citizen center for the transportation of passengers shall not be operated on a highway unless the vehicle has been inspected as provided in this section.

(2) The department of state police shall inspect each school bus, bus, or other motor vehicle with a manufacturers rated seating capacity of 12 or more, which is owned, leased or used by a nonpublic school, religious organization, nonprofit youth organization, nonprofit rehabilitation facility, or senior citizen center for the transportation of passengers, annually, and more frequently if defects are found in the organization's vehicles, to determine if the vehicles meet the specifications of the department of state police. The department of state police may delegate the inspection of vehicles under this section to publicly employed inspectors if the inspections comply with this section.

(3) The department of state police shall promulgate rules for safety equipment for a school bus, bus, or other motor vehicle regulated under this section pursuant to Act No. 306 of the Public Acts of 1969, as amended, being sections 24.201 to 24.315 of the Michigan Compiled Laws.

SIZE, WEIGHT AND LOAD

257.716 Exceeding size and weight limitations as misdemeanor; exceptions; rules; operation of wrecker, disabled vehicle, and trailer; noncompliance as civil infraction; fine.

Sec. 716. (1) Unless specifically declared to be a civil infraction, it is a misdemeanor for a person to drive or move or for the owner to cause or permit to be driven or moved on a highway a vehicle or vehicles of a size or weight exceeding the limitations stated in this chapter or otherwise in violation of this chapter, and the maximum size and weight specified in this chapter are lawful throughout this state, and local authorities shall not alter those size and weight limitations except as express authority is granted in this chapter.

(2) The provision of this chapter governing size, weight, and load do not apply to a fire apparatus, to an implement of husbandry, a boat lift or oversized hydraulic boat trailer owned and operated by a marina or watercraft dealer used exclusively in a commercial boat storage operation and incidentally moved upon a highway, a combination of vehicles described in, and under the conditions provided by, subsection (4), or to a vehicle operated under the terms of a special permit issued as provided in this chapter.

(3) The state transportation department, under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, may promulgate rules permitting and regulating the operation of a vehicle or vehicles of a size or weight that exceeds the size or weight limitations in this chapter. The rules may restrict or proscribe the conditions of operation of a vehicle or vehicles of a size or weight that exceeds the size or weight limitations in this chapter, if the restriction or proscription is necessary to protect the public safety or to prevent undue damage to a road foundation or surface, a structure, or an installation. The rules may provide for a reasonable inspection fee for an inspection of a vehicle or vehicles to determine whether their sizes and weights are in conformance with this act, and may require other security necessary to compensate for damage caused by the vehicle or vehicles described in this subsection.

(4) A wrecker and a disabled vehicle, or a wrecker and a combination of a disabled vehicle and 1 trailer, that exceeds the size and weight limitations in this chapter may be operated upon the highways of this state under the following conditions:

(a) The wrecker is specifically designed for such towing operations, is equipped with flashing, oscillating, or rotating amber or red lights as permitted under section 698, and is capable of utilizing the lighting and braking systems of the disabled vehicle or combination of disabled vehicles if those systems are operational.

(b) For a combination of disabled vehicles, the wrecker is issued a special permit under section 725 by the state transportation department. The special permit is valid for the entire towing distance, and the operator of the wrecker may remove the disabled vehicles from the roadway at any lawful point of his or her choosing within that distance.

(c) For a single disabled vehicle, the wrecker is issued a special permit under section 725 by the state transportation department for the transport of the disabled vehicle. A wrecker operator is not subject to mileage limitations for a special permit issued for purposes of this subdivision.

(d) The wrecker does not operate on any highway, road, street, or structure included on a list provided by the state transportation department unless the disabled vehicle or combination of vehicles is located on 1 of those roads or structures.

(5) The owner or operator of a wrecker that does not comply with subsection (4)(d) is responsible for a civil infraction and shall pay a civil fine of not less than \$250.00 or more than \$500.00. The civil fine imposed under this subsection is in addition to any fine that may be imposed under section 724 or 725.

257.717 Maximum permissible width of vehicle or load; extension beyond center line of highway; permit; designation of highway for operation of vehicle or vehicle combination; special permit; boat lift or trailer; snowplow blade; violation as civil infraction; charging owner.

Sec. 717. (1) The total outside width of a vehicle or the load on a vehicle shall not exceed 96 inches, except as otherwise provided in this section.

(2) A person may operate or move an implement of husbandry of any width on a highway as required, designed, and intended for farming operations, including the movement of implements of husbandry being driven or towed and not hauled on a trailer, without obtaining a special permit for an excessively wide vehicle or load under section 725. The operation or movement of the implement of husbandry shall be in a manner so

as to minimize the interruption of traffic flow. A person shall not operate or move an implement of husbandry to the left of the center of the roadway from a half hour after sunset to a half hour before sunrise, under the conditions specified in section 639, or at any time visibility is substantially diminished due to weather conditions. A person operating or moving an implement of husbandry shall follow all traffic regulations.

(3) The total outside width of the load of a vehicle hauling concrete pipe, ferrous pipe, agricultural products, or unprocessed logs, pulpwood, or wood bolts shall not exceed 108 inches.

(4) Except as provided in subsections (2) and (5) and this subsection, if a vehicle that is equipped with pneumatic tires is operated on a highway, the maximum width from the outside of 1 wheel and tire to the outside of the opposite wheel and tire shall not exceed 102 inches, and the outside width of the body of the vehicle or the load on the vehicle shall not exceed 96 inches. However, a truck and trailer or a tractor and semitrailer combination hauling pulpwood or unprocessed logs may be operated with a maximum width of not to exceed 108 inches in accordance with a special permit issued under section 725.

(5) The total outside body width of a school bus, a bus, a trailer coach, a trailer, a semitrailer, a truck camper, or a motor home shall not exceed 102 inches. However, an appurtenance of a school bus, a trailer coach, a truck camper, or a motor home that extends not more than 6 inches beyond the total outside body width does not violate this section.

(6) A vehicle shall not extend beyond the center line of a state trunk line highway except when authorized by law. Except as provided in subsection (2), if the width of the vehicle makes it impossible to stay away from the center line, a permit shall be obtained under section 725.

(7) The director of the state transportation department, a county road commission, or a local authority may designate a highway under the agency's jurisdiction as a highway on which a person may operate a vehicle or vehicle combination that is not more than 102 inches in width, including load, the operation of which would otherwise be prohibited by this section. The agency making the designation may require that the owner or lessee of the vehicle or of each vehicle in the vehicle combination secure a permit before operating the vehicle or vehicle combination. This subsection does not restrict the issuance of a special permit under section 725 for the operation of a vehicle or vehicle combination. This subsection does not permit the operation of a vehicle or vehicle combination described in section 722a carrying a load described in that section if the operation would otherwise result in a violation of that section.

(8) The director of the state transportation department, a county road commission, or a local authority may issue a special permit under section 725 to a person operating a vehicle or vehicle combination if all of the following are met:

(a) The vehicle or vehicle combination, including load, is not more than 106 inches in width.

(b) The vehicle or vehicle combination is used solely to move new motor vehicles or parts or components of new motor vehicles between facilities that meet all of the following:

(i) New motor vehicles or parts or components of new motor vehicles are manufactured or assembled in the facilities.

(ii) The facilities are located within 10 miles of each other.

(iii) The facilities are located within the city limits of the same city and the city is located in a county that has a population of more than 400,000 and less than 500,000 according to the most recent federal decennial census.

(c) The special permit and any renewals are each issued for a term of 1 year or less.

(9) A person may move or operate a boat lift of any width or an oversized hydraulic boat trailer owned and operated by a marina or watercraft dealer in a commercial boat storage operation on a highway under a multiple trip permit issued on an annual basis as specified under section 725. The operation or movement of the boat lift or trailer shall minimize the interruption of traffic flow. It shall be used exclusively to transport a boat between a place of storage and a marina or in and around a marina. A boat lift or oversized hydraulic boat trailer may be operated, drawn, or towed on a street or highway only when transporting a vessel between a body of water and a place of storage or when traveling empty to or from transporting a vessel. A boat lift shall not be operated on limited access highways. A person moving or operating a boat lift or oversized hydraulic boat trailer shall follow all traffic regulations and shall ensure the route selected has adequate power and utility wire height clearance.

(10) A person may operate or move a truck to which a snowplow blade that is wider than 96 inches but no more than 132 inches wide is mounted without obtaining a special permit for an excessively wide vehicle or load under section 725. This subsection only applies between October 1 and May 1 of each year. A person operating a truck described in this subsection shall minimize the overwidth condition of the snowplow blade when not engaged in snow removal by angling the plow blade or any other method. This subsection does not apply to a person operating construction equipment for snow removal.

(11) A person who violates this section is responsible for a civil infraction. The owner of the vehicle may

be charged with a violation of this section.

257.718 Width of load carried on passenger type vehicle; violation as civil infraction.

Sec. 718. (1) A passenger type vehicle shall not be operated on a highway with a load carried on the vehicle extending beyond the line of the fenders on the left side of the vehicle nor extending more than 6 inches beyond the line of the fenders on the right side of the vehicle.

(2) A person who violates this section is responsible for a civil infraction.

History: 1949, Act 300, Eff. Sept. 23, 1949;—Am. 1978, Act 510, Eff. Aug. 1, 1979.

***** 257.719 SUBSECTIONS (2)(a) AND (3)(b) MAY NOT APPLY: See subsection (9) *****

Sec. 719. (1) A vehicle unloaded or with load shall not exceed a height of 13 feet 6 inches. The owner of a vehicle that collides with a lawfully established bridge or viaduct is liable for all damage and injury resulting from a collision caused by the height of the vehicle, whether the clearance of the bridge or viaduct is posted or not.

(2) Lengths described in this subsection shall be known as the normal length maximum. Except as provided in subsection (3), the following vehicles and combinations of vehicles shall not be operated on a highway in this state in excess of these lengths:

(a) Subject to subsection (9), any single vehicle: 40 feet; a crib vehicle on which logs are loaded lengthwise of the vehicle: 42.5 feet; any single bus or motor home: 45 feet.

(b) Articulated buses: 65 feet.

(c) Notwithstanding any other provision of this section, a combination of a truck and semitrailer or trailer, or a truck tractor, semitrailer, and trailer, or truck tractor and semitrailer or trailer, designed and used exclusively to transport assembled motor vehicles or bodies, recreational vehicles, or boats: 65 feet. A combination of a truck and semitrailer or trailer, or a truck tractor, semitrailer, and trailer, or a truck tractor and semitrailer or trailer designed and used to transport boats from the manufacturer: 75 feet. A stinger-steered combination: 80 feet. The load on the combinations of vehicles described in this subdivision may extend an additional 3 feet beyond the front and 4 feet beyond the rear of the combinations of vehicles, except that the load on a stinger-steered combination may extend an additional 4 feet beyond the front and 6 feet beyond the rear. Retractable extensions used to support and secure the load that do not extend beyond the allowable overhang for the front and rear shall not be included in determining length of a loaded vehicle or vehicle combination.

(d) Truck tractor and semitrailer combinations: no overall length, the semitrailer: 50 feet.

(e) Except as provided in subdivision (j), truck and semitrailer or trailer: 59 feet.

(f) Except as provided in subdivisions (g) and (k), truck tractor, semitrailer, and trailer, or truck tractor and 2 semitrailers: 59 feet.

(g) A truck tractor, semitrailer, and trailer, or a truck tractor and 2 semitrailers, in which no semitrailer or trailer is more than 28-1/2 feet long: 65 feet. This subdivision only applies while the vehicle is being used for a business purpose reasonably related to picking up or delivering a load and only if each semitrailer or trailer is equipped with a device or system capable of mechanically dumping construction materials or dumping construction materials by force of gravity.

(h) More than 1 motor vehicle, wholly or partially assembled, in combination, utilizing 1 tow bar or 3 saddle mounts with full mount mechanisms and utilizing the motive power of 1 of the vehicles in combination: 55 feet.

(i) A recreational vehicle that has its own motive power, in combination with a trailer: 65 feet or, if the

operator of the recreational vehicle has a group commercial motor vehicle designation on his or her operator's or chauffeur's license, 75 feet.

