The People of the State of Michigan enact:

Sec. 2163a. (1) As used in this section:

(a) "Custodian of the videorecorded statement" means the family independence agency, investigating law enforcement agency, prosecuting attorney, or department of attorney general or another person designated under the county protocols established as required by section 8 of the child protection law, 1975 PA 238, MCL 722.628.

(b) "Developmental disability" means that term as defined in section 100a of the mental health code, 1974 PA 258, MCL 330.1100a, except that, for the purposes of implementing this section, developmental disability includes only a condition that is attributable to a mental impairment or to a combination of mental and physical impairments and does not include a condition attributable to a physical impairment unaccompanied by a mental impairment.

(c) "Videorecorded statement" means a witness's statement taken by a custodian of the videorecorded statement as provided in subsection (5). Videorecorded statement does not include a videorecorded deposition taken as provided in subsections (17) and (18).

(d) "Witness" means an alleged victim of an offense listed under subsection (2) who is either of the following:

(i) A person under 16 years of age.

(ii) A person 16 years of age or older with a developmental disability.

(2) This section only applies to prosecutions and proceedings under section 136b, 145c, 520b to 520e, or 520g of the Michigan penal code, 1931 PA 328, MCL 750.136b, 750.145c, 750.520b to 750.520e, and 750.520g, or under former section 136 or 136a of the Michigan penal code, 1931 PA 328.

(3) If pertinent, the witness shall be permitted the use of dolls or mannequins, including, but not limited to, anatomically correct dolls or mannequins, to assist the witness in testifying on direct and cross-examination.

(4) A witness who is called upon to testify shall be permitted to have a support person sit with, accompany, or be in close proximity to the witness during his or her testimony. A notice of intent to use a support person shall name the support person, identify the relationship the support person has with the witness, and give notice to all parties to the proceeding that the witness may request that the named support person sit with the witness when the witness is called upon to testify during any stage of the proceeding. The notice of intent to use a named support person shall be filed with the court and shall be served upon all parties to the proceeding. The court shall rule on a motion objecting to the use of a named support person before the date at which the witness desires to use the support person.

(5) A custodian of the videorecorded statement may take a witness's videorecorded statement before the normally scheduled date for the defendant's preliminary examination. The videorecorded statement shall state the date and time that the statement was taken; shall identify the persons present in the room and state whether they were present for the entire videorecording or only a portion of the videorecording; and shall show a time clock that is running during the taking of the videorecorded statement.

(6) A videorecorded statement may be considered in court proceedings only for 1 or more of the following:

(a) It may be admitted as evidence at all pretrial proceedings, except that it may not be introduced at the preliminary examination instead of the live testimony of the witness.

(b) It may be admitted for impeachment purposes.

(c) It may be considered by the court in determining the sentence.

(d) It may be used as a factual basis for a no contest plea or to supplement a guilty plea.

(7) In a videorecorded statement, the questioning of the witness should be full and complete; shall be in accordance with the forensic interview protocol implemented as required by section 8 of the child protection law, 1975 PA 238, MCL 722.628; and, if appropriate for the witness's developmental level, shall include, but is not limited to, all of the following areas:

(a) The time and date of the alleged offense or offenses.

(b) The location and area of the alleged offense or offenses.

(c) The relationship, if any, between the witness and the accused.

(d) The details of the offense or offenses.

(e) The names of any other persons known to the witness who may have personal knowledge of the alleged offense or offenses.

(8) A custodian of the videorecorded statement may release or consent to the release or use of a videorecorded statement or copies of a videorecorded statement to a law enforcement agency, an agency authorized to prosecute the criminal case to which the videorecorded statement relates, or an entity that is part of county protocols established under section 8 of the child protection law, 1975 PA 238, MCL 722.628. The defendant and, if represented, his or her attorney has the right to view and hear a videorecorded statement before the defendant's preliminary examination. Upon request, the prosecuting attorney shall provide the defendant and, if represented, his or her attorney with reasonable access and means to view and hear the videorecorded statement at a reasonable time before the defendant's pretrial or trial of the case. In preparation for a court proceeding and under protective conditions, including, but not limited to, a prohibition on the copying, release, display, or circulation of the videorecorded statement, the court may order that a copy of the videorecorded statement be given to the defense.

