SENATE BILL 1324 AS PASSED BY THE SENATE

Sponsor: Sen. Beverly Hammerstrom

House Committee: Conservation and Outdoor Recreation

COMMITTEE ANALYSIS - 6/3/02

Analyst(s): Kirk Lindquist

SUMMARY

This bill would remove the April 1, 2002 sunset on the current scrap tire disposal surcharge and increase the amount of the surcharge from \$.50 to \$1.50. These changes would preserve the funding source for the State scrap tire regulatory and grants program and provide an additional \$3.4 million in revenue annually to support scrap tire programs in the Department of Environmental Quality. There would be no fiscal impact on local governmental units.
