**A SUMMARY OF HOUSE BILL 4150 AS INTRODUCED 2-5-03**

Under the handgun licensure act, Public Act 372 of 1927, applicants for a permit to carry a concealed pistol are required to complete a firearm training course, covering, among other matters, the safe storage, use, and handling of a pistol. House Bill 4150 would amend the act to exempt from this training requirement a person who is honorably discharged from the United States armed forces, or from the armed forces of Michigan or another state.
