The House agreed to the title of the bill.

Rep. Gagliardi moved that the bill be given immediate effect.

The motion prevailed, 2/3 of the members serving voting therefor.

Rep. Kukuk, having reserved the right to explain his protest against the passage of the bill, made the following statement:

“Mr. Speaker and members of the House:

I voted ‘no’ on House Bill 5874 because it discriminates against auctioneers who do business in small, rural townships when that township is part of a populated county.

This bill exempts from licensure requirements only individuals who conduct auctions in counties with populations less than 200,000. In Macomb County, and other counties with populations exceeding 200,000, there are many very small, rural townships. Why should an auctioneer working in Richmond Township, with a population of less than 3,000, be required to pay fees and obtain a license when an auctioneer working in St. Clair County’s city of Port Huron, which has a population of over 33,000, be exempt. Richmond Township is in the northern, rural part of Macomb County and adjoins St. Clair County.

Should this bill be enacted into law, it would create an unfair, two-tier licensing system.”

House Bill No. 4388, entitled

A bill to amend 1979 PA 152, entitled “State license fee act,” (MCL 338.2201 to 338.2277) by adding section 28. (The bill was read a third time and postponed temporarily on July 2, see House Journal No. 67, p. 1867.)

Motions and Resolutions

Reps. Gagliardi, Martinez, Kukuk, Middaugh, Perricone, Geiger, LaForge, Mans, Wetters, Schermesser, Prusi, Parks, Thomas, Baade, Jansen, McBryde, Godchaux, Dobronski, DeHart, Hale, Bogardus, Harder, Tesanovich, Freeman, Rocca, Bodem, Frank, Llewellyn, Hanley, Gubow, Anthony, Scott, Vaughn, Kelly, Baird, Horton, Jellema, Richner, Birkholz, Gire, Hood, Kilpatrick, Scranton, Schauer, Cherry, Lowe, DeVuyst, Voorhees, Gernaat, Profit, Raczkowski, Goschka, Basham, Galloway, Leland and Brackenridge offered the following resolution:

House Resolution No. 363.

A resolution to support the establishment of a Great Lakes Lighthouse Center and Museum at Mackinaw City.

Whereas, There are no more vivid symbols of Michigan's heritage as the Great Lake State than the lighthouses that dot the coastlines along America's inland seas. Michigan has more lighthouses than any other state in the country, and our citizens have enormous respect for the role these beacons have filled in contributing to safe passage on the lakes. The state has adopted the lighthouse as its image for a variety of materials, including numerous tourism materials; and

Whereas, Tourism is one of the cornerstones of Michigan's economy. Nearly 400,000 jobs and \$9 billion of tourism revenues are generated annually. Much of our state's strength in attracting visitors from the region and elsewhere is based on our natural resources and respect for our history; and

Whereas, An active group of citizens and organizations is working to establish the Great Lakes Lighthouse Center and Museum at Mackinaw City. This proposal holds great opportunities for our state and for the entire region. Located where Lakes Huron and Michigan meet, Mackinaw City is uniquely suited to host a lighthouse museum. Strongly devoted to historic preservation, the Straits area has been illuminated by dozens of lighthouses, and twenty-one still stand within forty miles of the community. Mackinaw City, which attracts 1.7 million vacation trips annually, is a notable tourism center for the state; and

Whereas, The State Ferry Dock at Mackinaw City offers an excellent option for development for the lighthouse museum facility, which is expected to attract 250,000 visitors, to create sixty-five full-time jobs, and to add \$20 million to the economy annually. Clearly, this is a project with much to offer our state; now, therefore, be it

Resolved by the House of Representatives, That we support the establishment of a Great Lakes Lighthouse Center and Museum at Mackinaw City.

The resolution was referred to the Committee on Tourism.

Reps. Gagliardi, Martinez, Kukuk, Middaugh, Perricone, Geiger, LaForge, Mans, Wetters, Schermesser, Prusi, Parks, Thomas, Baade, Jansen, McBryde, Godchaux, Dobronski, DeHart, Hale, Bogardus, Harder, Tesanovich, Freeman, Rocca, Bodem, Llewellyn, Hanley, Gubow, Anthony, Scott, Vaughn, Kelly, Baird, Horton, Jellema, Richner, Birkholz, Gire, Hood, Kilpatrick, Scranton, Schauer, Cherry, Lowe, DeVuyst, Voorhees, Gernaat, Profit, Raczkowski, Goschka, Basham, Galloway, Leland, McNutt and Brackenridge offered the following resolution:

House Resolution No. 364.