(j) Truck and trailer combinations designed and used to transport agricultural drainage tubing: 75 feet.

(k) A towaway trailer transporter combination: 82 feet. As used in this subdivision, "towaway trailer transportation combination" means that term as defined in 49 USC 31111.

(3) Notwithstanding subsection (2), the following vehicles and combinations of vehicles shall not be operated on a designated highway of this state in excess of these lengths:

(a) Truck tractor and semitrailer combinations: no overall length limit, the semitrailer 53 feet. City, village, or county authorities may prohibit stops of vehicles with a semitrailer longer than 50 feet within their jurisdiction unless the stop occurs along appropriately designated routes, or is necessary for emergency purposes or to reach shippers, receivers, warehouses, and terminals along designated routes.

(b) Except as provided in subsection (2)(k), truck and semitrailer or trailer combinations: 65 feet, except that a person may operate a truck and semitrailer or trailer designed and used to transport saw logs, pulpwood, and tree length poles that does not exceed an overall length of 70 feet or a crib vehicle and semitrailer or trailer designed and used to transport saw logs that does not exceed an overall length of 75 feet. A crib vehicle and semitrailer or trailer designed to and used to transport saw logs shall not exceed a gross vehicle weight of 164,000 pounds. A person may operate a truck tractor and semitrailer designed and used to transport saw logs, pulpwood, and tree length wooden poles with a load overhang to the rear of the semitrailer which does not exceed 6 feet if the semitrailer does not exceed 50 feet in length.

(c) Notwithstanding subsection (5)(d), a truck tractor with a log slasher unit and a log saw unit: no overall limit if the length of each unit does not exceed 28-1/2 feet, or the overall length of the log slasher unit and the log saw unit, as measured from the front of the first towed unit to the rear of the second towed unit while the units are coupled together, does not exceed 58 feet. The coupling devices of the truck tractor and units set forth in this subdivision shall meet the requirements established under the motor carrier safety act of 1963, 1963 PA 181, MCL 480.11 to 480.25.

(d) Except as provided in subsection (2)(k), truck tractor and 2 semitrailers, or truck tractor, semitrailer, and trailer combinations: no overall length limit, if the length of each semitrailer or trailer does not exceed 28-1/2 feet each, or the overall length of the semitrailer and trailer, or 2 semitrailers as measured from the front of the first towed unit to the rear of the second towed unit while the units are coupled together does not exceed 58 feet.

(e) More than 1 motor vehicle, wholly or partially assembled, in combination, utilizing 1 tow bar or 3 saddle mounts with full mount mechanisms and utilizing the motive power of 1 of the vehicles in combination: 97 feet.

(f) Truck tractor and lowboy semitrailer combinations: no maximum overall length, if the lowboy semitrailer does not exceed 59 feet, except as otherwise permitted under this subdivision. A lowboy semitrailer more than 59 feet in length shall not operate with more than any combination of 4 axles on the lowboy unless an oversized load permit is issued by the state transportation department or a local authority with respect to highways under its jurisdiction. As used in this subdivision, "lowboy semitrailer" means a flatbed semitrailer with a depressed section that has the specific purpose of being lowered and raised for loading and unloading.

(4) Notwithstanding any other provision of this section, a combination of a truck and semitrailer, or truck tractor and semitrailer, used exclusively to transport assembled motor vehicles or bodies that have a trailer length of 53 feet may have a load that extends an additional 3 feet beyond the front of the trailer and 4 feet beyond the rear of the trailer. Retractable extensions used to support and secure the load that do not extend beyond the allowable overhang for the front and rear shall not be included in determining length of a loaded vehicle or vehicle combination. The total overall length loaded of the combination of vehicles described in this subsection shall not exceed 79 feet.

(5) The following combinations and movements are prohibited:

(a) A truck shall not haul more than 1 trailer or semitrailer, and a truck tractor shall not haul more than 2 semitrailers or 1 semitrailer and 1 trailer in combination at any 1 time, except that a farm tractor may haul 2 wagons or trailers, or garbage and refuse haulers may, during daylight hours, haul up to 4 trailers for garbage and refuse collection purposes, not exceeding in any combination a total length of 55 feet and at a speed limit not to exceed 15 miles per hour.

(b) A combination of vehicles or a vehicle shall not have more than 11 axles, except when operating under a valid permit issued by the state transportation department or a local authority with respect to a highway under its jurisdiction.

(c) Any combination of vehicles not specifically authorized under this section is prohibited.

(d) Except as provided in subsection (3)(c), a combination of 2 semitrailers pulled by a truck tractor, unless

each semitrailer uses a fifth wheel connecting assembly that conforms to the requirements of the motor carrier safety act of 1963, 1963 PA 181, MCL 480.11 to 480.25.

(e) Except as provided in subsection (2)(c), a vehicle or a combination of vehicles shall not carry a load extending more than 3 feet beyond the front of the lead vehicle.

(f) A vehicle described in subsections (2)(e) and (3)(e) employing triple saddle mounts unless all wheels that are in contact with the roadway have operating brakes.

(6) All combinations of vehicles under this section shall employ connecting assemblies and lighting devices that are in compliance with the motor carrier safety act of 1963, 1963 PA 181, MCL 480.11 to 480.25.

(7) The total gross weight of a truck tractor, semitrailer, and trailer combination or a truck tractor and 2 semitrailers combination that exceeds 59 feet in length shall not exceed a ratio of 400 pounds per engine net horsepower delivered to clutch or its equivalent specified in the handbook published by the Society of Automotive Engineers, Inc. (SAE), 1977 edition.

(8) A person who violates this section is responsible for a civil infraction. The owner of the vehicle may be charged with a violation of this section.

(9) The provisions in subsections (2)(a) and (3)(b) prescribing the length of a crib vehicle on which logs are loaded lengthwise do not apply unless 23 USC 127(d) is amended to allow crib vehicles carrying logs to be loaded as described in this section.

(10) As used in this section:

(a) "Designated highway" means a highway approved by the state transportation department or a local authority with respect to a highway under its jurisdiction.

(b) "Length" means the total length of a vehicle, or combination of vehicles, including any load the vehicle is carrying. Length does not include devices described in 23 CFR 658.16 and 23 CFR part 658, appendix D, 23 CFR 658.16 and 23 CFR part 658, appendix D, as on file with the secretary of state are adopted by reference. A safety or energy conservation device shall be excluded from a determination of length only if it is not designed or used for the carrying of cargo, freight, or equipment. Semitrailers and trailers shall be measured from the front vertical plane of the foremost transverse load supporting structure to the rearmost transverse load supporting structure. Vehicle components not excluded by law shall be included in the measurement of the length, height, and width of the vehicle.

(c) "Stinger-steered combination" means a truck tractor and semitrailer combination in which the fifth wheel is located on a drop frame located behind and below the rearmost axle of the power unit.

257.720 Construction or loading of vehicles to prevent contents from escaping; exception; closing tailgates, faucets, and taps; exemption; proof of violation; loading of vehicles not completely enclosed; prima facie liability; exceptions; front end loading device; violation; penalty; "logs" defined.

Sec. 720. (1) A person shall not drive or move a vehicle on a highway unless the vehicle is so constructed or loaded as to prevent its contents from dropping, sifting, leaking, blowing off, or otherwise escaping from the vehicle. This requirement does not apply to a vehicle transporting agricultural or horticultural products when hay, straw, silage, or residue from a product, but not including the product itself, or when materials such as water used to preserve and handle agricultural or horticultural products while in transportation, escape from the vehicle in an amount that does not interfere with other traffic on the highway. The tailgate, faucets, and taps on a vehicle shall be securely closed to prevent spillage during transportation whether the vehicle is loaded or empty, and the vehicle shall not have any holes or cracks through which material can escape. Any highway maintenance vehicle engaged in either ice or snow removal shall be exempt from this section.

(2) Actual spillage of material on the highway or proof of that spillage is not necessary to prove a violation of this section.

(3) Except as provided in this section, a vehicle carrying a load, other than logs or tubular products, which is not completely enclosed shall meet either of the following requirements:

(a) Have the load covered with firmly secured canvas or a similar type of covering. A device used to comply with the requirement of this subdivision shall not exceed a width of 108 inches nor by design or use have the capability to carry cargo by itself.

(b) Have the load securely fastened to the body or the frame of the vehicle with binders of adequate number and of adequate breaking strength to prevent the dropping off or shifting of the load.

(4) A company or individual who loads or unloads a vehicle or causes it to be loaded or unloaded, with knowledge that it is to be driven on a public highway, in a manner so as to cause a violation of subsection (1) shall be prima facie liable for a violation of this section.

(5) Subsection (3) does not apply to a person operating a vehicle to transport agricultural commodities or to a person operating a farm truck or implement of husbandry transporting sand, gravel, and dirt necessary in the normal operation of a farm. However, a person operating a vehicle to transport agricultural commodities or sand, gravel, and dirt in the normal operation of the farm who violates subsection (1) or (4) is guilty of a misdemeanor and is subject to the penalties prescribed in subsection (9).

(6) Subsection (3)(a) does not apply to a motor vehicle transporting items of a load that because of their weight will not fall off the moving vehicle and that have their centers of gravity located at least 6 inches below the top of the enclosure nor to a motor vehicle carrying metal that because of its weight and density is so loaded as to prevent it from dropping or falling off the moving vehicle.

(7) Subsection (3)(a) does not apply to motor vehicles and other equipment engaged in work upon the surface of a highway or street in a designated work area.

(8) A person shall not drive or move on a highway a vehicle equipped with a front end loading device with a tine protruding parallel to the highway beyond the front bumper of the vehicle unless the tine is carrying a load designed to be carried by the front end loading device. This subsection does not apply to a vehicle designed to be used or being used to transport agricultural commodities, to a vehicle en route to a repair facility, or to a vehicle engaged in construction activity. As used in this subsection, "agricultural commodities" means that term as defined in section 722.

(9) A person who violates this section is guilty of a misdemeanor punishable by a fine of not more than \$500.00 or imprisonment for not more than 90 days, or both.

(10) As used in this section, "logs" means sawlogs, pulpwood, or tree length poles.

257.721 Passenger vehicle or pickup truck towing vehicle or trailer; drawbar or other connection; coupling devices and safety chains; pickup truck with fifth wheel assembly; conditions for towing additional trailer or semitrailer; speed limit requirements; violation as civil infraction.

Sec. 721. (1) Except as otherwise provided in subsection (5), a passenger vehicle or a pickup truck shall not be driven upon a highway drawing or having attached to the passenger vehicle or pickup truck more than 1 vehicle or trailer.

(2) The drawbar or other connection between 2 vehicles, 1 of which is towing or drawing the other on a highway, shall not exceed 15 feet in length from 1 vehicle to the other. If the connection consists of a chain, rope, or cable, there shall be displayed upon the connection a red flag or other signal or cloth not less than 12 inches both in length and width.

(3) A vehicle or trailer towed or drawn by a vehicle shall be attached to the vehicle with forms of coupling devices in a manner so that when the combination is operated in a linear alignment on a level, smooth, paved surface, the movement of the towed or drawn vehicle or trailer does not deviate more than 3 inches to either side of the path of the towing vehicle that tows or draws it. The vehicle or trailer shall also be connected to the towing vehicle by suitable safety chains or devices, 1 on each side of the coupling and at the extreme outer edge of the vehicle or trailer. Each chain or device and connection used shall be of sufficient strength to haul the vehicle or trailer when loaded. In the case of an implement of husbandry with a gross vehicle weight rating or gross combination weight rating of 10,000 pounds or less, the safety chains or devices required under this subsection shall conform to the federal motor carrier safety regulations requirements contained in 49 CFR 393.70(d)(5).

(4) A pickup truck with a fifth wheel assembly shall not tow a semitrailer unless the fifth wheel assembly conforms to the standards prescribed in the motor carrier safety act of 1963, 1963 PA 181, MCL 480.11 to 480.25.