(9) If authorized by the prosecuting attorney in the county in which the videorecorded statement was taken, a videorecorded statement may be used for purposes of training the custodians of the videorecorded statement in that county on the forensic interview protocol implemented as required by section 8 of the child protection law, 1975 PA 238, MCL 722.628.

(10) Except as provided in this section, an individual, including, but not limited to, a custodian of the videorecorded statement, the witness, or the witness's parent, guardian, guardian ad litem, or attorney, shall not release or consent to release a videorecorded statement or a copy of a videorecorded statement.

(11) A videorecorded statement that becomes part of the court record is subject to a protective order of the court for the purpose of protecting the privacy of the witness.

(12) A videorecorded statement shall not be copied or reproduced in any manner except as provided in this section. A videorecorded statement is exempt from disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246, is not subject to release under another statute, and is not subject to disclosure under the Michigan court rules governing discovery. This section does not prohibit the production or release of a transcript of a videorecorded statement.

(13) If, upon the motion of a party made before the preliminary examination, the court finds on the record that the special arrangements specified in subsection (14) are necessary to protect the welfare of the witness, the court shall order those special arrangements. In determining whether it is necessary to protect the welfare of the witness, the court shall consider all of the following:

(a) The age of the witness.

(b) The nature of the offense or offenses.

(c) The desire of the witness or the witness's family or guardian to have the testimony taken in a room closed to the public.

(14) If the court determines on the record that it is necessary to protect the welfare of the witness and grants the motion made under subsection (13), the court shall order both of the following:

(a) All persons not necessary to the proceeding shall be excluded during the witness's testimony from the courtroom where the preliminary examination is held. Upon request by any person and the payment of the appropriate fees, a transcript of the witness's testimony shall be made available.

(b) In order to protect the witness from directly viewing the defendant, the courtroom shall be arranged so that the defendant is seated as far from the witness stand as is reasonable and not directly in front of the witness stand. The defendant's position shall be located so as to allow the defendant to hear and see the witness and be able to communicate with his or her attorney.

(15) If upon the motion of a party made before trial the court finds on the record that the special arrangements specified in subsection (16) are necessary to protect the welfare of the witness, the court shall order those special arrangements. In determining whether it is necessary to protect the welfare of the witness, the court shall consider all of the following:

(a) The age of the witness.

(b) The nature of the offense or offenses.

(c) The desire of the witness or the witness's family or guardian to have the testimony taken in a room closed to the public.

(16) If the court determines on the record that it is necessary to protect the welfare of the witness and grants the motion made under subsection (15), the court shall order 1 or more of the following:

(a) All persons not necessary to the proceeding shall be excluded during the witness's testimony from the courtroom where the trial is held. The witness's testimony shall be broadcast by closed-circuit television to the public in another location out of sight of the witness.

(b) In order to protect the witness from directly viewing the defendant, the courtroom shall be arranged so that the defendant is seated as far from the witness stand as is reasonable and not directly in front of the witness stand. The defendant's position shall be the same for all witnesses and shall be located so as to allow the defendant to hear and see all witnesses and be able to communicate with his or her attorney.

(c) A questioner's stand or podium shall be used for all questioning of all witnesses by all parties and shall be located in front of the witness stand.

(17) If, upon the motion of a party or in the court's discretion, the court finds on the record that the witness is or will be psychologically or emotionally unable to testify at a court proceeding even with the benefit of the protections afforded the witness in subsections (3), (4), (14), and (16), the court shall order that a videorecorded deposition of a witness shall be taken to be admitted at a court proceeding instead of the witness's live testimony.

(18) For purposes of the videorecorded deposition under subsection (17), the witness's examination and cross-examination shall proceed in the same manner as if the witness testified at the court proceeding for which the videorecorded deposition is to be used, and the court shall order that the witness, during his or her testimony, shall not be confronted by the defendant but shall permit the defendant to hear the testimony of the witness and to consult with his or her attorney.

(19) This section is in addition to other protections or procedures afforded to a witness by law or court rule.

(20) A person who intentionally releases a videorecorded statement in violation of this section is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500.00, or both.

Enacting section 1. This amendatory act does not take effect unless Senate Bill No. 1447 of the 91st Legislature is enacted into law.
