Father Mark Ingot of Queen of the Miraculous Medal Church in Jackson offered the following invocation:

God of Heaven and Earth, may Your Spirit be with us as we gather this day. Guide the members of this Senate and their staffs and help them to work together for the good of all. Bless their plans and deliberations. May Your wisdom guide their decisions. Bring success to their work and reward them for the good they do. May You, Lord, be their inspiration and we ask You to help them to bring the good work You have begun in them to completion and action.

During these summer months, keep us mindful and grateful for the beauty of creation. You have gifted this great state with two peninsulas rich in the wonders of nature. May we treasure them, enjoy them and protect them for future generations.

As our nation celebrates its Independence Day this week, we ask Your strength to live up to our mottos of "liberty and justice for all," "In God we trust," and "Out of the many, one." May these fine words ring true into the new millennium. We give thanks this Fourth of July for the dear land placed in our care and for all peoples who call this land their home, Americans all. Help us to become more and more "one nation, under God, with liberty and justice for all."

May the Lord bless us and keep us. May the Lord's face shine upon us and be gracious to us. May the Lord look upon us kindly and give us peace. May the Lord continue to bless the people and leaders of the state of Michigan. Amen.

Senator Bouchard's statement is as follows:

I would be remiss, I think, if I didn't congratulate the membership for their hard work on this, specifically the committee members. Senator Rogers, Senator Schuetten, Senator Smith, and Senator Koivisto put in a lot of time, a lot of heart and a lot of soul. Initially when this all started a lot of nay-sayers out there felt there would be no way we could reach a bipartisan solution that would achieve a 75 percent vote. In fact, the joke goes, we can't get 75 percent of the people to agree on the color in the bathroom let alone something this important and substantive. I think we've proved them wrong. I just wanted to acknowledge the membership for all of their hard work, their willingness to stretch, their willingness to come up with creative solutions. Senator Posthumus and Senator Cherry, in their leadership roles to help this process move forward, I think have done a tremendous service to this whole process and quite frankly to the institution by proving that we can come together on very important, very difficult issues and reach a very strong solution. For that I thank both sides of the aisle and all the membership.