(5) Notwithstanding subsection (1), a pickup truck with a towing rating equal to, or greater than, the weight being towed, equipped with a fifth wheel assembly that conforms with the standards prescribed in the motor carrier safety act of 1963, 1963 PA 181, MCL 480.11 to 480.25, towing attached with a semitrailer designed for recreational living purposes may tow an additional trailer or semitrailer under the following conditions:

(a) The additional trailer or semitrailer shall be attached as provided in subsection (3). The safety chains described in subsection (3) shall be securely attached at the extreme outer edge of the attached trailer or semitrailer with a locking mechanism. The towing vehicle hitch shall be of substantial material and shall be attached in a proper and skillful manner to the frame of the towing vehicle.

(b) The total length of the pickup truck, semitrailer designed for recreational living purposes, and additional trailer or semitrailer, and load, shall not exceed 75 feet on any highways in this state.

(c) The gross weight of the additional trailer or semitrailer towed or drawn shall not exceed the empty weight of the pickup truck or the empty weight of the semitrailer.

(6) For the purposes of this section, a pickup truck towing a semitrailer and additional trailer shall be considered a passenger vehicle and shall comply with the speed limit requirements of section 627(5).

(7) A person who violates this section is responsible for a civil infraction.

History: 1949, Act 300, Eff. Sept. 23, 1949;—Am. 1978, Act 510, Eff. Aug. 1, 1979;—Am. 1990, Act 75, Imd. Eff. May 17, 1990;—Am. 1995, Act 248, Imd. Eff. Dec. 27, 1995;—Am. 1999, Act 24, Imd. Eff. May 13, 1999;—Am. 2000, Act 154, Imd. Eff. June 14, 2000;—Am. 2012, Act 80, Imd. Eff. Apr. 11, 2012.

257.722 Maximum axle load; normal loading maximum; designating highways as adequate for heavier loading; restrictions as to tandem axle assemblies; exceptions; public utility vehicles; normal size of tires; maximum wheel load; reduction of maximum axle load on concrete pavements during March, April, and May; exemptions; suspension of restrictions; determination of gross vehicle weight and axle weights; designation of highways for operation of certain vehicles; increase in axle loading maximums; engine fueled by compressed or liquefied natural gas; definitions.

Sec. 722. (1) Except as otherwise provided in this section, the maximum axle load shall not exceed the number of pounds designated in the following provisions that prescribe the distance between axles:

(a) If the axle spacing is 9 feet or more between axles, the maximum axle load shall not exceed 18,000 pounds for vehicles equipped with high pressure pneumatic or balloon tires.

(b) If the axle spacing is less than 9 feet between 2 axles but more than 3-1/2 feet, the maximum axle load shall not exceed 13,000 pounds for high pressure pneumatic or balloon tires.

(c) If the axles are spaced less than 3-1/2 feet apart, the maximum axle load shall not exceed 9,000 pounds per axle.

(d) Subdivisions (a), (b), and (c) shall be known as the normal loading maximum.

(2) When normal loading is in effect, the state transportation department, or a local authority with respect to highways under its jurisdiction, may designate certain highways, or sections of those highways, where bridges and road surfaces are adequate for heavier loading, and revise a designation as needed, on which the maximum tandem axle assembly loading shall not exceed 16,000 pounds for any axle of the assembly, if there is no other axle within 9 feet of any axle of the assembly.

(3) A combination of vehicles may operate on designated highways with not more than 1 tandem axle assembly having a gross weight of 16,000 pounds per axle, if there is no other axle within 9 feet of the assembly. On a combination of truck tractor and semitrailer having not more than 5 axles, 2 consecutive tandem axle assemblies may operate on designated highways at a gross permissible weight of 16,000 pounds

per axle, if there is no other axle within 9 feet of any axle of either assembly.

(4) Notwithstanding subsection (3), on a combination of truck tractor and semitrailer having not more than 5 axles, 2 consecutive sets of tandem axles may carry a gross permissible weight of not to exceed 17,000 pounds on any axle of the tandem axles if there is no other axle within 9 feet of any axle of the tandem axles and if the first and last axles of the consecutive sets of tandem axles are not less than 36 feet apart and the gross vehicle weight does not exceed 80,000 pounds to pick up and deliver agricultural commodities between the national truck network or special designated highways and any other highway. This subsection is not subject to the maximum axle loads of subsections (1), (2), and (3). For purposes of this subsection, a "tandem axle" means 2 axles spaced more than 40 inches but not more than 96 inches apart or 2 axles spaced more than 3-1/2 feet but less than 9 feet apart. This subsection does not apply during that period when reduced maximum loads are in effect under subsection (8).

(5) The seasonal reductions described under subsection (8) to the loading maximums and gross vehicle weight requirement of subsection (12) do not apply to a person hauling agricultural commodities if the person who picks up or delivers the agricultural commodity either from a farm or to a farm notifies the county road commission for roads under its authority not less than 48 hours before the pickup or delivery of the time and location of the pickup or delivery. The county road commission shall issue a permit to the person and charge a fee that does not exceed the administrative costs incurred. The permit shall contain all of the following:

(a) The designated route or routes of travel for the load.

(b) The date and time period requested by the person who picks up or delivers the agricultural commodities during which the load may be delivered or picked up.

(c) A maximum speed limit of travel, if necessary.

(d) Any other specific conditions agreed to between the parties.

(6) The seasonal reductions described under subsection (8) to the loading maximums and gross vehicle weight requirements of subsection (12) do not apply to public utility vehicles under the following circumstances:

(a) For emergency public utility work on restricted roads, as follows:

(i) If required by the county road commission, the public utility or its subcontractor shall notify the county road commission, as soon as practical, of the location of the emergency public utility work and provide a statement that the vehicles that were used to perform the emergency utility work may have exceeded the loading maximums and gross vehicle weight requirements of subsection (12) as reduced under subsection (8). The notification may be made via facsimile or electronically.

(ii) The public utility vehicle travels to and from the site of the emergency public utility work while on a restricted road at a speed not greater than 35 miles per hour.

(b) For nonemergency public utility work on restricted roads, as follows:

(i) If the county road commission requires, the public utility or its subcontractor shall apply to the county road commission annually for a seasonal truck permit for roads under its authority before seasonal weight restrictions are effective. The county road commission shall issue a seasonal truck permit for each public utility vehicle or vehicle configuration the public utility or subcontractor anticipates will be utilized for nonemergency public utility work. The county road commission may charge a fee for a seasonal truck permit that does not exceed the administrative costs incurred for the permit. The seasonal truck permit shall contain all of the following:

(A) The seasonal period requested by the public utility or subcontractor during which the permit is valid.

(B) A unique identification number for the vehicle and any vehicle configuration to be covered on the seasonal truck permit requested by the public utility or subcontractor.

(C) A requirement that travel on restricted roads during weight restrictions will be minimized and only utilized when necessary to perform public utility work using the public utility vehicle or vehicle configuration and that nonrestricted roads shall be used for travel when available and for routine travel.

(D) A requirement that in the case of a subcontractor the permit is only valid while the subcontractor vehicle is being operated in the performance of public utility work.

(E) A requirement that a subcontractor vehicle or vehicle configuration shall display signage on the outside of the vehicle to identify the vehicle as operating on behalf of the public utility.

(ii) If the county road commission requires notification, the county road commission shall provide a notification application for the public utility or its subcontractor to use when requesting access to operate on restricted roads and the public utility or its subcontractor shall provide notification to the county road commission, via facsimile or electronically, not later than 24 hours before the time of the intended travel. A subcontractor using a vehicle on a restricted road shall have a copy of any notification provided to a county road commission in the subcontractor's possession while performing the relevant nonemergency work. Notwithstanding this subsection or an agreement under this subsection, if the county road commission

determines that the condition of a particular road under its jurisdiction makes it unusable, the county road commission may deny access to all or any part of that road. The denial shall be made and communicated via facsimile or electronically to the public utility or its subcontractor within 24 hours after receiving notification that the public utility or subcontractors intends to perform nonemergency work that requires use of that road. Any notification that is not disapproved within 24 hours after the notice is received by the county road commission is considered approved. The notification application required under this subparagraph may include all of the following information:

- (A) The address or location of the nonemergency work.
- (B) The date or dates of the nonemergency work.
- (C) The route to be taken to the nonemergency work site.
- (D) The restricted road or roads intended to be traveled upon to the nonemergency work site or sites.
- (E) In the case of a subcontractor, the utility on whose behalf the subcontractor is performing services.
- (7) The normal size of tires shall be the rated size as published by the manufacturers, and the maximum wheel load permissible for any wheel shall not exceed 700 pounds per inch of width of tire.

(8) Except as provided in this subsection and subsection (9), during the months of March, April, and May in each year, the maximum axle load allowable on concrete pavements or pavements with a concrete base is reduced by 25% from the maximum axle load as specified in this chapter, and the maximum axle loads allowable on all other types of roads during these months are reduced by 35% from the maximum axle loads as specified. The maximum wheel load shall not exceed 525 pounds per inch of tire width on concrete and concrete base or 450 pounds per inch of tire width on all other roads during the period the seasonal road restrictions are in effect. Subject to subsection (5), this subsection does not apply to vehicles transporting agricultural commodities or, subject to subsection (6), public utility vehicles on a highway, road, or street under the jurisdiction of a local road agency, or a school bus. In addition, this subsection does not apply to a vehicle delivering propane fuel to a residence if the vehicle's propane tank is filled to not more than 50% of its capacity and the vehicle is traveling at not more than 35 miles per hour. The state transportation department and each local authority with highways and streets under its jurisdiction to which the seasonal restrictions prescribed under this subsection apply shall post all of the following information on the homepage of its website or, if a local authority does not have a website, then on the website of a statewide road association of which it is a member:

- (a) The dates when the seasonal restrictions are in effect.
- (b) The names of the highways and streets and portions of highways and streets to which the seasonal restrictions apply.

(9) The state transportation department for roads under its jurisdiction and a county road commission for roads under its jurisdiction may grant exemptions from seasonal weight restrictions for milk on specified routes when requested in writing. Approval or denial of a request for an exemption shall be given by written notice to the applicant within 30 days after the date of submission of the application. If a request is denied, the written notice shall state the reason for denial and alternate routes for which the permit may be issued. The applicant may appeal to the state transportation commission or the county road commission. These exemptions do not apply on county roads in counties that have negotiated agreements with milk haulers or haulers of other commodities during periods of seasonal load limits before April 14, 1993. This subsection does not limit the ability of these counties to continue to negotiate such agreements.

(10) The state transportation department, or a local authority with respect to highways under its jurisdiction, may suspend the restrictions imposed by this section when and where conditions of the highways or the public health, safety, and welfare warrant suspension, and impose the restricted loading requirements of this section on designated highways at any other time that the conditions of the highway require.

(11) For the purpose of enforcing this act, the gross vehicle weight of a single vehicle and load or a combination of vehicles and loads shall be determined by weighing individual axles or groups of axles, and the total weight on all the axles shall be the gross vehicle weight. In addition, the gross axle weight shall be determined by weighing individual axles or by weighing a group of axles and dividing the gross weight of the group of axles by the number of axles in the group. For purposes of subsection (12), the overall gross weight on a group of 2 or more axles shall be determined by weighing individual axles or several axles, and the total weight of all the axles in the group shall be the overall gross weight of the group.

(12) The loading maximum in this subsection applies to interstate highways, and the state transportation department, or a local authority with respect to highways under its jurisdiction, may designate a highway, or a section of a highway, for the operation of vehicles having a gross vehicle weight of not more than 80,000 pounds that are subject to the following load maximums:

- (a) Twenty thousand pounds on any 1 axle, including all enforcement tolerances.
- (b) A tandem axle weight of 34,000 pounds, including all enforcement tolerances.

