Senator Kenneth R. Sikkema of the 31st District offered the following invocation:

Lord, we begin this day full of hope and promise and optimism. For all of us, it is a day of new beginnings, and as legislators, we have ideas and things we want to accomplish today—bills we want to introduce, laws we'd like to pass. We have great things we would like to do, but we need to pause and ask ourselves what do You want us to do? Well, You told us. Your prophet Micah many years ago said, "He has told you, O mortal, what is good; and what does the Lord require of you, but to do justice, to love kindness, and to walk humbly with you God?"

So we spend our day, Lord, bowing before You, acknowledging that You are the Giver of all that is good. We thank You for the opportunity we have to serve. We ask that You will help us to consider the needs of the entire state regardless of party or geography. Bless our work today. This and more we ask in Your name. Amen.

As Director of the Department of Consumer and Industry Services, I take great pleasure in forwarding to you the fifth legislative report as required by statute on the activities and the progress of survey and remonumentation in the State of Michigan.

Since the original Commission was appointed in June, 1991, a state wide Model County Plan for county remonumentation has been developed and Administrative Rules for Act 345 have been promulgated by the Department and adopted by the Legislature. Including grants offered in 2001, \$37.5 million in grants has been made available to all 83 counties in the State of Michigan.

Senate Resolution No. 121.

A resolution honoring the Hungarian Americans of Michigan on the occasion of the Forty-fifth Anniversary of the Hungarian Revolution.

Whereas, On October 23, 1956, the people of Budapest, led by the city's youth, rose up against the imperialist forces of the Soviet Union and the communists of Hungary. The brave Freedom Fighters had within one week defeated the occupying forces of the Soviet Union and the local communist regime. The Hungarian people had achieved freedom for a short time and attempted to restore the basic liberties the nation had long cherished; and

Whereas, On November 4, 1956, the full armed forces of the Soviet Union were brought to bear upon these brave Freedom Fighters as thousands of tanks, artillery, and air forces brutally killed over 50,000 people. In addition, many thousands of people were exiled to Siberia, and over 250,000 people were forced to flee to the free world. The people of Hungary have proven that this savage attack did not weaken their spirits; and

Whereas, Hungarian Americans have the good fortune to live in a land with basic liberties. All of these citizens will continue to remind the free world of the communist tyranny as seen in Hungary in 1956. Today, Hungary has seen new freedom and is building a new democracy. Undoubtedly, the spirit of the revolutionaries of 1956 is rekindled throughout the nation; and

Whereas, Particular recognition is due to the members of the Hungarian Freedom Fighters Association of Detroit, who stand in the forefront of the continuing struggle for freedom against communist tyranny throughout the world; now, therefore, be it

Resolved by the Senate, That a unanimous accolade of tribute be hereby accorded to honor the Hungarian Americans of Michigan as they celebrate the Forty-fifth Anniversary of the Hungarian Revolution; and be it further

Resolved, That a copy of this resolution be transmitted to the Hungarian-American Cultural Center for the October 28, 2001, commemoration program in Taylor as a reflection of our esteem and respect.

Senators Goschka and Young were named co-sponsors of the resolution.

Senate Resolution No. 112.

Whereas, Carkenord Elementary School is the most innovative elementary school building of L'Anse Creuse Public Schools. It houses kindergarten through fifth grades in its state-of-the-art facility; and

Whereas, Joseph Carkenord has distinguished himself throughout his years of service to education and the L'Anse Creuse Public Schools District.
