If the department identifies a deficiency or requires the fulfillment of a corrective action plan, the 6-month period is tolled until either of the following occurs:

(a) Upon notification by the department of a deficiency, until the date the requested information is received by the department.
(b) Upon notification by the department that a corrective action plan is required, until the date the department determines the requirements of the corrective action plan have been met.

(10) The determination of the completeness of an application is not an approval of the application for the license and does not confer eligibility on an applicant determined otherwise ineligible for issuance of a license.

(11) Except as provided in subsection (1) and section 5b, if the department fails to issue or deny a license or registration to a child care center, group child care home, or family child care home within the time required by this section, the department shall return the license or registration fee and shall reduce the license or registration fee for the applicant’s next renewal application, if any, by 15%. Failure to issue or deny a license to a child care center, group child care home, or family child care home within the time period required under this section does not allow the department to otherwise delay the processing of the application. A completed application shall be placed in sequence with other completed applications received at that same time. The department shall not discriminate against an applicant in the processing of an application based on the fact that the application fee was refunded or discounted under this subsection.

(12) If, on a continual basis, inspections performed by a local health department delay the department in issuing or denying licenses or registrations for child care centers, group child care homes, and family child care homes under this act within the 6-month period, the department may use department staff to complete the inspections instead of the local health department causing the delays.

(13) Beginning October 1, 2008, the director of the department shall submit a report by December 1 of each year to the standing committees and appropriations subcommittees of the senate and house of representatives concerned with human services and children's issues. The director shall include all of the following information regarding applications for licenses and registrations only for child care centers, group child care homes, and family child care homes filed under this act in the report concerning the preceding fiscal year:

(a) The number of initial and renewal applications the department received and completed within the 6-month time period described in subsection (9).
(b) The number of applications requiring a request for additional information.
(c) The number of applications rejected.
(d) The number of licenses and registrations not issued within the 6-month period.

(e) The average processing time for initial and renewal licenses and registrations granted after the 6-month period.

(14) Except as provided in section 5c(8), the department shall not issue to or renew the license of a child care center or day care center under this act without requesting a criminal history check and criminal records check as required by section 5c. If a criminal history check or criminal records check performed under section 5c reveals that an applicant for a license under this act has been convicted of a listed offense, the department shall not issue a license to that applicant. If a criminal history check or criminal records check performed under section 5c reveals that an applicant for renewal of a license under this act has been convicted of a listed offense, the department shall not renew that license. If a criminal history check or criminal records check performed under section 5c reveals that a current licensee has been convicted of a listed offense, the department shall revoke the license of that licensee.

(15) Except as provided in section 5f(13), the department shall not issue or renew a certificate of registration to a family child care home or a license to a group child care home under this act without requesting a criminal history check and criminal records check as required by sections 5f and 5g. If a criminal history check or criminal records check performed under section 5f or 5g reveals that an applicant for a certificate of registration or license under this act or a person over 18 years of age residing in that applicant's home has been convicted of a listed offense, the department shall not issue a certificate of registration or license to that applicant. If a criminal history check or criminal records check performed under section 5f or 5g reveals that an applicant for renewal of a certificate of registration or license under this act or a person over 18 years of age residing in that applicant's home has been convicted of a listed offense, the department shall not renew a certificate of registration or license to that applicant. If a criminal history check or criminal records check performed under section 5f or 5g reveals that a current registrant or licensee under this act or a person over 18 years of age residing in that registrant's or licensee's home has been convicted of a listed offense, the department shall revoke that registrant's certificate of registration or licensee's license.

(16) As used in this section:

(a) “Completed application” means an application complete on its face and submitted with any applicable licensing or registration fees as well as any other information, records, approval, security, or similar item required by law or rule from a local unit of government, a federal agency, or a private entity but not from another department or agency of this state. A completed application does not include a health inspection performed by a local health department.

(b) “Good moral character” means that term as defined in and determined under 1974 PA 381, MCL 338.41 to 338.47.

(c) “Member of the household” means any individual, other than a foster child, who resides in a foster family home or foster family group home on an ongoing or recurrent basis.

Sec. 5f. (1) Except as provided in subsection (13), when a person applies for or to renew a certificate of registration to operate a family child care home or a license to operate a group child care home under section 5, the department shall request the department of state police to perform both of the following on that person:

(a) Conduct a criminal history check on the person.

(b) Conduct a criminal records check through the federal bureau of investigation on the person.

(2) Each person applying for a certificate of registration to operate a family child care home or a license to operate a group child care home shall give written consent at the time of application for the department of state police to conduct a criminal history check and a criminal records check required under this section. The department shall require the person to submit his or her fingerprints to the department of state police for the criminal history check and criminal records check described in subsection (1).

(3) The department shall request a criminal history check and criminal records check required under this section on a form and in the manner prescribed by the department of state police.

(4) Within a reasonable time after receiving a complete request by the department for a criminal history check on a person under this section, the department of state police shall conduct the criminal history check and provide a report of the results to the department. The report shall contain any criminal history record information on the person maintained by the department of state police.

(5) Within a reasonable time after receiving a proper request by the department for a criminal records check on a person under this section, the department of state police shall initiate the criminal records check. After receiving the results of the criminal records check from the federal bureau of investigation, the department of state police shall provide a report of the results to the department.

(6) The department of state police may charge the department a fee for a criminal history check or a criminal records check required under this section that does not exceed the actual and reasonable cost of conducting the check. The department may pass along to the registrant, licensee, or applicant the actual cost or fee charged by the department of state police for performing a criminal history check or a criminal records check required under this section.

