PART 2

PROVISIONS CONCERNING APPROPRIATIONS

8 GENERAL SECTIONS

9 Sec. 201. In accordance with the provisions of section 30 of
10 article IX of the state constitution of 1963, total state spending
11 from state resources in part 1 for the fiscal year ending
12 September 30, 2004 is \$91,709,200.00 and state appropriations paid to
13 units of local government are \$0.

14 Sec. 202. The appropriations made and expenditures authorized
15 under this act and the departments, commissions, boards, offices, and
16 programs for which appropriations are made under this act are subject
17 to the management and budget act, 1984 PA 431, MCL 18.1101 to
18 18.1594.

19 CAPITAL OUTLAY

20 Sec. 301. (1) From federal-state-local project appropriations
21 contained in 2003 PA 193 for the purpose of assisting political
22 entities and subdivisions of this state in the construction and
23 improvement of publicly used airports and landing fields within this
24 state, the state transportation department may permit the award of

1 contracts on behalf of units of local government for the authorized
2 locations not to exceed the indicated amounts, of which the state
3 allocated portion shall not exceed the amount appropriated in 2003 PA
4 193.

5 (2) Political entities and subdivisions shall provide not less
6 than 2.5% of the cost of any project under this section, unless a
7 total nonfederal share greater than 5% is otherwise specified in
8 federal law. State money shall not be allocated until local money is
9 allocated. State money for any 1 project shall not exceed 1/3 of the
10 total appropriation in 2003 PA 193 from state funds for airport
11 improvement programs.

12 (3) The Michigan aeronautics commission may take those steps
13 necessary to match federal money available for airport construction
14 and improvement within this state and to meet the matching
15 requirements of the federal government. Whether acting alone or
16 jointly with another political subdivision or public agency or with
17 this state, a political subdivision or public agency of this state
18 shall not submit to any agency of the federal government a project
19 application for airport planning or development unless it is
20 authorized in 2003 PA 193 and the project application is approved by
21 the governing body of each political subdivision or public agency
22 making the application and by the Michigan aeronautics commission.

23 (4) From the appropriations contained in 2003 PA 193 for airport
24 improvement programs, no funds shall be allocated for any runway
25 extensions, taxiway extensions, or apron extensions at the
26 Detroit-Willow Run airport. Further, it is the intent of the
27 legislature that no state funds shall be expended to improve or repair

1 the airport where the purpose of the improvement or repair is to
2 expand the usage of the airport, including, but not limited to,
3 anything approximating a tradeport as that term is defined in the
4 former international tradeport development authority act, former 1994
5 PA 325.

15 DEPARTMENT OF TRANSPORTATION

Sec. 801. The department of transportation, in collaboration with the suburban mobility authority for regional transportation, shall include intercity bus carriers in the planning of a multimodal transportation center in Detroit in order to ensure service coordination between local public transit operators and intercity carriers.

Sec. 802. From the funds appropriated in part 1 of 2003 PA 162, the department of transportation only shall use those appropriations contained in section 115 of 2003 PA 162 to support the operations of the multimodal transportation services bureau. The department is prohibited from charging any costs associated with the multimodal

1 transportation services bureau to any appropriation in part 1 of 2003
2 PA 162, other than the appropriations contained in section 115 of 2003
3 PA 162, regardless of funding source.

4 Sec. 803. The department of transportation is prohibited from
5 reimbursing contractors or consultants for costs associated with
6 groundbreaking ceremonies, receptions, open houses, or press
7 conferences related to transportation projects funded, in whole or in
8 part, by revenue appropriated in 2003 PA 162.

9 Sec. 804. It is the intent of the legislature that any federal
10 interstate maintenance discretionary funds remaining from the federal
11 earmark associated with Lake Chemung/Latson Road project in Livingston
12 County shall be spent on right-of-way purchases for an interchange at
13 Latson Road and I-96. The department shall begin the process of
14 purchasing right-of-way in the current fiscal year.

15 Sec. 805. (1) The department of transportation, Amtrak, Indian
16 Trails, and Greyhound shall meet to discuss and develop short-term and
17 long-term strategies to ensure that intercity bus operations are not
18 disadvantaged by the state operating assistance subsidies provided to
19 Amtrak from the state funds.

20 (2) A report detailing the finding of the discussions required in
21 subsection (1) shall be filed with the house and senate appropriations
22 subcommittees on transportation no later than February 1, 2005.
