Rep. Alexander Lipsey, from the 60th District, offered the following invocation:

“Dear Lord, in this time of trial and in this time of decision-making, we thank You for the opportunity that You have placed before us to take up the reigns of power and authority. We thank You for the opportunity to do good not only for ourselves, but for this entire state. Give us wisdom to make the right choices, power to fulfill those commitments, and the strength to live out Your will for all of us. We ask this in Your son’s name. Amen.”

Rep. Jacobs moved that Rep. Schermesser be excused from today’s session.
The motion prevailed.

Motions and Resolutions

Reps. Hart and Jansen offered the following resolution:

House Resolution No. 163.

A resolution to memorialize the Congress of the United States to enact the Community Solutions Act.

Whereas, Reaching out to help people in need is a cherished tradition in our state and nation. Individuals and families facing difficult situations have been helped by civic groups, public-minded foundations, and churches of every faith. These efforts have often complemented and expanded the impact of governmental programs; and

Whereas, In spite of the highly beneficial and unselfish works of charitable organizations, their full potential is not realized because of bureaucratic restrictions. In an effort to ensure the appropriate separation of church and state, wonderful programs that clearly respect these constitutional provisions often are not used to the extent possible; and

Whereas, A bill current before Congress, H.R. 7, the Community Solution Act of 2001, will greatly enhance the nation’s effectiveness in reaching out to those in need of various social services. This measure protects religious freedoms while eliminating bureaucratic obstacles; and

Whereas, The Community Solutions Act has three major initiatives: expanding charitable choice, increasing charity tax credit opportunities, and creating Individual Development Accounts; and

Whereas, Charitable choice encourages public-spirited partnerships between government and faith-based social service providers. Under this legislation, charitable choice greatly expands options for recipients while respecting rights and prohibiting discrimination. Charity tax credits are effective incentives for Americans to support all manner of programs. The Individual Development Accounts, tax-exempt, matching savings accounts for the poor, will help people build assets and brighter futures. Clearly, the Community Solutions Act offers a great deal to our nation; now, therefore, be it

Resolved by the House of Representatives, That we memorialize the Congress of the United States to enact the Community Solutions Act; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The resolution was referred to the Committee on Family and Children Services.

Reps. Kilpatrick, Neumann, Hale, Stewart, Switalski, McConico, Wojno, Bernero, Zelenko, Spade, Schauer, Jacobs, Garza, Lemmons, Anderson, Hardman, Thomas, Adamini, Whitmer, Sheltroun, Birkholz, Stallworth, Woodward, Daniels, Gielegem, Faunce, Phillips, Hansen, DeRossett, Jamnick, Kolb, Clark, Bovin, Rich Brown, Lipsey, Waters, Ehardt, Van Woerkom, Minore, Clarke and Murphy offered the following resolution:

House Resolution No. 164.

A resolution to honor Reverend Dr. Clarence L. Crews on his 35th pastoral anniversary.

Whereas, The observance of the 35th anniversary of the service of Reverend Dr. Clarence L. Crews is an event of significance far beyond the reaches of Hopewell Missionary Baptist Church and the community of Detroit. In his long and devoted efforts to offer spiritual and personal guidance to others through the ministry, this dedicated and unselfish man has touched many lives through the power of faith. Gifts like these are of importance to everyone; and

Whereas, In the years since Reverend Dr. Clarence L. Crews came to work with the individuals and families at Hopewell Missionary Baptist Church, the congregation has come to highly value all of the talents of this outstanding and effective spiritual leader. Whether helping people celebrate the great turning points in life, like weddings and baptisms, or sharing the sad moments of a loved one’s passing, Reverend Dr. Clarence L. Crews has brought the peace of deep faith and the hope this faith makes possible in every situation. For 35 years, Reverend Crews has remained at

Hopewell Missionary Baptist Church, committed to serving the varied and constant needs of all whom enter the doors of the little church in the neighborhood; and

Whereas, As the family and friends who have witnessed Reverend Dr. Clarence L. Crew's good works can attest, the public moments of services and sermons are only part of the presence of Reverend Dr. Clarence L. Crews. His private help to the needy, through encouragement, prayer, or placing a person in contact with someone with the resources to help, has constituted a true gift. The entire community has been enriched by those who have been blessed by his works; now, therefore, be it

Resolved by the House of Representatives, That the members of this legislative body honor Reverend Dr. Clarence L. Crews as he celebrates his 35th pastoral anniversary. Our great state is blessed that he chose Michigan for his heavenly mission; and be it further

Resolved, That a copy of this resolution be transmitted to Reverend Dr. Clarence L. Crews as a symbol of our esteem.

