

SUBSTITUTE FOR  
HOUSE BILL NO. 5741

A bill to amend 1976 PA 451, entitled  
"The revised school code,"  
by amending section 1170a (MCL 380.1170a), as added by 2016 PA 388.

**THE PEOPLE OF THE STATE OF MICHIGAN ENACT:**

1       Sec. 1170a. (1) ~~By not later than the 2017-2018 school year,~~  
2 ~~the~~ **The** department shall ensure that the **recommended** model core  
3 academic curriculum content standards for health education and the  
4 ~~subject area content expectations and guidelines~~ for health  
5 education ~~under~~ **described in** section 1278a provide for all of the  
6 following:

7       (a) Instruction in cardiopulmonary resuscitation for pupils  
8 enrolled in grades 7 to 12. Subject to subsection (5), the content  
9 standards and ~~subject area content expectations shall~~ **guidelines**

1 **must** ensure that the psychomotor skills necessary to perform  
2 cardiopulmonary resuscitation are incorporated into the  
3 instruction. ~~and that the instruction is~~ **For pupils who are able to**  
4 **physically participate, the psychomotor skills necessary to perform**  
5 **cardiopulmonary resuscitation are strongly encouraged to be**  
6 **incorporated into the instruction described in this subdivision**  
7 **through the provision of hands-on training. The instruction**  
8 **described in this subdivision must be** based on either of the  
9 following:

10 (i) An instructional program developed by the American Red  
11 Cross or the American Heart Association.

12 (ii) Nationally recognized, evidence-based guidelines for  
13 cardiopulmonary resuscitation.

14 (b) Instruction about automated external defibrillators for  
15 pupils enrolled in grades 7 to 12.

16 (c) Instruction for pupils enrolled in grades 7 to 12 that is  
17 developed by the Stop the Bleed program or the American College of  
18 Surgeons Committee on Trauma or determined appropriate by the  
19 department concerning the use of first aid response kits. For  
20 pupils who are able to physically participate, the instruction  
21 described in this subdivision is strongly encouraged to be through  
22 the provision of hands-on training. The first aid response kits  
23 described in this subdivision must be kits that contain at least  
24 all of the following:

25 (i) A tourniquet.

26 (ii) Bleeding control dressings.

27 (iii) Compression bandages.

28 (iv) Latex-free protective gloves.

29 (v) Trauma shears.

(vi) A marker.

(vii) A copy of instructions on the use of the kit described in this subdivision.

(2) The content standards or ~~subject area content expectations~~ and guidelines under subsection (1) ~~shall~~**must** not require a certificated teacher to be an authorized CPR/AED instructor to facilitate, provide, or oversee instruction described in subsection (1)(a) if that instruction does not result in a pupil earning a CPR certification card or status.

(3) If instruction described in subsection (1)(a) will result in a pupil earning a CPR certification card or status, that instruction must be taught by an authorized CPR/AED instructor, as applicable.

(4) School districts, public school academies, and nonpublic schools are encouraged to use locally available resources to provide the instruction required to meet the content standards or ~~subject area content expectations and guidelines~~ under subsection (1), including, but not limited to, ~~emergency~~**any of the following:**

(a) **Emergency** medical technicians. ~~, paramedics, police~~

(b) **Paramedics.**

(c) **Police** officers. ~~, firefighters, representatives~~

(d) **Firefighters.**

(e) **Licensed registered professional nurses, including school nurses.**

(f) **Representatives** of the American Heart Association or American Red Cross. ~~, or properly~~

(g) **Properly** trained teachers or other school employees **who are trained as Stop the Bleed instructors.**

(5) The content standards ~~and subject area content~~

1 ~~expectations~~ and guidelines required under subsection (1) ~~shall~~  
2 **must** provide that a school or program that provides 100% online  
3 instruction is exempt from having to incorporate psychomotor skills  
4 into the instruction under this section.

5 (6) As used in this section:

6 (a) "Authorized CPR/AED instructor" means an instructor who is  
7 authorized by the American Heart Association, American Red Cross,  
8 or a similar nationally recognized association to provide  
9 instruction in cardiopulmonary resuscitation that results in the  
10 issuance of a CPR certification card or status.

11 (b) "CPR certification card or status" means a card or other  
12 credential evidencing successful completion of instruction in  
13 cardiopulmonary resuscitation that is issued by the American Heart  
14 Association, American Red Cross, or a similar nationally recognized  
15 organization using evidence-based guidelines for the teaching of  
16 cardiopulmonary resuscitation.