A resolution to encourage the establishment of a Great Lakes Mariners' Memorial at Whitefish Point.

Whereas, A strong component of Michigan's heritage is its rich maritime history. From the time when the canoes of Native Americans and French voyageurs to the modern tankers from ports around the world, the lakes have contributed enormously to the region's economy, opportunity, and character. Michigan's citizens are keenly aware of this history and deeply appreciate the fact that the cost of much of the state's progress has been paid by those who have lost their lives on the Great Lakes; and

Whereas, The Great Lakes Shipwreck Museum has become an important resource for preserving our maritime history. Located at Whitefish point, the site of the oldest operating lighthouse on the Great Lakes, the museum commemorates the thousands of ships that met their end on the lakes. Plans are being made to recognize the human tragedy through a Great Lakes Mariners' Memorial. This will be a fitting acknowledgment of the bravery of those who have risked their lives to build our state and nation by working on and traversing the Great Lakes; and

Whereas, There is considerable public interest in learning about this element of Michigan history. The existing facilities at Whitefish Point already attract 80,000 visitors each year; and

Whereas, The plan for the Great Lakes Mariners' Memorial includes extensive education materials being made available to researchers and all other visitors to the area. The memorial will help Michigan celebrate the courage and commitment of brave people who have lost their lives in thousands of shipwrecks as they transported goods and passengers in and around Michigan; now, therefore, be it

Resolved by the House of Representatives, That we encourage the establishment of a Great Lakes Mariners' Memorial at Whitefish Point.

The resolution was referred to the Committee on Tourism.

Reps. Alley, Brater, Martinez, Kukuk, Middaugh, Perricone, Geiger, LaForge, Mans, Wetters, Schermesser, Parks, Thomas, Oxender, Baade, Godchaux, Dobronski, DeHart, Hale, Bogardus, Harder, Freeman, Dalman, Bodem, Frank, Llewellyn, Hanley, Gubow, Anthony, Scott, Vaughn, Kelly, Cassis, Jellema, Birkholz, Gire, Hood, Kilpatrick, Scranton, Schauer, Cherry, Gernaat, Profit, Raczkowski, Goschka, Basham, Leland and McNutt offered the following resolution:

House Resolution No. 365.

A resolution to urge the Department of Environmental Quality to adopt an Outstanding National Resource Water designation for Lake Superior and its tributaries.

Whereas, The Lake Superior region is an integral part of Michigan's heritage. The lake is the largest fresh water lake in the world and is rich in historical significance to the state of Michigan; and

Whereas, Lake Superior is treasured for sportfishing, hunting, and recreational uses; and

Whereas, Tourism is a major source of revenue for the Upper Peninsula region, and Lake Superior is an integral part of the "Great Lakes, Great Times!" campaign; and

Whereas, Commercial and recreational fisheries in the Lake Superior watershed provide employment and food for Michigan residents in many counties; and

Whereas, The health of Michigan's citizens is threatened by persistent toxic substances, and infants, children, and women of childbearing age are at greater risk from exposure to these chemicals. Extensive scientific evidence indicates that these persistent toxic substances cause increased risk of certain cancers, learning and developmental disabilities, reproductive disorders, and other health problems; and

Whereas, Persistent or bioaccumulative chemicals released anywhere in the Lake Superior watershed will deposit in the lake and in the four downstream Great Lakes and will accumulate in people living in communities around the lake and in people throughout the state who consume its bounty; and

Whereas, The state of Michigan, in signing the "Binational Program to Restore and Protect the Lake Superior Basin," accepted the International Joint Commission's challenge to designate Lake Superior as a demonstration zone with no new persistent toxic substances. The standard currently advocated by the Department of Environmental Quality, a mixed designation of Outstanding State Water Resource and Outstanding International Resource Water, provides inconsistent and insufficient protection to ensure the long-term health and value of one of Michigan's greatest natural resources, Lake Superior; and

Whereas, The best way to prevent new or increased loadings of persistent or bioaccumulative toxins is to choose the more appropriate designation for Lake Superior as an Outstanding National Resource Water; now, therefore, be it

Resolved by the House of Representatives, That we advise and strongly urge the Michigan Department of Environmental Quality to adopt an Outstanding National Resource Water designation for Lake Superior and its tributaries; and be it further

Resolved, That a copy of this resolution be transmitted to the Water Quality Division of the Department of Environmental Quality; the governors of Michigan, Wisconsin, and Minnesota; the Premier of Ontario; and the International Joint Commission.

The resolution was referred to the Committee on Conservation, Environment and Recreation.
