Resolutions

Senator Emmons moved that consideration of the following concurrent resolution be postponed for today:

Senate Concurrent Resolution No. 11

The motion prevailed.

The question was placed on the adoption of the following resolution consent calendar:

Senate Resolution No. 157

The resolution consent calendar was adopted.

Senators Dingell, Emmons, Byrum, Scott, Smith, McCotter, Hammerstrom, Garcia and Johnson offered the following resolution:

Senate Resolution No. 157.

A resolution commemorating the 90th Anniversary of Girl Scouts of the USA.

Whereas, Tuesday, March 12, 2002, marks the 90th Anniversary of Girl Scouts of the USA, founded by Juliette Gordon Low in 1912 in Savannah, Georgia; and

Whereas, Throughout its long and distinguished history, Girl Scouts—the preeminent organization for girls—has inspired millions of girls with the highest ideals of character, conduct, and patriotism; and

Whereas, Girl Scouting will lead businesses and communities to teach girls the skills needed to take active roles in math, science, and technology careers and to fulfill our country’s economic needs; and

Whereas, Through Girl Scouting, every girl everywhere grows strong, gains self-confidence and skills for success, and develops her sense of duty to the world around her; and

Whereas, Through participation in Voices, a national community service project, every girl will learn to use her own voice to address an issue of concern to her and perhaps make a change for the better in her community; and

Whereas, Some 50 million women have enjoyed the benefits of the Girl Scouts program as an American tradition for 90 years; now, therefore, be it

Resolved by the Senate, That a unanimous accolade of tribute be hereby accorded to commemorate the 90th Anniversary of Girl Scouts of the USA and that March 12, 2002, be proclaimed as Girl Scout Day in Michigan; and be it further

Resolved, That copies of this resolution be transmitted to the Michigan Metro Girl Scout Council and their troops as a token of our esteem.

House Concurrent Resolution No. 38.

A concurrent resolution to memorialize the Congress of the United States to enact legislation to provide funding for the continuing restoration and protection of the Great Lakes.

Whereas, The waters of the Great Lakes constitute a resource of the utmost importance to the future of our nation, as they interact with the international community. The quality and quantity of this fresh water treasure are vital to the health and commercial well-being of millions of Americans; and

Whereas, Congress over the years has provided support for numerous projects to protect and conserve our natural resources, with the most recent being legislation to fund the restoration of the Everglades and the South Florida ecosystem. This legislation includes several billion dollars in funding to the state of Florida. While the Everglades and the South Florida ecosystem are clearly a unique resource, the Great Lakes ecosystem has a prevailing international and national economic significance due to the shipping of raw materials, industrial products, and food, not to mention being the home of 20 percent of the world's fresh surface water, and 95 percent of the United States' fresh surface water; and

Whereas, With the Great Lakes at the heart of American industrial and agricultural production, and the source of recreation for millions, the United States of America must do all it can to assure the viability of the health of the lakes; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we call upon the Congress of the United States to fund the Great Lakes Basin with similar appropriations that have been afforded the Florida Everglades and the South Florida ecosystem; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, the members of the Michigan congressional delegation, and the United States Secretary of the Interior.

The House of Representatives has adopted the concurrent resolution.

Pending the order that, under rule 3.204, the concurrent resolution be referred to the Committee on Government Operations,

Senator Emmons moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the concurrent resolution,

Senator Emmons moved that the concurrent resolution be referred to the Committee on Natural Resources and Environmental Affairs.

The motion prevailed.

Senator Goschka was named co-sponsor of the concurrent resolution.

House Concurrent Resolution No. 39.

A concurrent resolution to memorialize the Congress of the United States not to take control of the Great Lakes away from the Great Lakes states and to reaffirm authority granted to the Great Lakes Governors.

