**STATE OF MICHIGAN
91ST LEGISLATURE
REGULAR SESSION OF 2001**

Introduced by Senators Dunaskiss, Sikkema, Schuette and Hammerstrom

ENROLLED SENATE BILL No. 446

AN ACT to amend 1939 PA 3, entitled "An act to provide for the regulation and control of public utilities and other services affected with a public interest within this state; to provide for alternative energy suppliers; to provide for licensing; to include municipally owned utilities and other providers of energy under certain provisions of this act; to create a public service commission and to prescribe and define its powers and duties; to abolish the Michigan public utilities commission and to confer the powers and duties vested by law on the public service commission; to provide for the continuance, transfer, and completion of certain matters and proceedings; to abolish automatic adjustment clauses; to prohibit certain rate increases without notice and hearing; to qualify residential energy conservation programs permitted under state law for certain federal exemption; to create a fund; to provide for a restructuring of the manner in which energy is provided in this state; to encourage the utilization of resource recovery facilities; to prohibit certain acts and practices of providers of energy; to allow for the securitization of stranded costs; to reduce rates; to provide for appeals; to provide appropriations; to declare the effect and purpose of this act; to prescribe remedies and penalties; and to repeal acts and parts of acts," by amending section 10g (MCL 460.10g), as added by 2000 PA 141.

The People of the State of Michigan enact:

Sec. 10g. (1) As used in sections 10 through 10bb:

(a) "Alternative electric supplier" means a person selling electric generation service to retail customers in this state. Alternative electric supplier does not include a person who physically delivers electricity directly to retail customers in this state. An alternative electric supplier is not a public utility.

(b) "Commission" means the Michigan public service commission in the department of consumer and industry services.

(c) "Electric utility" means that term as defined in section 2 of the electric transmission line certification act, 1995 PA 30, MCL 460.562.

(d) "Merchant plant" means electric generating equipment and associated facilities with a capacity of more than 100 kilowatts located in this state that are not owned and operated by an electric utility.

(e) "Relevant market" means either the Upper Peninsula or the Lower Peninsula of this state.

(f) "Renewable energy source" means energy generated by solar, wind, geothermal, biomass, including waste-to-energy and landfill gas, or hydroelectric.

(2) A school district aggregating electricity for school properties or an exclusive aggregator for public or private school properties is not an electric utility or a public utility for the purpose of that aggregation.

This act is ordered to take immediate effect.