(c) An overall gross weight on a group of 2 or more consecutive axles equaling:
$$W=500[(LN)/(N-1)+12N+36]$$

where W = overall gross weight on a group of 2 or more consecutive axles to the nearest 500 pounds, L = distance in feet between the extreme of a group of 2 or more consecutive axles, and N = number of axles in the group under consideration; except that 2 consecutive sets of tandem axles may carry a gross load of 34,000 pounds each if the first and last axles of the consecutive sets of tandem axles are not less than 36 feet apart. The gross vehicle weight shall not exceed 80,000 pounds including all enforcement tolerances. Except for 5 axle truck tractor, semitrailer combinations having 2 consecutive sets of tandem axles, vehicles having a gross weight in excess of 80,000 pounds or in excess of the vehicle gross weight determined by application of the formula in this subsection are subject to the maximum axle loads of subsections (1), (2), and (3). As used in this subsection, "tandem axle weight" means the total weight transmitted to the road by 2 or more consecutive axles, the centers of which may be included between parallel transverse vertical planes spaced more than 40 inches but not more than 96 inches apart, extending across the full width of the vehicle. Except as otherwise provided in this section, vehicles transporting agricultural commodities shall have weight load maximums as set forth in this subsection.

(13) The axle loading maximums under subsections (1), (2), (3), and (4) are increased by 10% for vehicles transporting agricultural commodities or raw timber, excluding farm equipment and fuel, from the place of harvest or farm storage to the first point of delivery on a road in this state. However, the axle loading maximums as increased under this subsection do not alter the gross vehicle weight restrictions set forth in this act. This subsection does not apply to either of the following:

(a) A vehicle utilizing an interstate highway.

(b) A vehicle utilizing a road that is subject to seasonal weight restrictions under subsection (8) during the time that the seasonal weight restrictions are in effect.

(14) Notwithstanding any other provision of this section, a vehicle that has a gross weight of 80,000 pounds or less and that is operated by an engine that is fueled wholly or partially by compressed or liquefied natural gas may exceed the axle loading maximums under subsections (1), (2), (3), and (4) and the weight load maximums under subsection (12) by an amount equal to the difference between the weight of the vehicle attributable to the natural gas tank and fueling system carried by that vehicle and the weight of a comparable diesel tank and fueling system. The amount by which a vehicle described in this subsection may exceed the axle loading maximums under subsections (1), (2), (3), and (4) and the weight load maximums under subsection (12) shall not exceed 2,000 pounds.

(15) As used in this section:

(a) "Agricultural commodities" means those plants and animals useful to human beings produced by agriculture and includes, but is not limited to, forages and sod crops, grains and feed crops, field crops, dairy and dairy products, poultry and poultry products, cervidae, livestock, including breeding and grazing, equine, fish, and other aquacultural products, bees and bee products, berries, herbs, fruits, vegetables, flowers, seeds, grasses, nursery stock, mushrooms, fertilizer, livestock bedding, farming equipment, fuel for agricultural use, and maple sap. Agricultural commodities do not include trees or lumber.

(b) "Emergency public utility work" means work performed to restore public utility service or to eliminate a danger to the public due to a natural disaster, an act of God, or an emergency situation, whether or not a public official has declared an emergency.

(c) "Farm storage" means any of the following:

(i) An edifice, silo, tank, bin, crib, interstice, or protected enclosed structure, or more than 1 edifice, silo, tank, bin, crib, interstice, or protected enclosed structure located contiguous to each other.

(ii) An open environment used for the purpose of temporarily storing a crop.

(d) "Public utility" means a public utility under the jurisdiction of the public service commission or a transmission company.

(e) "Public utility vehicle" means a vehicle owned or operated by a public utility or operated by a subcontractor on behalf of a public utility.

(f) "Transmission company" means either an affiliated transmission company or an independent transmission company as those terms are defined in section 2 of the electric transmission line certification act, 1995 PA 30, MCL 460.562.

Compiler's note: Enacting section 1 of Act 522 of 2012 provides:

"Enacting section 1. It is the intent of the legislature that the exception to the seasonal weight reductions in subsection (8) of section 722 of the Michigan vehicle code, 1949 PA 300, MCL 257.722, as added by this amendatory act, applies only to emergency deliveries of propane. As used in this enacting section, "emergency delivery" means a delivery to a customer whose residential fuel tank is estimated to contain no more than 25% of its heating fuel capacity on the date of delivery."

257.722a Transporting flammable liquid; violation as misdemeanor; penalty; enforcement; "in bulk" defined; vehicles transporting hazardous materials.

Sec. 722a. (1) A truck pulling a trailer, a truck tractor pulling a semitrailer and trailer combination, or a truck tractor pulling 2 semitrailers shall not transport a flammable liquid, in bulk, which has a flash point at or below 70 degrees Fahrenheit within this state.

(2) A truck pulling a trailer, a truck tractor pulling a semitrailer and trailer combination, or a truck tractor pulling 2 semitrailers shall not transport a flammable gas or a compressed flammable gas, in bulk, as defined by 49 C.F.R. parts 100 to 180, within this state.

(3) A truck or a truck tractor pulling a semitrailer shall not transport a flammable liquid, in bulk, which has a flash point at or below 70 degrees Fahrenheit in this state, unless the truck or the semitrailer has a water capacity of less than 13,800 gallons. This subsection does not apply to those vehicles registered with the motor carrier division of the department of state police on or before January 1, 1986.

(4) A truck or truck tractor pulling a semitrailer shall not transport a flammable liquid, in bulk, which has a flash point at or below 70 degrees Fahrenheit in a quantity of more than 13,400 gallons.

(5) The owner or driver of a vehicle that transports, or a shipper who loads a vehicle with a flammable liquid, flammable gas, or compressed flammable gas in violation of this section is guilty of a misdemeanor, punishable by a fine of not more than \$3,000.00, or imprisonment for not more than 90 days, or both.

(6) This section shall be enforced only by a police officer.

(7) For the purposes of this section, "in bulk" means an amount of product or material of 3,500 water gallons or more in a single containment system. Commercial motor vehicles transporting hazardous materials shall comply with the motor carrier safety act, Act No. 181 of the Public Acts of 1963, being sections 480.11 to 480.21 of the Michigan Compiled Laws.

257.723 Towing or platform bed wreckers or road service vehicles; compliance with federal identification requirements; violation as civil infraction.

Sec. 723. (1) All towing or platform bed wreckers or road service vehicles in operation upon the public highways of this state shall have the name, city, and state or the registered logo or emblem of the registered owner of the vehicle, and lessee of the vehicle if the vehicle is being operated under lease, painted or permanently attached on each side of the vehicle in letters of not less than 3 inches in height, not lower than the bottom edge of the door. This information shall be in sharp color contrast to the background.

(2) A vehicle in compliance with the identification requirements of the federal motor carrier safety regulations, 49 CFR parts 390-399, is considered to be in compliance with this section.

(3) A person who violates this section is responsible for a civil infraction.

History: 1949, Act 300, Eff. Sept. 23, 1949;—Am. 1963, Act 185, Eff. Sept. 6, 1963;—Am. 1978, Act 510, Eff. Aug. 1, 1979;—Am. 1988, Act 346, Eff. Jan. 1, 1989;—Am. 2003, Act 152, Eff. Oct. 1, 2003;—Am. 2005, Act 179, Imd. Eff. Oct. 20, 2005;—Am. 2014, Act 294, Eff. Mar. 31, 2015.

257.724 Stopping vehicle for weighing; shifting or removing load; civil fine and costs; moving vehicle to place of safekeeping; impoundment; lien; foreclosure sale; powers of authorized agent; unlawful weight as civil infraction; fine; driving duly marked vehicle; failure to stop as misdemeanor.

Sec. 724. (1) A police officer, a peace officer, or an authorized agent of the state transportation department or a county road commission having reason to believe that the weight of a vehicle and load is unlawful may require the driver to stop and submit to a weighing of the vehicle by either portable or stationary scales approved and sealed as a legal weighing device by a qualified person using testing equipment certified or approved by the department of agriculture and rural development as a legal weighing device and may require that the vehicle be driven to the nearest weigh station of the state transportation department for the purpose of allowing a police officer, peace officer, or agent of the state transportation department or county road

commission to determine whether the vehicle is loaded in conformity with this chapter.

(2) When the officer or agent, upon weighing a vehicle and load, determines that the weight is unlawful, the officer or agent may require the driver to stop the vehicle in a suitable place and remain standing until that portion of the load is shifted or removed as necessary to reduce the gross axle load weight of the vehicle to the limit permitted under this chapter. All material unloaded as provided under this subsection shall be cared for by the owner or operator of the vehicle at the risk of the owner or operator. A judge or magistrate imposing a civil fine and costs under this section that are not paid in full immediately or for which a bond is not immediately posted in the amount of the civil fine and costs shall order the driver or owner to move the vehicle at the driver's own risk to a place of safekeeping within the jurisdiction of the judge or magistrate, inform the judge or magistrate in writing of the place of safekeeping, and keep the vehicle until the fine and costs are paid or sufficient bond is furnished or until the judge or magistrate is satisfied that the fine and costs will be paid. The officer or agent who has determined, after weighing a vehicle and load, that the weight is unlawful, may require the driver to proceed to a judge or magistrate within the county. If the judge or magistrate is satisfied that the probable civil fine and costs will be paid by the owner or lessee, the judge or magistrate may allow the driver to proceed, after the load is made legal. If the judge or magistrate is not satisfied that the owner or lessee, after a notice and a right to be heard on the merits is given, will pay the amount of the probable civil fine and costs, the judge or magistrate may order the vehicle to be impounded until trial on the merits is completed under conditions set forth in this section for the impounding of vehicles after the civil fine and costs have been imposed. Removal of the vehicle, and forwarding, care, or preservation of the load shall be under the control of and at the risk of the owner or driver. Vehicles impounded are subject to a lien, subject to a prior valid bona fide lien of prior record, in the amount of the civil fine and costs and if the civil fine and costs are not paid within 90 days after the seizure, the judge or magistrate must certify the unpaid judgment to the prosecuting attorney of the county in which the violation occurred, who shall proceed to enforce the lien by foreclosure sale in accordance with procedure authorized in the case of chattel mortgage foreclosures. When the duly authorized agent of the state transportation department or county road commission is performing duties under this chapter, the agent has all the powers conferred upon peace officers by the general laws of this state.

(3) Subject to subsection (4), an owner of a vehicle or a lessee of the vehicle of an owner-operator, or other person, who causes or allows a vehicle to be loaded and driven or moved on a highway when the weight of that vehicle violates section 722 is responsible for a civil infraction and must pay a civil fine in an amount equal to 3 cents per pound for each pound of excess load over 1,000 pounds when the excess is 2,000 pounds or less; 6 cents per pound of excess load when the excess is over 2,000 pounds but not over 3,000 pounds; 9 cents per pound for each pound of excess load when the excess is over 3,000 pounds but not over 4,000 pounds; 12 cents per pound for each pound of excess load when the excess is over 4,000 pounds but not over 5,000 pounds; 15 cents per pound for each pound of excess load when the excess is over 5,000 pounds but not over 10,000 pounds; and 20 cents per pound for each pound of excess load when the excess is over 10,000 pounds. If a person operates a vehicle in violation of increased axle loading maximums provided for under section 722(13), the owner or lessee of the vehicle is responsible for a civil infraction and must pay the civil fine under this subsection that applies to the amount of weight by which the vehicle exceeds the original loading maximum.

(4) If the court determines that the motor vehicle or the combination of vehicles was operated in violation of this section, the court must impose a fine as follows:

(a) If the court determines that the motor vehicle or the combination of vehicles was operated in such a manner that the gross weight of the vehicle or the combination of vehicles would not be lawful by a proper distribution of the load upon all the axles of the vehicle or the combination of vehicles, the court must impose a fine for the violation according to the schedule provided for in subsection (3).

(b) If the court determines that the motor vehicle or the combination of vehicles would be lawful by a proper distribution of the load upon all of the axles of the vehicle or the combination of vehicles, but that 1 or more axles of the vehicle exceeded the maximum allowable axle weight by more than 1,000 pounds but less than 4,000 pounds, the court must impose a misload fine of \$200.00 per axle. Not more than 3 axles shall be used in calculating the fine to be imposed under this subdivision. This subdivision does not apply to a vehicle subject to the maximum loading provisions of section 722(12) or to a vehicle for which a fine as calculated under the schedule in subsection (3) would be less than the fine as calculated under this subsection.