Pending the reference of the resolution to a committee,

Rep. Patterson moved that Rule 77 be suspended and the resolution be considered at this time.

The motion prevailed, 3/5 of the members present voting therefor.

The question being on the adoption of the resolution,

The resolution was adopted.

Reps. Hardman, Hale, Stewart, Switalski, Jacobs, Garza, Thomas, Whitmer, Stallworth, Daniels, Phillips, Hansen, Jamnick, Clark, Rich Brown, Lipsey, Waters, Kilpatrick, Clarke and Murphy offered the following resolution:

House Resolution No. 165.

A resolution to urge the Liquor Control Commission to halt the transfer of licenses for carry-out liquor establishments in Detroit.

Whereas, The Michigan Liquor Control Code of 1998, 1998 PA 58, governs the licensing and regulation of the sale and distribution of liquor in our state. This legislation reflects the public's commitment to responsible management, public safety, and accountability with regard to liquor and the businesses involved; and

Whereas, Under the Michigan Liquor Control Code, quotas are established to limit the number of places of business selling liquor for consumption on premises and for carry-out. Based on the quota of one liquor store establishment per 3,000 of population, the city of Detroit has far more carry-out liquor businesses than provided for by law. This excess is due to declining populations in recent censuses and licenses that are grandfathered into approval with a transfer of licenses; and

Whereas, The public policy of limiting the density of liquor establishments is a sound and reasonable response to public concerns for safety. Many citizens and groups in Detroit feel strongly that the current situation, with the city of Detroit having a very large excess of liquor stores, is a serious threat to the city's well-being. Steps need to be taken to address this safety and health issue; now, therefore, be it

Resolved by the House of Representatives, That we urge the Liquor Control Commission to halt the transfer of licenses for carry-out liquor establishments in Detroit; and be it further

Resolved, That copies of this resolution be transmitted to the Michigan Liquor Control Commission and to the mayor and the city council of the city of Detroit.

The resolution was referred to the Committee on Regulatory Reform.

A program can also look at parent/student/school contracts and should include expanding or implementing a gifted and talented program or hiring a resource coordinator for existing gifted and talented programs.

(2) The following are the primary goals for the innovative programs development grants:

(d) To share information between the schools regarding successful innovative programs. This should include the posting of the information on the school's and department's website.

(3) The department shall use the following criteria in determining the awarding of grants under this section:

(a) The state shall be divided into 5 regions to ensure equality of funding. Each region shall receive at least 1 grant in each of the program areas.

The reports shall be posted on the department's website.

Sec. 707. Reps. Jacobs, Lemmons, Woodward, Lipsey, Adamini, Kolb, Williams, Murphy and Zelenko, having reserved the right to explain their nay vote, made the following statement:

“Mr. Speaker and members of the House:

I voted no on taking House Bill 4965 off the table because I have been advocating since the beginning of this process that hearings need to be held across our state to allow public input to be heard and taken into account. The public should be allowed to review and comment on the content of any and all proposed plans before the Legislature votes on them.

The Legislature has until November 1, 2001 to enact state house and senate and congressional redistricting plans. This statutory time frame provides time for a sufficient number of hearings to be held so there can be adequate public input and review during the process.

Taking the bill off the table today and rushing through the redistricting process in this way is an abuse of power by the majority party. It is wrong that the Republicans have shut the public out of this process, and it is wrong that they have fully shut out the members of the minority party of this Legislature in this process, as well.

Furthermore, the fact that this matter was ‘Laid on the Table’ on today’s House calendar is evidence of one of many procedural irregularities carried out by the majority party of this Legislature in the passage of this legislation. During the only committee meeting even conducted on HB 4965, the Republican committee chair refused to entertain Democratic motions to postpone action and conduct a series of public hearings before voting. Instead, Republicans used a rare procedural move to end committee consideration of the bill by reporting the bill without recommendation as to passage.”

Rep. Patterson, having reserved the right to explain his nay vote, made the following statement:
“Mr. Speaker and members of the House:

I voted no on the Democratic substitute because it does not comply with the statutory Apol rules for redistricting.

