Senate Bill 1092 (as reported without amendment)
Sponsor: Senator Bev Hammerstrom
Committee: Government Operations

CONTENT

The bill would amend the Metropolitan Councils Act to provide that a special election to authorize a tax levied by a metropolitan council would have to be scheduled in compliance with the Michigan Election Law. Currently, a special election date must be approved by the county election scheduling committee of the largest county in the manner required by Section 639 of the Election Law. The bill would delete that requirement.

(Section 639 of the Michigan Election Law contains procedures for scheduling special elections called by municipalities. Senate Bill 439 (S-2) as passed by the Senate, would amend the Election Law to specify the dates upon which certain elections could be held in the State.)
