1       Sec. 225. (1) Except as otherwise provided in this subsection  
2 and subsection (6), a registration plate issued for a vehicle shall  
3 be attached to the rear of the vehicle. A registration plate issued  
4 for a truck tractor or road tractor shall be attached to the front  
5 of the vehicle.

6       (2) ~~A—SUBJECT TO SUBSECTION (7), A~~ registration plate shall at  
7 all times be securely fastened in a horizontal position to the

9 from swinging. The plate shall be attached at a height of not less  
10 than 12 inches from the ground, measured from the bottom of the

9 secretary of state may provide a distinctive registration plate as  
10 a replacement for a standard plate. To honor a special or  
11 historical event, the secretary of state may provide a

18 plate in a manner that obscures or partially obscures the  
19 registration information.

21 vehicle that is authorized to be operated on the roads of this

25 for a registration plate. However, if the registration plate is not  
26 attached to the exterior of the historic military vehicle, it shall  
27 be present in the historic military vehicle to which it refers and

1 shall be made available upon demand of a police officer. As used in
