Sponsor: Representative Alma Stallworth
House Committee: Public Utilities
Senate Committee: Energy

Date Completed: 5-25-88

SUMMARY OF HOUSE BILL 4638 (S-1) as passed by the House:

The bill would amend Public Act 419 of 1919 to delete a provision which requires a utility regulated by the Public Service Commission to maintain an office within any county in the State in which the utility owns property. The bill, instead, would require that a public utility maintain a principal office within the State, and further, that the utility post rate schedules not only in its principal office but also in "other such locations as the Commission may direct".