(7) A person to whom a certificate of registration or license has been issued under this act shall report to the department within 3 business days after he or she has been arraigned for 1 or more of the following crimes and within
3 business days after he or she knows or should reasonably know that an employee or a person over 18 years of age residing in the home has been arraigned for 1 or more of the following crimes:

(a) Any felony.
(b) Any of the following misdemeanors:
   (i) Criminal sexual conduct in the fourth degree or an attempt to commit criminal sexual conduct in the fourth degree.
   (ii) Child abuse in the third or fourth degree or an attempt to commit child abuse in the third or fourth degree.
   (iii) A misdemeanor involving cruelty, torture, or indecent exposure involving a child.
   (iv) A misdemeanor violation of section 7410 of the public health code, 1978 PA 368, MCL 333.7410.
   (v) A violation of section 115, 141a, 145a, 335a, or 359 of the Michigan penal code, 1931 PA 328, MCL 750.115, 750.141a, 750.145a, 750.335a, and 750.359, or a misdemeanor violation of section 81, 81a, or 145d of the Michigan penal code, 1931 PA 328, MCL 750.81, 750.81a, and 750.145d.
   (vii) Any misdemeanor that is a listed offense.
(c) A violation of a substantially similar law of another state, of a political subdivision of this state or another state, or of the United States.

(8) A person who violates subsection (7) is guilty of a crime as follows:
   (a) If the person violates subsection (7) and the crime involved in the violation is a misdemeanor that is a listed offense or is a felony, the person is guilty of a felony punishable by imprisonment for not more than 2 years or a fine of not more than $2,000.00, or both.
   (b) If the person violates subsection (7) and the crime involved in the violation is a misdemeanor that is not a listed offense, the person is guilty of a misdemeanor punishable by imprisonment for not more than 1 year or a fine of not more than $1,000.00, or both.

(9) The department shall delete from the registrant’s or licensee’s records all information relating to an arraignment required to be reported under this section if the department receives documentation that the person arraigned for the crime is subsequently not convicted of any crime after the completion of judicial proceedings resulting from that arraignment.

(10) Not later than January 31, 2006, the department shall inform all persons currently issued a certificate of registration or license and all applicants for a certificate of registration or license of the requirement to report certain arraignments as required in this section and the penalty for not reporting those arraignments.

(11) At the time the department issues a certificate of registration to operate a family child care home or a license to operate a group child care home under this act, the department shall notify the registrant or licensee of the requirement to report certain arraignments as required in this section and the penalty for not reporting those arraignments.

(12) Not later than January 1, 2007, the department shall conduct a criminal history check and criminal records check on all persons currently issued a certificate of registration under this act to operate a family child care home or a license under this act to operate a group child care home.

(13) Beginning January 1, 2006, if a person applying to renew a certificate of registration to operate a family child care home under section 5 or a license to operate a group child care home under section 5 has previously undergone a criminal history check and criminal records check required under subsection (1) and has continuously maintained a certificate of registration to operate a family child care home or license to operate a group child care home after the criminal history check and criminal records check have been performed, that person is not required to submit to another criminal history check or criminal records check upon renewal of the certificate of registration or license obtained under section 5.

Sec. 5g. (1) When a person applies for a certificate of registration to operate a family child care home or a license to operate a group child care home under section 5, the department shall perform a criminal history check with the department of state police on all persons over 18 years of age residing in the home in which the family child care home or group child care home is operated. This section does not apply to a person residing in the home for a period of not more than 14 days.

(2) Not later than January 1, 2007, the department shall perform a criminal history check on all persons over 18 years of age residing in the home in which a family child care home or group child care home is currently operated.

(3) If a criminal history check reveals that a person over 18 years of age residing in the home has been convicted of a listed offense, the department shall not issue a certificate of registration or license to the applicant, shall not renew a certificate of registration to the registrant or license to the licensee applying for renewal, or shall revoke a current registrant’s certificate of registration or current licensee’s license.
Sec. 9a. (1) A certificate of registration shall be in force for 3 years unless revoked under section 11. Until September 30, 2007, a renewal certificate of registration shall be issued in the same manner as provided in section 5(2) for initially issuing the certificate, except that an on-site visit of the family child care home and the orientation session are not required. Beginning October 1, 2007, a renewal certificate of registration shall be issued in the same manner as provided in section 5(2), (9), and (11) for the initial issuance of the certificate, except that an on-site visit of the family child care home and the orientation session are not required. The certificate shall state that the registrant may operate a family child care home and the number and the ages of the children that may be received and maintained.

(2) This section does not limit the right or the duty of the department to assess periodically, randomly, or at the time of renewal, the continued compliance with this act and rules promulgated under this act. The department shall make on-site visits as provided in this act to a 10% sample of the family child care homes in each county each year, or when a complaint about a family child care home or registrant is received by the department.

Sec. 11b. (1) The department shall establish and maintain a database of child care centers, family child care homes, and group child care homes as a central clearinghouse for persons seeking information on child care options. The database shall include, at a minimum, all of the following information:

(b) The days and general hours of operation of the child care center, family child care home, or group child care home.
(c) The license or registration number, effective date, and expiration date of the child care center, family child care home, or group child care home.
(d) The number and nature of any adverse action taken against the child care center, family child care home, or group child care home by the department.

(2) The department shall make the database available to the public on the internet, without charge, through that department’s website.

(3) The department shall inform the public, through press releases or other media avenues, of the information available in the database established under subsection (1) and how to access that database.

This act is ordered to take immediate effect.