(c) If the court determines that the motor vehicle or the combination of vehicles would meet the loading conditions specified in a special permit that was issued under section 725 by a proper distribution of the load upon all of the axles of the vehicle or the combination of vehicles, but that 1 or more axles of the vehicle exceeded the permitted axle weight by 1,000 pounds or less, the court must impose a misload fine of \$200.00 per axle. If the court determines that the motor vehicle or the combination of vehicles would meet the loading

conditions specified in a special permit that was issued under section 725 by a proper distribution of the load upon all of the axles of the vehicle or the combination of vehicles, but that 1 or more axles of the vehicle exceeded the permitted axle weight by more than 1,000 pounds, the court must impose a fine for the violation according to the schedule provided in subsection (3) for the amount of pounds exceeding the permitted axle weight. Not more than 3 axles shall be used in calculating the fine to be imposed under this subdivision. If the court determines that the load was misloaded, the conditions of the special permit remain valid. The imposition of a fine does not void the special permit.

(d) If the court determines that the motor vehicle or the combination of vehicles would be lawful by a proper distribution of the load upon all of the axles of the vehicle or the combination of vehicles, but that 1 or more axles of the vehicle exceeded the permitted axle weight by at least 4,000 pounds but no more than 8,000 pounds, the court must impose a misload fine of \$400.00 per axle. Not more than 3 axles shall be used in calculating the fine to be imposed under this subdivision.

(e) If the court determines that the motor vehicle or the combination of vehicles would be lawful by a proper distribution of the load upon all of the axles of the vehicle or the combination of vehicles, but that 1 or more axles of the vehicle exceeded the permitted axle weight by more than 8,000 pounds, the court must impose a fine for the violation according to the schedule provided in subsection (3).

(5) A driver or owner of a truck or truck tractor, a truck or truck tractor with other vehicles in combination, or any special mobile equipment who fails to stop at or bypasses any scales or weighing station is responsible for a civil infraction.

(6) An agent or authorized representative of the state transportation department or a county road commission shall not stop a truck or vehicle in movement upon a road or highway within the state for any purpose, unless the agent or authorized representative is driving a duly marked vehicle, clearly showing and denoting the branch of government represented.

(7) A driver or owner of a vehicle who knowingly fails to stop when requested or ordered to do so and submit to a weighing by a police officer, a peace officer, or an authorized agent of the state transportation department, or a representative or agent of a county road commission, authorized to require the driver to stop and submit to a weighing of the vehicle and load by means of a portable scale, is guilty of a misdemeanor punishable by imprisonment for not more than 90 days or a fine of not more than \$100.00, or both. A driver or person who dumps his or her load when ordered to submit to a weigh or who otherwise attempts to commit or commits an act to avoid a vehicle weigh is in violation of this section.

257.724a Axle weight requirements; exception; weight after lift axles lowered; "lift axle" defined.

Sec. 724a. (1) The axle weight requirements of this chapter do not apply to a vehicle equipped with lift axles during the period in which axles are raised to negotiate an intersection, driveway, or other turn and until the lift axles are fully engaged after the period of time or the distance necessary to negotiate that intersection, driveway, or other turn.

(2) If a vehicle is to be weighed to determine whether the vehicle is being operated in violation of this act or a rule promulgated under this act or of a local ordinance substantially corresponding to this act or a rule promulgated under this act and the vehicle is equipped with lift axles that have been raised to allow the vehicle to negotiate an intersection, driveway, or other turn, the vehicle shall be weighed only after the lift axles have been fully lowered and are under operational pressure as provided in subsection (1).

(3) As used in this section, "lift axle" means an axle on a vehicle that can be raised or lowered by mechanical means.

History: Add. 2004, Act 420, Eff. Jan. 1, 2006.

257.725 Special permit for certain vehicles and loads required; fees; violation as civil infraction; annual permit for movement of construction equipment; "jurisdictional authority" defined.

Sec. 725. (1) Upon receipt of a written application and good cause being shown, a jurisdictional authority may issue a written special permit authorizing an applicant to operate upon or remove from a highway maintained by that jurisdictional authority a vehicle or combination of vehicles that are any of the following:

- (a) Of a size, weight, or load exceeding the maximum specified in this chapter.
 - (b) Otherwise not in conformity with this chapter.
- (2) The application for a special permit shall be on a form prescribed by the jurisdictional authority and shall specifically describe the vehicle or vehicles and load to be operated or moved and the particular highways upon which the special permit to operate is requested.
- (3) A jurisdictional authority may issue a special permit and charge a fee that does not exceed the administrative costs incurred authorizing the operation of the following upon a highway:
- (a) Traction engines or tractors having movable tracks with transverse corrugations upon the periphery of those movable tracks on farm tractors.
 - (b) Other farm machinery otherwise prohibited under this chapter.
 - (c) A vehicle of a size or weight otherwise prohibited under this chapter that is hauling farm machinery to or from a farm.
- (4) A special permit shall specify the trip or trips and date or dates for which it is valid and the jurisdictional authority granting the special permit may restrict or prescribe conditions of operation of a vehicle or vehicles, if necessary, to protect the safety of the public or to ensure against undue damage to the road foundations, surfaces, structures, or installations, and may require a reasonable inspection fee and other security as that jurisdictional authority determines necessary to compensate for damages caused by the movement. A special permit may be issued on an annual basis. Except as otherwise provided in this section, the fee charged by the state transportation department for an intrastate or an out-of-state vehicle for a single trip shall be \$50.00 and for multiple trips or on an annual basis shall be \$100.00. Except as otherwise provided in this section, the fee charged by the state transportation department for an intrastate or an out-of-state vehicle for a permit issued under subsection (11) shall be \$264.00. Except as otherwise provided in this section, the fee charged by a jurisdictional authority other than the state transportation department for an intrastate or an out-of-state vehicle for a single trip shall be not more than \$50.00 and for multiple trips or on an annual basis shall be not more than \$100.00. Effective October 1, 1998, the fee charged by a jurisdictional authority other than the state transportation department for a special permit under this subsection shall be the fee charged on September 30, 1997. The fee charged by a jurisdictional authority other than the state transportation department for a special permit under this subsection may be increased above the amount charged on September 30, 1997 subject to the maximums allowed by this subsection subject to a prior public hearing with reasonable notice. However, the fee charged by a jurisdictional authority other than the state transportation department for a special permit under this subsection that is more than \$50.00 for a single trip or that is more than \$100.00 for multiple trips or on an annual basis, or both, on September 30, 1997 shall not be increased.
- (5) The fee charged by the state transportation department for an intrastate or an out-of-state vehicle or combination of vehicles that exceed the maximum size specified in this chapter but do not exceed the maximum weight or load specified in this chapter or are otherwise not in conformity with this chapter shall be \$15.00 for a single trip and \$30.00 for multiple trips or on an annual basis. The fee charged by the state transportation department for an intrastate or out-of-state vehicle or combination of vehicles that exceed the maximum size specified in this chapter but do not exceed the maximum weight or load specified in this chapter or are otherwise not in conformity with this chapter for a permit issued under subsection (11) shall be \$264.00. The fees charged under this subsection may be increased not more than once each year based on the percentage increase in the United States consumer price index for all urban consumers for the immediately preceding 12-month period rounded to the nearest whole dollar. This subsection takes effect October 1, 1998.
- (6) The fee charged by a jurisdictional authority other than the state transportation department for an intrastate or an out-of-state vehicle or combination of vehicles of a size exceeding the maximum specified in this chapter but not exceeding the maximum weight or load specified in this chapter shall not exceed the administrative costs incurred by that jurisdictional authority in issuing the permit. This subsection takes effect October 1, 1998.
- (7) A special permit issued under this section shall be carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by a police officer or authorized agent of a jurisdictional authority granting the special permit. A person shall not violate any of the terms or conditions of the special permit.
- (8) A person who violates this section is responsible for a civil infraction.
- (9) A jurisdictional authority issuing a special permit to move a mobile home under this section and a person who is issued a special permit to move a mobile home under this section are subject to section 719a.
- (10) Nothing in this section shall be construed to allow a jurisdictional authority to impose fees upon or enact regulations regarding a vehicle or combination of vehicles engaged in silvicultural operations if the vehicle or combination of vehicles is not in excess of the size, weight, or load maximums specified in this

chapter and is otherwise in conformity with this chapter. This subsection does not excuse a vehicle or combination of vehicles engaged in silvicultural operations from the seasonal weight reductions described in section 722.

(11) Beginning no later than 2 years after the effective date of the 2018 amendatory act that added this subsection, the state transportation department shall allow an applicant to obtain an annual permit for the movement of construction equipment under this section to exceed the size, load, or size and load maximums specified in this chapter for a power unit without requiring a separate permit for each individual piece of equipment carried by that power unit.

(12) Beginning no later than 2 years after the effective date of the 2018 amendatory act that added this subsection, all of the following apply to an annual permit for the movement of construction equipment issued by the state transportation department under subsection (11):

(a) The permit may be stored and presented by the holder of the permit using a mobile device.

(b) The permit shall not contain any restrictions on daily operating hours and shall only include Memorial Day weekend, the Fourth of July holiday, and Labor Day weekend as restricted holidays. Except as otherwise provided in this subdivision, the permit shall not restrict travel on weekends. The permit may contain restrictions on travel when the permit holder is traveling within a county that has a population greater than 150,000. The restricted holidays described in this subdivision do not apply to a permit issued for a vehicle used to transport an implement of husbandry.

(c) The permit shall not require travel of more than 10 miles per hour below the posted speed limit.

(13) As used in this section, "jurisdictional authority" means the state transportation department, a county road commission, or a local authority having jurisdiction over a highway upon which a vehicle is proposed to be moved pursuant to a permit required under this section.

257.725a Transportation of farm machinery or implements by dealer; annual permit; condition.

Sec. 725a. Upon application, the state transportation department may issue an annual permit authorizing a farm implement dealer to transport by truck, truck tractor, semitrailer, or trailer upon a state highway during daylight hours, including Saturday, farm machinery or implements of a greater width or height than authorized by this act if the transportation is otherwise permitted under those rules promulgated pursuant to section 716 that do not conflict with this section.

257.726 Prohibitions, limitations, or truck route designations by local authorities and county road commissions; signs; written objection by adjoining township; violation as civil infraction; exception for agricultural equipment.

Sec. 726. (1) Subject to subsection (4), local authorities and county road commissions with respect to highways under their jurisdiction, except state trunk line highways, by ordinance or resolution, may do any of the following:

(a) Prohibit the operation of trucks or other commercial vehicles on designated highways or streets.

(b) Impose limitations as to the weight of trucks or other commercial vehicles on designated highways or streets.

(c) Provide that only certain highways or streets may be used by trucks or other commercial vehicles.

(2) Any prohibitions, limitations, or truck route designations established under subsection (1) shall be designated by appropriate signs placed on the highways or streets. The design and placement of the signs shall be consistent with the requirements of section 608.

(3) If a township has established a prohibition or limitation under subsection (1) on any county primary road that an adjoining township determines diverts traffic onto a border highway or street shared by the township and the adjoining township, the adjoining township may submit a written objection to the county road commission having jurisdiction over the county primary road, along with a copy to the township that established the prohibition or limitation, 60 days after the township approves the prohibition or limitation. The written objection shall explain how the prohibition or limitation diverts traffic onto the border highway or street shared by the township and the adjoining township. The county road commission shall then investigate the objection. The township and adjoining township shall cooperate with that investigation and negotiate in

good faith to resolve the objection. If the objection is not resolved within 60 days after the township receives the copy of the written objection, the county road commission shall either approve or void the prohibition or limitation that is the subject of the objection within 60 days after the 60-day period described in this subsection, and the decision shall be final. As used in this subsection, "county primary road" means a highway or street designated as a county primary road under 1951 PA 51, MCL 247.671 to 247.675.

(4) An ordinance or resolution described in subsection (1)(a) does not apply to a vehicle that is used to transport agricultural products, farm machinery, farm supplies, or a combination of these items, to or from a farm or as necessary for agricultural production.

(5) A person who violates a prohibition, limitation, or truck route designation established under subsection (1) is responsible for a civil infraction.

Constitutionality: This section was held unconstitutional insofar as it deprives a municipality of the right to reasonable control over its streets, including state trunk lines within its limits, in violation of Const 1963, art VII, § 29. City of Dearborn v Sugden and Sivier, Inc, 343 Mich 257; 72 NW2d 185 (1955).

