27 the responsibility of the local agency and must be paid in full

1 before becoming eligible for payments under this section.

2 Sec. 828. The department shall submit a report for the

22 order or contract extension contract entered into by the department
23 to the senate and house of representatives standing committees on
24 appropriations subcommittees on general government, the senate and
25 house fiscal agencies, and the state budget director.

26 Sec. 832. (1) The department shall inform the senate and house

4 by the federal government.

5 (2) If potential penalties are assessed by the federal
6 government, the department shall submit a report to the senate and

26 site management revolving fund created for this purpose in the
27 department. The department may receive and expend money from the

1 fund for costs associated with the antenna site management project,
2 including the cost of a third-party site manager. Any excess
3 revenue remaining in the fund at the close of the fiscal year shall
4 be proportionately transferred to the appropriate state restricted
5 funds as designated in statute or by constitution.

6 (2) An antenna shall not be placed on any site pursuant to
7 this section without complying with the respective local zoning
8 codes and local unit of government processes.

9 Sec. 834a. (1) Except as otherwise provided in this section,
10 the one-time funds appropriated in part 1 for the broadband
11 initiative shall not be used for or by a local unit of government
12 or local entity to own, purchase, construct, operate, or maintain a
13 communications network to provide service to any residential or
14 commercial premises unless the local unit of government or local
15 entity is located in an unserved area. The one-time funds for the
16 broadband initiative shall be awarded as grants to pilot programs
17 to expand broadband service to residential or commercial premises
18 within a geographic area that is unserved by broadband service. A
19 geographic area shall be defined as a census block. The priority of
20 awards shall first be granted to applicants from unserved areas
21 followed by applicants from underserved areas.

22 (2) In order to receive funding, the pilot program must
23 include in its application all of the following:

24 (a) An outline of a competitive bid process that is both
25 technology neutral and results in awards to providers based on
26 objective and efficient procedures.

27 (b) A requirement that broadband service be provided at a rate

1 of at least 10 Mbps downstream and 1 Mbps upstream.

2 (3) The MDTMB shall promptly provide a fully searchable
3 database on its website that contains, at a minimum, a notice of
4 each applicant submitting a bid that contains all of the following:

7 (c) The amount and type of support requested by the applicant.

8 (4) The searchable database described in subsection (3) also
9 shall include notices of each winning bid that is awarded a grant
10 pursuant to subsection (2). The notice shall include all of the
11 following:

12 (a) The name of the entity.

16 period of at least 90 days from the date the application is
17 published on the department's website during which time the
18 department shall accept comments or objections concerning the
19 application. The MDTMB shall consider all comments or objections
20 received when awarding a grant to an applicant.

21 (6) The MDTMB shall not award a grant with respect to service
22 to any census block if information made available to the MDTMB
23 through comments or objections indicates any of the following:

24 (a) The census block is already being served by at least 1
25 provider offering broadband service provided at a rate of at least
26 10 Mbps downstream and 1 Mbps upstream.

27 (b) The census block is currently being built out for such

1 broadband service and the construction is scheduled to be completed
2 within 1 year of the date of an application.

3 (c) The census block is currently planned for that broadband
4 service without state grant funding and with project completion
5 forecast not later than 18 months after the date of an application.

6 (7) The MDTMB shall require all grant award recipients to
7 submit a semiannual report that covers the time period from the
8 initial award date to 5 years after completion of the project. The
9 reports must be submitted to the chairpersons of the subcommittees
10 on general government, the senate and house fiscal agencies, and
11 the state budget director. The semiannual reports shall be made
12 available on the MDTMB website with any proprietary information
13 redacted. The reports shall be in a format specified by the MDTMB
14 that describes all of the following:

15 (a) The award recipient's accounting of the use of the funds
16 received.

17 (b) The progress toward fulfilling the objectives for which
18 the award was granted, including all of the following:

19 (i) The number and location of residences and businesses that
20 will receive the broadband service.

21 (ii) The speed of broadband service.

22 (iii) The average price of broadband service.

23 (iv) The broadband service adoption rates.

24 Sec. 835. (1) In addition to the funds appropriated in part 1,
25 the funds collected by the department for supplying census-related
26 information and technical services, publications, statistical
27 studies, population projections and estimates, and other

1 demographic products are appropriated for all expenses necessary to
2 provide the required services. These funds are available for
3 expenditure when they are received and may be carried forward into
4 the next succeeding fiscal year.

