House Bill 5711

Mich. State Law Library

Sponsor: Rep. Wilbur V. Brotherton

Committee: Public Health

Complete to 9-6-88

A SUMMARY OF HOUSE BILL 5711 AS INTRODUCED 6-2-88

The bill would amend the section of the Public Health Code which regulates clinical laboratories to allow people to get cholesterol blood tests without a physician's authorization.

More specifically, the bill would add a new section to the code that would allow licensed clinical laboratories to do cholesterol blood tests for (and report results directly to) individuals without an order or referral by a physician.
