Senate Bill 1086 (as introduced 2-6-02)
Sponsor: Senator Valde Garcia
Committee: Finance

Date Completed: 3-11-02

CONTENT

The bill would amend Public Act 188 of 1954, which allows townships to levy taxes and issue bonds to pay for certain public improvements, to allow a township to construct, improve, and maintain sound attenuation (reduction) walls as improvements under the Act.

MCL 41.722

Legislative Analyst: George Towne

FISCAL IMPACT

The bill would have no fiscal impact on the State. It is unknown how many townships would construct sound attenuation walls under the bill, but the number is expected to be minimal. As a result, while the bill would allow increased spending by townships and thus could result in higher township taxes, the impact is expected to be minimal.