The Apol rules were developed by the Michigan Supreme Court to effectuate the state constitutional policy of drawing representative districts along boundary lines of political subdivisions and to establish rules to prevent political gerrymandering. They were adopted as a statute in 1996. The rules instruct the map drawer as to exactly how each district must be drawn. They require a minimal number of breaks in county lines. If it is necessary to break a county line, they require shifting the fewest number of whole cities or whole townships to bring the district within the allowable population range. Thus, the rules tell us exactly which political subdivisions to shift. Similarly, the rules require a minimal number of breaks in municipal boundaries. If it is necessary to break a city or township line, the rules require shifting the fewest number of people in that municipality necessary to bring the district within the allowable population range.

The Democrat’s substitute breaks ten more municipal boundaries than the proposed Richner plan. It also shifts 39 more municipal units than the proposed Richner plan. In many instances, it is obvious that the statutory Apol rules were violated to favor a Democratic incumbent or for some other partisan reason. For example:

1. In the Democrat’s substitute, district 107 breaks into Charlevoix County, shifting six municipalities. The proposed Richner plan shifts only two municipalities. According to the Apol rules, the lower number of municipal shifts must be chosen.

It is apparent that the Democrat’s plan violated the Apol rules to improve the Democratic characteristics of the adjoining 106th District. By removing Republican municipalities from the 106th District, it clearly gives the Democrats an advantage.

2. In the Democrat’s substitute, Ottawa breaks into Kent County by shifting two municipalities with a total population of 33,816. The proposed Richner plan also shifts two municipalities. However, the total population of this shift is only 30,239. According to the Apol rules, when an equal number of municipalities may be chosen to make a shift, the ones that shift the least population must be chosen.

It is apparent that the Democrat’s substitute violated the Apol rules so that the adjoining 77th District, which includes the City of Wyoming, would be forced to include more Democratic portions of Grand Rapids, as opposed to more Republic Byron Township.

It is obvious to me that the Democrat’s substitute violates the Apol rules to achieve a partisan advantage. It is exactly that kind of political gerrymandering the rules were designed to prohibit.

Many more examples could be given but my no vote explanation is limited to 500 words under the rules of the House.

The following comparison illustrates the differences:

Apol Comparison

	Democrat Plan	Richner Plan
Number of County Breaks	17	17
Number of Municipal Breaks	27	17
Number of Municipalities Shifted	105	66

Rep. Minore, having reserved the right to explain his nay vote, made the following statement:

“Mr. Speaker and members of the House:

I voted no for several reasons, the primary one being the dictatorial and undemocratic process followed in presenting the bill and the amendment. Public input was absolutely dis-allowed! Questions about the bill were unanswered. The contents of the bill - distributed just moments before the vote - were, and remain, largely unknown to members and the public. Indeed, judging from the lack of response to specific questions, even the maker of the amendment didn't know the bill. As an example, those districts that include city or township breaks cannot discern where the breaks occur and the precise nature of the districts cannot be ascertained. This could lead to massive neighborhood breaks, inconvenience to voters, virtual disenfranchisement of some individuals and a general lack of respect for both the legislative process and the democratic values which should bind us together—even across partisan political lines. Today's legislative process, like the proverbial 'dead skunk in the middle of the road'; STUNK TO HIGH HEAVEN!”

Rep. Schauer, having reserved the right to explain his nay vote, made the following statement:

“Mr. Speaker and members of the House:

I cannot in good conscience support the Richner substitute to the bill redrawing Michigan state House districts. I voted against this amendment because it unnecessarily, and for reasons of pure partisanship, splits counties and municipalities into different House districts. Specifically, the city of Battle Creek and the charter township of Bedford are split under this plan between the 62nd and 63rd House districts. This confuses and disenfranchises individual voters and various constituency groups. Furthermore, units of government within the Battle Creek metropolitan area are unnecessarily divided between these two different House districts. The proposed 63rd district is neither compact nor contiguous. Bedford and Pennfield charter townships are separated from Battle Creek and joined with a House district containing units of government and a vast geographic region with which they have little in common—certainly much less than they have in common with metropolitan Battle Creek. I voted against this bill substitute because it knowingly violates redistricting rules and laws passed by the Michigan Legislature. Redistricting strikes at the heart of American representative democracy. This redistricting plan is in bad faith with the public we represent.”