Compiler's note: In the last sentence of subsection (3), the citation "1951 PA 51, MCL 247.671 to 247.675" evidently should read "1951 PA 51, MCL 247.651 to 247.675".

Any police officer having reason to believe that the load, weight, or height of a vehicle or load is in violation of section 719, 720, 722a, or 724 which violation is a misdemeanor, may require the driver of the vehicle to stop, and the officer may investigate, weigh, or measure the vehicle or load. If after personally investigating, weighing, or measuring the vehicle or load, the officer determines that the load, weight, or height of a vehicle or load are in violation of the requirements of section 719, 720, 722a, or 724, the officer may temporarily detain the driver of the vehicle for purposes of making a record or vehicle check, may make an arrest for the violation, and may proceed as otherwise provided in this act.

If the arresting officer otherwise satisfactorily determines the identity of the person and the practicability of subsequent apprehension if the person fails to voluntarily appear before a designated magistrate or the family division of circuit court as directed, the officer may release the person from custody with instructions to appear in court, given in the form of a citation as prescribed by section 728.

Each citation shall be numbered consecutively, be in a form as determined by the secretary of state, the attorney general, the state court administrator, and the director of the department of state police and shall consist of the following parts:

(a) The original which shall be a complaint or notice to appear by the officer and shall be filed with the court in which the appearance is to be made.

(b) The first copy which shall be retained by the local traffic enforcement agency.

(c) The second copy which shall be delivered to the alleged violator if the violation is a misdemeanor.

(2) With the prior approval of the state officials enumerated in subsection (1), the citation may be appropriately modified as to content or number of copies to accommodate law enforcement and local court procedures and practices. Use of this citation for other than moving violations is optional.

(3) For purposes of this act, a complaint signed by a police officer shall be treated as made under oath if the violation alleged in the complaint is either a civil infraction or a misdemeanor or ordinance violation for which the maximum permissible penalty does not exceed 93 days in jail or a fine, or both, and occurred or was committed in the signing officer's presence or under circumstances permitting the officer's issuance of a citation under section 625a or 728(8), and if the complaint contains the following statement immediately above the date and signature of the officer:

"I declare under the penalties of perjury that the statements above are true to the best of my information, knowledge, and belief."

Sec. 728. (1) When a person is arrested without a warrant for a violation of this act punishable as a misdemeanor, or an ordinance substantially corresponding to a provision of this act and punishable as a misdemeanor, under conditions not referred to in section 617, 619, or 727, the arresting officer shall prepare, as soon as possible and as completely as possible, an original and 3 copies of a written citation to appear in court containing the name and address of the person, the violation charged, and the time and place when and where the person shall appear in court. The officer shall inform the offender of the violation and shall give the

second copy of the citation to the alleged offender. If the arrested person demands, he or she shall be arraigned by a magistrate or probate court as provided in section 727 in lieu of being given the citation.

(2) The time specified in the citation to appear shall be within a reasonable time after the arrest.

(3) The place specified in the citation to appear shall be before a magistrate or probate court within the county in which the violation charged is alleged to have been committed and who has jurisdiction of the violation.

(4) Appearance may be made in person, by representation, or by mail. If appearance is made by representation or mail, the magistrate may accept the plea of guilty or not guilty for purposes of arraignment, with the same effect as though the person personally appeared before him or her. The magistrate, by giving 5 days' notice of the date of appearance, may require appearance in person at the time and place designated in the citation.

(5) If a nonresident is arrested without warrant for a violation of this act that is punishable as a misdemeanor, or an ordinance substantially corresponding to a provision of this act and punishable as a misdemeanor, under conditions not referred to in section 727, the arresting officer, upon demand of the arrested person, immediately shall take the person for arraignment by a magistrate in the vicinity to answer to the complaint made against the person. If a magistrate is not available or an immediate trial cannot be had, the person arrested may recognize to the officer for his or her appearance by leaving with the officer a guaranteed appearance certificate or a sum of money not to exceed \$100.00, in which case the following provisions apply:

(a) The officer making the arrest shall give a receipt to the person arrested for the guaranteed appearance certificate or the money deposited together with a written citation as provided in subsection (1).

(b) If the alleged offender fails to appear as required in the citation, the guaranteed appearance certificate or deposit shall be forfeited as in other cases of default in bail in addition to any other penalty provided in this chapter.

(c) At or before the completion of his or her tour of duty, a police officer taking a certificate or deposit of money shall deliver the certificate or deposit of money either to the magistrate named in the citation together with a report of the facts relating to the arrest, or to the police chief or person authorized by the police chief to receive certificates and deposits. The police chief or person authorized by the police chief shall deposit with the court the certificate or the money deposited and the citation in the same manner as prescribed for citations in section 728a. Failure to make a report and deliver the money deposited is embezzlement of public money.

(d) "Guaranteed appearance certificate" means a card or certificate containing a printed statement that a surety company authorized to do business in this state guarantees the appearance of the person whose signature appears on the card or certificate, and that the company, if the person fails to appear in court at the time of trial or sentencing or to pay any fines or costs imposed under this act, will pay any fine, costs, or bond forfeiture imposed on the person in a total amount not to exceed \$200.00.

(6) An officer making an arrest under this chapter for a misdemeanor without a warrant, except under section 727, is not entitled to any fees for making the arrest or the issuance of a citation under this section.

(7) An officer or magistrate who violates this section is guilty of misconduct in office and subject to removal from office.

(8) A police officer may issue a citation to a person who is an operator of a motor vehicle involved in an accident if, based upon personal investigation, the officer has reasonable cause to believe that the person has committed a misdemeanor under this act in connection with the accident. The officer shall prepare an original and 3 copies of the citation, setting forth the name and address of the person, the violation that may be charged against the person, and the time and place of the appearance of the person in court. The citation shall inform the person of the office, bureau, or department to which requests for a change or adjournment of the court date may be made.

(9) If the citation is issued to a person who is operating a commercial motor vehicle, the citation shall contain the vehicle group designation and indorsement description of the vehicle operated by the person at the time of the alleged violation.

257.732b Driver responsibility fee; workforce training; participation as alternative to paying fee.

Sec. 732b. (1) If an individual was assessed a driver responsibility fee under section 732a(2)(b)(iii) or (iv), (c), or (d), the individual may engage in 10 hours of participation in a workforce training payment program created under section 732c as an alternative to paying that fee or any unpaid portion of that fee.

(2) An individual may engage in workforce training under subsection (1) by obtaining a workforce training form from the secretary of state or the department of treasury. The department of treasury shall mail to each individual who is required to pay a driver responsibility fee under section 732a(2)(b)(iii) or (iv), (c), or (d) a 1-time-only written notice of the option of completing workforce training as an alternative to paying that driver responsibility fee. The notice shall include a statement that workforce training forms for that purpose can be obtained from the department of state or from the department of treasury. The notice shall be sent to the last known address of the individual as shown in the records of the department of treasury. The secretary of state shall make workforce training forms available to the public at all branch offices and on the department's website for purposes of this section and shall provide workforce training forms to the department of treasury for purposes of this section.

(3) If an individual chooses to engage in workforce training under this section, the individual shall complete the workforce training form obtained under subsection (2) and return the form to the department of treasury in the manner prescribed by the department of treasury. Upon receiving a properly completed workforce training form under this subsection, the department of treasury shall inform the department of state that the individual intends to complete workforce training under this section as an alternative to paying a driver responsibility fee or any portion of a driver responsibility fee. If the secretary of state is notified by the department of treasury that the individual has elected to complete workforce training under this section as an alternative to paying the fee, that fee shall be held in abeyance for a period of 45 days. If the individual's license is suspended for failing to pay the driver responsibility fee or portion of the driver responsibility fee, the department of state shall, upon payment of the reinstatement fee, reinstate the individual's driver license.

(4) An individual who engages in workforce training under this section shall be allowed only 1 opportunity to complete the workforce training alternative for each driver responsibility fee owed. However, the department of treasury may allow an individual to withdraw from that workforce training before the expiration of the 45-day period for completing that workforce training for good cause shown. If the individual is allowed to withdraw from workforce training for good cause shown, that opportunity for completing workforce training shall not be considered in the number of opportunities to perform workforce training under this subsection, but the individual is subject to the suspension of his or her driving privileges under section 732a(5).

(5) Upon completing workforce training under this section, the individual may request the person with

whom he or she engaged in workforce training under this section to verify on the workforce training form in the manner designated by the secretary of state that he or she successfully completed that workforce training. Upon verification, the individual may return the workforce training form to the department of treasury for purposes of this section. Any person who falsely verifies workforce training under this subsection and any individual who falsely requests the verification of workforce training under this section or who returns a community service form to the department of treasury under this subsection knowing that his or her workforce training is falsely verified is responsible for a state civil infraction and may be fined not more than \$200.00.

(6) The department of treasury shall waive the driver responsibility fee or any portion of the driver responsibility fee otherwise required to be paid under section 732a(2)(b)(iii) or (iv), (c), or (d) upon receiving verification that the individual successfully completed the workforce training requirements of this section. The department of treasury shall notify the department of state when it has waived the fee under this section or, if the fee is not waived under this section, that the 45-day period has expired and the fee has not been waived. If the secretary of state is notified by the department of treasury that the fee has not been waived, the department of state shall enter that information into the records of the department and shall suspend the individual's driver license and proceed as provided by law for the individual's failure to pay the driver responsibility fee or to complete workforce training under this section.

Sec. 742. (1) A police officer who witnesses a person violating this act or a local ordinance substantially corresponding to this act, which violation is a civil infraction, may stop the person, detain the person temporarily for purposes of making a record of vehicle check, and prepare and subscribe, as soon as possible and as completely as possible, an original and 3 copies of a written citation, which shall be a notice to appear in court for 1 or more civil infractions. If a police officer of a village, city, township, or county, or a police officer who is an authorized agent of a county road commission, witnesses a person violating this act or a local ordinance substantially corresponding to this act within that village, city, township, or county and that violation is a civil infraction, that police officer may pursue, stop, and detain the person outside the village, city, township, or county where the violation occurred for the purpose of exercising the authority and performing the duties prescribed in this section and section 749, as applicable.

(3) A police officer may issue a citation to a person who is a driver of a motor vehicle involved in an accident when, based upon personal investigation, the officer has reasonable cause to believe that the person is responsible for a civil infraction in connection with the accident. A police officer may issue a citation to a person who is a driver of a motor vehicle when, based upon personal investigation by the police officer of a

complaint by someone who witnessed the person violating this act or a local ordinance substantially corresponding to this act, which violation is a civil infraction, the officer has reasonable cause to believe that the person is responsible for a civil infraction and if the prosecuting attorney or attorney for the political subdivision approves in writing the issuance of the citation.

(4) The form of a citation issued under subsection (1), (2), or (3) shall be as prescribed in sections 727c and 743.

(5) The officer shall inform the person of the alleged civil infraction or infractions and shall deliver the third copy of the citation to the alleged offender.

(6) In a civil infraction action involving the parking or standing of a motor vehicle, a copy of the citation is not required to be served personally upon the defendant but may be served upon the registered owner by attaching the copy to the vehicle. A parking violation notice may be issued by a police officer, including a limited duty officer, or other personnel duly authorized by the city, village, township, college, or university to issue such a notice under its ordinance. The citation filed with the court pursuant to this subsection need not comply in all particulars with sections 727c and 743 but shall consist of a sworn complaint containing the allegations stated in the parking violation notice and shall fairly inform the defendant how to respond to the citation.

(8) A citation issued under subsection (6) or (7) for a parking or standing violation shall be processed in the same manner as a citation issued personally to a defendant under subsection (1) or (3).

More than \$30,000.00, the tax of \$178.00 is increased by \$6.00 for each \$1,000.00 increment or fraction of a \$1,000.00 increment over \$30,000.00. If a current tax increases or decreases as a result of 1998 PA 384, only a vehicle purchased or transferred after January 1, 1999 must be assessed the increased or decreased tax.

(ii) For the second registration, 90% of the tax assessed under subparagraph (i).

(iii) For the third registration, 90% of the tax assessed under subparagraph (ii).

