Senate Bill 644 (Substitute S-4 as reported)
Sponsor: Senator Glenn D. Steil
Committee: Human Resources and Labor

CONTENT

The bill would amend the Michigan Employment Security Act to do the following:

- Extend the Act to employment with an Indian tribe or tribal unit.
- Require an Indian tribe or tribal unit to pay reimbursements instead of contributions to the Unemployment Compensation Fund, unless it elected to make contributions.
- Require a tribe or tribal unit that made reimbursement payments to post security.

The bill provides that an Indian tribe or tribal unit liable as an employer under Section 41 of the Act would have to pay reimbursements instead of contributions under the same terms and conditions as all other reimbursing employers liable under Section 41, unless the tribe or tribal unit elected to pay contributions. (Section 41 specifies those entities that are considered to be "employers" under the Act. Employers are required to pay a percentage of total wages as a contribution (unemployment tax) to the State's Unemployment Compensation Fund.) Under the bill, the term "Indian tribe" would be defined as it is in Section 3306(u) of the Federal Unemployment Tax Act, i.e., any Indian tribe, land, nation, or other organized group or community recognized under Federal law as eligible for the special programs and services provided by the United States to Indians. "Tribal unit" would include any subdivision, subsidiary, or business enterprise, wholly owned by an Indian tribe.

An Indian tribe or tribal unit that elected to pay contributions would have to file a written request with the Unemployment Agency before January 1 of the year in which the election would be effective, or within 30 days of the bill's effective date. The tribe or tribal unit would have to determine if the election to pay contributions would apply to the tribe as a whole, apply only to individual tribal units, or apply to stated combinations of individual tribal units.

A tribe or tribal unit that paid reimbursements instead of contributions would be billed for the full amount of benefits attributable to service in the employ of the tribe or tribal unit. The tribe or tribal unit would have to reimburse the Unemployment Compensation Fund, annually, within 30 days after the final billing was mailed for the immediately preceding calendar year.