Reps. Jacobs, Callahan, Anderson, Spade, Kolb, Whitmer, O'Neil, Zelenko and Plakas, having reserved the right to explain their nay vote, made the following statement:

“Mr. Speaker and members of the House:

I voted no on the adoption of the Richner amendment number 2, House Bill 4965 (H-5) for the following reasons:

The Republicans presented this 403 page substitute to this body for the first time only moments ago. The members of this body have had no time to read this substitute, let alone analyze it. Worse yet, the public has not even seen this plan at all.

The adoption of this previously undisclosed, undiscussed, unreviewed substitute is one more outrageous step that the majority party has taken in this process, and it is evidence that it is abusing its political power for the self interest of its political party members at the expense of the integrity of our system of representative government.

Furthermore, the failure to allow public input on HB 4965 (H-5) violates the Voting Rights Act of 1965 (VRA). The Legislature has failed to afford members of racial and language minority groups an opportunity to participate in the decision-making process.”

Rep. Garza moved to amend the bill as follows:

1. Amend page 1, line 4, by striking out all of line 4 through line 12, page 171 and inserting:

A bill to divide this state into 110 representative and 38 senatorial districts; and to prescribe the powers and duties of certain state departments and officers.

The question being on the passage of the bill,

Comments and Recommendations

Rep. Patterson moved that the following remarks be printed in the Journal.
The motion prevailed.

Rep. Garza:

“I represent the most diverse district in the city of Detroit. In 1998, Hispanics made history by electing the first Hispanic ever elected to state office. We have a rapidly growing Hispanic population, not only in the city of Detroit, but in the whole state. The 2000 census shows an increase of Hispanic population in the city of Detroit by 2.2%. As our President goes around the country speaking on the Hispanic growing population and how important we are to this great nation, and as our Governor talks about empowering the Hispanic community, the plan before us diminishes the Hispanic vote. It disenfranchise a population that has worked very hard for political empowerment. It is a shame that this body would want to undo what the Hispanic community has been working so hard to achieve, and that is political empowerment. I ask for your support.”

Rep. Thomas:

“I rise in very strong support to the Garza amendment. Our diversity in the state of Michigan is essential to our democracy. The plan that we have just adopted through the Richner amendment takes us a step backwards to a day that we should not be looking forward to going to. It is a day when minorities do not have a voice in their government, when the Latino population in the state of Michigan had no voice. As the very brave representative from Detroit talked about, she made history in 1998 in winning her election. She represents the only majority Latino district in the state of Michigan. From our analysis of your plan, the best analysis that we could give because much of your plan has been in error so far today, that district is destroyed. You disenfranchised, through this plan, all Hispanic Michiganders, but certainly those Hispanic Michiganders of the city of Detroit and Wayne County. Hispanic voters deserve to have their voice heard in government and this plan will deny them that right. This plan, quite frankly, disregards the fact that they are our largest growing minority population in the state of Michigan. As the city of Detroit itself lost population, the Hispanic population in Detroit grew substantially. This again disrespects our democracy, it is bad policy for Michigan and the wrong message to send to all minorities across the state, particularly those folks that are of Latino descent here in the state of Michigan.”

By unanimous consent the House returned to the consideration of
Second Reading of Bills

The House agreed to the title of the bill.

Rep. Quarles, having reserved the right to explain her protest against the passage of the bill, made the following statement:
 “Mr. Speaker and members of the House:

The rapid speed that—House Bill 4965 which was substituted as H-5—was passed today is an abuse of power. It is wrong that the Republicans have excluded the members of the Redistricting and Elections Committee, and the public, out of this process. This bill, House Bill 4965 (H-5) was done in secrecy. It is not known if this bill is fair to citizens of this great state since the members of the Redistricting and Elections Committee were not given time to scrutinize the bill to determine whether it was in compliance with state statutory criteria (MCL 4.261), better known as the Apol standard, as well as federal requirements.

House Democrats have expressed all along that the Redistricting process should maximize participation from all concerned parties and our preference would have been that the process included a series of public hearings across the state in order to allow for public comment on specifics of all proposed plans before voting on any plan.

Nevertheless this process was accelerated from the time frame that had been initially instructed by the Republican leadership. House Bill 4965 (H-1) is clearly the best House plan to date. It adhered to all federal laws, state statutes and emphasized fairness and neutrality.”

