Within 72 hours after making the oral report, the reporting person shall file a written report as required in this act. If the reporting person is a member of the staff of a hospital, agency, or school, the reporting person shall notify the person in charge of the hospital, agency, or school of his or her finding and that the report has been made, and shall make a copy of the written report available to the person in charge. A notification to the person in charge of a hospital, agency, or school does not relieve the member of the staff of the hospital, agency, or school of the obligation of reporting to the department as required by this section. One report from a hospital, agency, or school shall be considered adequate to meet the reporting requirement. A member of the staff of a hospital, agency, or school shall not be dismissed or otherwise penalized for making a report required by this act or for cooperating in an investigation.

(b) A department employee who is 1 of the following and has reasonable cause to suspect child abuse or neglect shall make a report of suspected child abuse or neglect to the department:

- (iii) Family independence specialist.
- (iv) Social services specialist.
- (v) Social work specialist.
- (vi) Social work specialist manager.

(2) The written report shall contain the name of the child and a description of the abuse or neglect. If possible, the report shall contain the names and addresses of the child’s parents, the child’s guardian, the persons with whom the child resides, and the child’s age. The report shall contain other information available to the reporting person that might establish the cause of the abuse or neglect, and the manner in which the abuse or neglect occurred.

(3) The department shall inform the reporting person of the required contents of the written report at the time the oral report is made by the reporting person.

(4) The written report required in this section shall be mailed or otherwise transmitted to the county family independence agency of the county in which the child suspected of being abused or neglected is found.

(5) Upon receipt of a written report of suspected child abuse or neglect, the department may provide copies to the prosecuting attorney and the probate court of the counties in which the child suspected of being abused or neglected resides and is found.

(6) If an allegation, written report, or subsequent investigation of suspected child abuse or child neglect indicates a violation of sections 136b and 145c or sections 520b to 520g of the Michigan penal code, 1931 PA 328, MCL 750.136b, 750.145c, and 750.520b to 750.520g, has occurred, or if the allegation, written report, or subsequent investigation indicates that the suspected child abuse or child neglect was committed by an individual who is not a person responsible for the child’s health or welfare, including, but not limited to, a member of the clergy, a teacher, or a teacher’s aide, the department shall transmit a copy of the allegation or written report and the results of any investigation to a law enforcement agency in the county in which the incident occurred. If an allegation, written report, or subsequent investigation indicates that the individual who committed the suspected abuse or neglect is a child care provider and the department believes that the report has basis in fact, the department shall transmit a copy of the written report or the results of the investigation to the child care regulatory agency with authority over the child care provider’s child care organization or adult foster care location authorized to care for a child.

(7) If a local law enforcement agency receives an allegation or written report of suspected child abuse or child neglect and the allegation, written report, or subsequent investigation indicates that the child abuse or child neglect was committed by a person responsible for the child’s health or welfare, the local law enforcement agency shall refer the allegation or provide a copy of the written report and the results of any investigation to the county family independence agency of the county in which the abused or neglected child is found, as required by subsection (1)(a). If an allegation, written report, or subsequent investigation indicates that the individual who committed the suspected abuse or neglect is a child care provider and the local law enforcement agency believes that the report has basis in fact, the local law

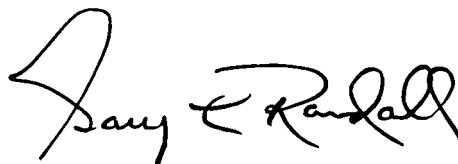

enforcement agency shall transmit a copy of the written report or the results of the investigation to the child care regulatory agency with authority over the child care provider's child care organization or adult foster care location authorized to care for a child. Nothing in this subsection or subsection (1) shall be construed to relieve the department of its responsibilities to investigate reports of suspected child abuse or child neglect under this act.

(8) For purposes of this act, the pregnancy of a child less than 12 years of age or the presence of a venereal disease in a child who is over 1 month of age but less than 12 years of age is reasonable cause to suspect child abuse and neglect have occurred.

Sec. 11. Any legally recognized privileged communication except that between attorney and client or that made to a member of the clergy in his or her professional character in a confession or similarly confidential communication is abrogated and shall not constitute grounds for excusing a report otherwise required to be made or for excluding evidence in a civil child protective proceeding resulting from a report made pursuant to this act. This section does not relieve a member of the clergy from reporting suspected child abuse or child neglect under section 3 if that member of the clergy receives information concerning suspected child abuse or child neglect while acting in any other capacity listed under section 3.

Enacting section 1. This amendatory act takes effect March 1, 2003.

This act is ordered to take immediate effect.
