House Bill 5760 (Substitute S-1 as reported)
House Bill 5761 (Substitute S-1 as reported)
Sponsor: Representative Jerry Vander Roest
House Committee: Senior Health, Security and Retirement
Senate Committee: Health Policy

CONTENT

House Bill 5760 (S-1) would amend the Public Health Code, and House Bill 5761 (S-1) would amend the Adult Foster Care Facility Licensing Act to require a facility that advertised or marketed the facility as providing specialized Alzheimer's or other dementia care services, to give certain persons a written description of services, as specified in the bills. House Bill 5760 (H-1) would apply to a health facility or agency that was a nursing home, home for the aged, or county medical care facility. House Bill 5761 (H-1) would apply to an adult foster care large group or small group home, and an adult foster care congregate facility.

The bills would require a facility that represented to the public that it provided inpatient care or services or residential care or services, or both, to persons with Alzheimer's disease or a related condition, to provide to each prospective patient, resident, or surrogate decision-maker a written description of the services provided by the facility to patients with Alzheimer's disease or a related condition. The written description would have to include all of the following:

- The overall philosophy and mission reflecting the needs of patients or residents with Alzheimer's disease or a related condition.
- The process and criteria for placement in or transfer or discharge from a program for these patients or residents.
- The process used for assessment and establishment of a plan of care and its implementation.
- Staff training and continuing education practices.
- The physical environment and design features appropriate to support the function of patients or residents with Alzheimer's disease or a related condition.
- The frequency and types of activities for these patients or residents.
- Identification of supplemental fees for services provided to these patients or residents.

The facilities affected by either bill would have to comply within 90 days after the bill's effective date.
