The electronic, computerized, or other similar means shall provide for both a search by name and by zip code.

(3) If a court determines that the public availability under section 10 of any information concerning individuals registered under this act, including names and aliases, addresses, physical descriptions, or dates of birth, violates the constitution of the United States or this state, the department shall revise the compilation in subsection (2) so that it does not contain that information.

Sec. 8a. For the electronic, computerized, or other similar means under section 8, the department shall conduct a study to determine the feasibility of providing for a search by alias and of providing mapping technology to show an address.