5 (2) The department must submit a report to the house and
6 senate appropriations subcommittees on general government, the
7 senate and house fiscal agencies, and the state budget director by
8 March 1 that provides the amount of revenue collected by the
9 department from the authorization in subsection (1) and the amount
10 of revenue carried forward.

11 Sec. 835a. From the one-time funds appropriated in part 1 for
12 census related services, the funds shall be awarded to the Michigan
13 Nonprofit Association to mobilize nonprofits across the state to
14 achieve a fair and accurate count in the 2020 census. Those funds
15 that are not expended in the fiscal year ending September 30 shall
16 be designated as work project appropriations and shall not lapse at
17 the end of the fiscal year, and shall continue to be available for
18 expenditure until the project has been completed. The tentative
19 completion date is September 30, 2022.

20 Sec. 836. From the increased funds appropriated in part 1 for
21 the information technology investment fund, the department of
22 technology, management, and budget shall provide for the
23 modernization of state information technology systems, and
24 integrate state system interfaces to improve customer service.

25 Sec. 840. From the funds appropriated in part 1 for enterprise
26 portfolio management, the MDTMB shall identify specific outcomes
27 and performance measures including, but not limited to, the

1 following:

2 (a) Implement enhanced IT project management service delivery

5 management and project control office contracts under the
6 enterprise portfolio management office.

7 (c) Initiate steps to improve the state unified information
8 technology environment compliance rating.

9 **STATE BUILDING AUTHORITY RENT**

10 Sec. 842. (1) The state building authority rent appropriations
11 in part 1 may also be expended for the payment of required premiums
12 for insurance on facilities owned by the state building authority
13 or payment of costs that may be incurred as the result of any
14 deductible provisions in such insurance policies.

15 (2) If the amount appropriated in part 1 for state building
16 authority rent is not sufficient to pay the rent obligations and
17 insurance premiums and deductibles identified in subsection (1) for
18 state building authority projects, there is appropriated from the
19 general fund of the state the amount necessary to pay such
20 obligations.

21 **CIVIL SERVICE COMMISSION**

22 Sec. 850. (1) In accordance with section 5 of article XI of
23 the state constitution of 1963, all restricted funds shall be
24 assessed a sum not less than 1% of the total aggregate payroll paid
25 from those funds for financing the civil service commission on the

1 basis of actual 1% restricted sources total aggregate payroll of
2 the classified service for the preceding fiscal year. This
3 includes, but is not limited to, restricted funds appropriated in
4 part 1 of any appropriations act. Unexpended 1% appropriated funds
5 shall be returned to each 1% fund source at the end of the fiscal
6 year.

7 (2) The appropriations in part 1 are estimates of actual
8 charges based on payroll appropriations. With the approval of the
9 state budget director, the commission is authorized to adjust
10 financing sources for civil service charges based on actual payroll
11 expenditures, provided that such adjustments do not increase the
12 total appropriation for the civil service commission.

13 (3) The financing from restricted sources shall be credited to
14 the civil service commission by the end of the second fiscal
15 quarter.

16 Sec. 851. Except where specifically appropriated for this
17 purpose, financing from restricted sources shall be credited to the
18 civil service commission. For restricted sources of funding within
19 the general fund that have the legislative authority for carryover,
20 if current spending authorization or revenues are insufficient to
21 accept the charge, the shortage shall be taken from carryforward
22 balances of that funding source. Restricted revenue sources that do
23 not have carryforward authority shall be utilized to satisfy
24 commission operating deducts first and civil service obligations
25 second. General fund dollars are appropriated for any shortfall,
26 pursuant to approval by the state budget director.

27 Sec. 852. The appropriation in part 1 to the civil service

1 commission, for state-sponsored group insurance, flexible spending
2 accounts, and COBRA, represents amounts, in part, included within
3 the various appropriations throughout state government for the
4 current fiscal year to fund the flexible spending account program
5 included within the civil service commission. Deposits against
6 state-sponsored group insurance, flexible spending accounts, and
7 COBRA for the flexible spending account program shall be made from
8 assessments levied during the current fiscal year in a manner
9 prescribed by the civil service commission. Unspent employee
10 contributions to the flexible spending accounts may be used to
11 offset administrative costs for the flexible spending account
12 program, with any remaining balance of unspent employee
13 contributions to be lapsed to the general fund.