Whereas, The Great Lakes states have taken many steps to protect the lakes. Most recently, Annex 2001 to the Great Lakes Charter has demonstrated the concern of the people of this region that the stewardship for this fresh water resource must remain where it belongs—with the people of the Great Lakes; and

Whereas, The Great Lakes governors work closely with one another and their Canadian provincial counterparts on protecting the Great Lakes on a wide range of issues related to water management and a host of economic matters that strongly influence the lakes. This cooperation mirrors the shared stake in the quality of the lakes and reflects the appropriateness of policies that clearly affirm the authority of the Great Lakes Governors pursuant to the Great Lakes Charter; and

Whereas, Federal law states:

It is hereby determined and declared to be in the public interest that (1) title to and ownership of the lands beneath navigable waters within the boundaries of their respective states and the natural

resources with such lands and water and (2) the right and power to manage, administer, lease, develop, and use the said lands and natural resources all in accordance with applicable state law be, and they are hereby, subject to the provisions hereof, recognized, confirmed, established, and vested in and assigned to the respective states or the persons who were on June 5, 1950, entitled thereto under the law of the respective states in which the land is located, and the respective granters, lessees, or successors in interest thereof

; and

Whereas, The Great Lakes states have demonstrated that we are an effective and efficient manager of Great Lakes water resources. We implore the federal government to continue to allow the Great Lakes states the ability to control the Great Lakes; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we memorialize the Congress of the United States to increase protections for the Great Lakes and to affirm the authority of the Great Lakes governors on matters of the usage of Great Lakes waters; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

The House of Representatives has adopted the concurrent resolution.

Pending the order that, under rule 3.204, the concurrent resolution be referred to the Committee on Government Operations,

Senator Emmons moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the concurrent resolution,

Senator Emmons moved that the concurrent resolution be referred to the Committee on Natural Resources and Environmental Affairs.

The motion prevailed.

Senator Goschka was named co-sponsor of the concurrent resolution.

House Concurrent Resolution No. 54.

A concurrent resolution to urge Canadian authorities to remove all offshore drilling platforms from the waters of the Great Lakes.

Whereas, The people of Michigan are strongly committed to the protection of the Great Lakes. This concern rises from living in the center of the Great Lakes Basin, where the Great Lakes contain one-fifth of the world's fresh water and at least two-thirds of North America's fresh water, appreciation for the harmful impact of certain activities over the years, and sensitivity to the vulnerability of this remarkable fresh water resource; and

Whereas, As science and technology have advanced to paint a clearer picture of how delicate the lakes truly are in the face of certain specific threats, more and more people have voiced opposition to offshore drilling on the Great Lakes. For many, whatever there is to gain in energy produced from offshore drilling on the Great Lakes could not exceed the potential costs that would arise from a serious accident or series of problems; and

Whereas, Over the years, the United States and Canadian governments have taken great efforts to repair and restore the viability of the Great Lakes. Notwithstanding those efforts, there are still several hundred off-shore gas wells on Great Lakes waters which pose a threat to the Great Lakes ecosystem and the progress that has been made in the past three decades; and

Whereas, The people of Michigan feel that there are great risks to operating offshore drilling platforms on the Great Lakes. The potential for serious harm to the source of fresh water for tens of millions of Americans and Canadians is a source of utmost concern; now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That we urge Canadian authorities to remove all offshore drilling platforms from the waters of the Great Lakes; and be it further

Resolved, That copies of this resolution be transmitted to the Counsel General of Canada in Detroit, the United States Secretaries of State and Energy, the Michigan congressional delegation, and the International Joint Commission.

The House of Representatives has adopted the concurrent resolution.

Pending the order that, under rule 3.204, the concurrent resolution be referred to the Committee on Government Operations,

Senator Emmons moved that the rule be suspended.

The motion prevailed, a majority of the members serving voting therefor.

The question being on the adoption of the concurrent resolution,

Senator Emmons moved that the concurrent resolution be referred to the Committee on Natural Resources and Environmental Affairs.

The motion prevailed.

Senator Goschka was named co-sponsor of the concurrent resolution.
