House Bill 4563  
Sponsor: Representative Roland Jersevic  
House Committee: Judiciary and Civil Rights  
Senate Committee: Judiciary

Date Completed: 5-22-95

**SUMMARY OF HOUSE BILL 4563 as passed by the House:**

The bill would amend the Revised Probate Code to specify that, if an accident or disaster occurred outside of Michigan and, as a result, it appeared that a Michigan resident had died but his or her remains had disappeared or were unidentifiable, the probate court of that individual's county of residence would have jurisdiction for purposes of determining the cause and date of death.

The bill also would extend to seven years, from the current three years, the deadline for filing a petition for a determination of the cause and date of death of a person who appears to have died as a result of an accident or disaster, but whose remains cannot be located or identified.

The bill specifies that, "The legislature intends that this amendatory act apply to a disappearance resulting from an accident or disaster that occurred before, on, or after the effective date" of the bill.