Rep. Schauer, having reserved the right to explain his protest against the passage of the bill, made the following statement:
 “Mr. Speaker and members of the House:

I have cast a ‘no’ vote on final passage of House Bill 4965, a bill to redraw Michigan state House districts, because it blatantly violates the rules and laws enacted by the Michigan Legislature and is more interested in partisan advantage than fair representation of our people and our communities. This bill unnecessarily, and for reasons of pure partisanship, splits counties and municipalities into different House districts. Specifically, the city of Battle Creek and the charter township of Bedford are split under this plan between the 62nd and 63rd House districts. This confuses and disenfranchises individual voters and various constituency groups. Furthermore, units of government within the Battle Creek metropolitan area are unnecessarily divided between these two different House districts. The proposed 63rd district is neither compact nor contiguous. Bedford and Pennfield charter townships are separated from Battle Creek and joined with a House district containing units of government and a vast geographic region with which they have little in common—certainly much less than they have in common with metropolitan Battle Creek. I also voted against this bill because it provided no opportunity for public input and public scrutiny of this plan. The 403-page bill describing House districts was not available for review by the public. In fact, it only became available to House members after the start of House Session today. This process is wrong, and the resulting outcome is bad public policy. Redistricting strikes at the heart of American representative democracy. This redistricting plan is in bad faith with the public we represent.”

Rep. Hale, having reserved the right to explain his protest against the passage of the bill, made the following statement:
 “Mr. Speaker and members of the House:

This legislation that was presented during session today was unfair and disrespectful to the principles of good public policy and government. Based on my observation to this process there was no real public discussion or debate on such critical and important issue as reapportionment/redistricting. The tax payers of the state of Michigan will not in the next ten years under this plan that passed the House today have fair and truthful representative districts that are reflective of the demographics, population shifts and needs that has occurred in Michigan. This plan that passed was pure Draconian politics. That is why I voted no.”

Rep. Garza, having reserved the right to explain her protest against the passage of the bill, made the following statement:
 “Mr. Speaker and members of the House:

Our state statute anticipates a deliberative legislative process. MCL 4.261 provides that the Legislature has until November 1, 2001, to enact state house and senate redistricting plans. The statutory time frame provides time for a sufficient number of hearings to be held so there can be adequate public input and review during the process. As Democrats have requested since the beginning of this process, hearings need to be held not only *before* actual plans are drawn (to allow public input to be heard and taken into account in the drafting of the plans) but also *after* actual plans are proposed, so that members of the public can review and comment on the specific content of proposed plans.

Instead, the Republicans have conducted a number of procedural irregularities, refused to allow hearings or review, and have completely shut out both the public and the minority party from this process.

Until now, the members of this body and the public had been assured that the frame work for redistricting would involve a series of public hearings over the summer months.

Furthermore, this body has conducted a number of process violations of the Voting Rights Act, and it appears that the plan passed today may also violate provisions regarding the dilution of minority votes. The Legislature has failed to follow fair and conventional procedures in adopting its new map, has not afforded members of racial and language minority groups an opportunity to participate in the decision-making process, and has refused to take the concerns of members of racial and language minority groups into account. This process circumvented the Legislature's normal procedures and excluded Michigan citizens from full participation - especially African-American and Hispanic citizens.

Even though my amendment 2B was adopted to this bill on reconsideration, that single act was far from sufficient to offset the various other apparent violations of the Voting Rights Act that have been committed here by the majority party of this Legislature. Voting rights are of fundamental importance to people of all races in this state. It is an affront to the law and to the diverse citizenry of this state that the majority party refused to allow input or analysis on voting rights issues.

The Democrats attempted to put before this body a House redistricting plan and a proposed process that we believed would have complied with state and federal law and that was fair to the people of this state. The Republicans refused to entertain any such attempts. The integrity of our political process demands that there be maximum public input into the process. Secret backroom deals hurt voters and diminish public confidence in government."

Reps. Jacobs, Williams, Zelenko, Whitmer, Lemmons, Neumann, Spade, Phillips, Murphy, Callahan, Kolb, Gielegghem, Thomas, Rich Brown, Rison, Jamnick, Bogardus, Anderson, Minore, Woodward, Adamini, O'Neil, Reeves and Hardman having reserved the right to explain their protest against the passage of the bill, made the following statement:
