#### House Resolution No. 335.

A resolution honoring the 28th anniversary of the Philippine Nurses Association of Michigan.

Whereas, We are proud to join with the members and officers of the Philippine Nurses Association of Michigan, their families, and friends as they gather to mark the 28th anniversary of this outstanding organization. This milestone is a reflection of unselfishness and commitment to the common good that is most commendable. While the members of this distinguished organization celebrate 28 years of service, we offer our thanks for the contributions they have made within Southeast Michigan and throughout the entire state; and

Whereas, Since they first came together in 1972, the Philippine Nurses Association of Michigan has adapted to changes in society, membership, and expectations. This ability to grow and change has demonstrated that members have maintained their mission of service to others, innovations in health care, and the unity of the membership; and

Whereas, The tremendous growth of its membership accurately reflects the success of this organization. These concerned citizens have truly made a difference and their professional and civic involvement will continue to enrich our state far into the twenty-first century; and

Whereas, Due to the endeavors of the members who have channeled their efforts through this organization, the Philippine Nurses Association of Michigan have touched many lives in our community and our state; and

Whereas, It is with great pride and gratitude that we welcome this opportunity to salute the many merits, both large and small, in which nurses have given their time and energy to help whenever the need arose. Today, many of the faces and names may be different from the members who first came together in 1972 to share their dreams and unite in their efforts to impact on the community in a positive way, yet their purpose is just as noble and their contributions are just as valuable; and

Whereas, With ceremonies to celebrate its history, the members, families, and friends of the Philippine Nurses Association will remember the vision of many people and the hours and years of commitment that have brought the group to this point. Fittingly, as they look to the past, they will also be casting an eye to the future and to the many ways in which the Philippine Nurses Association will continue their excellence in nursing and service to others; and

Whereas, The objectives of the Philippine Nurses Association of Michigan are the foundations for superb medical care. They are:

TO...Uphold and elevate the standards of the nursing profession through practice, education and research.

TO...Unite Filipino nurses and strengthen their common bond with other groups or organizations.

TO...Assist its members in adjusting to their role and responsibilities in the American society.

TO...Coordinate activities of the Association with other national and international nursing or health allied organizations.

; now, therefore, be it

Whereas, Matthew Weaver sent out birthday invitations and informed all of his party guests that the gifts would be donated to charity. The gifts which he received included clothes, hats, mittens, shoes, books, and electronic games. After the party, he and his mother took the presents to the Head Start office where they will be distributed to homeless families as they move into stable housing; and

Whereas, Times and circumstances often presented extraordinary challenges for this young mother, but she has persevered and provides a loving home and stable environment for her four children - Quincy, Roscoe, Jerry, and Aleah; and

**House Resolution No. 338.**

A resolution remembering the Holocaust in the 21st Century.

Whereas, It is with a deep sense of respect for the memory of the millions of men, women, and children who perished during the genocide by the Nazis and for the men and women who have been touched by this horror throughout their lives that we offer this expression of tribute; and

Whereas, We also honor the valor of non-Jews who fought against tyranny and evil and those who exposed themselves and their families to danger while saving many Jews from concentration camps and death; and

Whereas, Many decades have passed since the Holocaust came to an end, yet the trauma of this horrible event is still experienced by all who survived. Their numbers dwindle with each passing year and it is up to others to keep the world aware. The Holocaust can never be allowed to be forgotten, not only out of respect for the victims, but also as a deterrent to any future attempts at genocidal slaughter; and

Whereas, Commemorative events such as this have drawn Jews and non-Jews from throughout the world and each has gained a better understanding of the past events and a new hope for the future; and
