Senate Bill 446 (as reported without amendment)
Sponsor: Senator Mat J. Dunaskiss
Committee: Technology and Energy

CONTENT

The bill would amend the Customer Choice and Electricity Reliability Act to specify that an alternative electric supplier would not be a public utility.

Under the Act, an alternative electric supplier is a person selling electric generation service to retail customers in Michigan. An alternative electric supplier does not include a person who physically delivers electricity directly to retail customers in the State.