(iv) For the fourth and subsequent registrations, 90% of the tax assessed under subparagraph (iii).

For a vehicle of the 1984 or a subsequent model year that has been previously registered by a person other than the person applying for registration or for a vehicle of the 1984 or a subsequent model year that has been previously registered in another state or country and is registered for the first time in this state, the tax under this subdivision is determined by subtracting the model year of the vehicle from the calendar year for which the registration is sought. If the result is zero or a negative figure, the first registration tax must be paid. If the result is 1, 2, or 3 or more, then, respectively, the second, third, or subsequent registration tax must be paid. A passenger motor vehicle that has been modified with a permanently installed wheelchair lift mechanism or with permanently installed hand controls and that is owned by an individual who uses a wheelchair or by an individual who transports a member of the individual's household who uses a wheelchair and for which registration plates are issued under section 803d must be assessed at the rate of 50% of the tax provided for in this subdivision. As used in this subdivision, "permanently installed hand controls" means a permanently installed device designed to replace the brake and gas pedals of a motor vehicle with hand controls.

(q) For a wrecker, \$200.00.

(r) When the secretary of state computes a tax under this act, a computation that does not result in a whole dollar figure must be rounded to the next lower whole dollar if the computation results in a figure ending in 50 cents or less and must be rounded to the next higher whole dollar if the computation results in a figure ending in 51 cents or more, unless specific taxes are specified, and the secretary of state may accept the manufacturer's shipping weight of the vehicle fully equipped for the use for which the registration application is made. If the weight is not correctly stated or is not satisfactory, the secretary of state shall determine the actual weight. Each application for registration of a vehicle under subdivisions (j) and (m) must have attached to the application a scale weight receipt of the vehicle fully equipped as of the time the application is made. The scale weight receipt is not necessary if there is presented with the application a registration receipt of the previous year that shows on its face the weight of the motor vehicle as registered with the secretary of state and that is accompanied by a statement of the applicant that there has not been a structural change in the motor vehicle that has increased the weight and that the previous registered weight is the true weight.

(2) A manufacturer is not exempted under this act from paying ad valorem taxes on vehicles in stock or bond, except on the specified number of motor vehicles registered. A dealer is exempt from paying ad valorem taxes on vehicles in stock or bond.

(3) Until October 1, 2027, the tax for a vehicle with an empty weight over 10,000 pounds imposed under subsection (1)(a) and the taxes imposed under subsection (1)(c), (d), (e), (f), (i), (j), (m), (o), and (p) are each increased as follows:

(a) A regulatory fee of \$2.25, which must be credited to the traffic law enforcement and safety fund created in section 819a and used to regulate highway safety.

(b) A fee of \$5.75, which must be credited to the transportation administration collection fund created in section 810b.

(4) Except as otherwise provided in this subsection, if a tax required to be paid under this section is not received by the secretary of state on or before the expiration date of the registration plate, the secretary of state shall collect a late fee of \$10.00 for each registration renewed after the expiration date. An application for a renewal of a registration using the regular mail and postmarked before the expiration date of that registration must not be assessed a late fee. The late fee collected under this subsection must be deposited into the general fund. The secretary of state shall waive the late fee collected under this subsection if all of the following are satisfied:

(a) The registrant presents proof of storage insurance for the vehicle for which the late fee is assessed that is valid for the period of time between the expiration date of the most recent registration and the date of application for the renewal.

(b) The registrant requests in person at a department branch office that the late fee be waived at the time of application for the renewal.

(5) In addition to the registration taxes under this section, the secretary of state shall collect taxes charged under section 801j and credit revenues to a regional transit authority created under the regional transit authority act, 2012 PA 387, MCL 124.541 to 124.558, minus necessary collection expenses as provided in section 9 of article IX of the state constitution of 1963. Necessary collection expenses incurred by the secretary of state under this subsection must be based upon an established cost allocation methodology.

(6) This section does not apply to a historic vehicle.

(7) Beginning January 1, 2017, the registration fee imposed under this section for a vehicle using 4 or more tires is increased as follows:

(a) If the vehicle is a plug-in hybrid electric vehicle, the registration fee for that vehicle is increased by \$30.00 for a vehicle with an empty weight of 8,000 pounds or less, and \$100.00 for a vehicle with an empty weight of more than 8,000 pounds. As used in this subdivision and subsection (8)(a), "plug-in hybrid electric vehicle" means a vehicle that can use batteries to power an electric motor and use another fuel, such as gasoline or diesel, to power an internal combustion engine or other propulsion source, and that may use electricity from the grid to run the vehicle some or all of the time.

(b) If the vehicle is an electric vehicle, the registration fee for that vehicle is increased by \$100.00 for a vehicle with an empty weight of 8,000 pounds or less, and \$200.00 for a vehicle with an empty weight of more than 8,000 pounds. As used in this subdivision and subsection (8)(b), "electric vehicle" means a vehicle that is propelled solely by electrical energy and that is not capable of using gasoline, diesel fuel, or alternative fuel to propel the vehicle.

(8) Beginning January 1, 2017, if the tax on gasoline imposed under section 8 of the motor fuel tax act, 2000 PA 403, MCL 207.1008, is increased above 19 cents per gallon, the secretary of state shall increase the fees collected under subsection (7) as follows:

(a) For a plug-in hybrid electric vehicle, \$2.50 per each 1 cent above 19 cents per gallon.

(b) For an electric vehicle, \$5.00 per each 1 cent above 19 cents per gallon.

(9) As used in this section:

(a) "Alternative fuel" means that term as defined in section 151 of the motor fuel tax act, 2000 PA 403, MCL 207.1151.

(b) "Diesel fuel" means that term as defined in section 2 of the motor fuel tax act, 2000 PA 403, MCL 207.1002.

(c) "Gasoline" means that term as defined in section 3 of the motor fuel tax act, 2000 PA 403, MCL 207.1003.

(d) "Gross proceeds" means that term as defined in section 1 of the general sales tax act, 1933 PA 167, MCL 205.51, and includes the value of the motor vehicle used as part payment of the purchase price as that value is agreed to by the parties to the sale, as evidenced by the signed agreement executed under section 251.

(e) "List price" means the manufacturer's suggested base list price as published by the secretary of state, or the manufacturer's suggested retail price as shown on the label required to be affixed to the vehicle under 15

USC 1232, if the secretary of state has not at the time of the sale of the vehicle published a manufacturer's suggested retail price for that vehicle, or the purchase price of the vehicle if the manufacturer's suggested base list price is unavailable from the sources described in this subdivision.

(f) "Purchase price" means the gross proceeds received by the seller in consideration of the sale of the motor vehicle being registered.

257.801g Apportionment of fee under international registration plan if permitted by reciprocal compact, agreement, or other arrangement; definition; issuance of registration plate and cab card upon payment of apportioned fee; purchase of annual international registration plan plates; service fee; notice; effect of late payment; effect of surrendering or not surrendering registration plate; temporary registration.

Sec. 801g. (1) Notwithstanding section 801(1)(j) or 801(1)(k), for a truck, truck tractor, or road tractor

engaged in interstate commerce, for which a registration fee otherwise would be provided in section 801(1)(j) or 801(1)(k), the fee may be apportioned under the international registration plan according to the miles traveled in this state in relation to the total miles traveled by the vehicle, if the apportionment is permitted by a reciprocal compact, agreement, or other arrangement entered into by the Michigan highway reciprocity board.

(2) For the purposes of this section, "international registration plan" means a method of licensing trucks and bus fleets proportionally among 2 or more member jurisdictions and includes an apportioned fee that is determined according to the fleet's percentage of miles generated in the various jurisdictions. Upon payment of the apportioned fee there shall be issued 1 registration plate and 1 cab card for each vehicle with the cab card indicating the jurisdictions in which the unit is registered and the registered weight for each jurisdiction.

(3) If the apportionment is permitted, and if at the time of purchase a person elects to have the fees apportioned and the registration is valid for at least 12 months, the annual international registration plan plates may be purchased by paying any out of state portion and 1/2 the amount apportioned for Michigan fees and an extra \$10.00 service fee per vehicle upon purchase and the balance within 180 days before the date of expiration. The secretary of state shall notify a person who has elected to use the installment option of this subsection informing the person of the amount due and of the penalties that shall be imposed if payment is not received within 180 days before the date of expiration. If a person is once late on paying the balance, a penalty of 25% of the outstanding balance shall be assessed and collected in addition to the fee. If a person is twice late in paying the balance within a 2-year period, then a penalty of 25% of the outstanding balance shall be assessed and collected in addition to the fee, and the person is ineligible to elect the apportionment payment plan for the next 2 registration years following the year of the delinquency. The secretary of state shall suspend the registration of any vehicle for which the registration fee is not paid in full and transmit a statement of the delinquent balance, including the penalty, to the department of treasury for collection.

(4) If a person surrenders a registration plate purchased under section 801(1)(j) or 801(1)(k) for a registration under this section for the same vehicle, the apportioned fee for the exchange registration shall bear the same relationship to the fee required under this section for a 12-month registration as the length of time the exchange registration bears to 12 months. Partial months shall be considered as whole months in the calculation of the required fee and in the determination of the length of time between the application for a registration and the last day of the month of expiration. The calculation shall include any refund as a credit provided for in section 801b(8). The fee required for the registration shall be rounded off to whole dollars as provided in section 801.

(5) If a person does not surrender a registration plate purchased under section 801(1)(j) or 801(1)(k) for a registration under this section, the apportioned fee shall be determined as provided for in this section except the apportioned fee for a registration purchased shall bear the same relationship to the fee required under this section for a 12-month registration as the length of time the registration bears to 12 months. Partial months shall be considered as whole months in the calculation of the required fee and in the determination of the length of time between the application for a registration and the last day of the month of expiration. The fee required for this registration shall be rounded off to whole dollars as provided in section 801. Fees under this subsection shall not be prorated for less than 6 months.

(6) Upon proper application for registration of a vehicle under this section, the secretary of state may issue a temporary registration which shall be valid for not more than 45 days from the date of issuance.

(7) The secretary of state may designate an owner or registrant having a fleet of motor vehicles currently registered under this section to act as an agent for the secretary of state for the purpose of issuing to himself or herself a temporary registration. Upon issuance of a temporary registration an agent shall make proper application for an international registration plan registration to the secretary of state within 5 days after issuance of the temporary registration.

(8) An owner issued a temporary registration under this section is liable for the fees provided in this section.

(9) If the owner of a vehicle for which a temporary registration is issued under this section fails to pay the registration fee as required in this section, the secretary of state shall suspend the registrations of all vehicles registered by that owner under this section. The registrations shall remain suspended until the fee is paid.

257.801h Fleet registration; application; issuance and display of registration plates; tax; late fee; adding or deleting registration; ineligible vehicle; determination of owner's compliance.

Sec. 801h. (1) Notwithstanding any other provision in this act, the owner or lessee of a fleet of 300 or more vehicles that are or will be registered under section 801 may apply to the secretary of state for special registration plates for any number of 300 or more vehicles in a fleet. An application shall be on a form prescribed by the secretary of state and include an agreement that, at a minimum, the applicant agrees to pay annual fleet registration taxes under this section in a manner determined by the secretary of state.

(2) Upon approval of the application and payment of the required registration taxes, the secretary of state may issue the applicant a registration plate under section 224 and a registration certificate under section 222 for each vehicle. The registration plate and certificate shall each be in a format as prescribed by the secretary of state.

(3) The name, emblem, trademark, or logo of the company issued fleet registration plates under this section shall be prominently displayed on the right and left sides of all vehicles registered under this section by that applicant. The name, emblem, trademark, or logo shall contain letters, figures, or numerals in sharp contrast to the background of the name, emblem, trademark, or logo and shall be of a size, shape, and color that is readily legible during daylight hours from a distance of 50 feet. This subsection does not apply to passenger vehicle rental fleets.

