

Fiscal Analysis

SERVICE OF PROCESS: INCREASE FEES, ETC.

Bill/Sponsor **HOUSE BILL 4899 with committee amendment**, Rep. Larry Julian

House Committee Criminal Justice

Analysis **Summary**

The bill would amend the Revised Judicature Act to increase allowable fees and mileage charged for service of process.

Fiscal Impact

Because costs of service of process generally are borne by the litigants, the bill would have no fiscal impact on the state, nor increased costs for local units of government. Revenues could increase for sheriffs' departments serving process.