(4) The registration tax for each vehicle registered under this section shall be paid annually. Registration taxes under this section are payable in full not later than the due date provided in section 226. If the owner of a vehicle registered under this section fails to pay the annual registration tax for that vehicle, the secretary of state shall collect a late fee of \$100.00 for the individual vehicle registration for that vehicle, in addition to the registration tax. If the owner of a vehicle registered under this section fails to comply with the terms of the fleet registration plate agreement provided in subsection (1), except as otherwise provided in this subsection, the secretary of state shall immediately suspend the registration of all vehicles registered by that owner under this section. The registration shall remain suspended and the owner shall not apply for the registration or reregistration of a vehicle under this section until payment in full of the tax, and late fee, if applicable, owed is made. After providing notice to the owner, the secretary of state shall notify law enforcement of any plate suspended under this section. The secretary of state shall not suspend the registration of all vehicles registered under a fleet vehicle registration plate agreement under subsection (1) for failure to timely pay the annual registration tax for an individual vehicle registered under the fleet vehicle registration plate agreement.

(5) At any time an owner or lessee in good standing may add a vehicle to the list of vehicles registered under this section. To add a vehicle, the owner or lessee shall make application to the secretary of state, in a form prescribed by the secretary of state, accompanied by the registration taxes required under section 801.

(6) At any time an owner or lessee may delete the registration of a vehicle from the list of vehicles registered under this section. To delete a vehicle, the owner shall notify the secretary of state of the proposed deletion in a form prescribed by the secretary of state and, except as otherwise provided in this subsection, surrender to the secretary of state the registration plate assigned to the deleted vehicle. The secretary of state shall collect a late fee of \$100.00 from a vehicle owner who does not return a fleet registration plate to the secretary of state within 30 days after deleting that vehicle's registration under this subsection. A vehicle owner is not required to surrender a fleet registration plate assigned to a deleted vehicle if the fleet registration plate is properly transferred to another vehicle in that fleet and the registration for the vehicle to which the fleet registration plate is transferred is transferred within 30 days after the deleted vehicle is removed from the fleet. A vehicle owner shall surrender to the secretary of state a fleet registration plate that has been transferred from a deleted vehicle to another vehicle in the same fleet as provided in this subsection when the registration for that vehicle expires or when that vehicle is deleted from the fleet.

(7) A vehicle not titled or leased in the name of the applicant is not eligible for registration under this section. A vehicle registered under section 801g is not eligible for registration under this section.

(8) The secretary of state or the authorized representative of the secretary of state may visit and examine the vehicle registration records of an owner whose vehicles are registered under this act. This authority only applies to visits during the regular business hours of the owner and to those vehicles and records necessary for the secretary of state to determine an owner's compliance with this section.

257.801j Additional tax charged by regional transit authority.

Sec. 801j. (1) Except as otherwise provided in subsection (6), in addition to the required vehicle registration tax under section 801(1)(p), a regional transit authority created under the regional transit authority act, 2012 PA 387, MCL 124.541 to 124.558, may charge an additional tax on vehicle registrations issued to residents of a public transit region of not more than \$1.20 for each \$1,000.00 or fraction of \$1,000.00 of the vehicle's list price as used in calculating the tax under section 801(1)(p). The authority may charge the additional tax only upon the approval of a majority of the electors in a public transit region voting on the tax at an election held on the regular November election date as provided in section 641(1)(d) of the Michigan election law, 1954 PA 116, MCL 168.641.

(2) In addition to any other requirements imposed by law, the ballot question proposing authorization of the tax under subsection (1) shall specify how the proceeds of the tax shall be expended.

(3) The tax collected under this section shall only be used by the regional transit authority for comprehensive transportation purposes as defined by law for purposes of section 9 of article IX of the state constitution of 1963.

(4) A proposal for a tax under this section shall not be placed on the ballot under subsection (1) unless the proposal is adopted by a resolution of the board of directors of the regional transit authority and certified by the board of directors not later than 70 days before the election to the county clerk of each county within the public transit region for inclusion on the ballot.

(5) Except as otherwise provided in subsection (6), if a majority of voters in a public transit region approve a tax under subsection (1), no later than 1 year after voter approval, the secretary of state shall collect the tax on all vehicles registered to residents of the public transit region under section 801(1)(p) and shall credit the tax collected to the regional transit authority, minus necessary collection expenses as provided in section 9 of article IX of the state constitution of 1963. Necessary collection expenses incurred by the secretary of state under this subsection shall be based upon an established cost allocation methodology.

(6) This section does not apply to a company test vehicle. As used in this subsection, "company test vehicle" means a vehicle that is owned by a manufacturer and that satisfies 1 or both of the following:

(a) The vehicle is part of a product testing program as defined by the United States department of treasury under treas. reg. 1.132-5(n)(2001).

(b) The vehicle is furnished by the manufacturer to an employee of the manufacturer for the purpose of testing, evaluating product quality and performance, reporting defects, or suggesting product or production improvements as an ordinary and necessary business expense of the manufacturer.

(m) For a violation of section 710d, the civil fine ordered under this section must not be more than \$10.00, subject to subsection (11).

(n) For a violation of section 710e, the civil fine and court costs ordered under this subsection must be \$25.00.

(3) Except as provided in this section, if an individual is determined to be responsible or responsible "with explanation" for a civil infraction under this act or a local ordinance that substantially corresponds to a provision of this act while driving a commercial motor vehicle, the individual must be ordered to pay costs as provided in subsection (4) and a civil fine of not more than \$250.00.

(4) If a civil fine is ordered under subsection (2) or (3), the judge or district court magistrate shall summarily tax and determine the costs of the action, which are not limited to the costs taxable in ordinary civil actions, and may include all expenses, direct and indirect, to which the plaintiff has been put in connection with the civil infraction, up to the entry of judgment. Costs must not be ordered in excess of \$100.00. A civil fine ordered under subsection (2) or (3) must not be waived unless costs ordered under this subsection are waived. Except as otherwise provided by law, costs are payable to the general fund of the plaintiff.

(5) In addition to a civil fine and costs ordered under subsection (2) or (3) and subsection (4) and the justice system assessment ordered under subsection (12), the judge or district court magistrate may order the individual to attend and complete a program of treatment, education, or rehabilitation.

(6) A district court magistrate shall impose the sanctions permitted under subsections (2), (3), and (5) only to the extent expressly authorized by the chief judge or only judge of the district court district.

(7) Each district of the district court and each municipal court may establish a schedule of civil fines, costs, and assessments to be imposed for civil infractions that occur within the respective district or city. If a schedule is established, it must be prominently posted and readily available for public inspection. A schedule need not include all violations that are designated by law or ordinance as civil infractions. A schedule may exclude cases on the basis of a defendant's prior record of civil infractions or traffic offenses, or a

combination of civil infractions and traffic offenses.

(8) The state court administrator shall annually publish and distribute to each district and court a recommended range of civil fines and costs for first-time civil infractions. This recommendation is not binding on the courts having jurisdiction over civil infractions but is intended to act as a normative guide for judges and district court magistrates and a basis for public evaluation of disparities in the imposition of civil fines and costs throughout this state.

(9) If a person has received a civil infraction citation for defective safety equipment on a vehicle under section 683, the court shall waive a civil fine, costs, and assessments on receipt of certification by a law enforcement agency that repair of the defective equipment was made before the appearance date on the citation.

(10) A default in the payment of a civil fine or costs ordered under subsection (2), (3), or (4) or a justice system assessment ordered under subsection (12), or an installment of the fine, costs, or assessment, may be collected by a means authorized for the enforcement of a judgment under chapter 40 of the revised judicature act of 1961, 1961 PA 236, MCL 600.4001 to 600.4065, or under chapter 60 of the revised judicature act of 1961, 1961 PA 236, MCL 600.6001 to 600.6098.

(11) The court may waive any civil fine, cost, or assessment against an individual who received a civil infraction citation for a violation of section 710d if the individual, before the appearance date on the citation, supplies the court with evidence of acquisition, purchase, or rental of a child seating system meeting the requirements of section 710d.

(12) In addition to any civil fines or costs ordered to be paid under this section, the judge or district court magistrate shall order the defendant to pay a justice system assessment of \$40.00 for each civil infraction determination, except for a parking violation or a violation for which the total fine and costs imposed are \$10.00 or less. On payment of the assessment, the clerk of the court shall transmit the assessment collected to the state treasury to be deposited into the justice system fund created in section 181 of the revised judicature act of 1961, 1961 PA 236, MCL 600.181. An assessment levied under this subsection is not a civil fine for purposes of section 909.

(13) If a person has received a citation for a violation of section 223, the court shall waive any civil fine, costs, and assessment, on receipt of certification by a law enforcement agency that the person, before the appearance date on the citation, produced a valid registration certificate that was valid on the date the violation of section 223 occurred.

(14) If a person has received a citation for a violation of section 328(1) for failing to produce a certificate of insurance under section 328(2), the court may waive the fee described in section 328(3)(c) and shall waive any fine, costs, and any other fee or assessment otherwise authorized under this act on receipt of verification by the court that the person, before the appearance date on the citation, produced valid proof of insurance that was in effect at the time the violation of section 328(1) occurred. Insurance obtained subsequent to the time of the violation does not make the person eligible for a waiver under this subsection.

(15) If a person is determined to be responsible or responsible "with explanation" for a civil infraction under this act or a local ordinance that substantially corresponds to a provision of this act and the civil infraction arises out of the ownership or operation of a commercial quadricycle, the person must be ordered to pay costs as provided in subsection (4) and a civil fine of not more than \$500.00.

(16) As used in this section, "moving violation" means an act or omission prohibited under this act or a local ordinance that substantially corresponds to this act that involves the operation of a motor vehicle and for which a fine may be assessed.

257.908 Default as civil contempt; penalty.

Sec. 908. (1) If a defendant defaults in the payment of a civil fine, costs, or both, or of any installment, as ordered pursuant to section 907(2), the court, upon the motion of the plaintiff or upon its own motion, may require the defendant to show cause why the default should not be treated as in civil contempt and may issue a

summons or order to show cause or a bench warrant of arrest for the defendant's appearance.

(2) When a corporation or an association is ordered to pay a civil fine or costs, the persons authorized to make disbursement shall pay the fine or costs, and their failure to do so shall be civil contempt unless they make the showing required in this section.

(3) Unless the defendant shows that the default was not attributable to an intentional refusal to obey the order of the court or to a failure on his or her part to make a good faith effort to obtain the funds required for payment, the court shall find that the default constitutes a civil contempt and may order the defendant committed until the civil fine, costs, or both, or a specified part thereof, is paid.

(4) If it appears that the default in the payment of a civil fine or costs does not constitute civil contempt, the court may enter an order allowing the defendant additional time for payment, reducing the amount of payment or of each installment, or revoking the fine or costs or the unpaid portion thereof in whole or in part.

(5) The term of imprisonment on civil contempt for nonpayment of a civil fine or costs shall be specified in the order of commitment, and shall not exceed 1 day for each \$10.00 of the fine and costs. A person committed for nonpayment of a civil fine or costs shall be given credit toward payment for each day of imprisonment and each day of detention in default of recognizance before judgment at the rate of \$10.00 per day.

(6) A defendant committed to imprisonment for civil contempt for nonpayment of a civil fine or costs shall not be discharged from custody until 1 of the following occurs:

- (a) The defendant has been credited with the amount due pursuant to subsection (5).
- (b) The amount due has actually been collected through execution of process or otherwise.
- (c) The amount due has been satisfied pursuant to a combination of subdivisions (a) and (b).
- (7) The civil contempt shall be purged upon discharge of the defendant pursuant to subsection (6).

257.909 Application and allocation of civil fines to public and county law libraries.

Sec. 909. (1) Except as provided in subsection (2), a civil fine which is ordered under section 907 for a violation of this act or other state statute shall be exclusively applied to the support of public libraries and county law libraries in the same manner as is provided by law for penal fines assessed and collected for violation of a penal law of the state. A civil fine ordered for a violation of a code or ordinance of a local authority regulating the operation of commercial motor vehicles and substantially corresponding to a provision of this act shall be paid to the county treasurer and shall be allocated as follows:

- (a) Seventy percent to the local authority in which the citation is issued.
- (b) Thirty percent for library purposes as provided by law.

(2) Subsection (1) is intended to maintain a source of revenue for public libraries which previously received penal fines for misdemeanor violations of this act which are now civil infractions.
